

AGREEMENT

Division 00500

THIS AGREEMENT is made by and between the COUNTY OF MONTEREY, a political subdivision of the State of California, hereinafter called "COUNTY," and PUEBLO CONSTRUCTION, INC., hereinafter called "CONTRACTOR." For reference purposes, the date of this Agreement is JANUARY 27, 2015.

THE COUNTY AND THE CONTRACTOR hereby agree as follows:

ARTICLE 1. SCOPE OF WORK.

This Job Order Contract (JOC) is an indefinite quantity contract pursuant to which the Contractor will perform a variety of Job Orders, consisting of specific construction tasks. The scope of this JOC is for general construction, repair, remodel and other repetitive related work. The County has published a Construction Task Catalog[®] (CTC) containing a series of construction tasks with preset Unit Prices. The CTC was developed using experienced labor and high quality materials. All Unit Prices are based on local labor, material and equipment prices including the current prevailing wages. The Contractor will bid Adjustment Factors to be applied to the Unit Prices. The price of an individual Job Order will be determined by multiplying the preset Unit Prices and the appropriate quantities by the appropriate Adjustment Factor.

The scope of Work for this Contract will be determined by the Detailed Scopes of Work issued in connection with individual Job Orders. The scope of work, for each Job Order will be explained to the Contractor at a Joint Scope Meeting. The County will provide a Request for Job Order Proposal and Detailed Scope of Work to the Contractor. The Contractor will be required to review the Detailed Scope of Work and develop a Price Proposal using appropriate tasks, quantities and the applicable Adjustment Factor. The County will review the Contractor's Proposal in detail and if found to be reasonable and acceptable, a Job Order may be issued. The agreed upon price will be fixed price for the performance of the Detailed Scope of Work.

The CONTRACTOR shall, within the time stipulated, perform the contract **checked below** as herein defined and shall furnish all work, labor, equipment, transportation, material, and services to construct and complete in a good, expeditious, workmanlike, and substantial manner, the project:

PROJECT NO. JOC, BID NO. FACILITIES 2014-01.

PROJECT NO. JOC, BID NO. FACILITIES 2014-02

ARTICLE 2. TIME FOR START AND COMPLETION.

Contract Time commences upon the written execution of the Contract by County and shall end either one year from the date signed by county or upon the payment by County to Contractor of the maximum amount payable under this Agreement, whichever occurs earlier. County will not issue any new Job Orders after the expiration of this Agreement. Any Job Order authorized prior to the expiration of the Agreement must be completed within the time specified in the Job Order.

In the event the scheduled completion for any Job Order extends beyond the term of this Agreement, Contractor and County agree that the terms of this Agreement shall continue in effect and be applicable for such Job Orders. A separate Job Order Notice to Proceed will be issued for each Job Order. Each Job Order will specify a time limit for completion as stated on the Job Order Notice to Proceed.

ARTICLE 3. ADJUSTMENT FACTORS

County shall pay Contractor the Job Order Sum for completion of Work in accordance with Contract Documents and the Detailed Scope of Work described in each Job Order multiplied by the following Adjustment Factors:

ADJUSTMENT FACTORS

ITEM	DESCRIPTION	ADJUSTMENT FACTORS
1.	Normal Working Hours – General Facilities	.9045
2.	Other than Normal Working Hours – General Facilities	.9155
3.	Normal Working Hours – Detention Facilities	.9175
4.	Other than Normal Working Hours – Detention Facilities	.9275

The Minimum Contract Value is \$25,000. Contractor will receive Job Orders totaling at least \$25,000 during the Contract term. The Maximum Contract Value is \$4,550,000 for the **JOC FACILITIES** **2014-01** or **2014-02**. County does not guarantee Contractor will receive this volume of Work. County may award contracts or issue Job Orders to other contractors for the same or similar Work during the term of this Agreement. In no event will Contractor be issued Job Orders which, in total, exceed the Maximum Contract Value. At no time may the sum of the outstanding Job Orders exceed the amount of the Payment Bond and Performance Bond. A Job Order is outstanding until County has accepted the Work described in the Job Order by recordation of a Notice of Completion. Contractor will not be issued Job Orders which in total exceed the Maximum Contract Value.

ARTICLE 4. LIQUIDATED DAMAGES.

County and Contractor recognize that time is of the essence of this Agreement and that County will suffer financial loss, if all or any part of the Work is not completed within the time specified in the Job Order, plus any extensions thereof. Accordingly, County and Contractor agree that liquidated damages for delay will be established by County for each Job Order. Contractor shall pay County the dollar amount stipulated in the Job Order for each day that expires after the time specified therein for contractor to achieve Completion.

These measures of liquidated damages shall apply cumulatively and except as provided below, shall be presumed to be the damages suffered by County resulting from delay in completion of the Work.

Liquidated damages for delay shall only cover project administrative (such as Project management and consultant expenses) and cost damages suffered by County as a result of delay. Liquidated damages shall not cover the cost of completion of the Work, damages resulting from Defective Work, lost revenues or costs of substitute facilities, or damages suffered by others who then seek to recover their damages from County (for example, delay claims of other contractors, subcontractors, tenants, or other third-parties), and defense costs thereof.

ARTICLE 5. NOTIFICATION OF THIRD-PARTY CLAIMS.

COUNTY shall notify CONTRACTOR of the receipt of any third-party claim relating to the contract and is entitled to recover its reasonable costs incurred in providing the notification as provided in Public Contract Code Section 9201.
