Other Board Matters

16. Board Comments
- Supervisor Alejo wished all mothers a belated Happy Mother's Day .**
- Supervisor Luis Alejo advised an unidentified 23 year old young man was shot to death just before Mother's Day and last night Emilio Barrera, age 41, & Antonio Ortega, age 28, were shot in Salinas. This happens too often in the community These are our brothers and sisters and community members. He was reminded that a young man was murdered last year on Mother's Day. It was not gang related. He had no previous incidents and was working on his Jeep. It's saddening and hurtful to the community when these senseless deaths occur. He encouraged everyone to take a moment to reflect and ask, as policy makers & law enforcement, what can we do better to stop the violence. He noted that last year when he was in the Legislature, he secured \$5.5 million in public safety resources for the City of Salinas. This was the only city to receive an allocation and it took five years to get these monies added to the budget. He hopes that the County and City of Salinas can find new strategies to address this issue, so families can live safely in the community. He asked for prayers for the 18 families that have lost loved ones this year.
- Supervisor Mary L. Adams expressed support, on behalf of the Board, for Supervisor Luis Alejo's comments and the families that have lost loved ones in Salinas, as well as support for working together to find solutions to gang violence in the community.
- Supervisor John M. Phillips thanked Monterey County Animal Control Services for the free licensing and vaccination clinic in Castroville. His staff volunteered at the event. There was a good turnout. Quite a few folks came to have their animals vaccinated. It was a worthwhile event.
17. CAO Comments and Referrals
- County Administrative Officer Dr. Lew Bauman advised of the following referral from District 1 (Alejo) to: Approve lease between the City of Salinas and the County of Monterey, regarding the County's 32 acre property adjacent to Constitution Blvd. soccer fields for implementation of the Salinas Regional Soccer Complex project.

He advised the lease is ready to go and we are awaiting a business plan from the Salinas Regional Sports Authority. RMA has communicated with them and expects to be able to proceed with the referral.

Dr. Bauman noted that the Board meetings are recorded and can be viewed on Comcast Channel 28. He advised the States of California & Nevada National Association of Telecommunications Officers and Advisors (SCANATOA) recognized and awarded a 1st place trophy for coverage of the Farmer's Market and a 2nd place award for coverage of the economic impacts of the AMGEN Tour of California stop at Laguna Seca. He congratulated Maia Carroll and her staff. He noted the County will have it's own website and live stream soon.

Dr. Bauman reminded speakers at the public microphone to turn off their cell phones when speaking because phones receiving text messages near the microphone create interference on the live stream and recordings.
