Plan sheets I and II are attached as "Exhibit A" and a copy is on file in the Office of the LOCAL AGENCY at 1441 Schilling Place, 2nd Floor, Salinas CA 93901-4527. Deviations from the OWNER's plan described above initiated by either the LOCAL AGENCY or OWNER, shall be agreed upon by both parties hereto under a Revised Notice to Owner. Such Revised Notices to Owner, approved by the LOCAL AGENCY and acknowledged by OWNER will constitute an approved revision of OWNER's plan described above and are hereby made a part hereof. No work under said deviation shall commence prior to receipt by OWNER of the Revised Notice to Owner. Changes in the scope of the work will require an amendment to this Agreement in addition to the revised Notice to Owner."

Section II. Liability for Work:

“The existing facilities are located in their present position pursuant to prescriptive rights prior and superior to those of the LOCAL AGENCY and will be relocated at LOCAL AGENCY’s expense.”

The cost of the utility relocation work is presently estimated to be \$125,600.

Section III. Performance of Work:

“OWNER agrees to perform the herein-described work with its own forces or to cause the herein described work to be performed by OWNER’s contractor, employed by written contract on a continuing basis to perform work of this type, and to provide and furnish all necessary labor, materials, tools, and equipment required therefore; and to prosecute said work diligently to completion.”

“Pursuant to Public Works Case No. 2001-059 determination by the California Department of Industrial Relations dated October 25, 2002, work performed by OWNER’s contractor is a public work under the definition of Labor Code Section 1720(a) and is therefore subject to prevailing wage requirements. “Not more frequently than once a month, but at least quarterly, OWNER will prepare and submit progress bills for costs incurred not to exceed OWNER’s recorded costs as of the billing date less estimated credits applicable to completed work. Payment of progress bills not to exceed the amount of this Agreement may be made under the terms of this Agreement. Payment of progress bills which exceed the amount of this Agreement may be made after receipt and approval by LOCAL AGENCY of

documentation supporting the cost increase and after an Amendment to this Agreement has been executed by the parties to this Agreement.”

If the LOCAL AGENCY has not received a final bill within 180 days after notification of completion of OWNER’s work described in Section I of this Agreement, and LOCAL AGENCY has delivered to OWNER fully executed Director’s Deeds, Consents to Common Use or Joint Use Agreements as required for OWNER’s facilities; LOCAL AGENCY will provide written notification to OWNER of its intent to close its file within 30 days and OWNER hereby acknowledges, to the extent allowed by law that all remaining costs will be deemed to have been abandoned.”

“The final billing shall be in the form of an itemized statement of the total cost charged to the project, less the credits provided for in this Agreement, and less any amounts covered by progress billings. However, the LOCAL AGENCY shall not pay final bills, which exceed the estimated cost of this Agreement without documentation of the reason for the increase of said cost from OWNER. If the final bill exceeds OWNER’S estimated cost solely as the result of a revised Notice to Owner as provided for in Section I, a copy of said revised Notice to Owner shall suffice as documentation.”

In any event if the final bill exceeds 125% of the estimated cost of this Agreement, an amended Agreement shall be executed by the parties to this Agreement prior to the payment of OWNER’S final bill. Any and all increases in costs that are the direct result of deviations from the work described in Section I of this Agreement shall have the prior concurrence of LOCAL AGENCY.”

Detailed records from which the billing is compiled shall be retained by OWNER for a period of three years from the date of the final payment and will be available for audit in accordance with Contract Cost Principals and Procedures as set forth in 48 CFR, Chapter 1, Part 31 by LOCAL AGENCY and/or Federal Auditors.”

Section V. General Conditions:

“All costs accrued by OWNER as a result of LOCAL AGENCY’S request of November 21, 2014 to review, study and/or prepare relocation plans and estimates for the project associated with this Agreement may be billed pursuant to the terms and conditions of this Agreement.”

“If LOCAL AGENCY’S project which precipitated this Agreement is canceled or modified so as to eliminate the necessity of work by OWNER, LOCAL AGENCY will notify OWNER in writing, and LOCAL AGENCY reserves the right to terminate this Agreement by Amendment. The Amendment shall provide mutually acceptable terms and conditions for terminating the Agreement.”

“OWNER shall submit a Notice of Completion to the LOCAL AGENCY within 30 days of the completion of the work described herein.”

“It is understood that said highway is a Federal aid highway and accordingly, 23 CFR, Chapter 1, Part 645 is hereby incorporated into this Agreement.”

“All documents obtained to demonstrate BA compliance will be held by the OWNER for a period of three (3) years from the date the final payment was received by the OWNER and will be made available to Caltrans or FHWA upon request.”

“One set of copies of all documents obtained to demonstrate BA compliance will be attached to, and submitted with, the final invoice.”

IN WITNESS WHEREOF, LOCAL AGENCY and OWNER have executed this Agreement as of the day and year first above written.
