**FUNDING AGREEMENT
FOR THE
CHAPIN COMMERCIAL CANNABIS PROJECT
INITIAL STUDY AND PROPOSED MITIGATED NEGATIVE DECLARATION**

THIS FUNDING AGREEMENT, hereinafter, “**AGREEMENT**”, is made and entered by and between the County of Monterey, a political subdivision of the State of California (“**County**”), and Donald D. Chapin Jr. and Barbara A. Chapin, Co-trustees of the Chapin Living Trust dated April 27, 1999, (“**PROJECT APPLICANTS**”) (collectively, the “**Parties**”) and effective as of the last date opposite the respective signatures below and with reference to the following facts and circumstances:

RECITALS

A. **PROJECT APPLICANTS** have applied to County for approval of development entitlements for the Chapin Commercial Cannabis Project, including a General Plan Amendment to adopt a Special Treatment Area to allow commercial cannabis retail sales; an Administrative Permit to allow commercial cannabis retail sales, commercial cannabis processing, and cannabis cultivation in existing greenhouse for display purposes only; and amendment to a previously approved General Development Plan, to allow the aforementioned uses in place of the existing landscaping business. The property is located at 115 and 117 Monterey Salinas Highway (Assessor’s Parcel Number 207-131-004-000 and 207-131-005-000). The property is approximately a 0.79 acres and 2.0 acres respectively. The project entails re-use of an existing 4,760-square foot building as a commercial cannabis dispensary and for edibles manufacturing, re-use of an existing 42 foot by 72 foot barn as an overflow commercial cannabis dispensary, re-use of the existing office building for office uses, re-use of two additional existing buildings for non-cannabis retail sales and to house non-cannabis accessories, and re-use of an existing greenhouse for demonstrations and educational cannabis cultivation purposes, referred to herein as “**PROJECT**.” The County is preparing environmental review of the **PROJECT** under the California Environmental Quality Act (CEQA).

B. The Parties have agreed to contract with Rincon Consultants, Inc., hereinafter, “**CONTRACTOR**,” to prepare an Initial Study/proposed Mitigated Negative Declaration (IS-MND) as part of the environmental review for the **PROJECT**. The County intends to contract with **CONTRACTOR** pursuant to the Professional Services Agreement, (“**PSA**”) between County and **CONTRACTOR**, attached to this **AGREEMENT** as Exhibit “1,” and incorporated herein by reference. County shall manage the **PROJECT** work performed by **CONTRACTOR**.

C. The Parties hereby agree that County shall engage **CONTRACTOR** to provide the services set forth in the **PSA** and **PROJECT APPLICANTS** shall fund the cost of **CONTRACTOR’S** services thereunder as well as pay a County contract administration fee.

D. A fundamental premise of this **AGREEMENT** is that nothing herein is to be construed as a representation, promise, or commitment on the part of County to give special treatment to, or exercise its discretion favorably for, the **PROJECT** in exchange for **PROJECT**

APPLICANTS’ obligation to cover County’s cost of retaining CONTRACTOR and providing County staff to work on the PROJECT.

E. The County department costs associated with processing the application for the PROJECT, other than contract administration, will be funded through separate land use application fees to be paid by the PROJECT APPLICANTS pursuant to the Monterey County Land Use Fee Schedule, attached to this AGREEMENT as “Exhibit 2,” and incorporated herein by reference. These land use application fees are separate from and in addition to the funding provided by the PROJECT APPLICANTS pursuant to this AGREEMENT.

F. The Parties make this AGREEMENT with full knowledge of the requirements of State and local law, including, but not limited to the California Environmental Quality Act (Public Resources Code Section 21000 et seq., hereinafter, “CEQA”) and the State CEQA Guidelines (California Code of Regulations Title 14, Section 15000 et seq., hereinafter, “Guidelines”), County plans, and the Monterey County Code.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES CONTAINED IN THIS AGREEMENT, THE PARTIES AGREE AS FOLLOWS:

This five thousand dollar (\$5,000) Project Contingency amount is subject to the procedures in *Section B.3, Transfer from Project Contingency Account*, specified in “Exhibit A”, *Scope of Services/Payment Provisions*, of the PSA, attached to this Agreement as Exhibit “1”, and incorporated herein by reference.

