5.0 PERFORMANCE STANDARDS.

- 5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.
- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS.

- 6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.
- 6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.
- 6.03 Invoice amounts shall be billed directly to the ordering department.
- 6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION.

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

- 7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.
- 7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION.

- 8.01 CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS.

9.01 Evidence of Coverage:

Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 Qualifying Insurers:

All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

- 9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Business Automobile Liability Insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY.

- 10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.02 County Records. When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.03 Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION.

- 11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal,

state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR.

13.01 In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. C. HISTORY

Monterey County Department of Social Services (COUNTY) has been recruiting, training and retaining foster care caregivers for decades. Historically, when there have been children and youth with high-end needs, Monterey County has often been forced to place children and youth in congregate care settings hours away from our local community. This Agreement addresses this concern as it deals with modifying the practices of recruiting, engaging and retaining foster parents (now known as Resource Families).

In October of 2015, AB 403, the Continuum of Care Reform (CCR) was passed in California. This law outlines plans and requirements within a statewide effort to keep children in their communities, while simultaneously ensuring that families have what they need to keep children and youth home in their care. CCR is clear in its long-standing goal to move away from the use of long-term group home care for children and youth in foster care by increasing local child and youth placements in capable and supported family settings. CCR aims to transform existing congregate or group home care, located across the state, into short-term facilities providing intensive treatment to support children and youth to successfully transition into local family care settings. This requires that foster families be trained and supported as resources to children and youth, known as Resource Families, within our community. Instead of children and youth going to services, Resource Families (kin and non-kin) will be provided targeted training and support so they are better prepared to meet the needs of children and youth living with them. W & I Code Section 16519.5, the Resource Family Approval (RFA) process, is a major undertaking and the first step in the evolution of CCR.

RFA is a single standard approval process for training, supporting and retaining potential relatives, non-related extended family members, and other non-related care providers for children, youth and non-minor dependents being served by the Child Welfare system and the Probation Department. California Department of Social Services (CDSS) implemented RFA Statewide on January 1, 2017. Monterey County was an early implementing county, initiating RFA on March 1, 2016. Monterey County will team with Seneca Family of Agencies, and utilize other strategies of the Core Practice Model, to ensure families are assessed for RFA approval in a timely manner.

D. PURPOSE

The purpose of this Agreement is to clearly define the practice and roles of those involved in the design and implementation of the RFA process and outlining the timelines and requirements as defined by CDSS.

This Agreement specifies the mechanism/procedures to be used for the screening, acceptance and services to be provided to potential Resource Families through the CONTRACTOR. It will cover the tracking, claiming and reporting on the number of caregiver applicants served, and the process for the CONTRACTOR to request service funds. It will also outline and specify the means of communication, roles and responsibilities of all parties and the fiscal reporting and supports needed to complete the tasks.

E. PROGRAM DESCRIPTION

1. Target Population-Resource Families

The target population to be served through this Agreement is defined as Resource Families who currently are, or may be potentially, providing 24-hour care for dependent children of Monterey County. Resource Families include all caregivers (relatives, Non-Related Extended Family Members [NREFMs], and foster/adoptive parents) and are defined as follows:

1. Placement families - caregivers who have an identified child(ren) and an immediate placement has occurred;
2. Non-placement families - caregivers who have an identified child(ren) and an immediate placement has not yet occurred, or a recruited family with no identified placement; or
3. A family identified by the COUNTY based on compelling reason or specific immediate needs.
4. Conversion families – a current licensed foster home or approved relative who wishes to ‘convert’ to an approved Resource Family.

Priorities may change based on mutual agreement of COUNTY and CONTRACTOR.

2. Services

Family Evaluations

Per State guidelines, the expectation are that all components in the approval process will be completed within **90 days** of receiving the RFA application. A comprehensive professional family evaluation is a required component for Resource Families participating in the RFA process. This evaluation process will be initiated after the Resource Family completes the

application packet and criminal exemptions (if applicable), or within two (2) weeks of placement.

