I am a proud owner of chickens and roosters that I raise. I attend shows to gain valuable tips and insights from fellow owners on how to ~~enhance~~ enhance the appearance and overall health of my birds, and to learn about new breeds. Raising roosters has been a hobby that has been passed down through generations in my family, and I am grateful to continue this tradition with my children. In addition to providing a source of enjoyment and fulfillment, caring for these animal teaches valuable lessons in responsibility and animal husbandry, and will instill in my children a sense of compassion and appreciation for all living creatures.
