RECITALS:

WHEREAS, The Section 2.68.060 of the Monterey County Code and Section 8630 of the Government Code empower the County Administrative Officer or his designee, or the Board of Supervisors if the Board of Supervisors is in session, to proclaim the existence of a Government Code Section 8558(c) local emergency when the County is affected by or likely to be affected by a public calamity; and

WHEREAS, the County Board of Supervisors does hereby find as follows:

1. Emergency repairs are required for sandbar management activities are required at the Salinas River Lagoon Mouth. From modeling results performed by the National Weather Service California-Nevada River Forecast Center, this action is necessary effective January 6, 2017, due to flows into the Salinas River lagoon are forecasted to exceed 8,000 cubic feet per second. These conditions could lead to possible loss of life and property in areas near and adjacent the lagoon;
2. Forecasted conditions may result in the following:
 - Inundation of residences, including Twin Bridges Cabin Association
 - Loss of safe ingress and egress
 - Inundation of agricultural fields
 - Erosion and excessive transport of sediment

Until action is taken to address these safety concerns, flooding and sedimentation will continue to impact public safety;

3. That the foregoing conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of the County of Monterey and require the combined forces of other political subdivisions, including but not limited to state and federal assistance to combat;

4. That the aforesaid conditions of extreme peril warrant and necessitated the proclamation of the existence of a local emergency and immediate action by the County Administrative Officer was necessary to mitigate the effects of the local emergency;
5. On January 6, 2017, pursuant to County Code, the County Administrative Officer signed an emergency proclamation to initiate the protective/responsive process;
6. Since January 6, 2017 the conditions warranting and necessitating a proclamation of the existence of a local emergency have not been resolved and immediate action continue to be necessary to mitigate the effects of the local emergency;
7. That the County Board of Supervisors was not in session and could not immediately be called to session, and therefore it was appropriate that a Proclamation of a Local Emergency by the County Administrative Officer be initially required and be reissued until the County Board of Supervisors could be called into session; and,
8. Emergency conditions continue to exist, necessitating extension of this Proclamation of a Local Emergency.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors in and for the County of Monterey as follows:

1. The above recitals are true and correct.
2. A local emergency as defined in Government Section 8558c and Public Contract Code Section 1102 is hereby proclaimed to exist at the Salina River Lagoon.
3. During the existence of said local emergency the powers, functions, and duties of the County Administrative Officer and the Emergency Organization of this County shall be those prescribed by State law and the ordinances, resolutions, and approved plans of the County of Monterey in order to mitigate the effects of said local emergency, including but not limited to utilizing state and/or federal assistance as appropriate.
4. During the existence of said local emergency, the powers, functions, and duties of the County Administrative Officer and the Public Works Director shall be those prescribed in State and local law in order to mitigate the effects of the local emergency.
5. The actions of the County Administrative Officer and the Emergency Organization of this County in response to the local emergency to date, including but not limited to the Proclamation of Local Emergency and its reissuance, are hereby ratified by the Board of Supervisors of the County of Monterey.
6. The governing body shall review the need for continuing the local emergency at least once every thirty day until the governing body terminates the local emergency.
7. Pursuant to Public Contract Code Sections 20134, 20395, and 22050, the Public Works Director or his designee is hereby authorized to engage independent contractors and engineering services to complete all necessary work to mitigate the effects of said local emergency. Contracts for this work may be executed without prior Board approval of the plans, specifications, and working details, without giving notice for bids to let contracts.

8. The repair work is statutorily exempt from the California Environmental Quality Act (CEQA) under CEQA Guideline Section 15269(c) for emergency projects.

PASSED AND ADOPTED by the Board of Supervisors of the County of Monterey, this 10th day of January, 2017, by the following vote, to wit:
