COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

W.W. Grainger, Inc. dba Grainger

_____ (hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: on-call safety training and education for the Department of Public Works, Facilities and Parks, procured under OMNIA Partners, Public Sector Contract #192163

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: \$ 100,000

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from April 18, 2023 to December 31, 2024, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B OMNIA Partners, Public Sector Contract #192163 (Awarded under City of Tucson Request for Proposal #192163)

Exhibit B-1 Amendments No. 1 - 13 to OMNIA Partners, Public Sector Contract #192163

Exhibit C Modification to Paragraph 10.05 of Section 10.0, Records and Confidentiality, of Agreement

5.0 PERFORMANCE STANDARDS:

- 5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.
- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.
- 5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

- 6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.
- 6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.
- 6.03 Invoice amounts shall be billed directly to the ordering department.
- 6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 Evidence of Coverage: Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 Qualifying Insurers: All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:

Requestor must check the appropriate box.

Agreement Under \$100,000 Business Automobile Liability Insurance: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence.

Agreement Over \$100,000 Business Automobile Liability Insurance: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

~~10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.~~

Please refer to Exhibit C of Agreement.

11.0 NON-DISCRIMINATION:

11.1 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and

treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 COMPLIANCE WITH APPLICABLE LAWS:

13.1 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

13.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.3 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

15.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

16.0 MISCELLANEOUS PROVISIONS.

- 16.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.
- 16.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.
- 16.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.
- 16.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.
- 16.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.
- 16.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

- 16.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.
- 16.08 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.
- 16.09 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.
- 16.10 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.
- 16.11 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.
- 16.12 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.
- 16.13 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.
- 16.14 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.
- 16.15 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.
- 16.16 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

17.0 **CONSENT TO USE OF ELECTRONIC SIGNATURES.**

- 17.1 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 et seq. Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this

Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.2 Counterparts.

The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) via email transmittal.

17.3 Form: Delivery by E-Mail or Facsimile.

Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

**To Agreement by and between
County of Monterey, hereinafter referred to as “County”
and
W.W. Grainger, Inc. dba Grainger, hereinafter referred to as “CONTRACTOR”**

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

Provide on-call safety training and education (as procured under OMNIA Partners, Public Sector Contract #192163 (see Exhibit B of this Agreement awarded under City of Tucson Request for Proposal (RFP) #192163)) as requested by the County’s Department of Public Works, Facilities and Parks (PWF) Safety Coordinator/Investigator or Maintenance and Operations Management. CONTRACTOR has ability to provide on-site and/or online training and educational programs/seminars. Training can be scheduled at County on-site/off-site location as desired by County. Additional training classes may be available as requested by County.

County will schedule training with CONTRACTOR on an as-needed basis. Prior to scheduled training, CONTRACTOR shall provide a bio of the training instructor to the County’s PWF Safety Coordinator/Investigator or Maintenance and Operations Management for approval.

Quantitative fit-tests may be required for some of the training. If so, Fast Response On-Site Testing (FROST) will provide quantitative fit-testing. If quantitative fit-testing is required, CONTRACTOR shall provide County with quantitative fit-test results.

CONTRACTOR shall provide training material including an agenda of the training to all class participants. CONTRACTOR shall provide a separate copy of the training material as well as the agenda to the PWF Safety Coordinator/Investigator or Maintenance and Operations Management. All trainers course training material deemed proprietary by CONTRACTOR or subcontractor will be collected from the County following each on-call safety training and education event.

CONTRACTOR will issue a Certificate of Completion to all successful class participants who complete the training.

County will provide any applicable policies and procedures, equipment descriptions and manuals as determined necessary by the County for reference for each training session at least two (2) weeks before the training.

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed **\$100,000**, for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services. CONTRACTOR's compensation for services rendered shall be based on the following rates or in accordance with the following terms:

All rates shall be based on those established in OMNIA Partners, Public Sector Contract #192163 (see Exhibit B of this Agreement) and shall not exceed the above amount.

CONTRACTOR's compensation for services rendered shall be based on the following rates or in accordance with the following terms:

1. On an as needed basis, CONTRACTOR shall provide County with a proposal for safety training and education requested by County.
2. County shall review proposed safety training and education proposal and upon approval issue a Delivery Order (DO), including a copy of the proposal, to CONTRACTOR if rates or negotiated fee is accepted. The DO shall include a DO number (e.g., DO 3200.....), which is issued under the Agreement's Multi-Year Agreement (MYA) number assigned by County, and reference to the MYA number.
3. Payment for services shall be paid to CONTRACTOR upon completion of each authorized safety training and education at the rates or negotiated fee.
4. No travel reimbursement shall be allowed during this Agreement.

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged at the moment of purchase by the County to any other similarly situated client for the same services performed by the same individuals.

B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Section 6.0, "Payment Conditions", of the Agreement. All invoices shall reference the MYA number, training class and dates, and associated DO number, and an original hardcopy shall be sent to the following address or via email to PWFP-Finance-AP@co.monterey.ca.us:

County of Monterey
Department of Public Works, Facilities and Parks (PWFP) – Finance Division
1441 Schilling Place, South 2nd Floor
Salinas, California 93901-4527

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

Any questions pertaining to invoices under this Agreement shall be directed to the PWF Finance Division at (831) 755-4800 or via email to: PWF-Finance-AP@co.monterey.ca.us.

County may, in its sole discretion, terminate the Agreement or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

C. CONTRACTOR'S PERFORMANCE

County acknowledges and agrees CONTRACTOR will perform in accordance with underlying County/CONTRACTOR Agreement terms and conditions as modified by any additional agreed upon CONTRACTOR terms and conditions applicable to this sourced service proposal, and will ensure subcontractor performance is equally as compliant with agreed upon sourced service proposal terms and conditions. County acknowledges and agrees that CONTRACTOR, as the distributor of this sourced service, will not perform any of the services described herein, including, but not limited to, any work on site, supervision, inspection, coordination, scheduling, project management or other task normally provided by a provider of such services.

RE: City of Tucson RFP #192163, Maintenance, Repair and Operations (MRO) Supplies, Parts, Equipment, Materials and Related Services – Intent to Negotiate

Dear Ms. Myers:

W.W. Grainger, Inc. respectfully submits the following items and explanations in relationship to our proposal submitted on 4/11/2019 for RFP#192163. Please find the following response where a request was made for further follow-up. We appreciate the opportunity to respond and negotiate with the City of Tucson. If for any reason you or OMNIA partners needs further clarification or has any concerns feel free to request additional information.

2. The City does not accept the changes to Standard Terms and Conditions, Paragraph 21. Indemnification.

Grainger accepts the original language for Indemnification Standard Terms and Conditions, Paragraph 21 and removes any alterations.

3. The City requests a best and final response to the pricing. Please complete the attached Price Page.

W.W. Grainger submits the following updates in our price offer. We strongly feel this price offer together with the newly revised incentive program, service offer, and other programs proposed in the RFP will deliver the best overall value in comparison to others. If the proposed offer is accepted Grainger would like to enter the City of Tucson into the newly created plus program which offers additional pricing benefits specific to the City's needs.

Grainger has submitted the requested Price Page (see attached)

4. The City requests additional clarification on the Functional Alternatives. In reviewing some of the items, it seems that the functional alternative was higher priced items, or the items did not match the request of what is being replaced. Please provide additional information to clarify this.

Per the requirements in the RFP, Grainger's intent for the functional alternate items was to provide options and additional breadth and depth for the City Tucson and National members. For some items submitted, there is a different ship pack quantity which will impact the SKU pack sell price. Where there was not an exact match, Grainger offered functional alternate items, or like items to the requested market basket. For functional alternate items, Grainger submitted items where the product serves the same function as the exact match. Knowing customers may want additional options nationally we wanted to offer the broadest assortment possible. Grainger has re-submitted new pricing for the City to

W.W. Grainger, Inc

review for some of the alternate items. For item 3EB48 and alternate item 3EB49 Grainger respectfully retracts our original submitted price as both items are eligible for our .01 program on a case by case bases based on customer paper commitments. This still allows the customer to receive the .01 price for the exact and alternate item with the purchase of associated paper products.

6. Omnia Partners is unable to accept the following changes.

- a. Marketing and Sales Page 17 of 44 Section 8
- b. Marketing and Sales Page 17 of 44 Section 10

Both sections above are a part of the Master Intergovernmental Cooperative Purchasing Agreement with allows Participating Agencies to sign up with OMNIA Partners to use this contract. This agreement is not between Grainger and OMNIA Partners and was included as an example only.

Grainger removes our previous exceptions for:

- a. Marketing and Sales Page 17 of 44 Section 8
- b. Marketing and Sales Page 17 of 44 Section 10

W.W. Grainger hopes you find the submitted changes meet your needs to move further. However, if for any reason the submitted changes do not meet your desired state for this RFP please reach out to me.

Sincerely,

Ron Price

SPECIAL TERMS AND CONDITIONS

- 1. COOPERATIVE PURCHASING:** Any Contract resulting from this solicitation shall be for the use of the City of Tucson. In addition, public and nonprofit agencies that have registered with OMNIA Partners or entered into a Cooperative Purchasing Agreement with the City of Tucson's Department of Procurement are eligible to participate in any subsequent Contract. See http://www.tucsonprocurement.com/coop_partners.aspx and click on Cooperatives for a list of the public and nonprofit agencies that have currently entered into Cooperative Purchasing Agreements with the City of Tucson. Additionally, this contract is eligible for use by the Strategic Alliance for Volume Expenditures (SAVE) cooperative. See <http://www.mesaaz.gov/home/showdocument?id=23638> for a listing of participating agencies. The parties agree that these lists are subject to change.

Any orders placed to, or services required from, the successful Contractor(s) will be requested by each participating agency. Payment for purchases made under this agreement will be the sole responsibility of each participating agency. The Contractor may negotiate additional expenses incurred as a result of participating agencies' usage of this contract (i.e., freight charges, travel related expenses, etc.). The City shall not be responsible for any disputes arising out of transactions made by others.

The Contractor(s) will provide an electronic copy of the complete Contract to the City of Tucson Department of Procurement upon receipt of the Notice of Intent to Award. At the City's request, the successful Contractor(s) may also be requested to provide an electronic copy of the complete Contract to a participating agency.

- 2. FEDERAL, STATE AND LOCAL TAXES, LICENSES AND PERMITS:** The Supplier shall comply with all Federal, State, and local licenses and permits required for the operation of the business conducted by the Supplier as applicable to this Contract. The Supplier shall, at no expense to the City, OMNIA Partners, or other Participating Public Agencies, procure and keep in force during the entire period of the Agreement all such permits and licenses.
- 3. SUBCONTRACTORS:** No subcontract shall be made by the contractor with any other party for furnishing any of the services herein contracted for without the advance written approval of the Department of Procurement. All subcontractors shall comply with Federal and State laws and regulations that are applicable to the services covered by the subcontractor and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. Contractor is responsible for contract performance whether or not subcontractors are used.
- 4. FOB DESTINATION FREIGHT PREPAID:** Prices shall be FOB Destination Freight Prepaid to the delivery location designated. Contractor shall retain title and control of all goods until they are delivered and the Contract of coverage has been completed. All risk of transportation and all related charges shall be the responsibility of the Contractor. All claims for visible or concealed damage shall be filed by the Contractor. The City will assist the Contractor in arranging for inspection.
- 5. PAYMENTS:** All payments made by the City of Tucson for goods or services will be made to the vendor named on the Offer and Acceptance form. If you do not wish payment to be made to that address, you must submit an attached sheet indicating the proper mailing address with this bid.

