Good afternoon Marilyn, I have been involved with Oak Hills Homeowners Association for over 20 years. I am currently the Vice President of our Association. I currently supervise our three employees at our recreation facility that consists of a park, tennis and basketball court as well as a pool. My husband I have lived in this community for over 45 years. My interest in being on CSA 45 is to be a voice and keep my neighbors informed of any items that would impact our community as well as informed with goings on in surrounding areas..

Good morning, Jackie:

I seem to be missing your statement of interest. Did you send it under separate cover? Once I receive it, I will send up your nomination for BoS approval on April 22.

Be well,

Good afternoon, Ms. Lonero:

It was very good to meet you last week at our Oak Hills Community Meeting. We have verified that there is indeed a vacancy on the Board for which you are qualified. In order to begin the process of seating you, we would need you to submit a statement of interest and a biography or resume. Please send these documents to me so that I can generate the nomination paperwork. Once I have all of these documents, I will request a spot on the BoS Agenda on April 15 or 22.

Thank you,

Marilyn Vierra
