2020 Annual Progress Report, January 2021

Exhibit 1 Annual General Plan Progress Report and Summary Matrix

Introduction

Government Code Section 65400 requires the County Department of Housing and Community Development (HCD) to provide an annual report to the legislative body by April of each year, regarding the progress of General Plan implementation, progress in meeting the County's share of regional housing needs, implementation of the housing element (for details see attached Exhibit 2) and compliance of the General Plan (GP) with the General Plan Guidelines adopted by the Governor's Office of Planning and Research (OPR).

A total of **56** General Plan tasks have been in process since the adoption of the 2010 General Plan.

Background

- 1965: Monterey County's first adopted General Plan
- 1982: Comprehensive update to the County's General Plan adopted, including 12 Areas Plans, Master Plans. Coastal Land Use Plans adopted between 1982 and 1986.
 - June 15, 2010 - 2009-2014 Housing Element adopted
 - August 24, 2010 - 2009-2014 Housing Element certified by HCD
 - January 26, 2016 - 2015-2023 Housing Element adopted; HCD certified the Housing Element on May 10, 2016
- October 26, 2010: Monterey County Board of Supervisors adopted the 2010 General Plan (GP) for the non-coastal unincorporated areas of the County.
- November 26, 2010: the 2010 General Plan became effective.
- January 25, 2011: The BOS adopted a General Plan Implementation Work Program addressing policies that require the drafting of over 100 new ordinances, plans and programs to implement the goals of the General Plan. Staff estimated this would be a multi-year program, with a cost of about \$8 million. The process involves interdepartmental coordination, obtaining technical information from county consultants, and scoping with stakeholders through extensive public outreach.
- December 13, 2011: Board of Supervisors approved a Professional Services Agreement (PSA) with EMC Planning Group Inc. to provide technical support for development of certain priority GP implementation documents for an amount not to exceed about \$1 million through June 30, 2015. Since the approval of the PSA staff has submitted budgetary updates to the Board regarding consultant expenditure.
- In response to settlement agreements related to litigation over the General Plan EIR, General Plan Amendments were adopted in 2013 and are described below in the Litigation section.

2010 General Plan

The Monterey County 2010 General Plan complies with the OPR General Plan Guidelines. State law requires that General Plans address a range of issues. The mandatory elements of a general plan are: land use, circulation, housing, conservation, open space, noise and safety. These elements provide the County's objectives, goals and policies to guide land development decisions.

Additionally, general plans may include additional elements that are necessary as directed by the governing legislative body and must be consistent with Government Code Section 65300 et seq

The 2010 Monterey County General Plan (GP) contains the following required elements:

- Land Use Element (LU); adopted 10/26/2010
- Circulation Element (CIRC); adopted 10/26/2010
- Conservation and Open Space Element (C/OS); adopted 10/26/2010
- Safety Element (S) (Note: Includes Noise Element); adopted 10/26/2010
- Housing Element 2015-2023, adopted 01/26/2016, certified by HCD 05/10/16
- Public Service Element (PS); adopted 10/26/2010, amended 02/12/13
- Agriculture Element (AG); adopted 10/26/2010
- Economic (ED); adopted 10/26/2010

Area/Master Plans for the following Planning Areas:

- Cachagua Area Plan (CACH); adopted 10/26/2010
- Carmel Valley Master Plan (CV); adopted 10/26/2010, amended 2/12/13
- Central Salinas Valley Area Plan (CSV); adopted 10/26/2010
- Greater Monterey Peninsula Area Plan (GMP); adopted 10/26/2010
- Fort Ord Master Plan (FO); adopted 2001 and certified by Fort Ord Reuse Authority (update to FO adopted 10/26/2010 not certified by Fort Ord Reuse Authority)
- Greater Salinas Area Plan (GS); adopted 10/26/2010
- North County, Inland Area Plan (NC); adopted 10/26/2010
- South County Area Plan (SC); adopted 10/26/2010
- Toro Area Plan (T); adopted 10/26/2010
- Agricultural and Winery Corridor Plan (AWCP); adopted 10/26/2010

Litigation

Following adoption of the 2010 General Plan, four lawsuits were filed in late 2010 against the County challenging the certification of the 2010 General Plan Environmental Impact Report and approval of the 2010 General Plan. The County engaged in settlement negotiations for about two years, resulting in settlement of two of the lawsuits. This settlement agreement resulted in the County adopting amendments to the General Plan (described below).

