SUMMARY/DISCUSSION:

Natividad administration staff requested a compensation study in honor of negotiations between the Monterey County Labor Relations team and SEIU Local 521 to conduct a study upon approval of an updated compensation philosophy for the Nursing Assistant classification. The Natividad HR Department conducted a wage study with the updated comparable agencies and recommends that the salary range for the Nursing Assistant classification be increased as follows based on labor market findings:

The Nursing Assistant classification is responsible for performing a variety of non-professional tasks in providing direct bedside care to patients as needed within all inpatient units at Natividad.

The wage study is now complete and confirmed that the classification series of Nursing Assistant is paid 10.80% below the survey mean.

It is therefore recommended the Board of Supervisors approve the proposed action to adjust the salary range of the Nursing Assistant classification to ensure that qualified applicants are recruited and retained for these positions that are utilized within various departments of Natividad.

OTHER AGENCY INVOLVEMENT:

FINANCING:

There is a salary increase of approximately \$80,405 as a result of these actions for Natividad Medical Center (Unit 9600) FY 2021-22 Adopted Budget. This action does not impact the General Fund.