- 6. RIGHT TO TERMINATE FOR CHANGE IN OWNERSHIP OR MATERIAL RESTRUCTURE OF THE CONTRACTOR:** In addition to the Termination of Contract clause in the Standard Terms and Conditions section of this solicitation and resulting contract, the City reserves the right to cancel the whole or part of this contract within 60 days written notice of the completion of any material change of ownership in the Contractor's company, including its sale, merger, consolidation or dissolution.
- 7. TERM AND RENEWAL:** The term of the Contract shall commence upon award and shall remain in effect for a period of three (3) years, unless terminated, canceled or extended as otherwise provided herein. The Contractor agrees that the City of Tucson shall have the right, at its sole option, to renew the Contract for two (2) additional one-year periods or portions thereof. In the event that the City exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the possible exception of price and minor scope additions and/or deletions.
- 8. PRICE ADJUSTMENT:** The City will review fully documented requests for **Market Basket product** price adjustment at the end of the Contract's first year. Subsequent fully documented requests for price adjustment **for Market Basket products** may be made at the end of each Contract year that the Contract is in effect. Price adjustments may be a consideration in the continuance and/or renewal of the contract. The City will determine whether the requested price adjustment or an alternate option, is in the best interest of the City.
- 9. INSURANCE:** The Contractor agrees to:
- A.** Obtain insurance coverage of the types and amount required in this section and keep such insurance coverage in force throughout the life of this contract. All policies will contain an endorsement providing that written notice be given to the City at least 30 days prior to termination or cancellation in coverage in any policy, and 10 days notice for cancellation due to non-payment in premium.
- B.** The Commercial General Liability Insurance and Commercial Automobile Liability Insurance policies will include the City as an additional insured with respect to liability arising out of the performance of this contract. Such additional insured shall be covered to the full limits of liability purchased by the Contractor, even if those limits of liability are in excess of those required by this Contract. The insurance hereunder will be primary and that any insurance carried by the City will be excess and not contributing.
- C.** Provide and maintain minimum insurance limits as applicable:

COVERAGE	LIMITS OF LIABILITY
I. Commercial General Liability:

*¹ Sole Proprietor/Independent Contractor designation is given to those who desire to waive their rights for workers' compensation coverage and benefits as outlined in ARS§ 23-901 and specifically ARS § 23-961 (O). If applicable, please request the Sole Proprietor/Independent Contractor form from the Contract Officer listed in the solicitation.

D. ADDITIONAL INSURANCE REQUIREMENTS: Policies shall be endorsed to include the following provisions:

1. A waiver of subrogation endorsement in favor of the City of Tucson, for losses arising from work performed by or on behalf of the Contractor (including Worker's Compensation).
2. The insurance afforded the contractor shall be primary insurance and that any insurance carried by the City of Tucson and its agents, officials or employees shall be excess and not contributory.
3. Coverage provided by the Contractor shall not be limited to the liability assumed under the indemnification provisions of this Contract.

E. NOTICE OF COVERAGE MODIFICATIONS: Any changes material to compliance with this contract in the insurance policies above shall require 10 days written notice from the Contractor to the City of Tucson. Such notice shall be sent directly to the Department of Procurement.

F. ACCEPTABILITY OF INSURERS: Contractors insurance shall have an "A.M. Best" rating of not less than A:VII. The City of Tucson in no way warrants that the required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

G. VERIFICATION OF COVERAGE: Contractor shall furnish the City of Tucson with certificates of insurance (ACORD form or equivalent approved by the City of Tucson) as required by this Contract. The certificates for each insurance policy are to be signed by an authorized representative.

All certificates and endorsements are to be received and approved by the City of Tucson before work commences. Each insurance policy required by this Contract must be in effect at or prior to commencement of work and remain in effect for the duration of the contract and two (2) years after completion. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal upon the City's request, is a material breach of contract.

All certificates required by this Contract shall be sent directly to the Department of Procurement.

The City of Tucson project/contract number and project description shall be noted on the certificate of insurance. The City of Tucson reserves the right to require complete copies of all insurance policies required by this Contract at any time.

- H. SUBCONTRACTORS:** Contractors' certificate(s) shall include all subcontractors as insureds under its policies **or** Contractor shall furnish to the City of Tucson separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum requirements identified above.
- I. EXCEPTIONS:** In the event the Contractor or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of Self- Insurance

STANDARD TERMS AND CONDITIONS

1. **ADVERTISING:** Contractor shall not advertise or publish information concerning this Contract without prior written consent of the City's Director of Procurement.
2. **AFFIRMATIVE ACTION:** Contractor shall abide by the provisions of the Tucson Procurement Code Chapter 28, Article XII.
3. **AMERICANS WITH DISABILITIES ACT:** The Contractor shall comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101, et seq.) and applicable Federal regulations under the Act.
4. **APPLICABLE LAW:** This Contract shall be governed, and the City and Contractor shall have all remedies afforded to each, by the Tucson Procurement Code and the law of the State of Arizona. State law claims shall be brought only in Pima County Superior Court.
5. **ASSIGNMENT-DELEGATION:** No right or interest in this Contract shall be assigned by the Contractor without prior written permission of the City, and no delegation of any duty of the Contractor shall be made without prior written permission of the City's Director of Procurement. The City shall not unreasonably withhold approval and shall notify the Contractor of the City's position by written notice.
6. **CHILD/SWEAT-FREE LABOR POLICY:** The Contractor shall comply with all applicable provisions of the United States Federal and State Child Labor and Worker's Right laws and agrees if called upon to affirm in writing, that they, and any subcontractor involved in the provision of goods to the City, are in compliance.
7. **CLEAN UP:** The Contractor shall at all times keep the contract area, including storage areas used by the Contractor, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of the City. Upon completion of the repair, the Contractor shall leave the work and premises in clean, neat and workmanlike condition.
8. **COMMENCEMENT OF WORK:** The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives purchase order or is otherwise directed to do so, in writing, by the City.
9. **CONFIDENTIALITY OF RECORDS:** The Contractor shall establish and maintain procedures and controls that are acceptable to the City for the purpose of assuring that no information contained in its records or obtained from the City or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under the Contract. Persons requesting such information should be referred to the City. Information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by the City.
10. **CONTRACT AMENDMENTS:** The Procurement Department has the sole authority to:
 - A. Amend the contract or enter into supplemental verbal or written agreements;
 - B. Grant time extensions or contract renewals;
 - C. Otherwise modify the scope or terms and provisions of the contract.

This Contract shall only be modified with the approval of the Department of Procurement. Except in the case of a documented emergency, approval must be granted prior to performance. Any contract modification not explicitly approved by the Procurement Department through a written contract amendment or change order is performed at the sole risk of the Contractor and may not be eligible for payment by the City.

- 11. CONTRACT:** The Contract shall be based upon the Request for Proposal issued by the City and the Offer submitted by the Contractor in response to the Request for Proposal. The offer shall substantially conform to the terms, conditions, specifications and other requirements set forth within the text of the Request for Proposal. The City reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by the City's Director of Procurement, shall be deemed non-responsive and the offer rejected. The Contract shall contain the entire agreement between the City of Tucson and the Contractor relating to this requirement and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders, or master agreements in any form.
- 12. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH:** Contractor shall deliver conforming materials in each installment or lot of this Contract and may not substitute nonconforming materials. Delivery of nonconforming materials, or default of any nature, may constitute breach of the Contract. Noncompliance may be deemed a cause for possible Contract termination.
- 13. DUPLEXED/RECYCLED PAPER:** In accordance with efficient resource procurement and utilization policies adopted by the City of Tucson, the Contractor shall ensure that, whenever practicable, all printed materials produced by the Contractor in the performance of this Contract are duplexed (two-sided copies), printed on recycled paper and labeled as such.
- 14. EQUAL PAY:** The Contractor shall comply with the applicable provisions of the Equal Pay Act of 1963 (Pub.L. 88-38, 29 U.S.C. section 206(d)); Title VII of the Civil Rights Act of 1964 (Pub.L. 88-352, 42 U.S.C. 2000e *et seq.*; and, the Lily Ledbetter Fair Pay Act of 2009 (Pub.L. 111-2).
- 15. EXCLUSIVE POSSESSION:** All services, information, computer program elements, reports and other deliverables created under this Contract are the sole property of the City of Tucson and shall not be used or released by the Contractor or any other person except with prior written permission by the City.
- 16. FEDERAL IMMIGRATION LAWS AND REGULATIONS:** Contractor warrants that it complies with all Federal Immigration laws and regulations that relate to its employees and complies with A.R.S. § 23-214(A) and that it requires the same compliance of all subcontractors under this Contract. Contractor acknowledges that pursuant to A.R.S. § 41-4401 and effective September 30, 2008, a breach of this warranty is a material breach of this Contract subject to penalties up to and including termination of this Contract. The City retains the legal right to audit the records of the Contractor and inspect the papers of any employee who works for the Contractor to ensure compliance with this warranty and the Contractor shall assist in any such audit. The Contractor shall include the requirements of this paragraph in each contract with subcontractors under this Contract.

If the Contractor or subcontractor warrants that it has complied with the employment verification provisions prescribed by sections 274(a) and 274(b) of the Federal Immigration and Nationality Act and the E-verify requirements prescribed by A.R.S. § 23-214(A), the Contractor or subcontractor shall be deemed to be in compliance with this provision. The City may request proof of such compliance at any time during the term of this Contract by the Contractor and any subcontractor.

- 17. FORCE MAJEURE:** Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. The term "Force Majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force Majeure shall not include late performance by a subcontractor unless the delay arises out of a Force Majeure occurrence in accordance with this Force Majeure term and condition.

If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand-delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall

notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

- 18. GRATUITIES:** The City may, by written notice to the Contractor, terminate this Contract if it is found that gratuities, in the form of entertainment, gifts, meals or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the City amending, or the making of any determinations with respect to the performing of such Contract. In the event this Contract is terminated by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.
- 19. HUMAN RELATIONS:** Contractor shall abide by the provisions of the Tucson City Code Chapter 28, Article XII.
- 20. INDEMNIFICATION:** To the fullest extent permitted by law, Contractor, its successors, assigns and guarantors, shall pay, defend, indemnify and hold harmless City of Tucson, its agents, representatives, officers, directors, officials and employees from and against all allegations, demands, proceedings, suits, actions, claims, including claims of patent or copyright infringement, damages, losses, expenses, including but not limited to, attorney fees, court costs, and the cost of appellate proceedings, and all claim adjusting and handling expense, related to, arising from or out of or resulting from any actions, acts, errors, mistakes or omissions caused in whole or part by Contractor relating to work, services and/or products provided in the performance of this Contract, including but not limited to, any Subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable and any injury or damages claimed by any of Contractor's and Subcontractor's employees. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. The Contractors agrees to waive all rights of subrogation against the City of Tucson, it's agents, representatives, officers, directors, officials, employees and volunteers for losses arising from the work performed by the Contractor for the City of Tucson.

