Service Description

1. Day Treatment Intensive

The Day Treatment Intensive Program provides a structured, therapeutic milieu in which a range of treatment interventions are incorporated.

- a) **Individual and Group Psychotherapy:** comprised of service activities which are therapeutic interventions that focus primarily on symptom reduction as a means to improve functional impairments. DTI includes individual therapy (normally twice a month) and Group Therapy (conducted five days a week). Therapy is focused on the goals identified in each child's Assessment and Client Plan (ACP). Individual Therapy is provided by BBS Licensed/Waived Mental Health Professionals (LPHA). Measurable Long term goals and short term objectives are addressed with structured therapeutic interventions.
- b) **Skill Building Groups:** focus on the utilization of multi-media materials in a group setting to facilitate both a learning process and development of skills necessary for adulthood. Topic areas may include: Assertiveness, Medication Education, Stress Management, Milhous Scouts, Male/Female Relationships, Value Clarification, Cultural Awareness, Self Image, Health and Wellness, Self-esteem Building, Feelings and Transitioning back into the community.
- c) **Adjunctive Groups:** provide opportunities for children to express their thoughts and emotions, to explore a deeper understanding of their self, and to increase self-esteem through personal expressions in art, recreation, therapeutic animal interactions, dance, music, etc.
- d) **Process Groups:** help children develop the skills necessary to deal with their problems and issues by providing peer interaction and feedback to develop problem-solving strategies and assisting one another in resolving behavior and emotional problems.
- e) **Community Meetings:** (conducted five days a week) includes, but not limited to, discussion of daily schedule; any current events, individual issues children or staff wish to discuss to elicit support of the group milieu process; conflict

resolution; planning for special events; discussion of day treatment experiences; and debriefing or wrap-up.

- f) **Day Treatment Collateral Contact:** is with one or more *significant support person(s)* in the life of the child. This may include consultation and training to assist in better utilization of services and understanding mental illness. Collateral services include, but are not limited to, helping *significant support person(s)* to understand and accept the child's condition, and involves them in treatment service planning and implementation of the client plan.

2. Medication Support Services

“Medication support services include prescribing, and monitoring of psychiatric medications or biological necessary to alleviate the symptoms of mental illness which are provided by a staff person, within the scope of practice of his/her profession. This service includes:

- *evaluation of the need for medication*
- *evaluation of clinical effectiveness and side effects of medication*
- *obtaining informed consent*
- *medication education (including discussing risks, benefits and alternatives with the individual or significant support persons)*
- *plan development related to the delivery of this service and/or to the status of the individual's community functioning*
- *prescribing, psychiatric medications”*

Medication support services shall be provided within the staff person's scope of practice. (Physician, Registered Nurse, Licensed Vocational Nurse or Psychiatric Technician.)

Many of our children benefit from psychotropic medications. All children will be assessed by Milhous' consulting Psychiatrist. Children who are prescribed medications will be seen more frequently. Children who remain stable on medications may be seen for medication support services by our psychiatrist twice a month. Those children who are not yet stabilized may need to be seen more and preauthorization will be requested. With the intensity of the diagnoses and age of the child, close evaluation of the clinical effectiveness and side effects of the medications is critical. New medications and changes in medications dosage require close monitoring. With Doctors orders, our nursing staff meets with the children between visits with the Psychiatrist to evaluate the clinical effectiveness and side effects of medications. *Dispensing of medication is not included as part of our medication support services.*

3. Family Therapy

Focuses on the problems of the child as a family member. Assessment of family dynamics contributing to the emotional disturbance of the child, problem solving techniques and communication skills are included in family therapy. Family therapy is imperative to the successful and sustainable reunification of the child with the family. Family therapy is provided (normally twice a month) by BBS

Licensed/Waived Mental Health Professionals (LPHA). Measurable Long term goals and short term objectives are addressed with structured therapeutic interventions.

4. Crisis Intervention

Milhou's Children's Services is prepared to provide crisis intervention services as needed. All staff working with the children have been trained and certified in crisis intervention. Not all children placed with Milhou's require crisis intervention services. Milhou's' experience has been that the children placed in our level 14 programs require anywhere from 0 crisis intervention services to an average of 55 minutes per quarter.

"Crisis Intervention is a quick emergency response service enabling the Individual to cope with a crisis, while maintaining his/her status as a functioning community member to the greatest extent possible. A crisis is an unplanned event that results in the Individual's need for immediate service intervention. Crisis Intervention services are limited to stabilization of the presenting emergency."

5. Therapeutic Behavioral Services

Therapeutic Behavioral Services (TBS) are *supplemental* specialty mental health services under the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) benefit. TBS is an intensive, individualized, one-to-one, short-term, outpatient treatment intervention for beneficiaries with serious emotional disturbances (SED) who are at risk of losing their residential placement due to their behavior. For a child to be eligible for TBS, a mental health provider must find that in his or her clinical judgment, either that:

- a) It is highly likely that without the additional short-term support of TBS the child will need placement in an acute psychiatric hospital inpatient services, psychiatric health facility services, or crisis residential treatment services.

IV. PAYMENT CONDITIONS

A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this

Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S Maximum Allowances (CMA), which is based on the most recent State's Schedule of Maximum Allowances (SMA) as established by the State's Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY'S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section V.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form acceptable by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit a Day Care Activity Report for Day Care Services and a Claim Form summarizing service costs, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim along with supporting documentations, as may be required by the COUNTY for services rendered to:

Monterey County Health Department
Behavioral Health Bureau
1270 Natividad Road
Salinas, CA 93906
ATTN: Accounts Payable or MCHDBHFinance@co.monterey.ca.us

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any “obligations incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.
- F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- G. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.
- I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR’S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

V. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$2,279,966** for services rendered under this Agreement.
- B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2014 - June 30, 2015	\$771,654
July 1, 2015 - June 30, 2016	\$754,156
July 1, 2016 - June 30, 2017	\$754,156
TOTAL AGREEMENT MAXIMUM LIABILITY	\$2,279,966

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.
- D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files, contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.
- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. BILLING PROCEDURES AND LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER FEDERAL SOCIAL SECURITY ACT, TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI HEALTHY FAMILIES

The Short-Doyle/Medi-Cal (SD/MC) claims processing system enables California county Mental Health Plans (MHPs) to obtain reimbursement of Federal funds for medically necessary specialty mental health services provided to Medi-Cal-eligible beneficiaries and to Healthy Families subscribers diagnosed as Seriously Emotionally Disturbed (SED). The Mental Health Medi-Cal program oversees the SD/MC claims processing system. Authority for the Mental Health Medi-Cal program is governed by Federal and California statutes.

- A. If, under this Agreement, CONTRACTOR has Funded Programs that include Short-Doyle/Medi-Cal services and/or Healthy Families services, CONTRACTOR shall certify in writing annually, by August 1 of each year, that all necessary documentation shall

exist at the time any claims for Short-Doyle/Medi-Cal services and/or Healthy Families services are submitted by CONTRACTOR to COUNTY.

CONTRACTOR shall be solely liable and responsible for all service data and information submitted by CONTRACTOR.

- C. CONTRACTOR shall submit to COUNTY all Short-Doyle/Medi-Cal, and/or Healthy Families claims or other State required claims data within the thirty (30) calendar day time frame(s) as prescribed by this Agreement to allow the COUNTY to meet the time frames prescribed by the Federal and State governments. COUNTY shall have no liability for CONTRACTOR'S failure to comply with the time frames established under this Agreement and/or Federal and State time frames, except to the extent that such failure was through no fault of CONTRACTOR.
- D.
