WHEREAS, Grantor is the fee owner of property located on Moss Landing Road in the community of Moss Landing as shown on Attachment A hereto, and otherwise known as APN 133-193-002 (the "Property"); and

WHEREAS, County is implementing the Moss Landing Rule 20A Underground Utility District (the "Project") through the public utility companies' placement of overhead utility lines into underground conduits and removal of above-ground wires and poles throughout the community; and

WHEREAS, County desires to acquire a Public Utility Easement on or across a portion of the Property in order to provide utility service to the Property as part of the implementation of the Project.

NOW, THEREFORE, Grantor and County hereby mutually agree as follows:

1. Grantor agrees to grant a Public Utility Easement to the public utilities named in the Easement Deed as described in Exhibit A attached hereto and by this reference incorporated herein for purposes of construction, maintenance, use, and operation of electricity lines, telephone lines, cable television lines, internet service provider lines, and all the necessary appurtenances thereto (hereinafter referred to as the "utilities"), together with the right of ingress and egress from said easement. 5. County shall pay all escrow and recording fees incurred in this transaction and, if title insurance is desired by County, the premium charged therefore. Said escrow charges shall not, however, include documentary transfer tax.

6. County shall reinstall or reconstruct any pre-existing landscaping, fencing, or other non-structural improvements along and immediately adjacent to the Public Utility Easement that may be damaged or affected by the Project. All work done under this agreement shall conform to all applicable building laws, ordinances and regulations relating to such work, and shall be done in a good and workmanlike manner. Pre-existing improvements, when removed and reinstalled or reconstructed by County, shall be left in as good a condition as found.
