SUMMARY/DISCUSSION:

The Board of Supervisors and County Administrative Office incurred unexpected and unforeseen expenses due to disasters caused by the winter storms and the Soberanes Fire for which the County may potentially receive partial reimbursement. Staff recommends providing relief for some of the costs for time-sensitive work performed to protect the health and safety of County residents by replenishing a portion of the cost to the two departments.

The Board of Supervisors (BOS) experienced a transition due to changes in two Supervisorial districts leading to increased expenses. The BOS also paid vacation accruals for employees that separated from the County during the transition. The recommended action would address these costs and provide for other compensated absences costs incurred during FY 2016-17.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved the actions as submitted. This item was supported by the Budget Committee on April 28, 2017.

FINANCING:

Staff is requesting that \$260,753 be released from the Disaster Assistance Fund (Balance Sheet Account 3126) increasing appropriations in the following: Board of Supervisors, Fund 001, Appropriation Unit BOA001 (\$31,672) and the County Administrative Office Budget Units: CAO005 (\$184,150), CAO002 (\$25,496), CAO004 (\$13,749), CAO001-001-8046 (\$2,803), and CAO024 (\$2,883).

In addition, staff is requesting \$100,000 be transferred from the Compensated Absences Assignment (Balance Sheet Account 3115) within the fund balance of the General Fund, to the Board of Supervisors, Fund 001, Appropriation Unit BOA001 to increase appropriations by

\$100,000.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Providing the required response and associated services during disasters such as the Soberanes Fire and the 2017 winter storms supports both the efficient and effective government operations and the health and wellness of Monterey County residents. This budget update reimburses those County resources that provided responses and support during these 2017 disasters.
