EXHIBIT A SCOPE OF WORK

1. GENERAL

This Agreement is entered into by and between the California Health and Human Services Agency, Office of Technology and Solutions Integration, hereinafter referred to as the "CalHHS OTSI" or the "State," and the County of Monterey, hereinafter referred to as the "Contractor." The State and the Contractor, individually as "Party" and collectively as "the Parties," are entering into this Agreement for the purpose of the Contractor to provide Subject Matter Expert (SME) services to the State as described herein.

2. TERM

This Agreement will commence on March 1, 2025, or the date the Agreement is approved by the California Department of Technology, Statewide Technology Procurement, whichever is later (referred to herein as the "Effective Date"), and continue through April 30, 2028, or 38 months, whichever is later.

Upon mutual written agreement, the Parties may extend the term of this Agreement for up to two (2), one (1) year optional extensions at the originally agreed-upon costs specified in Exhibit B, Budget Detail and Payment Provisions.

3. COST

The total cost of this Agreement shall not exceed \$846,921.77. Cost details are located in Exhibit B – Budget Detail and Payment Provisions.

4. WORK LOCATION AND HOURS OF SERVICES

Contractor staff (also referred to herein as "County Employee") is required to perform all services under this Agreement at the Child Welfare Services-California Automated Response and Engagement System (CWS-CARES) Project (hereinafter referred to as "Project") office located at 2870 Gateway Oaks Drive, Sacramento, CA 95833, and the County of Monterey, as agreed upon by the Parties. The County Employee may telework from their home office or other locations, as approved by the State. The County Employee may also work at other project sites, State offices, or meeting locations during the term of this Agreement within the greater Sacramento area. Any travel related expenses incurred by the County Employee when required to travel to a State specific location to fulfill the terms of this Agreement shall be subject to reimbursement by the State to the Contractor as described in Exhibit B, Section 1.F. Duties may require the County Employee to travel occasionally to other locations throughout the State as directed by the State Project Management Office Director or its designee.

With the exception of state and county holidays, the contracted services shall be provided during normal, state business days between the hours of 8:00 a.m. to 5:00 p.m. Pacific Time, unless otherwise authorized in writing by the State Project Management Office Director or its designee.

In order to meet deadlines specified within the Child Welfare Digital Services (CWDS) Master Project Schedule, it may be necessary for Contractor staff to adjust their working schedule to attend meetings and/or perform services.

5. SCOPE OF RESPONSIBILITIES

The County Employee shall not work more than 180 hours per month without prior State written approval.

County Employee tasks shall be performed in accordance with the deadlines set forth in the CWDS Master Project Schedule, which is incorporated by reference herein and located in the Project's SharePoint site. Deadlines within the CWDS Master Project Schedule may be changed by the State, at its sole discretion, to meet the needs of the Project. The tasks listed in Section 5 may be further detailed and overseen in accordance with the Vendor Management Plan by the State Functional Manager, and progress is managed through Jira, the Project's designated project management tool, and the CWDS Master Project Schedule. These tools allow for visibility into task progression and completion through a variety of reporting capabilities.

Under the general direction of the State Project Management Office Director or its designee, the County Employee shall perform county subject matter expertise work related to the Project. The County Employee shall provide the following services:

6. DOCUMENTS

A. Document Format

- 1) All documents shall be provided in a format compatible with the CalHHS OTSI Project Office standard applications (currently, Microsoft Office 2016). In all cases, the Contractor shall verify application compatibility with the State Contract Manager prior to creation or delivery of any document. Any deviations to these standards shall be approved by the CalHHS OTSI Information Technology Office (ITO) and Information Security Office (ISO).

- 2) The delivery media shall be compatible with the State storage devices.
- 3) If the State does not accept the work product(s) or services in the executed Agreement, payment for the work product(s)/services shall be withheld by the State, and the Contractor will be notified. The Contractor shall take timely and appropriate measures to correct or remediate the reason(s) for non-acceptance and demonstrate to the State that the Contractor has successfully completed the scheduled work for each work product/service before payment is made.