5. Engagement of CONTRACTOR. This AGREEMENT is based on County engaging CONTRACTOR in accordance with the PSA between County and CONTRACTOR, attached hereto and incorporated by this reference as Exhibit “1.” CONTRACTOR shall be responsible only to County, and nothing in this AGREEMENT imposes any obligation on County or CONTRACTOR to PROJECT APPLICANTS other than to devote the time and attention to assisting with the processing of the PROJECT. County shall provide direction and guidance to the CONTRACTOR. CONTRACTOR’s contact with PROJECT APPLICANTS shall only be through County. 7. No Promise or Representation. The Parties agree that nothing in this AGREEMENT is to be construed as a representation, promise, or commitment on the part of County to give special treatment to, or exercise its discretion favorably for the PROJECT, it being understood that PROJECT APPLICANTS' funding obligation under this AGREEMENT is undertaken without regard to County's actions regarding the PROJECT.

8. Term. This AGREEMENT shall become effective March 16, 2021, and continue through January 31, 2022, unless terminated pursuant to Paragraph 9 or amended pursuant to Paragraph 13 of this AGREEMENT.

9. Termination. This AGREEMENT shall terminate on January 31, 2022, but may be terminated earlier by PROJECT APPLICANTS or County, by giving thirty (30) days' written notice to the other. Upon such termination, PROJECT APPLICANTS shall immediately pay any outstanding invoices, as well as pay for any work performed by CONTRACTOR through effective date of termination.

15. Waiver. The failure of a party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No waiver by a party of any condition or of any breach of any term contained in this AGREEMENT shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in any other instance or a waiver of any other condition or breach of any other term.

10.03. Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three year period, then CONTRACTOR shall retain said records until such action is resolved.

CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12. **COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANT.** If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

**To Agreement by and between
County of Monterey, hereinafter referred to as “County”
AND
Rincon Consultants, Inc., hereinafter referred to as “CONTRACTOR”**

A. SCOPE OF SERVICES

CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work to prepare an Initial Study and proposed Mitigated Negative Declaration (IS-MND) (Services) for the Chapin Commercial Cannabis Project (Project). The property owners and Project Applicants are Donald D. Chapin and Barbara A. Chapin, Co-trustees of the Chapin Living Trust dated April 27, 1999 (Project Applicants). The proposed Project consists of: a General Plan Amendment to adopt a Special Treatment Area to allow commercial cannabis retail sales; an Administrative Permit to allow commercial cannabis retail sales, commercial cannabis processing, and cannabis cultivation in existing greenhouse for display purposes only; and amendment to a previously approved General Development Plan, to allow the aforementioned uses in place of the existing landscaping business.

The CONTRACTOR shall provide the Services associated with the Project as set forth below:

Task 1: Kickoff Meeting and Data Acquisition

CONTRACTOR shall schedule a brief kickoff meeting upon notice to proceed that would be held via conference call. The purpose of the meeting would be to allow County and CONTRACTOR to discuss the project description, and approach to environmental evaluation, existing conditions and baseline for the analysis. This task additionally includes limited coordination to receive additional project information and background studies, as available.

Task 2: Administrative Draft IS-MND

CONTRACTOR shall prepare an Administrative Draft IS-MND for review by County. CONTRACTOR shall use the County’s preferred format. The Administrative Draft IS-MND will address all items on the environmental checklist at a sufficient level of detail to allow for the determination of levels of significance. Where appropriate and necessary, impacts will be quantified, and feasible mitigation measures will be provided. As noted below, assumptions are made; these assumptions are subject to the analysis to be done as part of the Initial Study, and if additional work is needed, it is understood that such additional work may require augmentation of the budget via contract amendment and augmentation of the funds provided by application for CONTRACTOR services. Key issues are anticipated to include: Biological Resources, Cultural Resources, Hazards and Hazardous Materials, Transportation, and Tribal Cultural Resources. Each of these key issue areas are described briefly below.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