The family evaluation will include a summary of an applicant's motivation to become a Resource Family; personal history; relationships; parenting experiences/discipline methods; ability to parent a child from different backgrounds, including race, ethnicity, and sexual orientation, gender identity, and gender expression (SOGIE); employment/finances; understanding victims of child abuse and neglect; understanding the role of a Resource Family; and understanding of a child's personal rights. The family evaluation will also include a risk assessment covering an applicant's substance abuse history; abuse, neglect, and domestic violence history; and physical/mental health history. Additionally, all other residents of the home (children and adults) will be interviewed as part of the written assessment. Per RFA Written Directive 5.0 (or most current version), at least two (2) face-to-face contacts/interviews will occur and more if deemed necessary by the CONTRACTOR. Further assessment of any training needs or supportive services will be offered by CONTRACTOR as field training. The CONTRACTOR will utilize the current version of the RFA 05 issued by CDSS to complete the family evaluation process (**Exhibit A-1**). The family evaluation shall be completed and submitted to the COUNTY within 60 days of receipt of referral.

3. Field/Administrative Training and Education

During the family evaluation process with the Resource Family, CONTRACTOR will initially provide two hours of 1:1 field training and education. To provide this 1:1 training the CONTRACTOR will incorporate feedback from the Pre-service training, written documentation within the referral packet, and training topic identification by the specified Resource Family. As part of this initial meeting the Resource Family will work on a training needs assessment with the CONTRACTOR where they could be referred to additional on-line training, referred to additional advance topic classroom training, or be offered 1:1 additional training topics within the home. Additional 1:1 training shall be provided by the CONTRACTOR during or after the completion of the family evaluation and shall not impede the timely completion of the written report. The CONTRACTOR shall have any additional 1:1 training (not to exceed 4 hours total) preapproved by the COUNTY, and agreed upon by the family, prior to working with the family.

E. RESPONSIBILITIES

COUNTY and CONTRACTOR will:

COUNTY will provide relevant written information about requirements for RFA and subsequent updates provided by CDSS. COUNTY will engage in dialogues with CONTRACTOR and invite the CONTRACTOR to trainings

and other related meetings offered by CDSS or other service providers pertaining to RFA. As CCR and RFA develop over time, the COUNTY and CONTRACTOR will continue to collaboratively make programmatic changes to respond to these developments.

In an effort to bridge the training to the family evaluations, CONTRACTOR may attend the fourth (or final) session of the pre-service training provided by Hartnell Community College, and provide an overview of their agency and expectations of the family evaluation process. If COUNTY has made assignments, CONTRACTOR will speak directly with an assigned family to initiate the interview process. This classroom interaction with the Resource Family does not count as one of the required face-to-face interviews.

COUNTY will refer 'Placement Resource Families' to the CONTRACTOR within two weeks after the placement date and provide application documents received to date in the referral packet. COUNTY will provide subsequent RFA paperwork to the CONTRACTOR in a timely manner when it becomes available. This early involvement with CONTRACTOR will provide additional support and resources to the family and assist with completion of paperwork and in stabilizing the placement. COUNTY will compile a referral packet, inclusive of items listed on **Exhibit A-2** and send via secured email, or make arrangements for in-person delivery, to CONTRACTOR.

COUNTY will refer 'Non-placement Resource Families' to CONTRACTOR upon completion of the application packet. COUNTY will compile a referral packet, inclusive of items listed on **Exhibit A-2**, and send via secured email or make arrangements for in-person delivery to CONTRACTOR.

Upon receipt of the referral packet, CONTRACTOR will contact the Resource Family within 3 business days. If the CONTRACTOR is unsuccessful in connecting with the Resource Family within 5 days, the CONTRACTOR will inform the COUNTY to assist in re-engaging the Resource Family.

During the family evaluation process, CONTRACTOR shall provide two (2) hours of 1:1 field training and education (included in the maximum 4 hour) to the Resource Family. CONTRACTOR will utilize **Exhibit A-3** to record 1:1 field training hours. Upon completion, CONTRACTOR will inform COUNTY and Hartnell Community College of the completion of the 1:1 field training hours to complete the 12 hours of Pre-service training requirements.

COUNTY will refer "Conversion Families" to CONTRACTOR and provide conversion application documents in the referral packet for the completion of

the family evaluation or for a homestudy update. The COUNTY will compile a referral packet, inclusive of items listed on **Exhibit A-4** and send via secured email, or make arrangements for in-person delivery, to CONTRACTOR.

CONTRACTOR will complete the following sections of the RFA 05: “Date of Contact/Interviews,” “Training” (specialized training received/feedback by trainer, recommended training), “Family Evaluation,” “Risk Assessment,” and “Additional Considerations” (if applicable). Upon completion, CONTRACTOR shall send the RFA 05 via a mutually agreed upon secure format email in Word format to designated COUNTY Family and Children’s Services (FCS) staff and follow-up with the original copy including wet signatures within two (2) weeks.