B. Media and Number of Copies

One (1) electronic copy of the deliverable is to be submitted to:
cwdsdeliverables@otsi.ca.gov.

7. CONTACTS

The Parties' representatives during the term of this Agreement shall be as set forth below. Each Party may change its own contact information by giving written notice to the other Party. Said changes shall not require an amendment to this Agreement.

8. SUBSTITUTE PERSONNEL

- A. In the event that the Contractor's assigned personnel is unable to perform their duties due to illness, resignation, other factors beyond the Contractor's control, or upon mutual agreement of the Parties, the Contractor shall make every reasonable effort to provide suitable substitute personnel. If the Contractor is unable to provide a substitute, or if the State does not approve of the substitute, either the Contractor or the State may terminate this Agreement with a 30-day advance written notice.
- B. To add or substitute Contractor personnel, the Contractor shall submit an Add, Delete or Substitute Contractor Staff Request Form (form to be provided by the State) and the résumé of a suitable replacement to the State. The additional or substitute personnel shall meet all the requirements set forth in this Agreement and must be approved by the State in writing prior to starting work. The State will provide a written disposition of the request within ten (10) State business days after receipt of

these documents. The State reserves the right to interview all proposed additional or substitute personnel prior to its issuance of consent. The Contractor shall not add or substitute personnel without the prior written consent of the State, which consent shall not be unreasonably withheld.

- C. Additional or substitute Contractor personnel shall not automatically receive the compensation of the individual or positions being replaced. The State and the Contractor shall negotiate the compensation of any additional or substitute personnel to the Agreement. The compensation negotiated shall be dependent, in part, upon the experience and individual skills of the proposed additional or substitute personnel. The negotiated compensation shall not exceed the compensation for that position as set forth in the Agreement.
- D. If the addition or substitution of Contractor personnel does not increase the total cost of the Agreement, no amendment shall be required to make this change(s) to the Agreement.

9. EXECUTIVE ORDER N-6-22 – RUSSIA SANCTIONS

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

10. MANDATORY GENERATIVE ARTIFICIAL INTELLIGENCE (GenAI) REQUIREMENTS

During the term of the contract, Contractor must notify the State in writing if their services or any work under this contract includes, or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Contractor shall immediately complete the GenAI Reporting and Factsheet (STD 1000) to notify the State of any new or previously unreported GenAI technology.

At the direction of the State, Contractor shall discontinue the use of any new or previously undisclosed GenAI technology that materially impacts functionality, risk or contract performance, until use of such GenAI technology has been approved by the State.

Failure to disclose GenAI use to the State and submit the GenAI Reporting and Factsheet (STD 1000) may be considered a breach of the contract by the State at its sole discretion

and the State may consider such failure to disclose GenAI and/or failure to submit the GenAI Reporting and Factsheet (STD 1000) as grounds for the immediate termination of the contract. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.

The State reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.

 - (i) Company Name
 - (ii) Agreement Number
 - (iii) Invoice Number
 - c) Be in PDF format and include all of the supporting documentation as required in this Agreement.
 - 2) Invoices submitted by mail shall be sent directly to the following address. Hard copies must be submitted in triplicate and include all of the supporting documentation as required in this Agreement.

CalHHS Office of Technology and Solutions Integration
Attn: Accounting Office
2870 Gateway Oaks Dr., Ste 150
Sacramento, CA 95833

