SUMMARY/DISCUSSION:

The County currently has Agreement A-14395 with The Epicenter which will expire on June 30, 2021. The Epicenter will continue to provide Friday Night Live (FNL) Program services to both transition age youth of High School age and youth in our community. The primary focus of the FNL Mentoring program is to form youth-adult partnerships with young people, to provide programs rich in opportunities and support, so young people will be less likely to engage in problem behaviors, more likely to achieve in school, and more likely to attend higher education or secure a full-time job. FNL's vision is to work together with young people so they are both problem free and fully prepared. Community service, social action activities, participation in advocacy for safe and healthy environments, and promotion of healthy policies are organized by youth to appeal to youth.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.