Contractor is responsible for compliance with the Patient Protection and Affordable Care Act (ACA), for its employees in accordance with 26 CFR §54. 4980H. Additionally, Contractor is responsible for all applicable IRS reporting requirements related to ACA. If Contractor or any of Contractor's employees is certified to the City as having received a premium tax credit or cost sharing reduction which contributes to or triggers an assessed penalty against the City, or Contractor fails to meet reporting requirements pursuant to section 6056 resulting in a penalty to City, Contractor indemnifies City from and shall pay any assessed tax penalty.

- 21. INDEPENDENT CONTRACTOR:** It is understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose.

The Contractor shall not be entitled to compensation in the form of salaries, holidays, paid vacation, sick days, or pension contributions by the City. The City of Tucson will not provide any insurance coverage to the Contractor, including Worker's Compensation coverage. The Contractor is advised that taxes, social security payments, and other withholdings shall not be withheld from a City payment issued under this Contract and that Contractor should make arrangements to directly pay such expenses. Contractor is responsible for compliance with the Affordable Care Act for Contractor and any of Contractor's employees.

- 22. INSPECTION AND ACCEPTANCE:** All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this Contract shall be held at the Contractor's risk and may be returned to the Contractor. If returned, all costs are

the responsibility of the Contractor. Noncompliance may be deemed a cause for possible Contract termination.

- 23. INTERPRETATION-PAROL EVIDENCE:** This Contract is intended by the parties to be a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in the Contract. Acceptance or consent in the course of performance under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or consenting party has knowledge of the nature of the performance and the opportunity to object.
- 24. ISRAEL BOYCOTT DIVESTMENTS:** Acceptance of the contract warrants that the vendor is in compliance with A.R.S. § 35-393 and does not participate in a boycott of Israel as that term is defined within A.R.S. § 35-393.
- 25. LICENSES:** Contractor shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this Contract.
- 26. LIENS:** All materials, services, and other deliverables supplied to the City under this Contract shall be free of all liens other than the security interest. Security interest shall extinguish upon full payment made by the City. Upon the City's request, the Contractor shall provide a formal release of all liens.
- 27. NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender of materials must fully comply with all provisions of this Contract. If a tender is made which does not fully comply, this shall conform to the termination clause set forth within this document.
- 28. NON-EXCLUSIVE CONTRACT:** Any contract resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience of the City of Tucson. The City reserves the right to obtain like goods or services from another source when necessary.
- 29. OVERCHARGES BY ANTITRUST VIOLATIONS:** The City maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the City any and all claims for such overcharges as to the materials or services used to fulfill the Contract.
- 30. PAYMENT:** The City's preferred method of payment is via credit card. The City will issue a Purchase Order and, in some cases, either provide a credit card for payment at the time of ordering or pay subsequent invoices by credit card upon receipt of goods or services in good order. However, not all City employees will possess a credit card and, therefore, the City reserves the right to make payment by check as it deems necessary.

Unless payment is made by credit card at time of order or point of sale, a separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material or service and correct invoice. The invoice shall not be dated prior to the receipt of goods or completion of services.

The City shall make every effort to process payment for the purchase of materials or services within twenty-one (21) calendar days after receipt of materials or services and a correct invoice.

The Contractor's payment terms shall apply to all purchases and to all payment methods.

- 31. PROTECTION OF GOVERNMENT PROPERTY:** The Contractor shall use reasonable care to avoid damaging existing buildings, equipment, and vegetation (such as trees, shrubs, and grass) on City property. If the Contractor fails to do so and damages such property, the Contractor shall replace or repair the damage at no expense to the City, as determined and approved by the City's Director of

Procurement. If the Contractor fails or refuses to make such repair or replacement, the City will determine a cost and the Contractor shall be liable for the cost thereof, which may be deducted from the Contract price.

- 32. PROVISIONS REQUIRED BY LAW:** Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall be amended to make such insertion or correction.
- 33. RECORDS:** Internal control over all financial transactions related to this Contract shall be in accordance with sound fiscal policies. The City may, at reasonable times and places, audit the books and records of the Contractor and/or any subcontractors. Said audit shall be limited to this Contract.
- 34. RIGHT TO ASSURANCE:** Whenever one party to this Contract has reason to question, in good faith, the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as the other party's intent not to perform and as a cause for possible Contract termination.
- 35. RIGHT TO INSPECT:** The City may, at reasonable times, and at the City's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any Contract as awarded or to be awarded.
- 36. RIGHTS AND REMEDIES:** No provision in this document or in the Contractor's proposal shall be construed, expressly or by implication, as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim, default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract, to exercise or delay the exercise of any right or remedy provided in the Contract or by law, or to accept materials or services required by this Contract or by law shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.
- 37. SEVERABILITY:** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract which may remain in effect without the valid provision or application.
- 38. SHIPMENT UNDER RESERVATION PROHIBITED:** No tender of a bill of lading shall operate as a tender of the materials. Non-compliance shall conform to the termination clause set forth within this document.
- 39. SUBCONTRACTS:** No subcontract shall be entered into by the Contractor with any other party to furnish any of the material/service specified herein without the advance written approval of the City's Director of Procurement. All subcontracts shall comply with Federal and State laws and regulations which are applicable to the services covered by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not subcontractors are used.
- 40. SUBSEQUENT EMPLOYMENT:** The City may terminate this Contract without penalty or further obligation pursuant to A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract, on behalf of the City, is or becomes, at any time while the Contract or any extension of the Contract is in effect, an employee of, or a contractor to, any other party to this Contract with respect to the subject matter of the Contract. Termination shall be effective when written notice from the City's Director of Procurement is received by the parties to this Contract, unless the notice specifies a later time.

41. TERMINATION OF CONTRACT: This Contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty (30) days written notice. The City, at its convenience, by written notice, may terminate this Contract, in whole or in part. If this Contract is terminated, the City shall be liable only for payment under the payment provisions of this Contract for services rendered and accepted material received by the City before the effective date of termination.

The City reserves the right to terminate, **following a written ten (10) business day notice to cure to the Contractor**, the whole or any part of this Contract due to the failure of the Contractor to carry out any term or condition of the Contract. **If the Contract fails to take appropriate action within the period to cure**, the City will issue a written notice of default to the Contractor for acting or failing to act as specified in any of the following:

In the opinion of the City, the Contractor provides personnel that do not meet the requirements of the Contract;

In the opinion of the City, the Contractor fails to perform adequately the stipulations, conditions or services/specifications required in this Contract;

In the opinion of the City, the Contractor attempts to impose personnel, materials, products or workmanship of an unacceptable quality;

The Contractor fails to furnish the required service and/or product within the time stipulated in the Contract;

In the opinion of the City, the Contractor fails to make progress in the performance of the requirements of the Contract;

The Contractor gives the City a positive indication that the Contractor will not or cannot perform to the requirements of the Contract.

Each payment obligation of the City created by this Contract is conditioned upon the availability of City, State and Federal funds that are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the City and available for the continued purchase of the services and/or materials provided under this Contract, this Contract may be terminated by the City at the end of the period for which funds are available. The City will endeavor to notify the Contractor in the event that continued service will or may be affected by non-appropriation. No penalty shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

42. TITLE AND RISK OF LOSS: The title and risk of loss of material or service shall not pass to the City until the City actually receives the material or service at the point of delivery, unless otherwise provided within this Contract.

43. WARRANTIES: Contractor warrants that all material or service delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by the City shall not alter or affect the obligations of the Contractor or the rights of the City under the foregoing warranties. Additional warranty requirements may be set forth in this document.

Executive Summary

On behalf of W.W. Grainger, Inc., it is a privilege to submit our response to the City of Tucson & OMNIA Partners Maintenance, Repair & Operations (MRO), Supplies, Parts, Equipment, Materials & Related Services Request for Proposal # 192163. We value the City of Tucson's and OMNIA's enduring commitment to keep citizens and employees safe and facilities well-maintained. With this our most competitive offer to date, we pledge the broadest and most comprehensive access to MRO product and services, tailored for today's government's requirements while robust and flexible to be relevant in 5 years.

Grainger serves all public sector agencies, small, medium and large across all 50 states and their political subdivisions, the District of Columbia and US Territories. Our breadth is reflected in our \$1.3 billion in US inventory, 1.7 million products, 14 Distribution Centers with 16.5 million square feet and 250 US branch locations, each carrying nearly \$1 million of inventory. Investment in systems is driven by a focus that products are available and delivered when needed. 95% of customers receive next day product delivery; 99.6% of in-stock orders are shipped within 24 hours. This broad offering is promoted by opportunities for small businesses.

Grainger's distributes the most comprehensive line of MRO products and service categories and anything MRO related. Within each category, our offering is of substantial scale and breadth. We compete emphatically with specialized distributors and manufacturers across all MRO market segments. We continually evaluate products and services to remain relevant to our customers. We add products and suppliers daily; every 18 months we add more than 300,000 products.

Our investment in Grainger Team members and our IT and supply chain systems generate value added opportunities to our product and service offerings. A seamless agreement implementation plan is led by an experienced workforce to support legacy members and ease the transition of new members. Our commitment to sustainability and green initiatives is reflected in access to 114,000 products and expertise assisting in determining the right green substitute. A centralized technical product support team with in-depth product expertise, including sourcing, provides the City of Tucson and OMNIA members access to skills, experience and insight across all product lines and MRO vocations, including Police, Fire, EMS and skilled trades.

Throughout our eight years serving City of Tucson agencies and OMNIA members we have assisted government agencies during critical circumstances, small and large. For Emergency Preparedness needs, Grainger has an extensive offering for products and solutions. Grainger remains a dedicated partner who will deliver the quickest response and reliability in emergencies. Our prices and services remain as provided in the contract.

Our experience under the current agreement shapes much of how we structure offers in the public sector. As evident by its MRO solicitation, Tucson and OMNIA acquisition and operations personnel understand the total cost of acquisition and the meaningful ways to reduce and control costs. Acknowledging that cost is much more than product price, our offer provides meaningful opportunity to reduce costs and save time.

Grainger's innovation in e-commerce and digital solutions are driven by government agency embrace of advanced technology efficiencies. Our e-commerce and digital platforms are easier to search, navigate, check out and access transactional data than when the current agreement was

renewed. Our contract offer provides a relevant e-commerce incentive program enabling agencies to take advantage of advanced technology.

Our technical competency assists agency operations and audit responsibilities via more accessible invoice and spend information. We provide quality MRO product and services at competitive prices while being a meaningful resource to drive agency productivity and integrity strictures. Grainger team member expertise and experience, technical innovation, financial strength, and track record contributes to mission effectiveness and efficiency.

Grainger's pricing offer is our broadest and most competitive proposal. It is available nationwide and encompasses all categories. It presents extensive availability of exact match market basket items and access to Grainger's extensive catalog at competitive pricing. Grainger is offering a unique incentive program that will drive cost savings measures across a customer's entire organization. The offer presented will open expanded opportunities for new members. Grainger pricing is more market based, and lower than prior list prices; a larger category discount percentage offered by a competitor may not yield a lower product price.

