EXHIBIT B
INVOICING, BUDGET DETAIL AND REPORTING PROVISIONS

A. INVOICING

1. Invoices shall be submitted using the reimbursement claim form (claim form) provided in the DBW webpage at www.dbw.ca.gov (Click on the Grant Agreement tab). The claim form must be itemized based on the line items specified in the Budget. The claim form and subcontract invoices shall be submitted electronically on a quarterly basis consistent with the reporting schedule in Section E.1 of this exhibit to the DBW Grant Administrator at: robin.turgeon@parks.ca.gov.
2. Claim forms submitted in any other format other than the form provided online will cause the reimbursement claim to be disputed. The Division of Boating and Waterways Grant Administrator will notify the Grantee by initiating a "Claim of Dispute Notification" form. Payment will not be made until the dispute is resolved and a corrected invoice is submitted. The Division of Boating and Waterways Grant Administrator has the responsibility for approving the reimbursement claim forms.
3. Supporting documentation (e.g. receipts and/or invoices) including subcontracted services must be provided with each claim form to request reimbursement for grant funding. The amount claimed for the Personnel Services line item and Professional and Consultant Services line item must include a calculation formula (i.e., hours, days worked, times the hourly or daily rate will equal the total amount claimed). Reimbursement claim payment shall be made only after a complete, adequately supported and properly documented claim is received.
4. The Grantee shall not request for any cost until such cost has been incurred and has been paid by or is due and payable by the Grantee. Although it is agreed that actual payment of such cost by the grantee is not required as condition of the grant reimbursement, all grant reimbursements received by the Grantee shall be paid to the contractors or vendors within thirty (30) days from the receipt of funds, In the event that the Grantee fails to disburse grant funds to the contactors or vendors within thirty (30) days from receipt of the funds, the Grantee shall immediately return such funds to the Division of Boating and Waterways. Interest shall accrue on such funds from the date of disbursement through the date of mailing of funds to the Division of Boating and Waterways. If the Grantee held such funds in interest-bearing accounts, any interest earned on the funds shall be due to the Division of Boating and Waterways.
5. Notwithstanding any other provision of this Agreement, no disbursement shall be required at any time or in any manner which is in violation of, or in conflict with, federal or state laws, rules, or regulations, or which may require any rebates to the Federal Government, or any loss of tax-free status on state bonds, pursuant to any Federal statute or regulation.
6. Notwithstanding any other provision of this Agreement, the Division of Boating and Waterways may withhold all or any portion of the funds provided for by this Agreement in the event that:
 - a. The Grantee has materially violated, or threatened to violate, any term, provision, condition, or commitment of this Agreement; or
 - b. The Grantee fails to maintain reasonable progress toward completion of the Project.

7. Notwithstanding any other provision of this Agreement, the Grantee agrees that the Division of Boating and Waterways may retain an amount equal to ten percent (10%) of the grant amount specified in this Agreement until completion of the Project to the reasonable satisfaction of the Division of Boating and Waterways. Any retained amount due to the Grantee will be disbursed to the Grantee, without interest, within 60 days of completion of the Project.
8. The reimbursement claim form shall contain the following information:
 - a. The date of submission of the reimbursement claim form;
 - b. The time period covered by the claim form, i.e., the term "from" and "to";
 - c. The total amount due; and
 - d. Original signature and date (in blue ink) of Grantee or its authorized representative.
 - e. Final claim form shall be clearly marked "FINAL REIMBURSEMENT CLAIM FORM" and submitted NO LATER THAN March 1, 2019.

B. PROHIBITION OF INDIRECT COSTS

Grant funds shall not be used for any indirect costs. "Indirect Costs" means those costs that are incurred for a common or joint purpose benefiting more than one cost objective and are not readily assignable to the Project (i.e., cost that are not directly related to the Project). Examples of Indirect Costs include, but not limited to: general administration of the Grantee; non-project-specific accounting and personnel services performed within the Grantee organization; depreciation or use allowances on buildings and equipment; the costs of operating and maintaining non-project-specific facilities; tuition and conference fees; and generic overhead or markup. Any invoice submitted including Indirect Costs will cause that invoice, in its entirety, to be disputed and will not be paid until the dispute is resolved. This prohibition applies to the Grantee and any subcontract or sub-agreement for work on a Project that will be reimbursed with grant funds pursuant to this Agreement.