- F. The State will allow for travel costs, which includes reimbursement for the County Employee's travel, per diem, lodging, etc. The travel costs shall not exceed the State rates current at the time of order placement and shall be made in accordance with the provisions established in the California Department of Human Resources (CalHR) Human Resources Manual (e.g., section 2203) and any applicable CalHR travel regulations (Cal. Code Regs., tit. 2, § 599.615 et seq.), as applied to excluded employees and limited to actual costs incurred. The State shall approve all travel in advance. All State approved travel costs accrued by the County Employee from fulfilling the terms of this Agreement shall be reimbursed directly to the County Employee from the State. Reimbursement for travel-related costs shall be made upon approval of a Travel Expense Claim (TEC) with receipts substantiating travel costs, as required. A TEC shall also be submitted with substantiating receipts for any travel costs directly paid for by the State. TECs shall be submitted not more frequently than after each travel occurrence and no less than quarterly in arrears. The State shall not bear any responsibility for any tax liabilities on reportable and taxable travel expenditure reimbursements to the Contractor or County Employee.
- G. Payment by the State to the Contractor for the reimbursement of the County Employee's benefits during the term of this Agreement, as specified in the Exhibit B, Budget Detail and Payment Provisions, shall not in any way obligate the State to pay or reimburse the Contractor, or incur any liability, for any specific claims or benefits which may arise under applicable laws during the performance of services under this Agreement, including but not limited to workers' compensation, disability, or unemployment, except as otherwise required by law or court order.

2. BUDGET CONTINGENCY

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to the Contractor or to furnish any other consideration under this Agreement, and the Contractor shall not be obligated to perform any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State or offer an agreement to the Contractor to reflect a reduction in the amount.

3. CONTRACT WITH FEDERAL FUNDS

- A. It is mutually understood between the Parties that this Agreement may have been written before ascertaining the availability of Congressional appropriation of funds, for the mutual benefit of both Parties, in order to avoid program and fiscal delays

that would occur if the Agreement were executed after that determination was made.

- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the term of this Agreement for the purposes of this program. In addition, this Agreement is subject to any additional restrictions, limitation, or conditions enacted by the Congress or any statute enacted by Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- C. It is mutually agreed that if Congress does not appropriate sufficient funds for the program, the State shall have the option to either cancel this Agreement with no liability occurring to the State or offer an agreement to the Contractor to reflect a reduction in the amount.

4. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with section 927.

5. TIMELY SUBMISSION OF FINAL INVOICE

- A. A final undisputed invoice that is clearly marked "Final Invoice" shall be submitted for payment no more than thirty (30) calendar days following the expiration or termination date of this Agreement.
- B. If the State disputes the Final Invoice or any item in the Final Invoice, the State shall provide written notice to the Contractor describing the reason or reasons the State disputes the Final Invoice, and the Contractor shall be required to submit a corrected Final Invoice to the State no later than ten (10) calendar days after the date the Contractor received the State's written notice.
- C. If the Contractor fails to submit a corrected Final Invoice within the time required, or if the Contractor's corrected Final Invoice fails to correct the disputed item, the State shall have the right to elect to deny payment of the disputed item and pay only the undisputed amounts under the Final Invoice.
- D. The State may, at its discretion, choose not to honor any final invoice submitted after the deadline specified in Section 5(A) above if the Contractor fails to obtain prior written State approval of an alternate Final Invoice submission deadline.

EXHIBIT D SPECIAL TERMS AND CONDITIONS

1. PERFORMANCE COMMENCEMENT

This Agreement is of no force and effect until signed by both Parties, and approved by the California Department of Technology, Statewide Technology Procurement if required. Performance may not commence until such approval has been obtained.

2. TERMINATION WITHOUT CAUSE

The Agreement may be terminated by either Party without cause upon thirty (30) calendar days' prior written notice to the other Party.

3. AMENDMENTS

The Parties may amend this Agreement as permissible by law. If the identified services included in the Agreement are not completed within the term and unspent funds remain in the Agreement, the State may exercise its option to extend the term of the Agreement for up to one (1) year at no additional cost.

4. DEBARMENT AND SUSPENSION

For federally funded agreements in the amount of \$100,000 or more, by signing this agreement, Contractor certifies that to the best of its knowledge and belief that the Contractor and its principals or affiliates or any subcontractor utilized under this Agreement, are not debarred or suspended from federal financial assistance programs and activities nor proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. The Contractor also certifies that it or any of its subcontractors are not listed with any active exclusions on the System for Award Management (<http://www.sam.gov>) (Executive Order 12549, 2 C.F.R. Parts 180, 376, 417 and 2336).

