Date: Friday, September 13, 2024 9:26:35 AM

[REDACTED]

Board of Supervisors- I would like to request a one year extension on the above application for consideration of the ag preserve contract. We need this additional year in order to show proof of the property generating \$8000 annually or showing expenditures of \$8000 spent towards the improvement of the property for agricultural purposes. Thanks
Coker Ellsworth