The grantee shall be responsible for the costs of operating and maintaining grant-funded equipment; the Division is not liable for such costs. The Grantee agrees to repair or replace any equipment purchased under this Agreement if lost, stolen, or damaged.

C. BUDGET CONTINGENCY CLAUSE

The maximum amount to be encumbered under this Agreement for the 2017/18 fiscal year ending June 30, 2016 shall not exceed **Four Hundred Thousand Dollars and No Cents (\$400,000.00)**

Notwithstanding any other provision of this Agreement, If the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for this program, this Agreement shall be of no force or effect. This provision shall be construed as a condition precedent to the obligation of the Division of Boating and Waterways to make any payment under this Agreement. In this event, the State shall have no obligation to perform any provision of this Agreement. Nothing in this Agreement shall be construed to provide the Grantee with a right of priority for payment over any other Grantee.

If this Agreement's funding for any fiscal year is reduced or deleted by the Budget Act, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an Agreement amendment to the Grantee to reflect the reduced amount.

The Line Item Budget template is available in the OLGA program. See sample Line Item categories and what may be considered.

D. BUDGET LINE FLEXIBILITY

1. **Line Item Adjustment(s).** Subject to the prior review and approval of the Grant Administrator, adjustments between existing line item(s) may be used to defray allowable direct costs up to fifteen percent (15%) of the total grant amount including any amendment(s) thereto. Line item adjustments in excess of fifteen percent (15%) shall require a formal Agreement amendment. If the Line Item Budget includes an amount for Personnel Services, that amount shall be based on the hours, classification, and rates submitted by the Grantee in its application. Any changes to the hours, classifications, and rates must be approved, in advance and in writing, by the Grant Administrator.
2. **Procedures to Request an Adjustment.** Grantee may submit a request for an adjustment in writing to the Division of Boating and Waterways. Such adjustment shall not increase the total grant amount allocated per fiscal year. The Grantee shall submit a copy of the original Agreement Budget sheet reflecting the requested changes. Changes shall be noted by striking the original amount(s) followed with revised change(s) in bold and underlined. Budget adjustments deleting a budget line item or adding a new budget line item requires a formal amendment and are not permissible under this provision. The Division of Boating and Waterways may also propose adjustments to the budget.
3. **Remaining Balance.** In the event the Grantee does not submit claim forms requesting all of the funds encumbered under this Grant Agreement, any remaining funds revert to the State. The Division of Boating and Waterways will mail a Notice of Project Completion Letter to the Grantee stating that the project file is closed, the final claim form is being processed for payment, and any remaining balance will be disencumbered and unavailable for further use under the Grant Agreement.

E. REPORTS

1. **PROGRESS REPORT.** Grantee shall submit quarterly progress reports using the template on the DBW webpage at: www.dbw.ca.gov (Click on the Grant Agreement tab). The results of the final inspection and certification shall be provided to the Grant Administrator. The Grantee agrees to expeditiously provide, during work on the Project and throughout the terms of this Agreement, such reports, data, information, and certifications that may be reasonably required by the Division of Boating and Waterways.
- 7. INTELLECTUAL PROPERTY.** Any works developed during and/or pursuant to this agreement by Contractor, including all related copyrights and other proprietary rights therein, as may now exist and /or which hereafter come into existence, shall belong to the State upon creation, and shall continue in the State's exclusive ownership upon termination of this Agreement. The Division of Boating and Waterways, as its option, may call for an audit of financial information relative to the Project, where the Deputy Director of the Division of Boating and Waterways determines that an audit is desirable to assure program integrity or where such an audit becomes necessary because of federal and/or state requirements. Where such an audit is called for, the audit shall be performed by a certified public accountant independent of the Grantee and at the cost of the Grantee. The audit shall be in the form required by the Division of Boating and Waterways. The Grantee agrees to maintain such records for a possible audit for a minimum of seven (7) years after the final payment, unless a longer period of records retention is stipulated. The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the State to audit records and interview staff in any contract related to performance of this Agreement. (Gov. Code § 8546.7; Pub. Contract Code, § 10115 et seq.;) The Grantee shall comply with the Single Audit Act and the reporting requirements set forth in OMB Circular A-21., A-87, A-133, and 48 C.F.R. Part 31, as applicable.
4. **COMPLIANCE WITH LAW, REGULATIONS, ETC.** The Grantee agrees that it will, at all times, comply and require its contractors and subcontractors to comply with all applicable federal, state laws, rules, guidelines, regulations, and requirements. Without limitation of the foregoing, the Grantee agrees that, to the extent applicable, the Grantee will comply with the provisions of an adopted environmental mitigation plan for the term of this Agreement, or the useful life of the Project, whichever is longer.
5. **COMPUTER SOFTWARE.** The Grantee certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
6. **CONFLICT OF INTEREST.** The Grantee certifies that it is in compliance with applicable state and/or federal conflict of interest laws.

