SUMMARY/DISCUSSION:

Through this agreement, National CineMedia, LLC will advertise for Emergency Communications Dispatcher position vacancies in all three of their movie theaters in Monterey County. The three theaters are: Century Marina and XD in Marina, Monterey 13 in Monterey, and Century 14 Northridge Mall in Salinas. The 15 second recruiting advertisement will run in every theater before every movie and the advertisement also will run approximately 4 times per hour in lobby screens in each theater. This is an innovative way to reach potential applicants who may not be aware of this job or have not considered this type of work.

As of July 24, 2024, the Department has 12 vacant dispatcher positions out of 56 authorized positions. These vacancies result in a significant overtime burden on staff. The Department currently builds

dispatcher schedules with 16 hours of built in overtime each pay period and may mandatory up to another 20 hours each pay period with a cap of 36 mandatory hours per pay period.

The Department has updated its training program to hire in smaller groups every two months and promote entry level dispatchers within one year so they start working productive hours sooner and receive higher pay. This has increased retention with six promotions calendar year to date which is a 50% increase from the prior year. The Department expects that this advertising agreement will create a continuous string of applicants for this new training program.

The Department's recruiting tagline in the advertisement is "9-1-1 Will You Answer the Call?" which is taken from the recruitment toolbox from the National Emergency Number Association that was specifically created to help agencies address the nationwide dispatcher staffing shortage.
