Salinas, CA 93906

Attn: Tanya Fogg

**Re: Van Brocklin River Road Property**

Dear Tanya:

The design and construction of the Van Brocklin River Road property has been completed. The Water System Improvements Plans were checked and visually inspected in the field. I found that the improvements had been installed in substantial conformance to the plans dated September 2009. As-built plans have been prepared and included in the as-built submittal package.

Very truly yours,  
BESTOR ENGINEERS, INC.
