Educational materials are being prepared, a Green Building Ordinance has been adopted, and Green Zoning provisions developed using the EECBG grant, see H-1.f above.

During 2012, the Housing Office assisted the Sea Gardens Apartment Project (formerly Axtell) to complete pre-development and start construction on 58 affordable apartments. The County RDA previously provided \$2,300,000 to the project. The County continues to implement the Inclusionary Housing Program and analyzes new development applications to ensure that they are conditioned to supply affordable units as appropriate. In 2012 the Pebble Beach project was approved which requires at least 18 inclusionary units or a \$5 million in-lieu fee which must be used to develop at least 18 inclusionary units at an off site location. The 66-unit Manzanita Place project on Fort Ord is partial compliance for the East Garrison project. The first phase of the for sale component of the East Garrison Project is scheduled to begin construction in 2013. This phase includes 19 moderate income inclusionary units.

On October 22, 2009 the County adopted a new Housing Policy and Allocation Manual.

Previously the RDA funded a comprehensive program to upgrade the storm drain system and streets in the community of Boronda. Due to the elimination of the RDA on February 1, 2012, the final phase (Phase 4) was put on hold pending identification of an alternative funding source. During 2012, the County began evaluating the Boronda Wastewater System to identify potential upgrades to pump stations. In 2012, the County applied for a Safe Drinking Water Prop. 84 grant to provide initial funding. The County is in the process of identifying improvements and potential funding to address wastewater system deficiencies in the community of Chualar.

The Castroville Community Plan (non-coastal area portion) was adopted in 2007. A local coastal plan amendment required by the California Coastal Commission (CCC) was submitted but subsequently withdrawn due to lack of support from CCC staff. The County is not pursuing another application at this time. During 2011, a revised draft Boronda Community Plan and draft EIR were completed but put on hold due to the elimination of the RDA. The County has initiated an effort to complete the Community Plan as part of the General Plan Implementation Program. The County continues to work with the new owners/developers of the East Garrison Project on implementation. First phase public improvements are complete and construction of the first phase affordable rental housing is underway. Construction of the first phase for sale housing is scheduled to begin in mid-2012. The County has prepared an administrative draft of the Moss Landing Community Plan as part of the General Plan Implementation Program and processing of it is proceeding. The preparation of the Pajaro Community Plan is on hold pending resolution of flood control issues.

The County has a remaining RHNA of 92 units. In 2012, the County continued to provide assistance to the Sea Gardens Apartment Project (formerly called Axtell) in Castroville that will provide 58 affordable units. Construction will commence in the spring of 2012. In addition, MidPen Housing began construction on a 66 unit affordable rental project on the former Fort Ord (Manzanita Court). The first phase of the for sale component of the East Garrison Project is scheduled to begin in 2013 which will include 19 moderate-income units.
