Agree...Also please confirm you will email me the staff report on completion. Hopefully we can resolve this matter before the hearing if the Sims will simply agree to reduce the height of their fence to something more compatible with the neighborhood. Thanks Andy Swartz 1/28/2016

Hi Andy:

Thanks for agreeing to the staff request for a continuance from February 9, 2016 to February 23, 2016 on the Rhein appeal of the Sims fence. The hearing is expected to be in the afternoon session. I do need something in writing indicating your agreement, so if you could simply respond to this email that you agree, I would appreciate it.

John