- 1) Carmel Valley Association, Inc. v. Board of Supervisors of the County of Monterey (Monterey Superior Court case no. M109442); case settled. General Plan amended consistent with terms of the Settlement Agreement (February 12, 2013).
- 2) Salinas Valley Water Coalition et al v. County of Monterey (Monterey Superior Court case no. M109451); case settled. General Plan amended consistent with terms of the Settlement Agreement (February 12, 2013).
- 3) LandWatch Monterey County v. County of Monterey (Monterey Superior Court case no. M109434). Supplemental petition challenging February 12, 2013 General Plan amendment filed March 21, 2013. Settlement Agreement entered in early 2015; litigation stayed pending consideration of proposed General Plan amendments and the lawsuit will be dismissed if the amendments are adopted and other settlement conditions are met. Settlement discussions are ongoing.
- 4) The Open Monterey Project (TOMP) v. Monterey County Board of Supervisors (Monterey Superior Court case no. M109441). Supplemental petition challenging February 12, 2013 General Plan amendment filed March 21, 2013. Settlement Agreement entered in early 2015;

litigation stayed pending consideration of proposed General Plan amendments and the lawsuit will be dismissed if the amendments are adopted and other settlement conditions are met. Settlement Discussion are ongoing.

The County adopted two General Plan Amendments:

County initiated amendment of the Carmel Valley Master Plan pursuant to terms of a settlement agreement responding to litigation filed by the Carmel Valley Association:

Resolution approving Addendum No. 1 to Final Environmental Impact Report (FEIR) #07-01, SCH#2007121001, and amending Policies CV-1.6 (Residential Build-out), CV-2.17 (Traffic evaluation/methodology), CV-2.18 (Carmel Valley Traffic Improvement Program), CV-3.11 (Tree Protection), and CV-3.22/CV-6.5 (Non-agricultural Development on slopes).

Resolution No. 13-029: Adopted by the Board of Supervisors on February 12, 2013

County initiated amendment of the Public Services Element pursuant to terms of a settlement agreement responding to litigation filed by the Salinas Valley Water Coalition:

Resolution approving Addendum No. 2 to FEIR #07-01, SCH#2007121001, and amending Policies PS-3.1 (Long-Term Sustainable Water Supply), PS-3.3 (Domestic Wells) and PS-3.4 (High Capacity Wells).

Resolution No. 13-028: Adopted by the Board of Supervisors on February 12, 2013

County initiated amendments of the 2010 General Plan pursuant to terms of settlement agreements responding to litigation filed by LandWatch Monterey County and The Open Monterey Project.

The County has had continued settlement discussions with LandWatch Monterey County and The Open Monterey Project.

Fort Ord

In 1997, the Fort Ord Base Reuse Plan (BRP) was adopted for the former Fort Ord area. The Fort Ord Reuse Authority (FOR A) was formed with representatives from interested jurisdictions and agencies to oversee implementation of the BRP. The Fort Ord Reuse Authority (FORA) Board of Directors were required to certify that jurisdictions' general plans within the Fort Ord territory are intended to be carried out in full conformance with the Fort Ord Reuse Authority Act and are consistent with the BRP and FORA's plans and policies. FORA dissolved by operation of law on June 30, 2020.

In 2001, Monterey County amended the County's 1982 General Plan to incorporate a Fort Ord Master Plan with relevant sections of the BRP. In 2002, FORA certified that the Fort Ord Master Plan is consistent with the BRP. In 2010, the County adopted an updated Fort Ord Master Plan as part of the 2010 General Plan, but the Fort Ord Reuse Authority Board had a tie vote on certification of the 2010 Fort Ord Master Plan resulting in the 2010 update not having been certified. The dissolution of FORA on June 30, 2020 required significant County staff time and resources, as numerous actions required County decisions and action in connection with FORA dissolution.

