D. BACKGROUND

Community Homeless Solutions is a non-profit corporation, formed in 1978 under the name Shelter Outreach Plus to offer emergency shelter services to women and children fleeing domestic violence. Since this time, Community Homeless Solutions has grown to become the largest agency serving homeless individuals and families in Monterey County. Community Homeless Solutions currently operates three emergency shelters, four transitional housing programs, a street outreach program, and a Day Center that provides showers, toilets, washer/dryer access and other services to the homeless. Programs and services provide housing to the homeless, emergency shelter to women and children fleeing domestic violence, and an array of support services that enable homeless families and individuals to access food, obtain employment assistance/jobs, and to transition to permanent housing.

Lack of shelter capacity is an identified problem in Monterey County. The Biennial Homeless Census conducted in January 2017 indicated an increase in homelessness countywide. The Salinas Warming Shelter closed in May 2017 further expanding the gap in emergency shelter resources. On September 26, 2017, the Board of Supervisors approved the establishment of Warming Shelter using the former Public Defender's building located at 111 W. Alisal Street in Salinas.
