Please tell us about yourself and why you want serve

I, Derrick Elder am writing to express interest on a potential appointment to the County Behavioral Health Commission representing District 4. I have a Master's of Social Work degree and I am a registered clinical social worker with the California Board of Behavioral Sciences on the path to obtain licensure (LCSW). I have worked with adolescents, transitional age youth, and adults in counseling/mental health capacities where I have gained experience in gathering biopsychosocial history, assessment and diagnosis, treatment planning, and providing mobile crisis response, direct mental health services, substance abuse counseling, and case management. I have also worked with youth in diverse populations for 10+ years in education, child development, and recreation. In my time serving, I have significant experience identifying and engaging a diverse range of practices, funding types/sources, micro, mezzo, and macro strategies within the field of behavioral health. Some that have been more effective "client-centered" and others that have been less effective.

Please state the reason you would like to be a member of this board committee/commission/district.

My heart is dedicated to helping others because a group of caring, empathetic, and loving individuals helped me as an at-risk youth during my pre and post adoption journey. I am passionate, energetic, and would love the opportunity to become a part of an organization whose mission is about people helping people.
