| modern Juvenile Hall facility at 1420 Natividad Road in Salinas. The County also operates the Youth Center facility located at 970 Circle Drive in Salinas. | | | | | | |
| | | | | | | |
| While the Juvenile Hall was being built, the planned 30 bed high security housing unit and classrooms, laundry, kitchen, and dining facilities were de-scoped due to lack of funding. With the closure of the Division of Juvenile Justice (DJJ), effective July 1, 2021, a California Department of Corrections and Rehabilitation (CDCR) division, that previously provided treatment, education, and training for juvenile offenders, youth were rerouted to their county of origin. As a result, the County's Probation Department was tasked with coordination to ensure continuity of care was available at the Juvenile Hall and Youth Center, while addressing the safety needs of the minors. | | | | | | |
| This referral aims to have staff actively seek and identify grant funding options to support the simultaneous build out of facilities to support housing, vocational, laundry, kitchen, dining, treatment, and related equipment for juveniles located at the Juvenile Hall and Youth Center facilities. | | | | | | |
