Health Insurance Portability & Accountability Act (HIPAA) Certification

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as “the Administrative Simplification provisions,” direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the “HIPAA Privacy Rule”); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement (“the Agreement”) to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY ; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties’ continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term “Protected Health Information” means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY’s behalf shall be subject to this Certification.

II. CONFIDENTIALITY REQUIREMENTS

- (a) CONTRACTOR agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement ,(if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;
 - (ii) for data aggregation services, if to be provided by CONTRACTOR for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by CONTRACTOR with the protected health information received by CONTRACTOR in its capacity as CONTRACTOR of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

EXHIBIT F

- (c) CONTRACTOR will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit CONTRACTOR's records and practices related to use and disclosure of Protected Health Information to ensure COUNTY's compliance with the terms of the HIPAA Privacy Rule. CONTRACTOR shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR of a use or disclosure of Protected Health Information by CONTRACTOR in violation of the requirements of this Certification or the Agreement.

III. AVAILABILITY OF PHI

CONTRACTOR agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. CONTRACTOR agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, CONTRACTOR agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Certification or the Agreement to the contrary, COUNTY shall have the right to terminate the Agreement immediately if COUNTY determines that CONTRACTOR has violated any material term of this Certification and/or the Agreement. If COUNTY reasonably believes that CONTRACTOR will violate a material term of this Certification and/or the Agreement and, where practicable, COUNTY gives written notice to CONTRACTOR of such belief within a reasonable time after forming such belief, and CONTRACTOR fails to provide adequate written assurances to COUNTY that it will not breach the cited term of this Certification and/or the Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then COUNTY shall have the right to terminate the Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to the Agreement do not intend to create any rights in any third parties. The obligations of CONTRACTOR under this Section shall survive the expiration, termination, or cancellation of this Certification and/or the Agreement, and/or the business relationship of the parties, and shall continue to bind CONTRACTOR, its agents, employees, contractors, successors, and assigns as set forth herein.

The parties agree that, in the event that any documentation of the arrangement pursuant to which CONTRACTOR provides services to COUNTY contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Certification or the Agreement, the provisions of the more restrictive documentation will control. The provisions of this

EXHIBIT F

Certification and the Agreement are intended to establish the minimum requirements regarding CONTRACTOR's use and disclosure of Protected Health Information.

In the event that either party believes in good faith that any provision of this Certification and/or the Agreement fails to comply with the then current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and amend the terms of this Certification and/or the Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Certification and/or the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.