5. CERTIFICATION REGARDING LOBBYING

For agreements with contractors who are state entities under the authority of the Governor, or counties, cities, private firms or agencies that are receiving in excess of \$100,000 in federal funds from the State of California to perform services, the Contractor agrees to sign and submit to the State the Certification Regarding Lobbying form, which shall be provided by the State (section 1352, Title 31 of the U.S. Code).

6. OFFICE OF MANAGEMENT AND BUDGET AUDIT

Pursuant to Office of Management and Budget (OMB) audit requirement regulations (2 C.F.R. § 200.501), non-federal entities that expend \$750,000 or more in a year in federal awards from all sources combined shall have a single or program-specific audit conducted for that year in accordance with the provisions of 2 C.F.R. § 200.514 (previously OMB Circular A-133). All OMB audit reports shall meet the report submission requirements established in 2 C.F.R § 200.512 and a copy shall be forwarded to the State.

7. SETTLEMENT OF DISPUTES

In the event of a dispute, the Contractor shall file a written dispute notice with the State Project Management Office Director within ten (10) State business days after discovery of the problem. Pending resolution of any dispute, the Parties shall continue to perform under this Agreement, and Contractor shall diligently continue all work and comply with all of the State Project Management Office Director's orders and directions.

- A. The written dispute notice shall contain the following information:
 - 1) The decision under dispute;
 - 2) The reason(s) the Contractor believes the decision in dispute to have been in error (if applicable, reference pertinent Agreement provisions);
 - 3) Identification of all documents and substance of all oral communications that support the Contractor's position; and
 - 4) The dollar amount in dispute, if applicable.
- B. Upon receipt of the written dispute notice, the State Project Management Office Director will examine the matter and issue a written decision to the Contractor within ten (10) State business days. The decision shall contain the following information:
 - 1) A description of the dispute;
 - 2) A reference to pertinent Agreement provisions, if applicable;
 - 3) A statement of the factual areas of the agreement or disagreement; and
 - 4) A statement of the representative's decision with supporting rationale.
- C. The decision of the State Project Management Office Director shall be final unless, within thirty (30) calendar days from the date of the receipt of the State Project Management Office Director's decision, the Contractor files with the State a notice of appeal addressed to:

CalHHS Office of Technology and Solutions Integration
Attn: Director
2870 Gateway Oaks Dr., Ste. 150
Sacramento, CA 95833

The decision of the Director or its designee shall be final.

8. ENTIRE AGREEMENT

This Agreement (including the Exhibits and documents incorporated into this Agreement by reference) is the complete and exclusive statement of the Agreement between the Parties relating to the subject matter of this Agreement and supersedes all prior contracts or prior representations, oral or written, between the Parties relating to the subject matter of this Agreement.

9. INCOMPATIBLE ACTIVITIES & STATEMENT OF ECONOMIC INTEREST FORM 700

- B. If the Contractor staff is approved to perform work under this Agreement remotely, then the State shall provide a State-issued computer (laptop or desktop) for the Contractor staff's performance of that remote work.
- C. Any State-provided equipment must be returned to the State upon termination of this Agreement.

12. RIGHTS TO COMPETE IN EXAMS

The County Employee maintains all rights to compete in the county's open and promotional exams and State open exams.

13. COUNTY EMPLOYEE LEAVE REPORTING

The County Employee shall report leave usage to their county while working for the State.

14. WORK RULES

The County Employee shall abide by the State's work rules, policies, and/or practices. Where conflicts may occur with the county's work rules, policies and/or practices, the State rules shall apply.

15. RIGHTS TO RETURN TO PREVIOUS PERMANENT POSITION

Upon termination or expiration of this Agreement, the County Employee shall return to his/her permanent position in the county department in which the County Employee worked prior to this Agreement, at the step at which the County Employee would have been eligible.

16. RETENTION OF PERMANENT COUNTY POSITION & SERVICE CREDIT

The County Employee shall retain their permanent position with the county during the term of this Agreement. The period during which the County Employee renders services pursuant to this Agreement shall be credited by the Contractor to the County Employee for purposes of determining seniority, promotional status, retirement date, and other employee benefits.

