SUMMARY/DISCUSSION:

On November 14, 2017, the Board (1) set a public hearing to consider and adopt a Resolution to approve Amendment No. 7 with [Proposed] Exhibit 1 "Approved Rates and Charges" to Unified Franchise Agreement A-11631 (UFA) regarding proposed rates for services and adjustments to current rates for the UFA between the County of Monterey and Waste Management, Inc. dba USA Waste of California dba Carmel Marina Corp. (hereafter, "Waste Management" or "Contractor"), for the Exclusive Collection of Solid Waste and Recyclables in Unincorporated Monterey County and (2) directed the Clerk of the Board to publish the Notice of Public Hearing in newspapers of general circulation to provide for County-wide Notice of Public Hearing on or before November 22, 2017.

[Proposed] Exhibit 1 "Approved Rates and Charges" consists of Waste Management proposed rates for services and adjustments to current rates based on the Refuse Rate Index (RRI) (price index provisions) of the UFA. [Proposed] Exhibit 1 "Approved Rates and Charges" was published with the

Board Report for the November 14, 2017 consent agenda (set hearing) item. Notice of Public Hearing with [Proposed] Exhibit 1 “Approved Rates and Charges” was published in newspapers of general circulation on or before November 22, 2017 by the Clerk of the Board. In addition to the County’s publication of the [Proposed] Exhibit 1 “Approved Rates and Charges” for the November 14 consent agenda item, and publication of the Notice of Public Hearing with [Proposed] Exhibit 1 “Approved Rates and Charges” in newspapers of general circulation, Waste Management will be providing notice of the proposed rates by mail to its residential and commercial customers within unincorporated Monterey County. Further, this Board report, which includes the basis for the proposed rates, will be published on the County Health Department website prior to the Thanksgiving Day Holiday which meets the minimum ten (10) day publication requirement in advance of the December 12, 2017 Public Hearing on the proposed rates.

The Director of Health seeks authorization to execute Amendment No. 7 to the Unified Franchise Agreement A-11631 (UFA) between the County of Monterey and Waste Management, Inc., dba USA Waste of California, Inc., dba Carmel Marina Corporation. Proposed Amendment No. 7 encompasses rate adjustments of 3.82% for customers within the Monterey Regional Waste Management District (MRWMD) boundaries and 2.39% for customers within the Salinas Valley Solid Waste Authority (SVSWA) boundaries for existing collection services to be provided by Waste Management.

The original contract for these services was approved on February 2, 2010 when the Board of Supervisors awarded the exclusive franchise agreement (UFA Agreement A-11631) to Waste Management, Inc., dba USA Waste of California, Inc., dba Carmel Marina Corporation (Waste Management) per Title 10, Chapter 10.41 Solid Waste Collection and Disposal of the Monterey County Code. In accordance with article 13.13, *Adjustments to Service Rates, Surcharges and Fees* of said UFA, the Director of Health requests adoption of a resolution to approve Amendment No. 7 as previously amended pursuant to Amendment Nos. 1, 2, 3, 4, 5, and 6 (collectively, UFA). Proposed Amendment No. 7 would amend Article 13, at Section 13.13 Adjustments to Service Rates, Surcharges and Fees to replace the existing Exhibit 1 “Approved Rates and Charges,” approved and adopted pursuant to the UFA dated February 9, 2010 as amended pursuant to Amendment Nos. 1, 2, 3, 4, 5, and 6 with the new [Proposed] Exhibit 1 “Approved Rates and Charges,” which is attached and incorporated into proposed Amendment No. 7.

This Amendment No. 7 affecting rates is being presented at this Public Hearing as required by Government Code Section 66016 which provides as follows:

- (a) Prior. . .to approving an increase in an existing fee or service charge, a local agency shall hold at least one open and public meeting, at which oral or written presentations can be made, as part of a regularly scheduled meeting.
- (b) Any action by a local agency to levy a new fee or service or to approve an increase in an existing fee or service charge shall be taken only by ordinance or resolution. The legislative body of a local agency shall not delegate the authority to adopt a new fee or service charge, or to increase a fee or service charge.
- (c) This section shall apply only to fees and charges as described in Sections 51287, 56383, 65104, 65456, 65584.1, 65863.7, 65909.5, 66013, 66014, and 66451.2 of this code, Sections 17951, 19132.3, and 19852 of the Health and Safety Code, Section 41901 of the Public Resources Code, and Section 21671.5 of the Public Utilities Code.

While this work is not directly in support of a Monterey County Health Department 2011-2015 strategic initiative, it is in support of one of the ten essential public health services, specifically: 6. Enforce laws and regulations that protect health and ensure safety.

Consistent with essential public health service item 6) and pursuant to Title 10 - Health and Safety, Chapter 10.41 - Solid Waste Collection and Disposal, MCC Section 10.41.030 - Mandatory collection. Subsection A. provides that, "...All solid waste shall be collected from every occupied residence, apartment, or business...at least once a week."

Further, MCC Section 10.41.030. Subsection B. Payment. provides that collection rates shall be established by the Board, as follows:

Residents... and owners of commercial and industrial businesses or the property owners of the property within the designated residential areas or the property on which such businesses are located shall pay the rates established by the Board.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel has reviewed proposed Amendment No. 7 as to form and legality.

FINANCING:

There is no General Fund Contribution resulting from this Board action. Waste Management, Inc. will continue to remit franchise fees, calculated at 10% of collected revenue, to the General Fund.