- 7. CONTINUOUS USE OF PROJECT; LEASE OR DISPOSAL OF PROJECT.** The Grantee agrees that, except as provided in the Agreement, it will not abandon, substantially discontinue use of lease, or dispose of the Project or any significant part or portion thereof during the useful life of the Project without prior written approval of the Deputy Director of the Division of Boating and Waterways. Such approval may be conditional as determined or his/her designee to be appropriated by the Deputy Director of the Division of Boating and Waterways, including a condition requiring repayment of all grant funds or any portion of all remaining grant funds covered by this Agreement together with accrued interest and any penalty assessments which may be due.

Any dispute arising under this Agreement which is not otherwise disposed of by agreement shall be decided by the Deputy Director of the Division of Boating and Waterways, or his or her authorized representative. The decision shall be reduced to writing and a copy thereof furnished to the Grantee and to the Division of Boating and Waterways Deputy Director. The decision of the Division of Boating and Waterways shall be final and conclusive unless, within thirty (30) calendar days after mailing of the Division of Boating and Waterways decision to the Grantee, the Grantee mails or otherwise furnishes a written appeal of the decision to the Division of Boating and Waterways Deputy Director. In connection with any appeal under this clause, the Grantee shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, the Grantee shall continue to fulfill and comply with all the terms, provisions, commitments, and requirements of this Agreement. This clause does not preclude consideration of legal questions, provided that nothing herein shall be construed to make final the decision of the Division of Boating and Waterways, or any official or representative thereof, on any question of law.

10. ENVIRONMENTAL CLEARANCE (CEQA/NEPA/STREAMBED ALTERATION)

- a. No work that is subject to the California Environmental Quality Act (CEQA) or National Environment Policy Act (NEPA) may proceed under this Agreement until documents that satisfy the CEQA/NEPA process are received by the Grant Administrator and the Division of Boating and Waterways has given environmental clearance. No work that is subject to an Environmental Impact Report or a Mitigated Negative Declaration may proceed until and unless approved by the Deputy Director of the Division of Boating and Waterways.

Such approval is fully discretionary and shall constitute a condition precedent to any work for which it is required. Proceeding with work subject to CEQA and/or NEPA without environmental clearance by the Division of Boating and Waterways shall constitute a material breach of this Agreement.

- b. If this Project includes modification to a reservoir, it must fully mitigate the environmental impact resulting from the modification. The Grantee must provide documentation that the environmental impacts resulting from such modification will be fully mitigated considering all of the impacts of the Project, and whether, on balance, any environmental enhancement or benefit equals or exceeds any negative environmental impacts of the Project.

