RECITALS

WHEREAS, Section 1.40.010 of Chapter 1.40 of Monterey County Code provides that all fees, penalties, refunds, reimbursements, and charges of any kind by the County may be specified in the Monterey County Master Fee Resolution (Master Fee Resolution);

WHEREAS, the County of Monterey Department of Public Works, Facilities and Parks (PWFP) is proposing fee adjustments to Article V-Parks User Fees (Article V) of the Master Fee Resolution for park use, special events, and rentals that are appropriate to specify in it;

WHEREAS, Article V was last updated, effective April 8, 2021;

WHEREAS, PWFP staff evaluated current park operations and reviewed the fee article as it pertains to use of facilities and access to parks and the proposed fees delineated in Attachment A (incorporated by reference and attached hereto) will address operational issues identified related to 1) customer and staff concerns, 2) reduction in annual revenues, 3) Lake Nacimiento management company requests, 4) Friends of Laguna Seca fees set by Concessionaire, and 5) appropriately align County Parks fees with fees of comparable facilities and like agencies, both public and private, geographically proximal to Monterey County;

WHEREAS, any and all adjustments to fees for services reflect no more than the actual and reasonable cost of the service or benefit received by the payor and burdened on the County and arise from the use of County Park property, and any discount applicable to these surcharges have a de minimis impact on the departmental budget and implementation of that discount does not result in increased fees or costs for other patrons;

WHEREAS, by definition, these user fees are not a ‘tax’ and are exempt from voter approval pursuant to Article XIII C, section 1(e), subpars. 1, 2, 3, 4, and 5 of the California Constitution (charges arising from benefit received by payor, burden on government to provide services, administrative enforcement, use/admission costs to enter/use government property, and/or

enforcement penalties);

WHEREAS, this action to modify fees and other charges to meet operational expenses is statutorily exempt from environmental review [Pub. Res. Code § 21080(b)(8)];

WHEREAS, the proposed fees aligning Article V fees with those of other like agencies, will recover without exceeding actual and reasonable costs of services and benefits provided to the public;

WHEREAS, said amendments to Article V shall take effect no sooner than thirty (30) days following final action on the adoption of the amendment(s); and

WHEREAS, the recommended action supports the Board of Supervisors Economic Development, Administration, Health & Human Services, Infrastructure, and Public Safety Strategic Initiatives.
