Hi Nadia,

Thank You for the information on the Modification of the Battery Storage System. My Family and I have reviewed the information and have met on site with the Applicants reps and have had discussions with the Applicant. We are now more comfortable with the modification moving forward with the understanding that the Applicant will add a new condition of approval to require screening around the boundaries of the northern and western portion of the site. We thank you for the extra time and will withdraw our opposition.

Thanks so much and take care,

Michelle Van Boxtel