11. PURCHASED EQUIPMENT.

When purchasing equipment, the Grantee shall ensure that adequate competition has been sought by taking the following steps:

- A. The Grantee shall openly seek estimates for equipment.
- B. All estimates shall be submitted in writing. If a written estimate is not possible, the Grantee shall document any verbal estimate.
- C. The Grantee shall make every effort to ensure that three (3) estimates are received prior to the purchase of said equipment. If three (3) estimates are not received, the Grantee shall fully document why three (3) estimates could not be received. All estimates or documentation shall be retained by the Grantee. The Grantee agrees to maintain such records for possible audits for a minimum of three (3) years after the final payment.
- D. If a certified small business submits an estimate, the business can claim a preference of five (5) percent when submitting as compared to the lowest responsible proposer who is not a certified small business. (Certified small business is defined as a business certified by the Office of Small Business and DVBE Services)

The Grantee or successor shall maintain control of all equipment, such as facilities and structures, acquired through this Grant Agreement. Equipment purchased through the Grant is owned by the State, and therefore subject to being inventoried by California Parks, Division of Boating and Waterways, and its control agency the Department of General Services.

State Property ID tags will be provided for all equipment purchased with these funds under this agreement.

The Grantee shall perform a physical inventory of all equipment purchased under this Agreement and reconcile the inventory with the property records at least annually to verify the existence, current utilization, and continued need for the equipment.

- 12. FISCAL MANAGEMENT SYSTEMS AND ACCOUNTING STANDARDS.** The Grantee agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit tracing of grant funds to a level of expenditure adequate to establish that such funds have not been used in violation of state law or this Agreement. The Grantee further agrees that it will maintain separate Project accounts in accordance with generally accepted accounting principles.

- 13. GOVERNING LAW.** This grant is governed by and shall be interpreted in accordance with the laws of the State of California.

- 14. GRANTEE'S RESPONSIBILITY FOR WORK.** The Grantee shall be responsible for all work and for all persons and entities engaged in work performance pursuant of this Agreement, including, but not limited to, contractors, subcontractors, suppliers, and providers of services. The Grantee shall be responsible for any and all disputes arising out of its contracts for work on the Project, including but not limited to payment disputes with contractors and subcontractors. The State will not mediate disputes between the Grantee and any other entity concerning responsibility for performance of work.
- 15. INCOME RESTRICTIONS.** The Grantee agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Grantee under this Agreement shall be paid by the Grantee to the State, to the extent that they are properly allocable to costs for which the Grantee has been reimbursed by the State under this Agreement.
- 16. INDEPENDENT ACTOR.** The Grantee, and its agents and employees, if any, in the performance of this Agreement, shall act in an independent capacity and not as officers, employees or agents of the Division of Boating and Waterways or the State.
- 17. INSPECTION.** The Division of Boating and Waterways, the Bureau of State Audits, the Office of Inspector General, or any authorized representative for the forgoing, shall have suitable access to the Project site or Project records at all reasonable times during Project implementation and thereafter for the useful life of the Project to ascertain compliance with this Agreement and its goals. The Grantee acknowledges that the Project records and location are public records.
- 18. INSURANCE REQUIREMENTS.**
- Comprehensive Insurance: Throughout the useful life of the Project, the Grantee shall provide and maintain insurance against fire, vandalism, and other loss, damage, or destruction of the facilities and structures constructed pursuant to this Agreement, if any. This insurance shall be issued by a company or companies admitted to transact business in the State of California. This insurance policy shall contain an endorsement specifying that the policy will not be cancelled or reduced in coverage without thirty (30) days prior written notice to the Division of Boating and Waterways. In the event of any damage to or destruction of the Project or any larger system of which it is a part, the net proceeds of insurance shall be applied to the reconstruction, repair or replacement of the damaged or destroyed parts of the Project or its larger system. The Grantee shall begin such reconstruction repairs or replacement as expeditiously as possible and shall pay out of such net proceeds all costs and expenses in connection with such reconstruction, repair, or replacement so that the same shall be completed and the larger system shall be free of all claims and liens.
- General Liability Insurance: Contractor shall procure commercial general liability insurance covering bodily injury, property damage, and personal injury with limits not less than \$1,000,000 per occurrence and \$2,000,000 general aggregate. Said policy shall apply to each insured against whom any claim is made or suit is brought subject to Contractor's limits of liability.
- Motor Vehicle Liability Insurance: Contractor shall maintain motor vehicle liability insurance with limits not less than \$1,000,000 per accident.