Additional COUNTY Responsibilities:

COUNTY lead RFA project point person will possess a minimum of a Bachelor’s degree and COUNTY will staff as appropriate.

COUNTY will offer bi-monthly Orientations for all parties interested in becoming a Resource Family. The two-hour informational meeting will fully explain the RFA requirements and COUNTY expectations. At the Orientations, the Resource Families may complete an interest form, accept an application packet to complete later and register for the pre-service training provided through Hartnell College. Resource Families may also submit an application on-line through Binti at <https://family.binti.com/users/signup/monterey-rfa>.

COUNTY may offer to meet with the Resource Family at the COUNTY office or in the family home to review and advise on thoroughness of their written documentation. COUNTY will be accessible via phone and email to answer any questions for the Resource Families as they arise.

COUNTY will obtain criminal background checks, complete home inspections and request other required documents (health screen, references, etc) prior to making the referral for the written assessment to the CONTRACTOR. A pending document or verification of a requirement will not impede the start of the written assessment process by the CONTRACTOR. COUNTY will authorize payment for the families for health or tuberculosis (TB) screens and X-rays if needed.

COUNTY will send a status letter to Resource Families on the 25th day, 55th day and 85th day increments to inform Resource Families of their status and offer support and advisement on RFA requirements.

Once a placement has occurred, COUNTY will refer the Resource Family for assignment of a caregiver mentor. COUNTY will refer relatives and

NREFMs to the Family Ties Program offered through CONTRACTOR. COUNTY will refer all Resource Families to the Foster Parent Association. COUNTY will enlist these additional community supports to provide resources and advocacy to Resource Families throughout the application process when necessary.

Additional CONTRACTOR Responsibilities:

CONTRACTOR will hire staff with a minimum of a Bachelor's degree, 2 years of child welfare experience, enhanced writing and assessment skills, engagement and flexibility in process change, and forward thinking capacity.

CONTRACTOR will complete an average of 25-30 family evaluations annually per FTE equivalent. CONTRACTOR will maintain an average of not more than 15 open family evaluations at one time. Changes to number of referral assignments may be discussed in a joint meeting and mutually agreed upon by COUNTY and CONTRACTOR. The family evaluations will be completed and a written document submitted to the COUNTY between 45-60 days from receipt of the referral packet. CONTRACTOR will inform COUNTY in written format when they are unable to meet the 60 day timeline for a specific family and work collaboratively with the COUNTY to complete the family evaluations as soon as possible. If a pattern of not completing family evaluations in the 60 day period emerges, the CONTRACTOR and the COUNTY will meet to identify and discuss the barriers toward timeliness.

CONTRACTOR will engage with case managers of the Family Ties Program to provide additional community supports, resources and advocacy to Resource Families throughout the application process.

CONTRACTOR will research and identify various on-line training options for Resource Families and recommend those seen as most beneficial to COUNTY as potential options for further education. When gaps are identified by Resource Families or Hartnell trainers, CONTRACTOR will assist in creating individualized specific training plans to best meet the needs of Resource Families.

F. MEETINGS/COMMUNICATIONS

COUNTY and CONTRACTOR shall have joint responsibility to promote collaborative communication. The purpose of this Agreement will be to maintain open communication, to oversee adherence to RFA requirements and time frames; discuss and make decisions regarding written referral and assessment issues; evaluate contract usage and effectiveness; and make recommendations for processing, or process modifications. COUNTY and CONTRACTOR value ongoing communication and frequent and consistent meetings as key components to making this cooperative effort work

efficiently and successfully.

When concerns arise regarding a Resource Family applicant, COUNTY and CONTRACTOR leads will communicate with each other in a timely and detailed manner either in writing or verbally to track requirements, maintain compliance, and/or team together in supporting the Resource Family.

COUNTY will lead monthly meetings with CONTRACTOR and include lead staff from COUNTY and CONTRACTOR. COUNTY will monitor referral assignments, discuss assignments based on CONTRACTOR availability and COUNTY needs and provide referral packets. COUNTY and CONTRACTOR will discuss enhancement of family supports within COUNTY and CONTRACTOR agencies, ways to eliminate barriers, and identify ways to increase supports and training for Resource Families within the community.

