

Nita Thomas

My name is Nita Thomas. I am a current member Of the Board of Directors for SoMoCo Fire Protection District. I am retired from an Administrative Assistant position with King City High School.

I have lived in Arroyo Seco since I was 2 months old. Leaving for college and returning to marry and raise our two girls. I've been a life long member of the Arroyo Seco Citizens and my parents were two of the original organizers. My husband remains on their board while I am with the SoMoCo District.

My husband and I care very much about Arroyo Seco. He helped with the building of the station....both physically and monetarily.

Is has been and will remain being an honor to serve on this Board.

Thank you,
Nita Thomas
