

**MONTEREY COUNTY BOARD OF SUPERVISORS**

<b>MEETING:</b> January 11, 2011	<b>AGENDA NO.:</b> 38
<b>SUBJECT:</b> Accept a written report from Dr. Hugh Stallworth, Director of Public Health/Health Officer regarding Smart Meters (Referral # 2010.20).	
<b>DEPARTMENT:</b> Health Department – Public Health	

**RECOMMENDATION:**

It is recommended that the Board of Supervisors:  
Accept a written report from Dr. Hugh Stallworth, Director of Public Health/Health Officer regarding Smart Meters (Referral # 2010.20).

**SUMMARY/DISCUSSION:**

On August 24, 2010 the Board of Supervisors submitted to the Health Department Referral #2010.20, to consider a moratorium on installation of Smart Meters by Pacific Gas & Electric in Monterey County pending resolution of consumer concerns.

Attached is a written report that was provided to the County Administrative Officer and the Health & Human Services Committee regarding health concerns expressed by Monterey County residents, centered around the issue of radio frequencies (RF) produced by these devices is attached. (Attachment A)

**OTHER AGENCY INVOLVEMENT:**

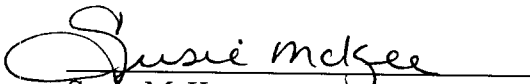

County Counsel, Environmental Health

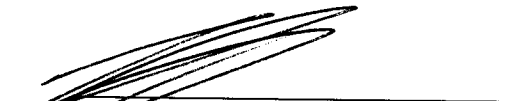

**FINANCING:**

There is no impact on the General Fund associated with this presentation.