COUNTY and CONTRACTOR will meet not less than 4 times per year to evaluate the family evaluation referral process and to provide education and training as needed to COUNTY and CONTRACTOR lead staff. Meeting times may be modified based on the needs of COUNTY and CONTRACTOR.

G. PARTICIPATION IN LEGAL CONSULTS AND ADMINISTRATIVE HEARINGS

A State Hearing Specialist is available to the COUNTY for legal consults and representation in Administrative Hearings. When necessary, the CONTRACTOR (social worker) may be asked to participate in a legal consultation when it is specific to their written assessment.

A Resource Family has the right to a state hearing per Article 12 and WIC 16519.5 when the COUNTY is recommending denial, exemption or exclusion. If the Resource Family appeals this decision, the case is heard before an administrative law judge at the State Hearing Division (SHD) or at the Office of Administrative Hearings (OAH). When necessary, the CONTRACTOR (social worker) may receive a subpoena to testify in the SHD or OAH.

H. DATA SHARING AND EVALUATION

CONTRACTOR will comply with data sharing and evaluation. COUNTY is currently utilizing Binti software where Resource Families can submit an application on-line and for COUNTY to track progress of all Resource Families. COUNTY and CONTRACTOR will review the data consistently at monthly meetings.

I. FISCAL PROVISIONS

CONTRACTOR shall participate in opportunities to leverage funding in order

to offset direct costs. This may include Title IV-E, Medi-cal, Early and Periodic Screening, Diagnostic and Treatment (EPSDT), and/or grant opportunities. CONTRACTOR shall utilize these funding sources when possible in an effort to maximize the contract funds for serving Resource Families.

COUNTY shall pay CONTRACTOR according to the terms set forth in **Exhibit B, Section I. PAYMENT BY COUNTY**. CONTRACTOR shall submit invoices to COUNTY no later than the 10th day following the end of the month during which costs were incurred. The final fiscal year invoices shall be submitted by July 10, 2020 and July 10, 2021. The invoice shall be submitted in the format presented in **Exhibits D-1 and D-2** and shall contain the original signature of the person authorized to submit claims for payment. Detailed back up for all sub-contracts and any required documentation, as noted on the invoice form, shall be submitted with the invoice. Invoice shall reflect the rate used for mileage reimbursement, and shall not exceed the Federal Government Rate listed at www.irs.gov. Copies of all invoices shall be provided to the COUNTY. No other travel shall be reimbursed through this Agreement.

The maximum amount payable by COUNTY to CONTRACTOR under this Agreement shall not exceed **one hundred eighty-eight thousand five hundred sixty-five (\$188,565)** for the period of July 1, 2019 through June 30, 2020 and **one hundred ninety-four thousand nineteen (\$194,019)** for the period of July 1, 2020 through June 30, 2021 per **Exhibit C, Budget**. The maximum amount payable by COUNTY to CONTRACTOR under this Agreement shall not exceed **three hundred eighty-two thousand five hundred eighty-four (\$382,584)**.

EXHIBIT B

MONTEREY COUNTY DEPARTMENT OF SOCIAL SERVICES

ADDITIONAL PROVISIONS

I. PAYMENT BY COUNTY:

1.01 Monthly claims/invoices by CONTRACTOR: Not later than the tenth (10th) day of each month, CONTRACTOR shall submit to COUNTY a signed invoice setting forth the amount claimed. All invoices (monthly and final) shall be submitted in the form set forth in Exhibits D-1 and D-2 and shall include an invoice number.

1.02 Final Invoice; forfeiture for late invoice: CONTRACTOR's final month and end of fiscal year invoices are due, and must be received by COUNTY, no later than close of business on July 10. If the Final Invoice is not received by COUNTY by close of business on July 10, CONTRACTOR understands and agrees that the reimbursement of CONTRACTOR's final expenses represented by that invoice may be forfeited, and COUNTY shall have no legal obligation regarding it, nor shall COUNTY be required to make any payment towards that untimely/late invoiced claim.

1.03 Allowable Costs: Allowable costs shall be the CONTRACTOR's actual costs of developing, supervising and delivering the services under this Agreement, as set forth in Exhibit C. Only the costs listed in Exhibit C as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of 45 Code of Federal Regulations, Part 74, Sub-Part F and 48 Code of Federal Regulations (CFR), Chapter 1, Part 31.

1.04 Cost Control: CONTRACTOR shall not exceed by more than twenty (20) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this contract. Therefore, an increase in one line item will require corresponding decreases in other line items.

