Subject: East Garrison Phase 1 – Completion Notice
Monterey County, California

Dear Ms. Skillings:

As the Engineer of Record for the East Garrison project, Carlson, Barbee & Gibson, Inc. prepared the East Garrison – Tract 1489 Phase 1 On-Site and Off-Site Improvement Plans. Our representatives reviewed the Project periodically during construction. Based on our past involvement on this Project, it is our opinion that the improvements are substantially complete and in conformance with the approved plans.

This record is given by the Engineer of Record based on the Engineer's actual knowledge and professional expertise and experience concerning the matters discussed in this certificate. The Engineer has had sufficient involvement in the Project to make this statement and has no knowledge of any inaccuracy herein. However, if there is an inaccuracy in this certificate, the Engineer shall not be responsible for the inaccuracy if the Engineer has performed his duties in good faith and with the degree of skill and care ordinarily used by engineers in similar conditions and circumstances.

Let me know if you need anything further regarding the above.

Very truly yours,

Angelo J. Obertello, P.E., LEED AP, QSD
Principal
