Hi Cousin;

Please uphold your denial of the Val Verde Project at your May 1 meeting. We have far too many vacant homes in this county as well as permits for projects that are unbuilt to allow another one at this time.

Cupervisor Calcagno,

Please do not reverse the decision the Board has made regarding the Val Verde Project. I understand it is up for discussion again this week at the Board of Supervisor's Meeting. It would reverse all the efforts made and being considered in re: to our environment and particularly the water issue.

Thank you.

**Subject:** Please confirm denial of the Val Verde Project

Dear Supervisor Salinas:

Please once again vote to deny the Val Verde Project in Carmel Valley, confirming the position that you took along, with all the other Supervisors, at the Board of Supervisors March 27th meeting.

The reasons for the unanimous decision that you and your colleagues made were numerous and powerful, not the least being that the principal segment of Highway 1 that would be impacted by the project simply cannot accommodate any more traffic.

I urge you to be consistent with your March 27 decision and vote to deny the Va Verde project on second reading.

Thank you for your thoughtful consideration.

Respectfully,

Timothy D. Sanders