17. ELECTRONIC SIGNATURES

This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each party of this Agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA") Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. The parties further agree that the electronic signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended

from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (h) of Section 1633.2 of the Civil Code.

**EXHIBIT E
SPECIAL PROVISIONS**

1. CONFIDENTIALITY

Contractor and Contractor staff performing services pursuant to this Agreement agree to comply with State's Confidentiality and Security Requirements (Exhibit E – Attachment 1).

**EXHIBIT E – ATTACHMENT 1
STATE'S CONFIDENTIALITY AND SECURITY REQUIREMENTS**

1. CONFIDENTIALITY OF DATA

- A. Definitions – Confidential and Sensitive Information are defined as follows:
- 1) Confidential Information is information which identifies an individual (i.e., name, social security number, home/mailling address, telephone number, etc.) and/or entity (i.e., employing unit, etc.) and/or information in the possession of the State in which the disclosure is limited by contractual agreement (i.e., proprietary information, etc.).
 - 2) Sensitive Information is information maintained by the State, which is not confidential by definition, but requires special precautions to protect it from unauthorized access (i.e., financial or operational information). Sensitive Information is information in which the disclosure would jeopardize the integrity of the State (i.e., State's fiscal resources and operations).
- B. All financial, statistical, personal, technical, and other information relating to State operations that are designated Confidential or Sensitive Information by the State and that may become available to the Contractor as a result of the implementation of this Agreement ("State Data") shall be protected by the Contractor from unauthorized access, use, and disclosure through the observance of the same or more effective procedural requirements as are applicable to the State. The Contractor certifies that it will hold in the strictest confidence and will not copy, disclose or give access to State Data to any person or entity. The identification of all such confidential data and information as well as the State's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the State in writing to the Contractor. If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State to carry out the intent of this paragraph. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information that is or becomes publicly available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of this Agreement, or is rightfully obtained from third parties. Contractor understands that this obligation to maintain confidentiality and restrictions on the access, use, and disclosure of State Data shall remain in perpetuity.
- C. Contractor is notified that there are civil and criminal actions that may be invoked for unauthorized disclosure of information from confidential records. (Penal Code sections 11140-11144 and 13301-13304, and Civil Code section 1798 et seq., and Welfare and Institutions Code section 10850 et seq., provide for civil and criminal actions for unauthorized disclosure of information from confidential records.)
- D. The Contractor shall:

- 1) Instruct all subject matter consultants with access to Confidential and Sensitive Information regarding: (1) the confidential nature of the information, and (2) the sanctions against unauthorized access, use, or disclosure found in Civil Code section 1798.55 and Penal Code section 502.
- 2) Ensure that their subject matter consultants will not intentionally seek out, read, use, or disclose Confidential or Sensitive Information.
- 3) Not disclose any personally identifiable information to any person.
- 4) Require that all Contractor's subject matter consultants with access to Confidential Information sign the State Confidentiality Agreement in Exhibit E – Attachment 1, Section 2.
- 5) Cooperate in any investigations of information security incidents.
- 6) Immediately notify the State within twenty-four (24) hours of initial detection of any unauthorized access, use, and disclosure of State information. Notification shall be reported by telephone or email to:

2. CONFIDENTIALITY AGREEMENT

Public assistance records and documents are subject to strict confidentiality requirements imposed by State and federal law including California Welfare and Institutions Code sections 10850, California Penal Code section 11167.5, and 45 Code of Federal Regulations.

I understand that I may have access to confidential, sensitive, and/or personal information. I agree to use reasonable precautions to assure that this information is not disclosed to unauthorized persons or used in an unauthorized manner.

I understand that non-compliance with the State's Confidentiality and Security Requirements may result in immediate termination of services or contractual arrangements in accordance with state and federal statutes. Criminal or civil action may be initiated by the appropriate authorities in certain instances. Obtaining any record containing personal information from a state agency under false pretenses is actionable under Cal. Civil Code 1798.56.