- Biological Resources.** The project site is almost entirely disturbed, with ornamental landscape vegetation throughout the site. It is anticipated that a desktop review of biological resources will be adequate to address potential impacts, as no new construction or ground disturbance would occur as a result of the project. The desktop review will include review of readily available existing information, project plans, aerial imagery, databases (i.e. California Natural Diversity Database [CNDDB] and California Native Plant Society [CNPS] rare plant inventory) and other available literature. It is also assumed that no trees would be removed or damaged as a result of the project. The site is not expected to provide suitable habitat for special status biological resources.
- Cultural Resources.** CONTRACTOR understands that some of the existing on-site structures are of a historic age; however, it is assumed that the project would not modify, alter, or remove all or portions of any potentially historic structures, and a formal historic analysis is not required. If this is not the case, a detailed historic resources analysis can be provided for an additional fee upon request.

It is anticipated that a desktop review of archaeological resources will be adequate to address potential impacts to archaeological resources, as no new construction or ground disturbance would occur as a result of the project. It is assumed that a records search with the Northwest Information Center, search of the Native American Heritage Commission's (NAHC) Sacred Lands File, and field survey would not be required, as ground disturbance is not proposed. Should the assumptions described above be incorrect, additional efforts be needed (e.g., records search data, Native American outreach, field survey) can be provided for an additional fee.

- Hazards and Hazardous Materials.** CONTRACTOR shall conduct a review of the California Department of Toxic Substances Control EnviroStor and California State Water Resources Control Board GeoTracker databases for current published hazardous materials records in the vicinity of the project site. If hazardous sites are identified on or near the project site, this section of the IS-MND will evaluate the potential for significant impacts related to hazardous materials and, if necessary, provide mitigation measures. In addition, the section will assess the potential for exposure of future on-site users to loss, injury, or death as a result of wildland fire and consistency with Fire Department requirements for adequate emergency access. The IS-MND will examine these issues and provide appropriate mitigation.
- Transportation.** The project will generate vehicle trips during project construction and operations. A Traffic Study completed by Keith Higgins in October 2019 provides the anticipated trip generation and analysis of level of service (LOS) impacts, but does not provide an estimate or analysis of vehicle miles traveled (VMT) impacts. Per Senate Bill (SB) 743, CEQA now requires VMT analysis, thus the Project Applicants will submit a professionally prepared analysis for review

Task 3: Public Review Draft IS-MND

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

After County staff has prepared comments and suggested revisions to the administrative draft, CONTRACTOR shall edit the document and prepare it for release to the public. CONTRACTOR shall prepare a Notice of Intent (NOI) to Adopt an IS-MND, as well as a notice for publication in a newspaper of general circulation. County will coordinate publication of the notice in a local newspaper and conduct other public noticing requirements (including submitting the IS-MND to the State Clearinghouse (SCH), posting the NOI with the County Clerk, and mailing copies and/or notices to interested parties. CONTRACTOR will provide one electronic PDF copy of the Public Review Draft IS-MND for posting on the County’s website. Hard copies of the Public Review Draft IS-MND can be provided for an additional fee.

Task 4: Project Management

This task includes management and coordination through the duration of the project, including coordination with County staff; project oversight; budget and schedule management; and project accounting including billing and accounts receivable efforts.

SCHEDULE

CONTRACTOR proposes an approximate twenty-three (23) week schedule for preparation of the IS-MND, as presented in the table below. Delays in receiving requested information or responses by others may result delays in the overall schedule.

CONTRACTOR assumes a two-week turnaround by the County of internal review work products and a 30-day public review period.

CONTRACTOR shall respond to one round of comments on each deliverable.

The following outlines the schedule for completion of the work program.