General Plan Implementation

Since the adoption of the 2010 General Plan, 55 ordinances, plans and programs have been implemented or adopted. In 2020 for the reporting period, the items listed below have been in process. The 2020 Annual Report Summary Matrix, attached as Exhibit 1, indicates the work completed in 2020 on specific General Plan tasks, the corresponding policy references and the next steps to take on these specific tasks. There is currently no update on the General Plan tasks not listed in the 2020 Annual Report.

In 2019, the County retained Citygate Associates, LLC (Citygate) to conduct a review of the Resource Management Agency (RMA) with the objective to review current conditions, evaluate existing and future service demands, and analyze opportunities for organizational changes and process improvements to enhance customer service and stakeholder satisfaction. On July 28, 2020, the Board of Supervisors accepted the July 22, 2020 Citygate report including seventy-six (76) proposed recommendations; and authorized the County Administrative Officer (CAO) to reorganize the RMA by creating two (2) separate departments: Housing and Community Development Department (HCD) and Community Services Department (CS). The new Department of Housing and Community Development was created on November, 30, 2020. Key among the recommendations of the Citygate Report is direction to implement the remaining tasks and policies of the 2010 General Plan. To implement this task, a five-year General Plan Implementation Program is proposed. The Program is modeled on the Five-Year Capital Improvement Plan, which allocates projects over a five-year timeframe, and allocates priority projects and funding to the first year. Approximately \$1,000,000 in state grant funds will be allocated to the 2021 implementation program. Next year's annual report will detail what has been accomplished.

In addition, new land use application fees increased the General Plan Implementation Fee (GPUI) for all land use entitlements. Previously, this fee was a 3% charge of the permit costs. However, after adoption of the new land use fee schedule in 2019, the GPUI was increased to 10%. Funds collected from this fee are intended to be ear-marked for Long Range Planning resources, such as staff to work wholly on implementation of the General Plan.

2020 Annual Progress Report – General Plan Working Progress Tasks

Mixed Use Ordinance.

Staff completed work on the draft ordinance, and the Planning Commission recommended the ordinance to the Board of Supervisors, who adopted Ordinance No. 5334 on July 7, 2020. **The Mixed Use Ordinance implements General Plan Policies LU 2.23 and PS 8.7** of the 2010 General Plan. The ordinance amends title 21 (Inland Zoning Ordinance) of the Monterey County Code. It provides for definitions and development standards for the new Mixed Use Zoning District. Where designated, the district will accommodate a mix of residential and commercial uses, with higher residential density (30 units/acre) and allowance of housing options, such as homeless shelters, transitional housing, supportive housing, and affordable housing.

Salinas Valley Zone 2C - Salinas River Ground Water Basin Study, LRWP Task No. 155

Amendment to GP Policy PS-3.1 in 2013, resulting from a settlement agreement, included language requiring a 5-year study of the basin relative to the projected buildout. The County contracted with the Monterey County Water Resources Agency (MCWRA) to provide staffing resources to manage outside consultants (such as US Geologic Service or USGS) for this work. Year 4 (of the 5-year study) work program was provided in 2018. The Salinas Valley Integrated Groundwater and Surface Water Hydrologic Model (SVIHM) being developed by USGS has been delayed and is anticipated to be complete in 2021.. This model will enable the County’s recently contracted consultant to complete the Salinas Valley Groundwater Basin Investigation, which is anticipated to be completed in 2021.