1.05 Payment in Full:

(a) If COUNTY certifies and pays the amount requested by CONTRACTOR, such payment shall be deemed payment in full for the month in question and may not thereafter be reviewed or modified, except to permit COUNTY's recovery of overpayments.

(b) If COUNTY certifies and pays a lesser amount than the amount requested, COUNTY shall, immediately upon certification of the lesser amount, notify CONTRACTOR in writing of such certification. If CONTRACTOR does not protest the lesser amount by delivering to COUNTY a written notice of protest within twenty (20) days after CONTRACTOR's receipt of the certification, then payment of the lesser amount shall be deemed payment in full for the month in question and may not thereafter be questioned by CONTRACTOR.

EXHIBIT B

1.06 Disputed payment amount: If COUNTY pays a lesser amount than the amount requested, and if CONTRACTOR submits a written notice of protest to COUNTY within twenty (20) days after CONTRACTOR's receipt of the certification, then the parties shall promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such dispute until the parties have met and attempted to resolve the dispute in person.

II. PERFORMANCE STANDARDS & COMPLIANCE

2.01 Outcome objectives and performance standards: CONTRACTOR shall for the entire term of this Agreement provide the service outcomes set forth in **Exhibit A**. CONTRACTOR shall meet the contracted level of service and the specified performance standards described in **Exhibit A**, unless prevented from doing so by circumstances beyond CONTRACTOR's control, including but not limited to, natural disasters, fire, theft, and shortages of necessary supplies or materials due to labor disputes.

2.02 County monitoring of services: COUNTY shall monitor services provided under this Agreement in order to evaluate the effectiveness and quality of services provided.

2.03 Notice of defective performance: COUNTY shall notify CONTRACTOR in writing within thirty (30) days after discovering any defects in CONTRACTOR's performance. CONTRACTOR shall promptly take action to correct the problem and to prevent its recurrence. Such corrective action shall be completed and a written report made to the COUNTY concerning such action not later than thirty (30) days after the date of the COUNTY's written notice to CONTRACTOR.

2.04 Termination for cause: Notwithstanding Section 7.02 of the Agreement, if the corrective actions required above are not completed and the report to the COUNTY not made within thirty (30) days, the COUNTY may terminate this Agreement by giving five (5) days' written notice to CONTRACTOR.

2.05 Remedies for Inadequate Service Levels:

- a) For each month that service falls below 80% of the contracted level, CONTRACTOR shall submit to the COUNTY an analysis of the causes of the problem and any necessary actions to be taken to correct the problem. If the problem continues for another month, the COUNTY shall meet with CONTRACTOR to explore the problem and develop an appropriate written corrective action plan with appropriate time frames.
- b) If CONTRACTOR does not carry out the required corrective action within the time frame specified, sanctions shall be applied in accordance with funding source regulations.
- c) Notwithstanding Section 7.02 of the Agreement, if, after the COUNTY notifies CONTRACTOR of any sanctions to be imposed, CONTRACTOR continues in its

EXHIBIT B

failure to take corrective action, then COUNTY may terminate this contract by giving CONTRACTOR five (5) days' written notice.

- d) If all appropriate corrective actions are taken but service still falls 80% or more below contracted level, COUNTY and CONTRACTOR may renegotiate the contracted level of service.

2.06 Training for Staff: CONTRACTOR shall insure that sufficient training is provided to its volunteer and paid staff to enable them to perform effectively on the project, and to increase their existing level of skills. Additionally, CONTRACTOR shall ensure that all staff completes Division 21 Civil Rights training.

2.07 Bi-lingual Services: CONTRACTOR shall ensure that qualified staff is available to accommodate non-English speaking, and limited English proficient, individuals.

2.08 Assurance of drug free-workplace: CONTRACTOR shall submit to the COUNTY evidence of compliance with the California Drug-Free Workplace Act of 1990, Government Code sections 8350 et seq., by doing the following:

 - 4) the penalties that may be imposed upon employees for drug abuse violations;
 - 5) requiring that each employee engaged in the performance of the contract or grant be given a copy of the company's drug-free policy statement and that, as a condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

III. CONFIDENTIALITY

CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with Welfare and Institutions (W & I) Code Sec. 10850, 45 CFR Sec. 205.50, and all other applicable provisions of law which provide for the confidentiality of records and prohibit their being opened for examination for any purpose not directly connected with the administration of public social services. Whether or not covered by W&I Code Sec. 10850 or by 45 CFR Sec. 205.50, confidential medical or personnel records and the identities of clients and complainants shall not be disclosed unless there is proper consent to such disclosure or a court order requiring disclosure. Confidential information gained by CONTRACTOR from access to any such records, and from contact with its clients and complainants, shall be used by CONTRACTOR only in connection with its conduct of the

Health Insurance Portability & Accountability Act (HIPAA) Certification

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as “the Administrative Simplification provisions,” direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the “HIPAA Privacy Rule”); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement (“the Agreement”) to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties’ continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term “Protected Health Information” means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY’s behalf shall be subject to this Certification.