Task	Timing	Total Time Elapsed
Notice to Proceed	----	---
Kickoff Meeting	1 week after Notice to Proceed	1 week
County Comments	2 weeks	3 weeks
Administrative Draft IS-MND	Within 8 weeks of receipt of project details or within 2 weeks of receipt of a VMT study, whichever is later.	Approximately 10 weeks

ASSUMPTIONS

This scope and budget make various assumptions, as listed below. These assumptions are subject to the analysis to be done as part of the Initial Study, and if additional work is needed, it is understood that such additional work may require augmentation of the budget via contract amendment and augmentation of the funds provided by application for CONTRACTOR services.

The existing on-site structures are not considered historic for the purposes of CEQA, and no modification, alteration, or removal of on-site structures is proposed.

No new construction or ground disturbance is proposed as part of the project.

No special status species, their habitat, or jurisdictional waters are present on the project site or would be affected by the proposed project.

No trees will be removed or damaged as part of the project.

An updated Traffic Study that includes an analysis of VMT will be provided for incorporation into the IS-MND.

County shall conduct government-to-government tribal noticing under AB 52, the results of which will be made available for use in preparation of the Tribal Cultural Resources section of the IS-MND.

The analysis will rely on existing technical studies, photographs, and information from staff; this scope does not include formal peer review, a site visit, agency consultation, or permitting assistance.

CONTRACTOR'S attendance at public hearings will not be needed.

County shall assume responsibility for the approved IS-MND and will solely defend the document if legal challenges are presented.

Only digital copies will be submitted.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

County shall not require CONTRACTOR to prepare a Final IS-MND and County shall respond to comments on the Draft IS-MND as needed. However, CONTRACTOR shall be responsible for making minor amplifications and clarifications to the initial study if warranted after the public review period.

All written reports required under this Agreement must be delivered in accordance with the above Task schedule to the following individual:

Any subconsultant services must be invoiced based on the Subconsultant fee and the allowable overhead cost.

The HCD Director or designee may request documentation of the number of hours worked by task and by staff member, with the corresponding billing rates and/or the subconsultant costs. The information will be used to complete the file and to ensure proper payment for deliverables/services.

B.3 Transfer from Project Contingency Account

Transfer of funding from the Project Contingency Account (total Project Contingency of \$5,000.00) requires the prior written approval of the HCD Director or designee and the Project Applicant.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

A recommendation for such a transfer shall be presented in writing by CONTRACTOR to the HCD Director and/or Project Planner, with a duplicate original delivered to the Contract Administrator, at the earliest possible date. The recommendation shall include:

- The dollar amount;
- The anticipated date the funded work would begin;
- The duration of the work;
- The entity (CONTRACTOR or subconsultant) to whom the funds would be transferred/allocated; and
- The justification for the expenditure.

Within five (5) working days of receipt of the recommendation, the HCD Director and/or Project Planner and Contract Administrator will have contacted CONTRACTOR to discuss its recommendation and will have made a recommendation to the HCD Director or designee. Within ten (10) working days thereafter, the HCD Director or designee will approve, deny, or approve a revised version of the recommendation received from CONTRACTOR, and will send a written decision to the Project Applicants and CONTRACTOR.

Unless the recommended transfer is denied by the HCD Director or designee, the HCD Director or designee will ask the Project Applicants to make a decision within five (5) working days regarding the recommended transfer from the Project Contingency Account. If necessary, reasonable efforts will be made to reach a compromise.

Upon receipt of the Project Applicants' written approval by the HCD Director or designee, the funding transfer will be made. At the same time, a letter authorizing the work funded by the approved transfer will be sent to CONTRACTOR.

EXHIBIT B – REVISION TO SECTION 8, INDEMNIFICATION, OF AGREEMENT

8. INDEMNIFICATION.

8.01 For purposes of the following indemnification provisions (“Indemnification Agreement”), “design professional” has the same meaning as set forth in California Civil Code section 2782.8. If any term, provision or application of this Indemnification Agreement is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Indemnification Agreement and such other terms and provisions shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code Sections 2782 or 2782.8, the broadest indemnity protection for COUNTY under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.