We are citizens of the communities where we work and live. Within the City of Tucson metropolitan area we assisted the American Red Cross in installing home fire alarms, supported training initiatives of the Tucson Fire Foundation, provided scholarship opportunities for the Sunnyside School District Foundation and Pima Community College. Through the Grainger Tools for Tomorrow program, we provide support to individual students in their technical training. Grainger employees assist the Boys and Girls Club - Jim and Vicki Club House, the Special Olympics of Tucson, the Community Food Bank, Meals for Wheels and Jobpath programs addressing child care and transportation for those in need. Grainger employees volunteer and provide assistance to Treasure for Teachers. We retain Tucson area businesses to meet the current agreement's requirements and to assist us in maintaining Grainger facilities and running our business. Our commitment in Tucson is replicated in communities nationwide.

Grainger has been privileged to partner with the City of Tucson and OMNIA in their dedication to keep citizens and employees safe and facilities well-maintained. Our response reflects our commitment to these values.

Respectfully submitted,

Ron Price

EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The City of Tucson (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector (“OMNIA Partners”), is requesting proposals for Maintenance, Repair, and Operations (MRO) Supplies, Parts, Equipment, Materials, and Related Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (“Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners’ requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

OMNIA PARTNERS EXHIBITS

EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an administrative fee of 3.0% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

OMNIA PARTNERS EXHIBITS**EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT****1.3 Estimated Volume**

The dollar volume purchased under the Master Agreement is estimated to be approximately \$100 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

OMNIA PARTNERS EXHIBITS
EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

2.1 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.2 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.3 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.4 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.1 SUPPLIER RESPONSE

Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.2 Company

A. Brief history and description of Supplier.

For over 90 years, Grainger has remained committed to helping professionals keep their operations running and their people safe by staying ahead of customer needs. As North America's leading broad line maintenance, repair and operating (MRO) products distributor, with operations also in Europe, Asia and Latin America, Grainger's advantaged supply chain network supports multichannel offerings including branches, eCommerce channels and comprehensive inventory management. With customers the central focus and continued commitment to innovation, Grainger embraces its responsibilities to its customers, members, shareholders and the communities it serves.

W.W. Grainger, Inc., founded in 1927, was incorporated in the State of Illinois in 1928. Grainger is a publicly held 500 company with shares traded on the New York Stock Exchange (NYSE). Grainger's capabilities include:

- A strategic US distribution network of 250 branches and 14 distribution centers supporting the City of Tucson and OMNIA Members
- An extensive product line, now more than 1.7 million products and over \$1.3 billion of on-hand inventory to meet agency requirements
- 95% of customers receive next day product delivery; 99.6% of in-stock orders are shipped within 24 hours
- Proven experience in negotiating and implementing multi-state, complex, nationwide contracts.

B. Total number and location of sales persons employed by Supplier.

While Grainger has over 3,800 experienced sales persons, contrary to industry norms, Grainger's 564 Government Inside and Outside Sales Staff are **solely dedicated** to the public sector market. Through all 50 states, the District of Columbia and US Territories, this **government-dedicated sales team** understands specific customer challenges and drives overall savings in procuring products.

F. Describe any green or environmental initiatives or policies.

Granger works to improve environmental performance across our suppliers operations and customers. We partner with third party sustainability organizations, such as the CDP

(formerly known as the Carbon Disclosure Project), the GreenBiz Executive Network, the U.S. Environmental Protection Agency, SmartWay® Program, UL Inc. and the U.S. Green Building Council to help us align our environmental investments with stakeholder expectations. Our green and environmental initiatives include:

Operations: We focus efforts where we have the most influence. Grainger's Distribution Centers account for 38 percent of our operations and will increase as we expand service offerings. We monitor energy consumption and improve our green-energy-mix sustainable solutions to increase efficiency and utilize renewable energy. We invest in onsite renewable

energy, purchase renewable energy credits and green tariffs.

Products: Grainger provides customers with the products they need to keep their businesses running over the long term. We work to understand how these products affect the environment. Customers increasingly request environmentally preferable products (EPP). Our EPP portfolio helps customers maintain sustainable facilities through efficient energy management, water conservation, waste reduction and air-quality improvement. The Grainger EPP portfolio includes more than **114,000 SKUs**, 26 EPP product certifications and 46 EPP product attributes. The portfolio spans more than 600 brands across 672 product categories. More than 15% of Grainger suppliers offer products featured within our EPP portfolio.

For a product to be classified as environmentally preferable it must maintain one or more environmentally preferable attributes or third-party certifications such as WaterSense®, ENERGY STAR® or Green Seal. Our suppliers inform Grainger of the product certifications and attributes the products may carry. An independent 3rd Party, Underwriters Laboratory Inc. (UL Environment), verifies the viability of the certification or attribute claims. Grainger works with UL Inc. to ensure that the most current certification and attribute options are identified.

The City of Tucson and OMNIA Members can easily identify environmentally preferable products on Grainger.com by searching for products with the Green Leaf icon. This indicates that the select product has a UL validated certification and/or attribute. On Grainger.com members can filter any product search results to view environmentally preferable options.

The programs are:

- 1. Tier II: Grainger's Supplier Diversity Program**
- 2. Tier I: Distributor Alliance Program**

Grainger's Tier II Supplier Diversity Program | Grainger's Tier II Supplier Diversity Program affords the City of Tucson and OMNIA Members access to diverse manufacturers and suppliers through our catalogs and distribution channels. Started in 1999, Grainger's Supplier Diversity Program is designed to grow this sector of the economy while helping customers get their jobs done with quality products from Diverse Business Enterprises (DBEs).

Grainger's Tier II Supplier Diversity program includes **over 270 DBEs**, and offers **more than 91,000 items** across 1600+ product categories. Grainger also offers products from over 2000 Small Business Enterprises (SBEs), offering more than 300,000 products. The model allows DBEs to concentrate on what they do best and leave the logistics and distribution of their products to Grainger.

Grainger's Tier II Supplier Diversity Program provides Members access to DBE products through all of our ordering methods (Grainger.com, Redbook Catalog, phone, fax, walk-in, etc.), and distribution channels. Grainger's customers benefit from one-stop shopping. Registered suppliers are audited monthly to maintain active supplier diversity certificates. Supplier diversity reporting available upon request.

Products from diverse businesses are featured on Grainger.com:

- Products from diverse manufacturers and suppliers are identified on Grainger's website and within our catalog and index with the diversity symbol to the right.
- Customers can locate the offering from diverse suppliers by searching "Supplier Diversity" on Grainger.com.
- Additionally, customers can filter on the left-sidebar by "Supplier Diversity" while searching on Grainger.com.

Supplier recruitment is continuous at Grainger. Our company website includes a link to the supplier diversity registration portal. Certified businesses that register are available for referrals to purchasing officers when product review, RFP, or spot buying opportunities occur. Grainger includes DBEs in meeting unique product requirements through Grainger's Sourcing program, if products are not currently available in Grainger's general catalog. In 2018, 180 DBEs, and 1700 SBEs participated in Grainger's Sourcing program.

Grainger promotes the number of products acquired from diverse companies in several ways. Grainger is a corporate member of the Women's Business Enterprise National Council (WBENC) and has been a member of the National LGBT Chamber of Commerce (NGLCC) since 2014. Grainger participates in numerous conferences and seminars to assist diverse businesses to further

establish or strengthen themselves. Grainger's Portal invites diverse suppliers to consider doing business with Grainger.

Grainger pursues outreach opportunities with diverse organizations to understand their member offerings and to promote opportunities with Grainger. These include the following:

- National Minority Supplier Development Council (NMSDC)
- Women's Business Enterprise National Council (WBENC)
- Small Business Administration (SBA)
- National Gay and Lesbian Chamber of Commerce (NGLCC)
- Veteran Owned Businesses
- Veteran Associations

Grainger's Tier I Distributor Alliance Program | Grainger's Distributor Alliance Program responds to corporate and government regulatory and policy requirements as to buying MRO goods and services from Diverse Business Enterprises (DBEs).

Since 2006, the Distributor Alliance (DA) Program has helped customers support DBEs while consolidating MRO purchases. Over 50 DA DBEs resell the entire 1.7 million products offered by Grainger and provide services to customers with procurement goals to support small businesses and provide employment opportunities to women, minority and veteran-owned businesses. The DA DBE is one of the many points of contact for the customer, including Grainger business managers who mentor DBEs and act as a liaison among Grainger, the end customer and the DA DBE.

We monitor each DBE's performance with a monthly balanced scorecard. We provide feedback and offer assistance in performance areas where improvement is needed. We seek to provide meaningful focus in pragmatic areas where efficiency can be gained and effectiveness can be improved.

Grainger's Distributor Alliance is also a member of the National Minority Supplier Development Council and supports several NMSDC Regional Councils. We are corporate members of the Woman's Business Enterprise National Council. We recruit diverse suppliers for line review and customer proposal opportunities by participating in M/WBE Business Opportunity Fairs and other events that support M/WBE businesses.

- H. Describe any historically underutilized business certifications supplier holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.

Grainger is a large business.

I. Describe how supplier differentiates itself from its competitors.

In addition to Grainger's product breadth and supply chain strength as previously stated, Grainger understands the challenges public sector agencies face in carrying out responsibilities. We comprehend the appropriations and budget cycles that provide agency funding and the procurement procedures agencies must follow for competitive and transparent purchasing. Our own procedures and systems are designed and implemented to fulfill these requirements. Grainger Sales and Team members receive annual ethics and compliance training focused on the government sector.

Grainger Government Sales Team members are dedicated solely to the public sector. Beyond understanding the challenges noted above, the Government Team has insight to government-oriented products and services and bring greater expertise and availability to the customer. The Government Team has deep understanding of government programs addressing small business opportunities and promoting environmental products.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

W.W. Grainger, Inc. is a publicly held company with over 25,750 employees, numerous locations, involved in international operations, and is party to thousands of contracts and other relationships. From time to time the Company is involved in various other legal and administrative proceedings that are incidental to its business, including claims related to product liability, general negligence, contract disputes, environmental issues, wage and hour laws, intellectual property, employment practices, regulatory compliance or other matters and actions brought by employees, consumers, competitors, suppliers or governmental entities. As a government contractor selling to federal, state and local governmental entities, the Company is also subject to governmental or regulatory inquiries or audits or other proceedings, including those related to pricing compliance. It is not expected that the ultimate resolution of any of these matters will have, either individually or in the aggregate, a material adverse effect on the Company's consolidated financial position or results of operations. While Grainger cannot provide you with all of the specific information you request with respect to each lawsuit, Grainger can state that, to the best of its knowledge and belief, without conducting exhaustive investigations or inquiries, there are no lawsuits that, if unfavorably concluded against this company would have a material adverse impact on its financial condition or ability to do business.

marketed. Affiliation information will be provided in the **HOW TO PARTICIPATE** section of the landing page.

- C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

Upon award, existing Grainger customers that are purchasing products under the existing City of Tucson contract will be approached to transition to the new Master Agreement from the first day it takes effect. New public entity customers seeking to use the City of Tucson and OMNIA Partners Master agreement will execute an affiliation document. Affiliation declaration can be done electronically through:

1. Dedicated OMNIA Partners landing page
2. Grainger.com
3. Hard copy

Grainger will support all customers who choose to access our broad product line through the City of Tucson / OMNIA Partners MRO Supplies contract.

Grainger holds other cooperative contracts. Please see Letter of Clarification.

- D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

The current reciprocal Trademark License Agreement, allowing permission for reproduction consistent with Grainger's and OMNIA Partners guidelines, will be continued.

