Good afternoon Marilyn,

Below is the paragraph you request from me:

I am honored to be appointed to the Board of Directors for the North County Recreation and Park District. I was raised in Castroville from a young age, and this community has always been home to me. After graduating high school, I joined the U.S. Army as a Corrections Specialist, where I developed discipline, leadership, and a deep sense of service. Following my military service, I continued my education and earned an Associate of Science degree in Administration of Justice, and I plan to pursue a bachelor's degree in a law-related field. Ever since I got back from my military service, my father and other local leaders have told me that the younger generation must step up and stand for their community. I take that to heart, and this opportunity is my way of answering that call once again. I am committed to bringing energy, perspective, and a strong dedication to serving and strengthening our community.

Please let me know if you need me to make any changes.

--

Respectfully,  
Antonio Diaz
