The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. EXHIBIT A
Scope of Services / Payment Provisions
to the Standard Agreement between
The County of Monterey on behalf of its Health Department and
Monterey County Children and Families Commission
dba First 5 Monterey County

I. BACKGROUND

This Monterey County Health Department contract with First 5 Monterey County will provide one-time funding of \$409,000 for the Child Care Stipend Project to address pandemic recovery.

CHALLENGE: Child care and early education is often unaffordable for families, and subsidies are limited. There are currently 1300 children on the waitlist for child care vouchers subsidized by the State. In addition, there are thousands of families that have been unable to navigate the complex subsidy enrollment system due to multiple barriers (literacy, access to needed documents, fear due to their documentation status, etc.). Low-income parents have been economically impacted the hardest during the pandemic. Quality early child care, out-of-school care, and many enrichment programs are out of reach financially, and mothers in particular are staying out of the workforce to care for children.

SOLUTION: Invest in Child Care stipends, which allow a family to choose the best types of care to meet their children's needs. This can include out-of-school care and enrichment programs to address the pandemic's learning and social-emotional gap.

First 5 Monterey County, with over 20 years of experience working with families with young children in Monterey County, will collaborate with community partners to best reach the families furthest from opportunity that are the least likely to be supported through state and federal programs, including undocumented residents.

II. DETERMINATION OF COMPLIANCE

Upon request by County, Contractor will provide periodic progress reports throughout the duration of this Agreement. The determination of whether performance meets standard is at the sole judgment of the County. County will review these periodic progress reports and perform other monitoring tasks at its discretion to make its determination. This may include making site visits and reviewing related records, which Contractor shall make readily available upon request.

In the event County determines Contractor is not meeting its expectations as expressed above, in whole or in part, County reserves the right to determine the appropriate remedies. These remedies may include, but are not limited to, requiring a corrective action plan, disallowing costs, changing the compensation schedule, reducing future allocations and/or terminating the Agreement.

Modifications to the Scope of Services: The Director of Health or designee may approve modifications to the specific tasks described above; however, any **modifications to compensation must be approved by the Board of Supervisors.**

III. PAYMENT PROVISIONS

COUNTY shall pay an amount **not to exceed \$409,000** for the performance of all things necessary for or incidental to the performance of work as set forth above in the Scope of Services.

Contractor will submit invoices to COUNTY as follows:

Upon completion of deliverables and submission of semi-annual reports, submit invoices for the periods listed below as follows:
