Final Map Amendment

Existing Homeland Boundary (blue)

Proposed Homeland Boundary (red)

Single Family Dwelling

- Construction of a 5,441 sq. ft. with an 889 sq. ft. and site improvement.
- Complies with all required site development standards.
- No tree removal or biological impacts.
- Compatible with the neighborhood.

Addendum

- Santa Lucia Preserve Final Environmental Impact Report was certified on February 6, 1996 (Board of Supervisors Resolution No. 96-059)
- Amending Lot 38's homeland boundary does not warrant further environmental review pursuant to CEQA Guidelines section 15164:
 1. All potential environmental impacts are equal to, or less than the impacts associated with developing the original homeland boundary;
 2. No changes to the property's circumstances that cause a new significant impact; and
 3. No new information that causes a new significant environmental impact.

Recommendation

1. Consider an Addendum to the Santa Lucia Preserve Environmental Impact Report No. 94-005 pursuant to CEQA Guidelines section 15164;
2. Approve the SLP Phase A Final Map Amendment for Lot 38;
3. Direct the Clerk of the Board to submit the Certificate of Correct to the County Recorder; and
4. Approve an Administrative Permit and Design Approval to allow construction of a 6,330 square foot single family dwelling inclusive of an attached 889 square foot garage, 1,191 square foot basement, a 407 square foot covered porch, and associated site improvements.
