FIRST AMENDMENT TO WIRELESS COMMUNICATION SITE LEASE AGREEMENT

This First Amendment to Wireless Communication Site Lease Agreement (this "Amendment") is made this _____ day of _____, 20____, by and between Crown Castle MU LLC, a Delaware limited liability company (f/k/a Mountain Union Telecom, LLC) ("Crown") and County of Monterey, a political subdivision of the State of California ("Customer").

WHEREAS, Crown (and/or certain of its predecessors-in-interest) and Customer (and/or certain of its predecessors-in-interest) entered into a certain Wireless Communication Site Lease Agreement dated June 24, 2008, as may have been previously amended and/or assigned (hereinafter the "TLA"), whereby Customer leases or licenses from Crown certain space at a telecommunications facility described in the TLA (the "Site"), and

WHEREAS, Crown and Customer desire to amend the TLA pursuant to the terms and subject to the conditions set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree to be legally bound to this Amendment as follows:

1. Unless clear from the context in which they are used, all capitalized terms used herein shall have the same meanings ascribed to them in the TLA.
2. The monthly fee due under the TLA shall increase by One Thousand and 00/100 Dollars (\$1,000.00) on March 1, 2014.
3. The parties acknowledge that Customer is making certain modifications to its space and/or equipment at the Site as described in Attachment A, attached hereto.
4. The descriptions of Customer's space on the ground set forth in the TLA (including, without limitation, any descriptions of Customer's space on the ground set forth in any schedules, exhibits or attachments to the TLA) are hereby amended and deleted in their entirety and replaced and superseded by and with the descriptions of Customer's space on the ground set forth in Attachment A and Attachment B, attached hereto.
5. The descriptions of Customer's space on the tower set forth in the TLA (including, without limitation, any descriptions of Customer's space on the tower set forth in any schedules, exhibits or attachments to the TLA) are hereby amended and deleted in their entirety and replaced and superseded by and with the descriptions of Customer's space on the tower set forth in Attachment A and Attachment C, attached hereto.
6. The equipment descriptions and specifications with respect to Customer's tower-mounted equipment and Customer's ground-based equipment set forth in the TLA (including, without limitation, any equipment descriptions and specifications with respect to Customer's tower-mounted equipment and Customer's ground-based equipment set forth in any schedules, exhibits or attachments to the TLA) are hereby amended and deleted in their entirety and replaced and superseded by and with the equipment descriptions and specifications with respect to Customer's tower-mounted equipment and Customer's ground-based equipment set forth in Attachment A, Attachment B and Attachment C, attached hereto.

7. Except as expressly set forth in this Amendment, the TLA is otherwise unmodified, shall remain in full force and effect and is incorporated and restated herein as if fully set forth at length. In the event of any inconsistencies between the TLA and this Amendment, the terms of this Amendment shall control. Each reference in the TLA to itself shall be deemed to also refer to this Amendment.

Scope of Work/Additional Information**Scope of Work:**

COUNTY OF MONTEREY. Customer is proposing (1) new DBSPECTRA, (1) new Yagi and (2) new lines. County to add (2) racks and (1) UPS. Proposed antenna equipment at 110' and 160' carry all 5 bands listed under technology.

****Indicates where Cut Sheet data has been entered.**

NOTICE: Structural Analysis shall be performed in accordance with the current revision of the TIA/EIA 222 standard and applicable local building permit codes and standards. EME analysis shall be consistent with current revision of FCC/OSHA standard OETB 65. AM detuning, when required, will be performed to 47 CFR22.371. The customer is responsible for all analysis expenses. All construction drawings are subject to Crown Castle engineering approval prior to commencement of tower attachments and compound installations. Installation of equipment not conforming to approved drawings may violate the terms of the occupancy agreement and will be corrected at the customer's expense. Crown Castle requires drawings for pre-construction approval and as built drawings for physical configuration validation to be submitted as unlocked AutoCAD files (Version 2000i preferred).
