To whom it may concern:

My name is Peggy Silvestre and I am the executrix of the estate of The property on 419 A Hyland Dr. I am asking if you would forgive the interest on the loan for the module. I have been working for 3 years to get the property sold; I have paid attorneys to evict, gone to court numerous times, paid clean up crew for the illegal squatters (that are still squatting on the property) and all the painting & repairs for the house to be able to show. Offers on the home have been coming in way below asking price. We did accept an offer way below asking price. I was unaware that we could have been paying the interest until just last year, when Gretchen retired, I have a few letters stating that as long as a low income immediate family member was living there were no monies due. I'd like to thank you for taking the time to consider this matter.

Thank you  
Peggy Silvestre