8.02 Indemnification for Design Professional Services Claims:

CONTRACTOR shall indemnify, defend and hold harmless COUNTY, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of COUNTY, or defect in a design furnished by COUNTY, but in no event shall the amount of such CONTRACTOR’s liability exceed such CONTRACTOR’s proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one (1) or more defendants to any action involving such claim or claims against COUNTY is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.

8.03 Indemnification for All Other Claims or Loss:

For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR’s performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless COUNTY, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of COUNTY, or defect in a design furnished by COUNTY.

EXHIBIT 2

**APPLICABLE FEE SCHEDULE,
DATED September 19, 2019**

**ARTICLE IX – RMA Land Use
Resource Management Agency Fee Schedule**

(Per Resolution No. 19-318 , adopted September 17, 2019 by the Monterey County Board of Supervisors)

These regulatory and user fees are based on the estimated reasonable cost of providing these services or performing these activities. This fee schedule has been comprehensively revised for land use related activities in response to requests for services (permit applications). This fee schedule combines Planning fees (formerly the sole subject of Article IX), Public Works/Development Services (formerly Fee Article X) and Environmental Services (formerly Fee Article XX) as these services are performed under the Resource Management Agency (RMA). Work done without a permit, where a permit would have been required, is subject to code enforcement and subsequently charged double the permit fee. Fees are based on the estimated reasonable cost for processing various land use permits established in: Monterey County Code, Title 20 (Coastal Implementation Plan) and Title 21 (Non-coastal Zoning Ordinance), and related planning services (Government Code §§ 65104, 65909.5, 66014); Title 19, Monterey County Code (Subdivisions); Public Resources Code sections 2761 - 2764 (Surface Mining and Reclamation Act) and Chapter 16.04, Monterey County Code (Surface Mining and Reclamation); California Environmental Quality Act (Public Resources Code §21000 et seq.); Monterey County Code Chapters 1.20, 1.22, 20.90, and 21.84 (code enforcement activities and process).

10%	General Plan Update and Implementation Fee (Included in Tier Pricing Schedule unless noted otherwise ⁷)
1.70%	Storage and Electronic Conversion of Files Fee (File Storage Fee)
6.20%	Technology Fee

Transactions involving the use of a credit card are subject to a Credit Card Convenience Fee. The Credit Card Convenience Fee of 2.25% is based on a current fee established by the County's contracted merchant bank and is subject to adjustments. The File Storage Fee of 1.70% is based on the costs incurred by RMA to file and store information related to land use applications and services provided. The Technology fee of 6.20%, was determined based on the Adopted Budget for Fiscal Year 2019/20 for Information Technology systems and related support costs directly related to permit processing including, but not limited to, Accela (permit tracking tool) which allows the department (RMA) to function efficiently and directly communicate with customers via online portal. Information technology allows the department to cut costs by communicating directly with customers and other agencies. The annual maintenance costs and associated costs are required to maintain status quo. The costs to maintain the Accela system and associated information technology support are required to provide existing levels of service. The technology fee applies to all fees, unless otherwise specified.

The General Plan Update and implementation regulatory requirement is an ongoing operational mission-critical requirement. The General Plan Update and implementation (GPU&I) fee of 10%, is based on the workload (distributed across an annual basis) and associated annual budget required to implement and update the General Plan as necessary. The GPU&I fee has been incorporated into the tiered fee structure unless otherwise specified. Consistent and timely updates are required. The average annual cost of evaluating individual permits and activities has incremental impacts when taken cumulatively, creates an unnecessary burden on the General Fund. The GPU&I fee is not applied to Application Requests, Appeals, Appeals of Director's Interpretation, and Appeals of Fee Determinations.

The applicant for a land use application, permit approval or any procedure that requires processing through RMA and includes recording/filing of a document with the Monterey County Recorder shall, in addition to the payment of any and all other County and/or RMA fee, be required to pay any and all applicable standard recording/filing fees no later than the time of the recording/filing of that document. The payment of the applicable recording/filing fee shall be required whether the document is processed on behalf of the applicant, by an employee of the County of Monterey (e.g., RMA staff) or Clerk of the Board or by the applicant. Failure to ensure full payment of such recording/filing fee by the time of the recording/filing shall be grounds for rejection of the recording/filing of that document with no liability to the County.

