Re: Letter of Interest as the Domestic Violence Coordinating Council Third District Representative

I am writing to formally declare my interest to fulfill the position as the Third District Representative for the Domestic Violence Coordinating Council. As the current Victim Assistance Advocate for the City of Soledad I believe that I would serve this position well.

I have been in this position for approximately eight months now and I have received over thirty Domestic/Family Violence related cases. I quickly learned that these were going to be some of my most challenging cases for many reasons, one of those reasons being the lack of resources available for victims of domestic violence in South County. I look forward to seeing that change and doing my part in providing resources and information to victims.

I am honored to be in this position and to be offered the opportunity to work with like minded individuals who strive for the same goals. As well as to be able to represent South County where I grew up. I look forward to learning more about the DVCC and new ways to work together to best assist victims of domestic violence.

Sincerely,

Elizabeth Aguilar, Victim Assistance Advocate
