STRATEGIC INITIATIVES:

The Monterey County Fish and Game Advisory Commission's Propagation Grant Fund Program provides grant funds to qualified projects and/or programs, which help benefit the citizens of Monterey County, agencies, organizations and /or groups. For example, the funds for the Ventana Wildlife Society will have a direct impact on the economic vitality of the County's fish and wildlife resources.

In addition to the economic development initiative, the Propagation Grant Fund Program the Commission administers helps benefit our County's precious resources such as water quality and quantity. Projects and programs focused the enhancement, protection ad preservation of the fish and wildlife resources, such as the non-lead ammo program done by the Ventana Wildlife Society, which complies with the infrastructure Initiative.
