Dear California Fire Safe Council,

The County of Monterey Board of Supervisors authorizes the Department of Emergency Management to apply on behalf of County of Monterey for the 2025 California Fire Safe Council County Coordinators Grant Project and serve as the grant subrecipient. Our board is confident that the Department of Emergency Management can execute the scope of the grant program and meet project metrics and deliverables.

The Department of Emergency Management is aware that, as a subrecipient, they will be required to work closely with the County of Monterey Board of Supervisors and other fire mitigation groups within the county to meet the County Coordinator grant objectives of educating, encouraging, and developing county-wide collaboration and coordination. Our Board is prepared to support and assist the Department of Emergency Management in the execution of these project goals.

Should you require additional confirmation of the County of Monterey's support of the Department of Emergency Management, the Board of Supervisor's office may be reached at 831-755-5033 and district3@countyofmonterey.gov.

Signed,
