I am pleased to confirm actions by the California Department of Human Resources and the State Controller’s Office to process the 1.40 percent salary increase for all justices and judges. Effective July 1, 2013, pursuant to the provision of Government Code §68203(a), the base salary for Judge, Superior Court is \$181,292.

The increase results in the following base monthly and annual rates:

<b>Title</b>	<b>Monthly Rate</b>	<b>Annual Rate</b>
Judge, Superior Court	\$15,107.66	\$181,292.00

Please note that Presiding Judges will also continue to receive additional pay differentials to their compensation.

For justices and judges paid through the State Controller’s Office, it is anticipated that the new salary rates will be reflected in the January payroll checks with an issue date of January 31, 2014. The increase for the months of July through December 2013 is anticipated to be issued in a separate check by January 31, 2014.
