The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.
- 7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION.

Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. II. BACKGROUND

Monterey County has been asked to be the fiscal agent and provide an allocation for the Affordable Care Act Training contract. The Child & Family Policy Institute of California will be responsible for ensuring that designated county staff receive training curriculum related to implementation of the Affordable Care Act (ACA), scheduled to take effect in January 2014. Training curriculum will include ACA requirements and eligibility determination, as well as building and sustaining high quality customer service standards for the wider audience served by the ACA.

The Child and Family Policy Institute of California (CFPIC) is a private non-profit organization incorporated in 2004 as a 501(c) 3 entity under the auspices of the County Welfare Directors Association (CWDA). The purpose of the CFPIC is to “advance the development of sound public policy and promote program excellence in county Human Services agencies through research, education, training and technical assistance.”

CFPIC will contract with CalSWEC (California Social Work Education Center) to provide the Affordable Care Act training curriculum. Created in 1990, CalSWEC is a consortium of the state’s 21 accredited social work graduate schools, all 58 county departments of social service and local mental health departments, the California Department of Social Services (CDSS), the California Chapter of the National Association of Social Workers, the County Welfare Directors Association (CWDA), the California Mental Health Directors Association (CMHDA), and foundations. It is the nation’s largest coalition of its kind working

together to provide professional education, student support, in-service training, and workforce evaluation research—all directed toward developing effective, culturally competent public service delivery to the people of California.

CalSWEC’s longstanding collaborative relationships with state and county agencies and other human services stakeholders, coupled with its experience in utilizing collaborative processes to produce high-quality curriculum products, make it uniquely qualified to develop curriculum to meet the needs of the ACA.

III. SCOPE OF WORK

A. Curriculum Development Process

CFPIC will contract with CalSWEC to develop curriculum for the ACA Training. CalSWEC has significant experience developing and implementing collaborative processes to produce curriculum, which will be leveraged to inform the process for the ACA curriculum. In order to complete the curriculum development, a structure will include stakeholder committees to ensure that the curriculum meets the stakeholder needs.

B. Deliverables

ACA curriculum falls under two broad categories:

- Curriculum/Training on the ACA requirements and how to determine eligibility; and
- Curriculum/Training on building and sustaining high quality customer service standards for county staff completing the eligibility determinations with the wider audience served by the ACA.

Core deliverables are outlined below:

Deliverable	Description	Audience

(i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom Covered Entity is required to disclose such information or as otherwise permitted under this Agreement, the Arrangement Agreement (if consistent with this Agreement and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by Covered Entity;

(ii) at termination of this Agreement, the Arrangement Agreement (or any similar documentation of the business relationship of the Parties), or upon request of Covered Entity, whichever occurs first, if feasible, Business Associate will return or destroy all Protected Health Information received from or created or received by Business Associate on behalf of Covered Entity that Business Associate still maintains in any form and retain no copies of such information, or if such return or destruction is not feasible, Business Associate will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and

(iii) to ensure that its agents, including a subcontractor, to whom it provides Protected Health Information received from or created by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply to Business Associate with respect to such information. In addition, Business Associate agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause Business Associate to breach the terms of this Agreement.

(b) Notwithstanding the prohibitions set forth in this Agreement, Business Associate may use and disclose Protected Health Information as follows:

(i) if necessary, for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate, provided that as to any such disclosure, the following requirements are met:

(A) the disclosure is required by law; or

(B) Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(ii) for data aggregation services, if to be provided by Business Associate for the health care operations of Covered Entity pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Agreement, data

aggregation services means the combining of Protected Health Information by Business Associate with the protected health information received by Business Associate in its capacity as a business associate of another covered entity, to permit data analyses that relate to the health care operations of the respective covered entities.

(c) Business Associate will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Agreement. The Secretary of Health and Human Services shall have the right to audit Business Associate's records and practices related to use and disclosure of Protected Health Information to ensure Covered Entity's compliance with the terms of the HIPAA Privacy Rule. Business Associate shall report to Covered Entity any use or disclosure of Protected Health Information which is not in compliance with the terms of this Agreement of which it becomes aware. In addition, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Agreement.

III. AVAILABILITY OF PHI

Business Associate agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. Business Associate agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, Business Associate agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Agreement to the contrary, Covered Entity shall have the right to terminate this Agreement and the Arrangement Agreement immediately if Covered Entity determines that Business Associate has violated any material term of this Agreement. If Covered Entity reasonably believes that Business Associate will violate a material term of this Agreement and, where practicable, Covered Entity gives written notice to Business Associate of such belief within a reasonable time after forming such belief, and Business Associate fails to provide adequate written assurances to Covered Entity that it will not breach the cited term of this Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then Covered Entity shall have the right to terminate this Agreement and the Arrangement Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to this Agreement do not intend to create any rights in any third parties. The obligations of Business Associate under this Section shall survive the expiration, termination, or cancellation of this Agreement, the Arrangement Agreement and/or the business relationship of the parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein.

This Agreement may be amended or modified only in a writing signed by the Parties. No Party may assign its respective rights and obligations under this Agreement without the prior written consent of the other Party. None of the provisions of this Agreement are intended to create, nor will they be deemed to create any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Agreement and any other agreements between the Parties evidencing their business relationship. This Agreement will be governed by the

laws of the State of California. No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

The parties agree that, in the event that any documentation of the arrangement pursuant to which Business Associate provides services to Covered Entity contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Agreement, the provisions of the more restrictive documentation will control. The provisions of this Agreement are intended to establish the minimum requirements regarding Business Associate's use and disclosure of Protected Health Information.

In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect. In addition, in the event a party believes in good faith that any provision of this Agreement fails to comply with the then-current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty days, the parties shall address in good faith such concern and amend the terms of this Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year written above.