I understand that all network activity, including Internet and email usage, conducted with State resources is the property of the State of California. Further, I understand the State reserves the right to monitor and record all network activity including Internet and email usage, with or without notice, and therefore I should have no expectation of privacy in the use of these resources.

I understand that any tampering, interference, damage, or unauthorized access to computer data or computer systems may constitute a criminal violation of Penal Code Section 502.

I hereby certify that I am aware of the provisions and consequences for violating the State's Confidentiality and Security Requirements.

Monterey County Department of Social Services – Systems Support Salinas, CA

Business Technology Analyst IV
March 2022

December 2002 –

Supports the departments' mission critical computer systems and programs which serve to assist the county's citizens. Specialization in supporting and developing the department's child welfare program information systems and technology needs.

Project Manager/Lead Architect for mobilizing the departments' social worker staff (150 users) with secure smartphones and mobile office applications; procurement and integration of smartphones and mobile device management application into technical support infrastructure; review and develop support, security and policy needs. Project includes management of advanced mobile device reporting system and department use.

Provides expert systems knowledge of the departments critical and complex automated business applications and systems e.g., CWS/CMS, CIV, CMIPS, AACTS, ETO, ArcGIS, SAS BI Server, Microsoft SQL Server and Reporting System, Oracle DB, Oracle Business Intelligence and IBM z/OS (mainframe) DB2.

Developed advanced reporting systems and procedures, data warehousing infrastructure, and management reports utilizing industry standard business intelligence tools, SQL, SAS, JCL, CL and C# programming languages and ArcGIS. Reports developed and created are based on legislatively mandated reporting requirements for management of programs supported by state, federal and other special sources of program funding. Research based reporting is also a responsibility for systems and report development.

Created internal business intelligence and data warehousing reporting system for the department's child welfare program. System is comprised of SAS, IBM and Oracle components. Established ETL processes from the State of California child welfare system CWS/CMS residing on IBM z/OS mainframe to local SAS based data warehouse residing on Oracle BI server. Secure FTP batch processes are used to move database data files between the State

network and local county network for daily and monthly data transfers. Over 100 automated reports run monthly and 10 program critical automated reports are run daily.

Duties include managing technology/system projects utilizing project management techniques like planning a project, conducting need analysis, cost-benefit analysis, timeline development, user acceptance testing and training.

Systems support duties include providing liaison services between systems and program, creating application support procedures to assist DSS's Systems Support Help Desk staff, coordinating application updates with Monterey County's Information Technology Department, State of California Office of Systems Integration (OSI) and third-party vendors.

Additional duties include requisitioning new computer equipment/resources through the State of California's Advanced Planning Document (APD). The APD requisition process involves providing a business justification for purchases, cost and cost allocation analysis, using authorized procurement methods, cost benefit analysis and insuring contract terms between the county and vendors are consistent with State requirements.

Under general direction, identifies and defines opportunities and strategies to use information technology to simplify, integrate, secure and improve County departmental business and administrative processes; analyzes departmental business needs and problems in relation to business technology applications, services, and products; manages the most difficult and complex projects; provide lead supervision on project or application basis; and performs related duties as required. Projects have ranged from migrating to new database systems; updating network infrastructure; development and implementation of new fourth generation reporting systems.

Past project manager/developer for the department wide implementation of Adobe Experience Manager (AEM). AEM is designed to take critical paper-based forms and make them paperless with database reporting ability. Developed project charter for implementation of AEM, lead/managed a team of four junior level developers/programmers in developing paperless forms, reviewed paper-based business processes and developed plan to code and integrate them into paperless business processes and web based interactive forms. Due to technical maturity of AEM, related to incorporation of Microsoft Active Directory into AEM, it was decided to use Microsoft based web application development for paperless form needs. Oversaw the development of two mission critical paperless forms identified from the AEM project.

Serve as lead and standby manager for the Department of Social Services Systems Support Unit that includes 1 executive position, 2 senior management positions, 2 middle management positions, 2 supervisor positions and 12

systems support positions. The unit currently supports 800+ end users. The department has a \$285 million dollar budget.

Works with State of California OSI and Monterey County Information Technology departments to achieve technology needs identified by the Department of Social Services.