- E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:

Grainger will educate its Sales Team on the key features and benefits of the City of Tucson and OMNIA Partners contracting process and the benefits of OMNIA Partners membership. Grainger requires that the Public Sector Sales Team members have knowledge of the following:

- i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
- ii. Best government pricing

OMNIA PARTNERS EXHIBITS
EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

Competitive Market pricing – Grainger’s prices for items sold to Buyer will not exceed the price for the same or similar items sold to other government customers for the same of similar quantities of product in a similar product mix, under the same or similar terms and conditions. Buyer acknowledges, however, that due to the vast number of items sold by Grainger and Grainger’s extensive customer base, as well as the different ways customers structure requests for proposals and bids, Grainger cannot assure any buyer that items sold to other customers for products will not be sold at a better price or discount. Even within the Master Agreement, since Grainger will provide Customized Market Baskets as noted above, OMNIA Partners Participating Agencies will receive different pricing and discounts on products. This is also true for other customers.

- iii. No cost to participate

There is no cost to participate in the City of Tucson – OMNIA Partners Master Agreement.

- iv. Non-exclusive contract

Grainger confirms understanding of the above statement.

- F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
- i. Key features of Master Agreement
 - ii. Working knowledge of the solicitation process
 - iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
 - iv. Knowledge of benefits of the use of cooperative contracts

Grainger’s Customer Enablement Managers (CEMs) will educate the sales team on key features and the contract requirements for the City of Tucson and OMNIA Partners Master Agreement. The Sales Team will embrace a working knowledge of the solicitation process, awareness of the range of Public Agencies that can use the City of Tucson and OMNIA Partners Master Agreement and it’s benefits.

A national kick off call will be held by the CEM to develop and present the sales team training plan. Grainger’s national sales force will be trained through local, regional and national webinar sessions where all aspects of the new City of Tucson / OMNIA Partners Master Agreement will be reviewed and discussed. In addition, Grainger will work with OMNIA to target specific markets for in-person kick off meetings.

Once implementation training is completed, regularly scheduled status meetings will be held throughout the life of the contract to gauge progress and resolve

N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

OMNIA PARTNERS EXHIBITS
EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
- ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
- iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
- iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

ADMINISTRATION AGREEMENT

THIS ADMINISTRATION AGREEMENT (this "Agreement") is made this ___ day of _____ 20___, between National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector ("OMNIA Partners"), and _____ ("Supplier").

RECITALS

WHEREAS, the _____ (the "Principal Procurement Agency") has entered into a Master Agreement dated _____, Agreement No _____, by and between the Principal Procurement Agency and Supplier, (as may be amended from time to time in accordance with the terms thereof, the "Master Agreement"), as attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, for the purchase of _____ (the "Product");

WHEREAS, said Master Agreement provides that any or all public agencies, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (collectively, "Public Agencies"), that register (either via registration on the OMNIA Partners website or execution of a Master Intergovernmental Cooperative Purchasing Agreement, attached hereto as Exhibit B) (each, hereinafter referred to as a "Participating Public Agency") may purchase Product at prices stated in the Master Agreement;

WHEREAS, Participating Public Agencies may access the Master Agreement which is offered through OMNIA Partners to Public Agencies;

WHEREAS, OMNIA Partners serves as the contract administrator of the Master Agreement on behalf of Principal Procurement Agency;

WHEREAS, Principal Procurement Agency desires OMNIA Partners to proceed with administration of the Master Agreement; and

WHEREAS, OMNIA Partners and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies and to set forth certain terms and conditions governing the relationship between OMNIA Partners and Supplier.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, OMNIA Partners and Supplier hereby agree as follows:

DEFINITIONS

1. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings given to them in the Master Agreement.

TERMS AND CONDITIONS

2. The Master Agreement and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation and Supplier's response thereto resulting in the Master Agreement are incorporated herein and are an integral part hereof.

3. OMNIA Partners shall be afforded all of the rights, privileges and indemnifications afforded to Principal Procurement Agency by or from Supplier under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to OMNIA Partners, its agents, employees, directors, and representatives under this Agreement including, but not limited to, Supplier's obligation to obtain appropriate insurance.

4. OMNIA Partners shall perform all of its duties, responsibilities and obligations as contract administrator of the Master Agreement on behalf of Principal Procurement Agency as set forth herein, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by OMNIA Partners solely in its capacity as the contract administrator under the Master Agreement.

5. With respect to any purchases by Principal Procurement Agency or any Participating Public Agency pursuant to the Master Agreement, OMNIA Partners shall not be: (i) construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, Principal Procurement Agency or any Participating Public Agency; (ii) obligated, liable or responsible for any order for Product made by Principal Procurement Agency or any Participating Public Agency or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Product; and (iii) obligated, liable or responsible for any failure by Principal Procurement Agency or any Participating Public Agency to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase under the Master Agreement. OMNIA Partners makes no representation or guaranty with respect to any minimum purchases by Principal Procurement Agency or any Participating Public Agency or any employee thereof under this Agreement or the Master Agreement.

6. OMNIA Partners shall not be responsible for Supplier's performance under the Master Agreement, and Supplier shall hold OMNIA Partners harmless from any liability that may arise from the acts or omissions of Supplier in connection with the Master Agreement.

7. **WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, OMNIA PARTNERS EXPRESSLY DISCLAIMS ALL EXPRESS OR IMPLIED REPRESENTATIONS**

Requirements for National Cooperative Contract

AND WARRANTIES REGARDING OMNIA PARTNERS' PERFORMANCE AS A CONTRACT ADMINISTRATOR OF THE MASTER AGREEMENT. OMNIA PARTNERS SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF OMNIA PARTNERS IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM OF AGREEMENT; TERMINATION

8. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of Sections 3 – 8 and 12 – 23, hereof and the indemnifications afforded by the Supplier to OMNIA Partners in the Master Agreement, to the extent such provisions survive any expiration or termination of the Master Agreement, shall survive the expiration or termination of this Agreement.

9. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement. If such breach is not cured within thirty (30) days of written notice to Supplier, in addition to any and all remedies available at law or equity, OMNIA Partners shall have the right to terminate this Agreement, at OMNIA Partners' sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.

NATIONAL PROMOTION

10. OMNIA Partners and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. Supplier shall require each Public Agency to register its participation in the OMNIA Partners program by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector), or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases.

11. Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and OMNIA Partners. Supplier shall be responsible for obtaining permission or license of use and payment of any license fees for all content and images Supplier provides to OMNIA Partners or posts on the OMNIA Partners website. Supplier shall indemnify, defend and hold harmless OMNIA Partners for use of all such content and images including copyright infringement claims. Supplier and OMNIA Partners each hereby grant to the other party a limited, revocable, non-transferable, non-sublicensable right to use such party's logo (each, the "Logo") solely for use in marketing the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's Logo, and such party shall comply with such terms in all material respects. Both parties shall obtain approval from the other party prior to use of such party's Logo. Notwithstanding the foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or

interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

ADMINISTRATIVE FEE, REPORTING & PAYMENT

12. An "Administrative Fee" shall be defined and due to OMNIA Partners from Supplier in the amount of ___ percent (___%) ("Administrative Fee Percentage") multiplied by the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) ("Contract Sales"). From time to time the parties may mutually agree in writing to a lower Administrative Fee Percentage for a specifically identified Participating Public Agency's Contract Sales.

13. Supplier shall provide OMNIA Partners with an electronic accounting report monthly, in the format prescribed by OMNIA Partners, summarizing all Contract Sales for each calendar month. The Contract Sales reporting format is provided as Exhibit C ("Contract Sales Report"), attached hereto and incorporated herein by reference. Contract Sales Reports for each calendar month shall be provided by Supplier to OMNIA Partners by the 10th day of the following month. Failure to provide a Contract Sales Report within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion.

14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners at the frequency and on the due date stated in Section 13, above, for Supplier's submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners designated financial institution identified in Exhibit D. Failure to provide a payment of the Administrative Fee within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, or its designee, in OMNIA Partners' sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners receives such report. In addition, OMNIA Partners may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners' reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners' costs and expenses related to such audit.

GENERAL PROVISIONS

16. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between OMNIA Partners and Supplier, the provisions of this Agreement shall prevail.

17. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any Administrative Fee and accrued interest, the prevailing party shall be entitled to reasonable attorney’s fees and costs in addition to any other relief to which it may be entitled.

18. This Agreement and OMNIA Partners’ rights and obligations hereunder may be assigned at OMNIA Partners’ sole discretion to an affiliate of OMNIA Partners, any purchaser of any or all or substantially all of the assets of OMNIA Partners, or the successor entity as a result of a merger, reorganization, consolidation, conversion or change of control, whether by operation of law or otherwise. Supplier may not assign its obligations hereunder without the prior written consent of OMNIA Partners.

19. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below.

20. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

21. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be

deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

22. This Agreement shall inure to the benefit of and shall be binding upon OMNIA Partners, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.

23. This Agreement will be construed under and governed by the laws of the State of Delaware, excluding its conflicts of law provisions and any action arising out of or related to this Agreement shall be commenced solely and exclusively in the state or federal courts in Williamson County Tennessee.

24. This Agreement may be executed in counterparts, each of which is an original but all of which, together, shall constitute but one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile, or by .pdf or similar electronic transmission, will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile, or by .pdf or similar electronic transmission, will be deemed to be their original signatures for any purpose whatsoever.

**FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT**

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned with proposal.

The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. Participating Agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if Participating Agency believes, in its sole discretion that it is in the best interest of Participating Agency to do so. Offeror will be compensated for work performed and accepted and goods accepted by Participating Agency as of the termination date if the contract is terminated for convenience of Participating Agency. Any award under this procurement process is not exclusive and Participating Agency reserves the right to purchase goods and services from other offerors when it is in Participating Agency's best interest.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted

Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

**PROCUREMENT, PROFESSIONAL AND SERVICE
CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfnr_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpc.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used "as-is", subject to edits as described herein.
 - e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfnr_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE:** This section is not applicable to Boards of Education.

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

- a. Provide a detailed written response illustrating how the products offered will meet the requirements of this solicitation. Offerors shall provide the proposed product lines that will meet the Product Requirements of this solicitation. Offerors shall identify and describe their MRO categories. For each proposed category, describe in detail and provide at a minimum the following types of information:

1. Identification and description of product categories offered

Grainger offers the broadest product breadth in the industry, with over 1.7 million products covering more than 32 MRO categories. Grainger's strategy is to distribute the most comprehensive line of MRO products and service categories and anything related to small, medium and large commercial, government and institutional customers. Critical to our approach is an offering of scale and breadth encompassing each segment noted below. We compete directly and emphatically with specialized distributors and manufacturers across the MRO market. We use a range of specialty suppliers for our sourcing offer including local and national product vendors. We continually evaluate products and services to remain relevant to our customers. We add products and suppliers on a daily basis. During the past 18 months we added more than 300,000 products in top categories such as safety, hardware, electrical, and cleaning.

The following chart displays the number of SKUs in each of the categories outlined in the Scope of the Request for Proposal with the additional categories we are offering

- b. What is the total number of products offered in your catalog? Are all catalog products stocked in your distribution warehouses?

