RECITALS

WHEREAS, Net Health owns proprietary software and CUSTOMER desires to license software from Net Health in accordance with the terms of this Agreement; and

WHEREAS, Net Health and CUSTOMER desire that this Agreement serve as the Master Agreement with respect to one or more purchase schedule(s) (each a "Purchase Schedule") attached hereto as Exhibit A (which may from time to time be amended, supplemented, or restated as agreed in writing between the parties) and executed by Net Health and CUSTOMER setting forth the Licensed Software (as such term is defined herein below), services, service fees and other terms applicable thereto.

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties hereto, and intending to be legally bound hereby, the parties agree as follows:

1. LICENSE.

(a) License Grant. Subject to the terms, conditions and limitations set forth in this Agreement, Net Health hereby grants to CUSTOMER, and CUSTOMER accepts and receives, the non-exclusive, non-transferable license more fully described in the Purchase Schedule(s) (the "Licensed Software") attached hereto as Exhibit A, and all related materials and services, if any, supplied by Net Health hereunder in accordance with the documentation provided by Net Health for the number of designated sites and healthcare providers/users (each an "Authorized Site/Provider," which Authorized Sites/Providers are more fully identified on Exhibit A) set forth in the applicable Purchase Schedule.

(b) Limitations. Except as otherwise expressly set forth herein, the foregoing license expressly excludes licenses to copy, distribute, disseminate, modify, reverse engineer or sublicense Licensed Software. Payment of the Fees (as defined in Section 4) or any portion thereof does not entitle CUSTOMER, or any of its affiliates, independent contractors, or agents, to use the Licensed Software at any location other than an Authorized Site. Subject to the foregoing restrictions and Section 7 hereof, CUSTOMER'S affiliates and those agents and subcontractors of CUSTOMER that have agreed in writing to abide by the terms and conditions of this Agreement may access and/or use the Licensed Software solely for CUSTOMER'S benefit hereunder. CUSTOMER at all times shall be responsible and liable to Net Health for any use of the Licensed Software by such affiliates, agents or subcontractors.

(c) Title. Title to the Licensed Software and all additional programs developed by Net Health for CUSTOMER hereunder, and all copies thereof are proprietary to Net Health and title thereto remains with Net Health.

(d) License Term. In accordance with the terms herein, commencing on the Effective Date of this Agreement or any applicable Purchase Schedule Effective Date, Net Health grants to CUSTOMER a license to use the Licensed Software only for the term stated in the applicable Purchase Schedule (the "Initial Term").

(e) Return of Data. (i) All data provided by CUSTOMER ("CUSTOMER data") belongs to CUSTOMER. Except for purposes of providing the services hereunder, use or distribution of CUSTOMER data by Net Health is prohibited unless Net Health obtains prior written consent from CUSTOMER. Upon request from CUSTOMER following termination of this Agreement or any Purchase Schedule for any reason, Net Health shall provide in a useable electronic form, as a comma delimited text file, a copy of the CUSTOMER data to CUSTOMER. If CUSTOMER makes no such request within 90 days of termination, Net Health shall have the right to destroy its copy of such CUSTOMER Data without further obligations to CUSTOMER. If Net Health is unable to return all data then data must be erased, destroyed and rendered unreadable in its entirety in a manner that prevents its physical reconstruction.

2. INTERFACES.

(a) CUSTOMER agrees to accept, and Net Health agrees to build, as applicable, the interface(s) described in the Purchase Schedule (the "Interface(s)").

(b) Implementation Timeframe. Assuming reasonable cooperation from CUSTOMER, the Interface shall be completed no more than forty-five (45) days after CUSTOMER requests such interface, which request shall be deemed to be submitted upon the completion, execution, and delivery of the Applicable Purchase Schedule to Net Health and the attachment of the same to the Agreement; provided, however, Net Health is not currently building an interface for CUSTOMER. In this event, Net Health will complete the requested Interface within approximately forty-five (45) days after the previous CUSTOMER interface is accepted.

(c) Acceptance. CUSTOMER will have a period of thirty (30) days after completion of the Interface (the "Acceptance Period") to test the Interface to confirm that it is capable performing in all material respects in accordance with all functional specifications set forth in the Purchase Schedule. If CUSTOMER notifies Net Health in writing during the Acceptance Period of any failure of the Interface to conform to the standards as set forth in the Purchase Schedule, Net Health, at its own expense, will modify, repair, adjust, or replace the Interface to make it conform to the specifications set forth in the Purchase Schedule within thirty (30) days after the date Net Health receives CUSTOMER'S deficiency notice. Net Health will provide CUSTOMER with a written "corrective action plan" in response to CUSTOMER'S deficiency notice. CUSTOMER may perform additional acceptance tests during a period commencing on the date when Net Health has delivered a revised Interface correcting all identified deficiencies. This restarted Acceptance Period will have a duration equal to that of the initial Acceptance Period. If the Interface does not conform to the specifications set forth in the Purchase Schedule, at the end of the applicable Acceptance Period or any extension thereof, CUSTOMER may either (i) reject such Interface

and terminate the Purchase Schedule with respect to such interface for material breach without further cure period, or (ii) repeat the acceptance procedures set forth in this Section 2(c) as often as CUSTOMER determines is necessary.

3. INTENTIONALLY OMITTED.

4. PAYMENT.

(a) In consideration of the Licensed Software and Interface(s) provided hereby, CUSTOMER shall pay to Net Health the amounts provided for in the applicable Purchase Schedule (the "Fee(s)") and in accordance with the payment terms set forth in this Agreement and in the applicable Purchase Schedule. Except for termination by CUSTOMER pursuant to Section 8(a), all payment obligations under this Agreement are non-cancelable and non-refundable.

(b) Set Up and Training Fees. Unless otherwise provided in the applicable Purchase Schedule, CUSTOMER shall pay to Net Health a one-time fee stated in the applicable Purchase Schedule for setup of the Licensed Software and for the onsite training at the CUSTOMER'S facility. 6. CUSTOMER RESPONSIBILITIES.

(a) CUSTOMER shall be responsible for the following, unless otherwise set forth in the applicable Purchase Schedule: adherence to specified electrical requirements; running all cable and phone connections for the Licensed Software; and all data conversion (if applicable).

(b) CUSTOMER will participate fully in the implementation, including attending training sessions, performing applicable file builds, and complying with other reasonable Net Health instructions regarding the implementation. In the event CUSTOMER delays the completion of the implementation of the Licensed Software or

Interface(s) beyond six months from the applicable Purchase Schedule Effective Date, for each month thereafter until the Licensed Software or Interface(s) is fully implemented and accepted by CUSTOMER, CUSTOMER shall pay to Net Health fifty percent of the monthly Fees, or one-twenty-fourth of the annual Fees due for the Licensed Software or Interface, as applicable. The Term with respect to Licensed Software or Interface(s) shall not commence until accepted by CUSTOMER.

All Third Party Products provided by Net Health shall be listed in the Purchase Schedule. To the extent so listed, Net Health warrants it has the right to license such Third Party Product to CUSTOMER under this Agreement.

To the extent CUSTOMER uses, incorporates or accesses any Third Party Products that are not licensed by Net Health to CUSTOMER, CUSTOMER represents it has obtained and covenants it will obtain the necessary licenses from the applicable third party vendors to use such Third Party Products and agrees that Net Health shall not be liable for CUSTOMER's failure to obtain such licenses. MASTER AGREEMENT**

BUSINESS ASSOCIATE AGREEMENT

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement (“Agreement”), effective August 31, 2016 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Net Health Systems, Inc., a Pennsylvania corporation (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

4. TERMS AND TERMINATION

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.