Ag Land Mitigation Program (REF160008), LRWP Task No. 154

Policy No. AG-1.12, which requires preparation, adoption and implementation of a program that requires projects involving a change of land use designation resulting in the loss of Important Farmland (as mapped by the Department of Conservation (DOC) Farmland Mapping and Monitoring Program) to mitigate the loss of that acreage. In 2016, the County of Monterey RMA-Planning received a Sustainable Agricultural Lands Conservation Program (SALC) grant award from the State of California up to \$182,366. On June 27, 2017, the Board of Supervisors accepted the grant award and issued resolutions of support to the Ag Land Trust for five easement proposals to the California Department of Conservation SALC program. In 2018, a draft workplan was submitted to the state, and the grant was extended to June 2019. The grant was subsequently extended to June 2020 due to lack of County Staff resources to implement the work plan. HCD staff and the Department of Conservation have agreed on a further contract extension to implement the related work plan by 2022.

Water and Energy Efficient Landscape Ordinance (REF110056), LRWP Task No. 42, 47 (portion), 61, 89, 97

Implementation of General Plan Policies OS-5.14 and S-2.4 require the exclusion and eradication of invasive plants and incorporating the use of fire-resistant plants. In addition to the General Plan policies, the “State Water Conservation in Landscaping Act” requires local jurisdictions to either adopt the State Model Water Efficient Landscape ordinance (MWELo) or a local ordinance that is at least as effective in water conservation. Staff has drafted Coastal and Inland Water and Energy Efficient Landscape ordinances and an accompanying design manual that incorporates the requirements of the General Plan and state law. Staff presented the revised ordinance to the Board of Supervisors on October 23, 2018. Staff has held two stakeholder working group meetings as directed by the Board in 2019. These meetings have helped to refine the technical components of the ordinance. Staff anticipates bringing the final draft of the ordinances and implementation manual to the BOS for consideration in 2021.

Development Evaluation System (REF120030), LRWP Task No. 35

Community Areas, Rural Centers and Affordable Housing Overlay Districts are identified as areas of top priority for future development. Outside of those areas, Policy LU-1.9 of the General Plan requires a Development Evaluation System (DES) be established to provide a systematic, consistent, predictable and quantitative method for decision-makers to evaluate developments of five or more lots or units and developments that will have the equivalent or greater impact regarding traffic, water or wastewater. Staff has been working on developing the evaluation system program and has received

input from various stakeholders since the adoption of the 2010 General Plan, including multiple workshops with the Planning Commission. Staff held a final Planning Commission workshop on the DES in 2019 and a workshop at the Board of Supervisors in Spring 2020. Staff then completed environmental review and brought the DES procedures to hearing at the Planning Commission and Board of Supervisors in the summer of 2020. The draft DES, as recommended by the Planning Commission, was presented to the Board of Supervisors at a public hearing on August 25, 2020. The Board provided direction to staff for revisions. Staff anticipates presenting the DES procedures with revisions to the Board in 2021.

Zoning Maps Update (REF140023), LRWP Task No. 44

This task requires both an update to the zoning maps and the development of new zoning regulations within the inland zoning ordinance (Title 21) to develop new zoning and overlay districts that were established by the 2010 General Plan. Staff is currently revising these draft regulations to incorporate comments received from the Planning Commission and the Housing Advisory Committee. The Mixed-Use Zoning ordinance was presented to the Planning Commission and Board of Supervisors in 2020 and adopted by the Board; however, due to staff constraints, updates to the zoning maps have been placed on hold. Based on the uncertainty of resources at this time, staff needs to assess priorities for completing the task of updating Zoning Maps.

Community Climate Action Plan (REF120045), LRWP Task No. 14

Policy OS-10.11 requires the County to adopt a greenhouse gas reduction plan with a target to reduce emissions by 2020 to a level that is 15% less than 2005 emission levels.. As part of the 2019/20 FY budget, the County re-created a position and hired a Sustainability Manager to begin Community Climate Action Plan. No significant progress was made on the Community Climate Action Plan in 2020. However, in late 2020 the County was notified that it was awarded a \$175,000 grant from the State to provide funding for a two year planning program. Work should commence in 2021. The Board of Supervisors also adopted an amendment to the policy to update the language concerning the Greenhouse Gas Reduction Plan in line with state timeline targets.