Grainger offers customers over 1.7 million products provided from more than 5,200 key suppliers covering over 32 MRO categories. Products are strategically stocked across the United States in our Grainger owned and operated 14 state-of-the-art distribution centers, 250 branches, or through managed inventory at a customer location. The DC network stocks approximately 650K of the most popular fast moving items.

While not all products are currently stocked in our DC's, Grainger will meet the City of Tucson's requirements. Grainger's supply chain technology enables each branch to customize their inventory to meet local customer demands. Grainger brings together particular customer demand, sources of supply, and Grainger's distribution operations. The objective of Grainger's supply chain is to deliver product same or next day after it's ordered.

1. Sourcing:

1. from non-catalog suppliers,
2. of line card extensions of catalog suppliers,
3. for custom products, and
4. for OEM repair parts and accessories.

Grainger's dedicated sourcing team procures those MRO Materials and supplies products not found in the Grainger General Catalog. Knowing our customer's facilities are specialized and that product lead times are critical, Grainger works with **local and national suppliers** throughout the US to address specialized customer product needs.

Grainger's sourcing team leverages Grainger's buying power for miscellaneous related products and provides customers with a total cost solution for acquiring infrequently ordered items. Through this channel, Grainger provides quick access to over 16,000 suppliers and more than five (5) million products beyond the Grainger catalog offering. Additionally, this channel provides access to line extensions (non-Grainger General Catalog product from Grainger General Catalog suppliers) and some discontinued product catalog lines.

Grainger sourcing team accomplishes this through:

- A centralized, dedicated, and experienced team to quote and manage orders.
- An expanded assortment through a large supplier network of manufacturers and distributors. This generally includes:

- ✓ Expanded offering from core (Catalog) suppliers
- ✓ Products from non-core suppliers
- ✓ Custom products
- ✓ Select services
- ✓ Shipping orders directly from suppliers to Grainger customers

2. **Software Punch-out Capability: The capability of your electronic ordering system to interface with an agencies inventory software system**

Work Order Integration: Grainger can integrate with customer Work Order Management Systems. This is performed through Computerized Maintenance Management Systems (CMMS)/ Work Order systems with the purchasing process to allow for reconciliation of purchases from work orders. This integration aligns work order data to product orders and packing slips for streamlined receiving, and assigns product cost to the work order.

The screenshot displays the 'Order Management Dashboard' with a table of user settings. A modal window titled 'Add & Apply Spend / Approval Limits To Multiple Users' is open, showing options to add spend limits and approval limits for multiple users. The modal includes input fields for 'Spend Limit' and 'Spending Period', and a list of 'Current Limits' with 'edit' and 'delete' buttons for each entry.

Name	Spend Limit	Total Amount Spent to Date	Item Approval	Approval Limit	Approver
Aaron, Hank LONGMONT, CO	\$1,000.00 per month	\$0.00	Requires Item Approval	\$1,000.00	Bress, Drew
Barr, Jerry LINCOLNSHIRE, IL	\$1,000.00 per month				
Betschick, Bill LINCOLNSHIRE, IL	\$250.00 per order				
Bennett, Philip LINCOLNSHIRE, IL	\$250.00 per order				
Bortick, Blake LINCOLNSHIRE, IL	All Orders Require Approval				

Grainger has established full integrations with some CMMS/work order systems, which allow users to click out to a Grainger site for shopping. Other integrations have been established enabling flat file

transfers to automate the reconciliation of work orders and purchases. Grainger's eCommerce Solutions Managers can assess current work order and purchasing processes and streamline this process with the solutions mentioned above.

Other enhanced features include:

- **Custom Home Page and landing pages:** Grainger can customize the user experience by enabling customer specific content on the home page of Grainger.com. Grainger can also set certain pages as the default landing page for the Grainger.com experience.
- **Personal & Shared Lists:** Grainger.com offers customers the opportunity to create personalized lists of frequently purchased items and share those with others on the account for simplicity of repeat ordering.
- **Reporting (Order History Download):** Easy access to detailed order history information such as Order, Shipping, Payment, Product, Price/Quantity, Account Defaults, and more.

Mobile Apps: The Grainger mobile app includes most of the same great capabilities as mentioned above on Grainger.com as well as a few unique features for a mobile workforce. Omnia members can use the Grainger app to find product, view and share product details, purchase product, approve requisitions, check order status and history, chat with an agent for help and much more. Grainger has apps for iPhone, iPad and Android devices as well as a mobile optimized web page.

In addition to the same great search features found on Grainger.com, the Grainger mobile app includes barcode scanning, item number scanning, voice search and location based lists to streamline purchasing of commonly used items. Users can also establish KeepStock CMI programs and scan KS barcodes with the Grainger app. The Grainger mobile apps make it easy for you to get the supplies you need while you are on the go.

eProcurement solutions automate the purchase and invoicing of MRO purchases, eliminating many of the manual steps involved in processing transactions, and increasing data accuracy. With eProcurement, companies are able to control spend more effectively, increase the amount of spend being managed, reduce purchasing agent overhead and improve requisition-to-order cost and cycle time. Grainger connects to

customers through electronic marketplaces, exchanges or enterprise purchasing software systems using universal technology standards such as EDI and cXML. Grainger also offers a shopping solution comprised of Grainger specific data deployed behind the customer's firewall.

Grainger offers the following eProcurement solutions and services:

Electronic marketplaces: Grainger connects to customers through electronic marketplaces, exchanges, or enterprise purchasing software systems using universal technology standards, such as cXML. Customers can "Punch-Out" to Grainger's online catalog, create a requisition and return the shopping cart back to the marketplace for review and approval.

Direct connections to customers' Enterprise Resource Planning (ERP) systems: Grainger offers the ability to integrate its General Catalog and buying process with customers' purchasing and ERP systems. Customers who wish to "Punch-Out" directly from their ERP can access Grainger's online catalog and return the shopping cart back to their purchasing system to manage the order workflow.

Grainger can provide Oracle R12, and a scoping call with our e-business integration team to determine specific need and customization will ensure proper integration. Our experience with over 125 customer platforms (including those in the graphic below) gives us an end-to-end integration capability to drive streamlined processes resulting in cost savings through productivity enhancements and reduction of direct ordering cost. We have a dedicated team of experts that will assist with customization and implementation.

Some of Grainger's supported ERP and Supply Chain/Procurement Networks include:

Supported eProcurement Transactions: Grainger also supports custom non-standard transactions on a per request basis, in addition to the following standard transaction sets:

- Invoice - 810 ANSIx12, cXML, xCBL
- Payment (CTX Format ONLY) - 820 ANSIx12
- Remittance Advice - 824 ANSIx12
- Purchase Order - 850 ANSIx12, cXML, xCBL
- Purchase Order Acknowledgement - 855 ANSIx12, cXML, xCBL

- Ship/Bill Notice - 856 ANSIX12
- Functional Acknowledgement - 997 ANSIX12

3. Installation, Repair, Maintenance & Turnkey Solutions & Services: The ability to provide installation, repair, maintenance and turn-key solutions and services through Contractors business units, authorized manufacturer's facilities or other avenues

Grainger will assist City of Tucson and OMNIA Members in working with manufacturers, suppliers and third party installers, as to product, equipment, maintenance and related training programs. These programs include manufacturer-certified set up, product installation, post-installation services and maintenance services. Provided in **Exhibit 4 Grainger's Value Added Services**, are Grainger's value added fee and non-fee MRO related solutions. Services provided by third-party providers may be subject to a fee agreement between Grainger and the provider. Grainger will continue to adjust services offered as solutions become available.

Grainger's offerings of value added support services of products or equipment include:

- Grainger's network of installers provides turnkey and/or labor-only fixed fee installation and support services.
- Turnkey service offerings include materials, labor, recycling, rebate administration and tax deduction documentation, if applicable.
- Currently Grainger has identified 65 companies that have satisfied our vetting process. All companies used by Grainger are licensed, insured, qualified and capable of performing in accordance with Member service requirements.

4. Inventory Solutions: Provide inventory management solutions for stock rooms, warehouses, mobile service vehicles, emergency preparedness supplies, and supply vending machines. Consulting and analysis solutions are also desirable.

Inventory Management is a unique delivery solution moving high usage items close to point of use and maintaining critical product availability. Through its KeepStock® Program, Grainger provides multiple inventory management solutions reducing Member's total cost of inventory ownership. Effective inventory management reduces on-hand inventory, improves purchasing efficiencies, and ensures availability of critical product all while providing secure and efficient access.

Beyond industry-standard **vending** machines, Grainger's portfolio provides both **customer-managed (CMI)** and Grainger **vendor-managed (VMI)** inventory options, including vending. Solutions range from simple to complex serving Member needs and can be combined within a facility to provide a custom service. KeepStock® can be integrated with Member purchasing systems or connected with Grainger.com.

VMI KEEPSTOCK® ONSITE: This solution offers inventory support from a Grainger Inventory Management Specialist. This resource helps agencies identify inventory needing replenishment through defined minimum/maximum inventory levels and can assist with inventory restocking. The onsite resource may assist with invoice inquiries, product returns and expediting orders.

The agency keeps control of overall inventory needs; the Grainger team member will:

- Identify Inventory Needing Replenishment
- Manage inventory levels to the established minimum maximum levels
- Organize inventory and restock products in proper location
- Cross-reference Grainger items from your approved purchase requisitions and orders
- Coordinate Grainger resources to identify the best product solutions.
- Scan managed items and place spot buy orders as needed
- Handle invoice inquiries, process product returns, and expedite orders
- Source hard-to-find products
- Document standard operating procedures at customer locations to provide direction to back-up resources to ensure continuity of service
- Comply with the safety and inspection requirements of the facility
- Understand Inventory Needs for ongoing insight

KEEPSTOCK® VENDING: Grainger offers a variety of KeepStock® Secure vending machines to include Coil, Carousel, Lockers, Cabinets and Drawers. Each machine is customized and configured for agency needs and supplies requirement:

Grainger Keepstock Secure Vending Machines				
				
COIL	CAROUSEL	LOCKER	CABINET	DRAWER
<ul style="list-style-type: none"> • High security • Easy-to-use familiar style • Dispense up to 60 unique items • Dependable dispensing 	<ul style="list-style-type: none"> • High security • Accommodates products of varying sizes • Check-out/check-in option • Dispense up to 580 unique items 	<ul style="list-style-type: none"> • High to medium security • Check-out/check-in capability • Good for consumables and durables • Adjustable to accommodate larger items 	<ul style="list-style-type: none"> • Medium security • Single door/shelf access • Requires little to no product repackaging • Flexible shelf configurations to accommodate items of various sizes 	<ul style="list-style-type: none"> • Medium security • Controllable drawer access • Assemble tools by use for easy access • Various drawer configurations to accommodate items of different sizes

Grainger will provide complete project management of the dispensing machines implementation including planning, transportation, installation, onsite training and replenishment services. The City of Tucson's agency or OMNIA Member is responsible for providing the necessary electrical and internet connections.

KEEPSTOCK® STORE: This solution provides a fully stocked and staffed Grainger branch at your location especially helpful for high-volume, high-traffic needs. Grainger will work with the agency to determine which items to stock and overall scope of the solution.