II. CONFIDENTIALITY REQUIREMENTS

- (a) CONTRACTOR agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement, (if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;
 - (ii) for data aggregation services, if to be provided by CONTRACTOR for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by CONTRACTOR with the protected health information received by CONTRACTOR in its capacity as CONTRACTOR of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

EXHIBIT F

- (c) CONTRACTOR will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit CONTRACTOR's records and practices related to use and disclosure of Protected Health Information to ensure COUNTY's compliance with the terms of the HIPAA Privacy Rule. CONTRACTOR shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR of a use or disclosure of Protected Health Information by CONTRACTOR in violation of the requirements of this Certification or the Agreement.

III. AVAILABILITY OF PHI

CONTRACTOR agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. CONTRACTOR agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, CONTRACTOR agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Certification or the Agreement to the contrary, COUNTY shall have the right to terminate the Agreement immediately if COUNTY determines that CONTRACTOR has violated any material term of this Certification and/or the Agreement. If COUNTY reasonably believes that CONTRACTOR will violate a material term of this Certification and/or the Agreement and, where practicable, COUNTY gives written notice to CONTRACTOR of such belief within a reasonable time after forming such belief, and CONTRACTOR fails to provide adequate written assurances to COUNTY that it will not breach the cited term of this Certification and/or the Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then COUNTY shall have the right to terminate the Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to the Agreement do not intend to create any rights in any third parties. The obligations of CONTRACTOR under this Section shall survive the expiration, termination, or cancellation of this Certification and/or the Agreement, and/or the business relationship of the parties, and shall continue to bind CONTRACTOR, its agents, employees, contractors, successors, and assigns as set forth herein.

The parties agree that, in the event that any documentation of the arrangement pursuant to which CONTRACTOR provides services to COUNTY contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Certification or the Agreement, the provisions of the more restrictive documentation will control. The provisions of this Certification and the Agreement are intended to establish the minimum requirements regarding CONTRACTOR's use and disclosure of Protected Health Information.

EXHIBIT F

In the event that either party believes in good faith that any provision of this Certification and/or the Agreement fails to comply with the then current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and amend the terms of this Certification and/or the Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Certification and/or the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.

- (a) Any person who enters into employment on or after January 1, 1995, as a care custodian, health practitioner, or with an adult protective services agency or a local law enforcement agency, prior to commencing his or her employment and as a prerequisite to that employment shall sign a statement on a form, that shall be provided by the prospective employer, to the effect that he or she has knowledge of Section 15630 and will comply with its provisions. The signed statement shall be retained by the employer.
- (b) Agencies or facilities that employ persons required to make reports pursuant to Section 15630, who were employed prior to January 1, 1995, shall inform those persons of their responsibility to make reports by delivering to them a copy of the statement specified in subdivision (a).
- (c) The cost of printing, distribution, and filing of these statements shall be borne by the employer.
- (d) On and after January 1, 1995, when a person is issued a state license or certificate to engage in a profession or occupation the members of which are required to make a report pursuant to Section 15630, the state agency issuing the license or certificate shall send a statement substantially similar to the one contained in subdivision (a) to the person at the same time as it transmits the document indicating licensure or certification to the person.
- (e) As an alternative to the procedure required by subdivision (d), a state agency may cause the required statement to be printed on all application forms for a license or certificate printed on or after January 1, 1995.
- (f) The retention of statements required by subdivision (a), and the delivery of statements required by subdivision (b) shall be the full extent of the employer's duty pursuant to this section. The failure of any employee or other person associated with the employer to report abuse of elders or dependent adults pursuant to Section 15630 or otherwise meet the requirements of this chapter shall be the sole responsibility of that person. The employer or facility shall incur no civil or other liability for the failure of these persons to comply with the requirements of this chapter.
