Certifying Compliance with Applicable Conditions of Approval and Mitigation

Subject: Measures for Project: PLN160605/Leticia Maravillo Maldonado

In accordance with the County of Monterey Condition of Approval and Mitigation Monitoring and Reporting Program, (adopted by the Monterey County Board of Supervisors Resolution No. 17-060), RMA-Public Works has submitted the attached Condition Compliance Certification Report that lists all RMA-Public Works Conditions of Approval for the following proposed final map: PLN160605 (approved on December 6, 2017 by the Chief of Planning, Resolution No. 17-060).

I hereby certify that the applicant for the final map has complied with the RMA-Public Works condition of approval required to be met prior to the filing of the final map and that staff has entered the corresponding Condition Compliance Form(s) and supporting documentation into the County's electronic database: Accela Automation, also known as "Accela." If conditions have requirements that apply prior to the final map as well as after the filing of the applicable final map, the condition is met for purposes of the filing of this final map but is listed as "partially met" in Accela to reflect that later compliance actions are also required by the condition.