CMI CUSTOMER MANAGED INVENTORY: solutions let agencies manage their own inventory via Grainger technology. KeepStock® CMI is a web-based tool that provides flexibility to manage inventory **to support specific operations** along with seamless functionality across multiple devices. It is an easy-to-use yet very powerful software solution providing visibility, flexibility and control while managing products across different inventory locations. ***Grainger offers this program for no additional charge to any agency who is interested in self-managing inventory.***

CMI features include:

- ✓ Search online catalog, add and edit products **from desktop or phone**
- ✓ Create and manage frequently ordered items
- ✓ Scan bar code labels to reorder from smart phone to reduce manual errors
- ✓ Set approval levels for orders
- ✓ View and track orders
- ✓ Compare alternate products to select best-value
- ✓ Print labels in real-time for your bins or recently added products
- ✓ Set min/max levels and restrictions

- ✓ Manage user limits and restrictions
- ✓ Customize program for specific location needs such as storage areas, product types
- ✓ Ability to manage items in a controlled or restricted access area such as union shops or correctional facilities
- ✓ Great control and immediate information
- ✓ Dedicated KeepStock Technical Team

MANAGED MRO SERVICES: Managed MRO provides customers inventory management expertise while maintaining control of day-to-day operations. The customer maintains responsibility of purchasing, order management and supplier relationships and control of all customer data.

This is not a standard VMI program. Managed MRO is a **fee-based service** where Grainger Inventory Specialists work at your facility to manage all defined materials—both **Grainger and non-Grainger product**. Managed MRO supports your facility by doing two important things:

First, it adds expertise having Grainger inventory management experts on-site managing material & products with the knowledge and skill to support all inventory management needs. *Second*, it creates accountability for material management and ensures the necessary tasks are completed with efficiency and precision to secure materials investment while creating KPIs and documented cost savings.

Managed MRO provides accountability and expertise by developing new processes and procedures relative to agency indirect inventory that support necessary tasks to keep operations up and running. We will work within existing systems or implement our own if you do not have one to track and control all indirect materials in the facility. We provide clear line of site to day-to-day operations; all the while the agency maintains full control of procurement and purchasing decisions. **Our focus is on material management and finding ways to reduce product expense, better leverage inventory investment and increase the productivity of agency staff.**

KEEPSTOCK® ORGANIZE: As part of the KeepStock® portfolio, Grainger offers this service which focuses on inventory organization and consists of three (3) fee-based parts or phases which can be deployed together or independently.

- Inventory deployment and storage fixture plan
- Space utilization and process flow changes
- Bin location schema and signage plan
- Optimized inventory levels leveraging Grainger logistics
- Establish optimized stocking model
- Area transition, deployment plan and materials list

- **KeepStock® Layout:** Comprehensive inventory management planning, virtual layout configuration, and project planning.
- **KeepStock® Cleanup:** This service includes labor for teardown of current storage fixtures, repositioning retained fixtures, construction of new fixtures, product movement and product positioning.
- **KeepStock® Content:** By capturing current inventory items and their attribute elements, this service uploads data into a materials management system and may include ongoing database management.

5. **Small Business Program: The ability to incorporate small business enterprises into your distribution, sales and product offerings**

Grainger has two core programs promoting diversity. In both programs, all pricing is accessible through this Master Agreement. The programs are:

- **Tier II: Grainger's Supplier Diversity Program**
- **Tier I: Distributor Alliance Program**

Grainger's Tier II Supplier Diversity Program | Grainger's Tier II Supplier Diversity Program affords the City of Tucson and OMNIA Members access to diverse manufacturers and suppliers through our catalogs and distribution channels. Started in 1999, Grainger's Supplier Diversity Program is designed to grow this sector of the economy while helping customers get their jobs done with quality products from Diverse Business Enterprises (DBEs).

Grainger's Tier II Supplier Diversity program includes **over 270 DBEs**, and offers **more than 91,000 items** across 1600+ product categories. Grainger also offers products from over 2000 Small Business Enterprises (SBEs), offering more than 300,000 products. The model allows DBEs to concentrate on what they do best and leave the logistics and distribution of their products to Grainger.

Grainger's Tier II Supplier Diversity Program provides Members access to DBE products through all of our ordering methods (Grainger.com, Redbook Catalog, phone, fax, walk-in, etc.), and distribution channels. Grainger's customers benefit from one-stop shopping. Registered suppliers are audited monthly to maintain active supplier diversity certificates. Supplier diversity reporting available upon request.

Products from diverse businesses are featured on Grainger.com:

- Products from diverse manufacturers and suppliers are identified on Grainger's website and within our catalog and index with the diversity symbol to the right.
- Customers can locate the offering from diverse suppliers by searching "Supplier Diversity" on Grainger.com.
- Additionally, customers can filter on the left-sidebar by "Supplier Diversity" while searching on Grainger.com.

Supplier recruitment is continuous at Grainger. Our company website includes a link to the supplier diversity registration portal. Certified businesses that register are available for referrals to purchasing officers when product review, RFP, or spot buying opportunities occur. Grainger includes DBEs in meeting unique product requirements through Grainger's Sourcing program, if products are not currently available in Grainger's general catalog. In 2018, 180 DBEs, and 1700 SBEs participated in Grainger's Sourcing program.

Grainger promotes the number of products acquired from diverse companies in several ways. Grainger is a corporate member of the Women's Business Enterprise National Council (WBENC) and has been a member of the National LGBT Chamber of Commerce (NGLCC) since 2014. Grainger participates in numerous conferences and seminars to assist diverse businesses to further establish or strengthen themselves. Grainger's Portal invites diverse suppliers to consider doing business with Grainger.

Grainger pursues outreach opportunities with diverse organizations to understand their member offerings and to promote opportunities with Grainger. These include the following:

- National Minority Supplier Development Council (NMSDC)
- Women's Business Enterprise National Council (WBENC)
- Small Business Administration (SBA)
- National Gay and Lesbian Chamber of Commerce (NGLCC)
- Veteran Owned Businesses
- Veteran Associations

Grainger's Tier I Distributor Alliance Program | Grainger's Distributor Alliance Program responds to corporate and government regulatory and policy requirements as to buying MRO goods and services from Diverse Business Enterprises (DBEs).

Since 2006, the Distributor Alliance (DA) Program has helped customers support DBEs while consolidating MRO purchases. Over 50 DA DBEs resell the entire 1.7 million products offered by Grainger and provide services to customers with procurement goals to support small businesses and provide employment opportunities to women, minority and veteran-owned businesses. The DA DBE is one of the many points of contact for the customer, including Grainger business managers who mentor DBEs and act as a liaison among Grainger, the end customer and the DA DBE.

We monitor each DBE's performance with a monthly balanced scorecard. We provide feedback and offer assistance in performance areas where improvement is needed. We seek to provide meaningful focus in pragmatic areas where efficiency can be gained and effectiveness can be improved.

Grainger's Distributor Alliance is also a member of the National Minority Supplier Development Council and supports several NMSDC Regional Councils. We are corporate members of the Woman's Business Enterprise National Council. We recruit diverse suppliers for line review and customer proposal opportunities by participating in M/WBE Business Opportunity Fairs and other events that support M/WBE businesses.

6. Green / Sustainability Programs:

- a. Policies: Efforts and policies pertaining to green and sustainability.
 - b. Products: Impact on product offerings.
 - c. Distribution: Impact in distribution.
 - d. Recycling of Lamps: The ability to recycle lighting and electronic products.
 - e. Lighting and Energy Audits: The ability to perform lighting and energy audits.
 - f. Certifications: The industry recognized certifications and standards obtained.
- a. **Policies:** As expressed in Exhibit A, Grainger works to improve our environmental performance across our value chain from our suppliers through our operations and our customers. We encourage stewardship in our operations and share our lessons with others. We partner with third party sustainability organizations, such as the CDP (formerly known as the Carbon Disclosure Project), the GreenBiz Executive Network, the U.S. Environmental Protection Agency, SmartWay® Program, UL Inc. (formally Underwriter's Laboratories, Inc.) and the U.S. Green Building Council to help us align our environmental investments with our stakeholders' expectations.

We focus our efforts where we can have the most influence. Grainger's Distribution Centers account for roughly 38 percent of our operations and will proportionally increase as we expand our service offering. Inherent to this footprint is an opportunity for energy management. We closely monitor our energy consumption and improve our green energy mix by researching sustainable solutions to increase efficiency and utilize renewable energy. When possible, we invest in onsite renewable energy, purchase renewable energy credits and green tariffs.

In 2013, Grainger became the first industrial distributor to set a GHG reduction goal. Our target is an intensity goal for GHG over revenue: to reduce our North American Scope 1 and Scope 2 GHG emissions per unit

5.5M square feet

North American Grainger facilities

revenue 33 percent by 2020. The goal was designed to be achievable, yet challenge our operations to identify innovative ways to operate more efficiently. We are currently more than half way to our goal, and have reduced intensity to 14.7, a 20 percent reduction since 2011. A 33 percent reduction by 2020 goal focused Grainger on doing business the right way by investing in renewable energy and energy efficiency.

- b. **Products:** As expressed in Exhibit A, Grainger provides customers with the products they need to keep their businesses running over the long term. As part of this, we work to understand how these products affect the environment. Our customers have increasingly requested environmentally preferable products (EPP) and we stock them to improve our service. Our EPP portfolio helps customers maintain sustainable facilities through efficient energy management, water conservation, waste reduction and air-quality improvement. The Grainger EPP portfolio includes more than **114,000 SKUs**, 26 EPP product certifications and 46 EPP product attributes. The portfolio also spans more than 600 brands across 672 product categories. More than 15% of Grainger suppliers offer products featured within our environmentally preferable product portfolio.

For a product to be classified as environmentally preferable it must maintain one or more environmentally preferable attributes or third-party certifications such as WaterSense®, ENERGY STAR® or Green Seal. Our suppliers inform Grainger of the product certifications and attributes their products may carry. Then an independent 3rd Party, Underwriters Laboratory Inc. (UL Environment), verifies the viability of the certification or attribute claims. Grainger also works with UL Inc. to ensure that the most current certification and attribute options are identified.

The City of Tucson and OMNIA Members can easily identify environmentally preferable products on Grainger.com. When searching for products simply look for our Green Leaf icon. This indicates that the select product has a UL validated certification and/or attribute. On Grainger.com members can filter any product search results to view environmentally preferable options.

- c. **Distribution:** Grainger was the first industrial supplier recognized by the U.S. Environmental Protection Agency (EPA) as a SmartWay® Transport partner. The program provides a forum for the EPA and businesses to collaborate in order to improve the environmental efficiency of their supply chains by reducing GHG emissions and air pollution.

We view our suppliers and vendors as our allies in improving our emissions and materials management. We rely on a network of third-party carriers to meet our transportation needs. We work with our largest suppliers to innovate and improve our distribution packaging. We collect data and share best practices in sustainability across our value chain by engaging our suppliers through the CDP Supply Chain Program.

Grainger strives to ship all items in an order in one box and on the same or next day, depending on customer needs. Internally, we refer to this practice as “ship complete.” This approach and commitment to serving customers in the most efficient way possible also has positive implications on the environment. Ship complete reduces the amount of boxes we need overall, thereby increasing energy efficiency and producing fewer emissions through our transportation partners.

- d. **Recycling of Lamps:** Grainger's recycling services solve the disposal problem for environmentally hazardous bulbs, dry batteries, and ballasts.

