**EXHIBIT A-1:
PROGRAM DESCRIPTION**

I. IDENTIFICATION

Prevention and Recovery in Early Psychosis (PREP)
11 Quail Run Circle, Suite 202
Salinas, CA 93907
Phone: 831-424-5033
Fax: 831-424-5044

II. PROGRAM DESCRIPTION

The PREP program specializes in the provision of mental health services for individuals ages 14-35, within five years of their first psychotic break who are diagnosed with Schizophrenia, Schizophreniform Disorder, Schizoaffective Disorder, or Psychosis NOS. The PREP program integrates evidence-based treatments designed for remission of early psychosis. There is a strong evidence base for this array of treatments in promoting positive outcomes for people struggling with early psychosis, and collectively they address the impact of psychosis in multiple areas of functioning. The PREP program supports symptom remission, active recovery, and full engagement in their community and with co-workers, peers, and family members. The core PREP services include:

- **Cognitive Behavioral Therapy for Psychosis (CBTp):** Widely available in England and Australia but not in the US, this formulation based approach helps clients understand and manage their symptoms, avoid triggers that worsen symptoms, and collaboratively develop a relapse prevention plan.
- **Algorithm-Based Medication Management:** Algorithm developed by Dr. Demian Rose (UCSF), adapted from the Texas Medication Algorithm, to focus specifically on medication for young adults in the early stages of psychosis. The primary goal of the PREP medication algorithm is to guide the prescriber, client, and family toward finding a medication regimen the client is more likely to adhere to long-term. PREP also works with individuals who do not wish to take medications and will offer regular appointments with the prescriber for review of symptoms and treatment options.
- **Early, Rigorous Diagnosis:** The PREP diagnosis and assessment is both rigorous and comprehensive, utilizing the SCID (Structured Clinical Interview for DSM Diagnoses), which addresses not only the psychotic disorder but also co-occurring mental health or substance abuse issues.
- **Strength-Based Care Management:** Intensive care management will ensure the broad spectrum of clients and family needs are addressed. PREP approaches services with a "whatever it takes" attitude. Services are provided wherever the client and/or family are most comfortable geographically, whether in PREP office, client's home, schools, or other community locations throughout Monterey County.
- **Educational and Vocational Support:** PREP adopts the *Individual Placement and Support* (IPS) model of supported employment. This model was developed at

Dartmouth specifically for individuals with severe mental health problems to find and retain competitive employment, and has documented effectiveness for young adults with psychosis.

- **Motivational Interviewing:** Designed for increased engagement around substance use and change behaviors within a harm reduction model.
- **Family Psychoeducation:** Designed to increase social support, teach families and supporters a problem-solving format to cope effectively with illness related behaviors, and provide ongoing education about symptoms, medication, enhancing involvement in school, work, and community life.
- **Cognitive Rehabilitation Training:** Computer-based cognitive rehabilitation program developed by nationally renowned UCSF brain plasticity researcher, Dr. Michael Merzenich, where clients are rehabilitating brain function that has been lost to the illness.

Clients are offered all modalities of individual and family services based on their individual needs and willingness to participate.

III. PROGRAM GOALS

- Identify psychosis at the earliest possible point, provide rigorous structured diagnostic and functional assessment, and deliver comprehensive, conscientious, and evidence-based services.
- Increase clients' ability to function independently and maintain quality of life goals.
- Reduce placement and/or days in acute inpatient settings.

The length of treatment is up to two years, based on outcome data that is shared continuously with the client and family. PREP exit criteria differ based on the service modalities employed in the treatment. Discharge planning is a collaborative process between PREP staff and client, and, when possible, the family or natural supports. IV. PAYMENT CONDITIONS

A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act ("MHSA"), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S negotiated rate, which is based on the most recent State's Schedule of Maximum Allowances (SMA) as established by the State's Department of Mental Health. The COUNTY negotiated rate shall be used until COUNTY establishes the COUNTY'S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable negotiated rates. In no case shall payments to CONTRACTOR exceed the negotiated rate. In addition to the negotiated rate limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each

Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section V.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@co.monterey.ca.us

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations

incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

- F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- G. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.
- I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR’S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

V. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$2,110,000** for services rendered under this Agreement.

B. Funding Source and Estimated Amounts per Fiscal Year:

FISCAL YEAR	MHSA PEI	MH FFP	SAMHSA	Total FY Amount

B. Maximum Annual Liability:

FY 2016-17	\$500,000
FY 2017-18	\$510,000
FY 2018-19	\$600,000
TOTAL MAXIMUM LIABILITY	\$2,110,000

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.
- D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files, contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract

Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.

- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.
- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. BILLING PROCEDURES AND LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER FEDERAL SOCIAL SECURITY ACT, TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI HEALTHY FAMILIES

The Short-Doyle/Medi-Cal (SD/MC) claims processing system enables California county Mental Health Plans (MHPs) to obtain reimbursement of Federal funds for medically necessary specialty mental health services provided to Medi-Cal-eligible beneficiaries and to Healthy Families subscribers diagnosed as Seriously Emotionally Disturbed (SED). The Mental Health Medi-Cal program oversees the SD/MC claims processing system. Authority for the Mental Health Medi-Cal program is governed by Federal and California statutes.

- A.