Exhibit 1 - 2020 Annual Report Summary Matrix (April 2020 –March 31, 2021)

SUMMARY PROGRESS MATRIX

Task Description (File No.)	Program Area MCC/Title	Policy Reference Completion Goal/Target Date	Work Completed in 2020	Next Steps
Annual Report (2020) (REF19011)	GP (Inland)	Planning and Zoning Law Gov't Code Section 65400	2020 Annual Report prepared	Prepare 2021 Annual Report in 2022.

Housing

2020 Update - East Garrison Housing Development– (PLN030204, Greater Monterey Peninsula Area Plan)

On October 4, 2005, the Board of Supervisors approved entitlements to allow development of the East Garrison area within the former Fort Ord Army Base. The entitlements included adoption of the East Garrison Specific Plan (EGSP) and a Combined Development Permit. The EGSP outlines distribution, location and extent of land uses and major infrastructure components and includes implementation measures and design guidelines for development. The Combined Development Permit included a vesting tentative map for the creation of parcels and construction of approximately 1400 residential dwelling units (plus option for 70 additional carriage units), commercial and public uses, and public facilities.

The East Garrison Community includes three phases of development along with a Town Center and a Historic-Arts District. Since its approval in 2005, the Final Maps for Phases 1, 2, and 3 have been recorded. Horizontal construction (subdivision improvements) for Phases 1 and 2 has been completed, and vertical construction of new homes is under way.

Phase I – 394 Residential units developed 2016 - Constructed

Development:

329 Single Family Dwellings/Townhomes (52 Single Family Dwellings pending construction)

65 Manzanita Place - low income apartments Two (2) -

Neighborhood parks.

Phase II – 349 Residential units developed 2016 -17 Constructed

Development:

349 Single Family Dwellings/Townhomes (78 Single Family Dwellings pending construction)

Lincoln Community Park, a 6-acre park was completed in 2017

In Phase II a new fire station and two (2) neighborhood parks were completed in 2018. A 65-unit low income apartment complex is anticipated to be completed in 2022, pending funding.

Phase III – 92 Residential units developed

92 Single Family Dwellings/Townhomes in various stages of construction (305 Single Family Dwellings pending construction)

The Final Map and subdivision improvement agreement for Phase 3 were submitted to and accepted by the Monterey County Board of Supervisor on December 12, 2017.

Phase 3 infrastructure construction began in 2017. Vertical Construction of Phase 3 began in 2018, and included the 34,000 sf. commercial Town Center development and development and park, the Historic-Arts District, an additional neighborhood park, and a new public library.

In June 2020, the Board of Supervisors adopted an amendment to the Development Agreement between the County and UCP East Garrison, LLC (developer) whereby the developer agreed to a replacement fee levied upon new building

Exhibit 1 - 2020 Annual Report Summary Matrix (April 2020 -March 31, 2021)

permits in the East Garrison development to replace the Fort Ord Reuse Authority's Community Facilities District Special Tax for fair share contribution for habitat management and transportation improvements on the former Fort Ord.

Attachment A - Exhibit 2 Annual Progress Report for the 2015-2-23 Housing Element

The following information summarizes the application, entitlement, building permit and certificate of occupancy activity found in Tables A and A2 of the new reporting format which must be filed electronically online. **(These are preliminary numbers, to be finalized after all 2020 permits have been evaluated.)**

61 Units Entitled
 48 New SFDs
 2 2-4 Unit Multi-Family Units
 11 New ADUs

250 Building Permits Issued
 72 New
 Single
 SFDs
 168 New
 MFU
 10 New
 ADUs

151 Certificates of Occupancy Issued/Building Permit Final
 121 New SFDs
 12 New 2-4 Unit Multi-Family Units.
 18 New 5+ unit projects

Table B provides summary information from 2015 through 2019 about the County's progress towards meeting its Regional Housing Allocation Needs (RHNA) obligations, and are summarized here: (Preliminary)

Income Level	RHNA Allocation	Total Units to Date	RHNA Obligation Remaining
Very Low	374	395	-21
Low	244	13	231
Moderate	283	36	247
Above Moderate	650	1,291	
Total RHNA/Units	1,551	1,735	-184