Participates in State of California's mission critical child welfare application CWS/CMS Technical Advisory Committee and County Access to Data workgroups. The former is responsible for managing technical aspects of the application and the latter works on managing data reporting aspects of the system.

I have expert knowledge of the CWS/CMS child welfare case management system and I am the Single Point of Contact and SAP Business Objects Administrator for the County of Monterey, Department of Social Services CWS/CMS application.

For outcome research, I am resource to the State of California, Department of Social Services and the University of California, Berkeley, Center for Social Services Research in assisting in development of an outcome reporting system for California's Child Welfare Performance Indicator Project (CCWPIP) and other social service programs. Outcome reports and data analysis for the CCWPIP project are derived from CWS/CMS (Child Welfare System / Case Management System). Working with the California Department of Social Services Research Branch, used ArcGIS with U.S. Census

TIGER data and Monterey County's CalFresh participant data and created maps that showed areas within Monterey County that could use additional outreach efforts.

Central Coast Community Health Care, Inc. Monterey, CA

*Information Systems Manager
October 2002*

January 1996 –

Responsible for support services, network security, system backups, integration of computer systems and resources with five locations, 300+ employees and revenue base of \$38 million dollars.

Managed technology projects, deployment procedures, specifications and documentation. Managed telephone, voicemail and data communication systems.

Negotiated, contracted and procured computer/telephone services and systems.

Prepared and presented board memorandums, reports, and summaries.

Maintained and developed billing, accounting and fund-raising computer systems.

Reviewed and implemented state and federal mandated reporting procedures.

Maintained average yearly IS budget of \$950,000.

Supervised and trained 1 Database Analyst, 3 MIS Technicians, and 1 Helpdesk Coordinator.

Established frame-relay Wide Area Network for cost savings via data/voice consolidation and VOIP.

Successfully relocated organization to new facilities. Relocation involved the move, upgrade of telephone equipment and migration of network infrastructure components to Cisco Systems, Fast and Gigabit Ethernet and the use of Voice Over IP. Analog phone services were consolidated onto a T1 digital super trunk for cost savings and performance. 175+ PC Workstations, 4 Novell servers, 1 Windows NT 4.0 RAS server, 1 Windows 2000 Server (Intranet) all on a token-ring network was migrated to Fast/Gigabit Ethernet. A Gigabit backbone was established using a Cisco Catalyst 4000 and (4) 3500 switches. 1 AS/400 and assorted AS/400 printers remain on the legacy token-ring system, a Windows 2000 (Intranet) server provides routing between Token-ring and Ethernet networks utilizing TCP/IP. Cisco wireless LAN components were also put in place for wireless communications. Access to the Internet was established via T1 with Cisco PIX firewall. Dial-up connections to Medicare and Medi-Cal were replaced with frame-relay connections utilizing TCP/IP. Developed, planned and implemented successful migration from AS/400 platform and applications to Windows 2000 platform and applications utilizing Active Directory, TCP/IP and six Windows 2000 servers.

Migrated organization's email system from Novell Groupwise 4.1a to Microsoft Exchange 2000 Server with Microsoft Outlook clients. SMTP was used to send and receive Internet Mail.

Successfully implemented Department of Health Services Prospective Payment System (PPS).

Developed HIPAA compliance plan.

Installed and configured two tele-homecare systems, provided by Home Care Information Systems and Tele-Homecare, for home health care research and real-time reporting of patient vital signs for patient care needs. Trained staff on using systems and reports. Home Care Information Systems consisted of real-time PC based video and voice interaction between health care professionals and patients by modem. Vital life signs could be taken real-time and logged into electronic patient file. Tele-Homecare consisted of vital life signs units that transmitted data via Skytel paging system.

Patient information was then transferred from Skytel to the Tele-Homecare server by modem. Tele-Homecare server could be accessed via TCP/IP throughout enterprise. Conducted research on feasibility of incorporating tele-homecare systems into organizations billing system. Both systems proved to be successful in reporting on patient vital signs and care.
