

Lee Ann Magoski, MA, ENP

Director of Emergency Communications | County of Monterey

Professional Profile

Senior county executive with 30 years of experience in public safety communications, governance, and interagency collaboration. Leads complex, multi-jurisdictional emergency communications systems and provides operational insight in support of advisory and ex officio roles. Experience centers on public safety boards, executive leadership, and interagency governance within consolidated service models.

Current Role

Director of Emergency Communications, County of Monterey

1322 Natividad Road, Salinas, CA

February 2019 – Present

Department head responsible for the administration and oversight of a consolidated countywide emergency communications center. Operates under a 9-1-1 Services Agreement governing shared services for 28 public safety agencies. Provides leadership in policy development, interagency coordination, and fiscal stewardship of special revenue and capital project funds supporting shared services.

Governance, Board, and Advisory Experience

National Emergency Number Association (NENA) – Executive Board Chair Officer (2023–Present);

President (June 2025–June 2026)

Monterey County Equal Opportunity and Civil Rights Advisory Commission – Commissioner

(2021–Present)

California Health and Human Services – 988 Policy Advisory Group – Member (2023–2024); reappointed for 2026 advisory cycle

California 9-1-1 Advisory Board and Long Range Planning Committee (Cal OES) – Governor-appointed

Board Member, two terms (2018–2022)

California Chapter of the National Emergency Number Association (CALNENA) – Executive Board

Member (2016–2022)

Bay Area Regional Interoperability Communications System (BAYRICS) – Board Member, representing

Marin County (2012–2018)

Education

Master of Arts, Leadership, Saint Mary's College of California

Bachelor of Arts, Management (Honors), Saint Mary's College of California

Professional Credentials

Credentialed California County Senior Executive (CSAC Institute); Emergency Number Professional (ENP); Communications Manager Certification Program (CMCP)

Prepared for Board of Supervisors consideration for continued ex officio service on a County advisory body.
