**PROCLAMATION OF A LOCAL EMERGENCY  
BY THE MONTEREY COUNTY BOARD OF SUPERVISORS**

**Resolution No. 15-285**

In the Matter of Proclaiming the Existence )  
of a Local Emergency within Monterey County )  
Dated November 3, 2015 (4/5<sup>th</sup> vote required... )

**RECITALS:**

**WHEREAS**, the California Emergency Services Act (Government Code section 8630, et seq.) establishes procedures for proclaiming emergencies and for responding promptly to the needs that arise during emergencies; and

**WHEREAS**, Section 2.68.060 of the Monterey County Code and Section 8630 of the Government Code empower the to proclaim the existence of a local emergency and

**WHEREAS**, due to a failure in the culvert system underneath Moss Landing Road, seawater intrusion through the Moro Cojo Slough has occurred and contamination threatens the critical groundwater resources around the Slough; and

**WHEREAS**, the continued failure of the culvert system will result in damage to structures including critical utilities and County roadways; and

**WHEREAS**, prolonged exposure of increased salinity will impact sensitive habitat areas and water wells in the immediate area that provide potable water for multiple properties; and

**WHEREAS**, a rise in water levels due to failure of the culvert system will result in inundation of homes and agricultural land; and

**WHEREAS**, as a result of these circumstances conditions of peril exist to the safety and well-being of the residents, including their animals, who live nearby and depend on these water sources, and immediate action is necessary to address these public health and safety issues; and

**WHEREAS**, the aforementioned conditions of extreme peril warrant and necessitate the proclamation of the existence of a local emergency and immediate action is necessary to mitigate the effects of the local emergency; and

**WHEREAS**, it is necessary to perform temporary emergency repairs to the culvert system and to maintain these repairs pending design and implementation of a permanent solution to prevent unrestricted, free flow of seawater into Moro Cojo Slough

**WHEREAS**, this emergency does not allow a delay resulting from permits related to construction, particularly those relating to coastal areas or other environmentally sensitive zones,

and immediate action is necessary to respond to the emergency and prevent further damage to critical infrastructure,

**NOW, THEREFORE, BE IT RESOLVED**, by the Board of Supervisors in and for the County of Monterey as follows:

1. The above recitals are true and correct.
2. A local emergency as defined in Government Section 8558c and Public Contract Code Section 1102 is hereby proclaimed to exist throughout the North County Area of the County of Monterey.
3. During the existence of said local emergency the powers, functions, and duties of the County Administrative Officer and the Emergency Organization of this County shall be those prescribed by State law and the ordinances, resolutions, and approved plans of the County of Monterey in order to mitigate the effects of said local emergency.
4. During the existence of said local emergency, the powers, functions, and duties of the County Administrative Officer and the Public Works Director shall be those prescribed in State and local law in order to mitigate the effects of the local emergency.
5. Pursuant to Public Contract Code Sections 20134, 22050, and 20395, the Public Works Director or his designee is hereby authorized to engage independent contractors and engineering services to complete all necessary work to mitigate the effects of said local emergency. Contracts for this work may be executed without prior Board approval of the plans, specifications, and working details, without giving notice for bids to let contracts.
