Board Report

Legistar File Number: RES 16-081

December 13, 2016

Introduced: 11/23/2016

Version: 1

Current Status: Agenda Ready

Matter Type: BoS Resolution

Adopt a Resolution:

- a. Requesting the California Department of Transportation (Caltrans) to replace pre-existing No Parking At Any Time (R26A (CA)) signs on State Route One (SR-1), in the vicinity of Point Lobos State Park; and
- b. Directing the Resource Management Agency Deputy Director of Public Works and Facilities to forward an executed copy of the Resolution to Caltrans.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Request the California Department of Transportation (Caltrans) to replace missing No Parking At Any Time (R26A (CA)) signs on State Route One (SR-1), in the vicinity of Point Lobos State Park; and
- b. Direct the Resource Management Agency Deputy Director of Public Works and Facilities to forward an executed copy of the Resolution to Caltrans.

SUMMARY:

Approval of the recommended action will direct the Resource Management Agency (RMA) Deputy Director of Public Works and Facilities to request Caltrans to replace pre-existing No Parking At Any Time (R26A (CA)) signs on State Route One (SR-1) near the Point Lobos State Park entrance.

DISCUSSION:

The Resource Management Agency (RMA) and District 5 Board Office have received multiple expressions of concern to replace missing No Parking signs on SR-1 near the entrance of Point Lobos State Park. State Park patrons often park along SR-1 and cross the highway to access the park. This will prohibit parking along SR-1 and consequently stop unsafe crossing of the highway at this location.

The No Parking At Any Time signs will be placed on the east and west side of SR-1 for a distance of approximately 3600 feet (1800 feet north of Point Lobos State Park entrance to 1800 feet south of the entrance). Attachment C provides a visual of the locations for the proposed sign replacement.

The recommended action supports the Board of Supervisors' Strategic Initiative for Infrastructure, "Meeting our Facilities, Water, Technology and Transportation Needs."

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved the proposed Resolution as to form and legality.

FINANCING:

Installation and maintenance of the signs will be borne by the State.

Prepared by: Brenda Villanueva, Assistant Traffic Engineer, (831) 755-8908

Approved by: Benny J. Young, Interim RMA Deputy Director of Public Works and Facilities

Approved by: Carl P. Holm, AICP, RMA Director