Footnotes

1) Unless a "deposit" is indicated, the fee is a flat fee based on the estimated reasonable cost, averaged across all applications, for processing the permit/entitlement/activity. In cases where the scope of an application is modified and/or exceeds the scope originally used to assign the fee tier (and other associated fees), the RMA reserves the right to re-assess the application to the appropriate fee tier (and collect associated fees).

2) For certain applications, a "deposit" is indicated because the cost of processing varies widely depending on the application. Where a "deposit" is indicated, the fee will be based on actual hours, measured by actual time spent on an application in quarter-hour (.25) increments. Applicant is required to pay the deposit, which is initially established based on an estimated minimum set of hours multiplied by the applicable billable rates. If during the processing of applications County staff determines that the deposit is insufficient to cover actual processing time, the applicant will be asked to increase the deposit amount based on a revised estimate provided by the County. The revised estimate will be calculated based on the established billable rate(s) multiplied by actual hours expended. Should the instance arise where the deposit is insufficient to cover the actual cost of the actual processing time, the applicant will be billed to cover the outstanding amount. All outstanding amounts must be paid prior to the County finalizing the application. On deposit applications, the applicant and Deputy Director of Land Use and Community Development may elect, on a case-by-case basis, to agree to a different deposit amount based on the estimated cost of processing a specific application. Invoices shall be provided to the applicant on a frequency dependent upon the application's progress. The fee will be calculated based on the number of hours expended by County staff multiplied by the applicable billable rate noted in the fee article. Consultants and other expenses shall be reimbursed based on actual costs incurred.

3) In the coastal zone, the appeal fee applies only to appeals of permits that are not appealable to the California Coastal Commission such as Administrative Permits, Design Approvals, Variances, and Tree Removal Permits in certain coastal areas. The appeal fee does not apply to appeals of Coastal Development Permits that are appealable to the Coastal Commission. No fee is charged for postage & handling.

Consistent with these criteria, any project requiring the preparation of an Environmental Impact Report shall qualify as an extraordinary development application. The applicant shall be responsible for paying the associated staff hours multiplied by the applicable billable rate noted in the fee article, as well as any other costs incurred, including consultant costs. |
| 5) Fees collected for application appointments and Development Review Conferences shall be credited against any subsequent discretionary permit, except design approval, provided the discretionary permit application is made within 12 months of the application appointment. |
| 6) This fee shall not apply to an application for the first Building Permit following approval of a discretionary planning entitlement, except Design Approvals. |
| 7) General Plan Update and Implementation fee of 10% is applied to the total permit fee assessed toward an application and is required for all permits covered under this article except for: Application Requests; Appeals; Appeals of Director's Interpretation; and Appeals of Fee Determinations. |
| 8) Hazard Tree Removal - <i>No Fee</i> applies when a tree is deemed hazardous by a professional licensed arborist or tree trimmer/remover. |

Projects approved prior to the effective date of this article with mitigation measures shall be subject to the mitigation monitoring fees set forth in the Monterey County Fee Resolution that was in effect on the application approval date. |
| 10) Applications with conditions of approval that do not include mitigation measures, applications approved after the effective date of this Article shall be subject to the condition compliance fees set forth in this Article, and applications approved prior to the effective date of this Article shall be subject to the condition compliance fees set forth in the Monterey County Fee Resolution that was in effect on the application approval date. |
| 11) Work performed without a permit where a permit is required is subject to Code Enforcement Investigation and Compliance Support based on hourly rates, plus double the permit fee. |
| 12) A portion of the fee (50%, \$1,650) collected for a parcel legality determination may be credited toward a request for Certificate of Compliance (Conditional \$7,700 or Unconditional \$3,300) for the same lot that was the subject of the parcel legality determination. |
| 13) An appeal fee applies to appeals of the RMA Director’s Interpretations of the zoning or subdivision ordinance, regardless of planning area. |