Recyclable Kits: When you buy our specialized recycling kits for fluorescent lamps, ballasts or dry batteries, you're buying a whole turnkey service for one all-inclusive price. For larger volume needs Grainger offers bulk pick-up. We will custom design a program service that encompasses lamps, ballasts, batteries, electronics, and mercury.

Each kit includes:

- Special UN/DOT approved container
- Pre-printed label with instructions
- Toll-free number for pickup
- Certificate of reclamation

Grainger Branch Programs: Grainger offers customers the opportunity to deposit recyclable items in collection boxes for no additional charge in Grainger branches through our partnership with [EnviroLight](#), specialized recycling services.

Additional Supplier Based Programs: Grainger works with our key suppliers to provide the current following no-fee and fee-based program's for Members.

- Grainger offers recycling kits available for purchase on Grainger.com for many of the items listed above provided by EVERLIGHTS, RECYCLEPAK & SUPPLYPAK. Further details and kit specifications can be easily obtained by entering the search term "recycling kits" on Grainger.com.
- Georgia-Pacific's (GP) Dispenser Refurbish, Recycle, Reuse (RRR) Program provides a no-charge end of life solution for old paper towel and toilet paper dispensers. The GP team removes old dispensers and reuses components. Old dispenser components are utilized in manufacturing new products, such as computers and automobile parts. Dispensers are picked up at the end user's location.
- Georgia-Pacific provides a no charge service developed to reduce the number of batteries in landfills in partnership with [CALL2RECYCLE](#). Through this service, boxes can be provided to customers for collection

of used batteries. Boxes are picked up at the facility and new boxes provided for continued collection and environmental disposition.

- GOJO will coordinate the removal, transport and sustainable disposal of old hand soap and sanitizer dispenser materials when completing a GOJO managed dispenser installation project.
 - For Members utilizing LOCTITE® Anerobics or Light Cure Technologies, Henkel offers a solution to help you meet recycling goals and recycle items that were previously non-recyclable. Through an innovative partnership with TerraCycle®, boxes can be purchased that enable convenient return shipping and recycling.
 - Stanley Black & Decker offers a no-charge end of life solution for DEWALT, BLACK&DECKER, STANLEY TOOLS & BOSTITCH brands.
- e. **Lighting and Energy Audits:** Grainger Lighting Solutions (GLS) and Grainger Energy Services (GES) provide a network of qualified, insured and licensed service providers that help identify and facilitate a variety of energy savings projects that impact the bottom line.

Comprehensive Services Include:

- ✓ Multiple Energy and Water Saving solutions
- ✓ Audit and Financial Analysis
- ✓ Material, Contractor and Project Management
- ✓ Installation by Qualified, Insured and Licensed Service Partners
- ✓ Identification of Applicable Incentives and Rebates
- ✓ Disposal and Recycling

Grainger's Mid-Stream Utility Rebate Program: For the City of Tucson and OMNIA Members in eligible zip codes, Grainger identifies utility rebates applicable to LED Lighting and other items.

- f. **Certifications:** This year, Barron's awarded Grainger the prestigious award of being ranked #8 on their list of Most Sustainable Companies.

Grainger has also maintained the A-CDP score for five years in a row.

7. **Training & Education: The ability to provide on-site and/or online training and educational programs/seminars**

Technical Training: Grainger offers training seminars led by an industry-experienced, certified team of third-party instructors. Participants receive hands-on safety and industrial skills development that can be applied on the job immediately. Training can be scheduled on-site at customer locations or off-site at scheduled locations across the U.S. Examples include:

- Proto Tools Hand Tool Safety Seminar
- Dewalt Power Tools
- Fire-Resistant Workwear Training
- Fall Protection Training
- Hearing Protection & Conservation Training
- Gas Detection Equipment Training
- Arc Flash Awareness Seminar
- Fuses & Power Distribution Training
- Climbing Pro Ladder Training
- Spill Containment Training

Safety Training: Grainger works with well-recognized safety suppliers for facility and product surveys, along with fee-based OSHA certification and training programs to help you stay compliant. Our strong relationships within the safety industry enable us to offer hassle-free services, including turn-key product and program solutions from our safety suppliers as well as third-party service providers. Please see **Exhibit 9 Grainger's Service, Training and Assessment Descriptions** in the Appendix that details other training addressing safety in the workplace

New Products: Training for new products is scheduled through Grainger's local Government Account Managers, local branch personnel and / or General Catalog manufacturers and suppliers. Grainger will work with the City of Tucson and OMNIA Members to identify any new products for which you need to coordinate training.

8. Customer Support Services: The policies on replacements, returns, restocking charges, after hours service, after sales support, out of stock, order tracking, technical feedback, quality assurance for orders and drop shipments.

Policies on Replacements & Returns: Grainger's standard return policy reads as follows: Returns for Grainger products must be made within one (1) year from the date of purchase, unless otherwise indicated. Returned product must be in original packaging, unused, undamaged and in saleable condition. Proof of purchase is required. Grainger will either replace the product or issue a credit for the purchase price.

Restocking Charges: There are no restocking fees for Grainger catalog items. Returns of non-General Catalog items may be subject to a restocking charge.

After Hours Service: Grainger's after hours emergency service provides product fulfillment after standard Grainger branch business hours through a toll-free number (1-800-CALL-WWG). Service is throughout the US. Calls are routed to one of our US based Grainger Call Centers. A Call Center employee then contacts a local Grainger branch employee, via phone, and relays the customer information. Grainger's branch employees are committed to contacting the customer within 60 minutes of the initial customer call to arrange to meet the customer at the local Grainger branch to fulfill the emergency order.

After Sales Support: Customer support is available at 800-GRAINGER (800-472-4643) provided by US based Customer Service Associates (CSAs). **Grainger contact centers are available 24 hours a day, 7 days a week to assist our customers through phone, chat and email.** The Customer Service team consists of highly trained and experienced employees including Technical Product Specialists (TPS) that specialize in each of our product categories to serve our customers. All Customer Service team members will provide information, answer questions, place orders and address customer concerns or issues, such as:

- *Information on order status and deliveries,*
- *Backorder information*

Out of Stock: The City of Tucson and OMNIA Members can view real time status of product availability on Grainger.com. If the end user is unable to wait for a back-ordered product, the **Compare Feature** on Grainger.com allows them to compare products with similar fit, form and function. They may select to wait for the back ordered product's expected ship date or select an alternate item to purchase.

When sending an email, the Customer Service Associate will let the customer know the product is on back order and provide alternate products to review. The final decision to select an alternate product is with the end user. No alternate products will be ordered without prior approval.

The City of Tucson and OMNIA Members can view real-time product availability on Grainger.com

Once products have been selected for comparison to an out-of-stock item, details can be immediately viewed to determine a substitute product. The City of Tucson or OMNIA Members can choose a substitute product or wait for the out of stock product to arrive.

Order Tracking: The City of Tucson and OMNIA Members can use Grainger.com to track the status of any pending order, regardless of ordering channel (online, phone, fax, e-mail). End users can determine shipment status, backorder status, and partial order shipments, will call order pick-ups and order cancellations for orders placed within the past 36 months by clicking on the Order History link at the top of any Grainger.com page.

When the order leaves our DC, Grainger will send a shipment notification with a tracking number that allows our customers to track the order through the delivery cycle.

Tracking information can be accessed from the shipment notification

Technical

Feedback: Grainger provides direct technical support from knowledgeable field personnel and manufacturers' field representatives. In our key supplier programs, manufacturers dedicate field resources to work solely with Grainger's field representatives. In addition, Grainger has an in-house Technical Product Support Department whose members have an average of 28 years of experience to answer your product related questions across all product categories. Customers have easy access to this service during standard business hours

Quality Assurance for Orders and Drop Shipments: To ensure a quality customer experience, all phone calls are automatically recorded that come into the Contact Center. This information is utilized as part of a robust Quality Monitoring & Coaching approach where each Team Member receives scored evaluations completed by our QA team and his/her Service Leader each month. There is a similar process to audit email and chat transactions as well. In addition, a cross-functional team captures and investigates Service Opportunities to determine the root cause, any specific actions that are needed and to determine if this is a larger, systemic issue that we should address through technology updates and/or process changes.

Grainger Supply Chain and Distribution Centers are also vigilant in monitoring feedback, both from customers and carriers, about the quality of our shipments and those of our manufacturers (drop shipment). Goals are set to ensure that products are delivered on time and in good condition and exceptions are captured to understand the root cause of the issue and adjust as appropriate.

9. Other Services: Other value-add services not included in above categories

Grainger presents services in addition to the required services listed in the RFP. Grainger will continue to add value added services and programs throughout the life of the contract that will be available for all Participating Agencies and OMNIA Members.

2. Consulting Services

Grainger’s Consulting Services teams analyze Member operations to increase efficiencies and lower cost associated with acquisition of MRO products and inventory management. **Based on our experience, most Members have the opportunity to take as much as 25% or more out of their costs.**

This evaluation employs a strategic framework of identified cost drivers to benchmark and provide ideal and cost effective solutions. This framework of cost drivers focuses on:

- **Process:** Grainger consultants can help redesign purchasing and inventory management processes to reduce complexity and cycle time while improving service levels. We offer solutions to streamline the purchasing process and automate inventory replenishment for enhanced productivity
- **Inventory:** Inventory is a critical, expensive component of a Member's maintenance operation. Consultants provide expertise to optimize inventory levels. We work with Member resources to understand inventory demand and supply requirements, identify obsolete stock, recommend proper on-hand inventory levels and set effective reorder points for MRO items
- **Supplier / Product:** Consultants segment, classify and analyze supplier/product usage to identify opportunities for greater leverage and incremental value.
- **Technology:** Effectively integrating electronic solutions into the MRO procurement strategies is the key to enable long-term success and cost savings. Our Consultants develop strategies and implementation plan to get the most out of your electronic solutions.

Compliance Benefits

Administrators can establish compliance measures with Grainger's Benefit Management System with the following capabilities:

1. Employees can only purchase footwear that meets the requirements of their job task, ensuring they select the right footwear as specified by the employer. This reduces the risk of employees buying the wrong footwear or footwear that does not meet the appropriate ASTM standards.
2. Robust reporting allows an organization to track not only who bought footwear, but also who has not used their subsidy, a potential indicator of old or worn out footwear. Ensuring the footwear is in serviceable condition, reduces the potential for issues due to worn outsoles, etc. In addition, exception reporting allows an organization to ensure everyone has access to the appropriate footwear, again reducing the potential for employees to use unapproved footwear.

4. Eyewear Program

5. Emergency Preparedness Services

Grainger is committed to serving our local communities in their greatest time of need. This begins with a pro-active approach that develops preparedness-focused relationships with federal, state and local first-responders and other relevant government agencies. Pro-active relationships are the key in providing support to help our communities prepare, respond and recover from emergency situations.

Each year our supply chain and inventory management teams collaborate to develop forecasts and inventory strategies to fulfill the abnormal spikes in demand that often occur in large scale disasters such as hurricanes, floods, wild fires, winter storms and other emergency events. An incremental inventory investment is made and critical supplies and equipment are strategically pre-positioned within our network of more than 250 Branches and 14 Regional Distribution Centers. This approach enables planning discussions to align customer needs with our emergency inventory plans well before disaster strikes and expedite the delivery of critical supplies to affected areas. Additionally, the products and solutions offered reflect Grainger's all-hazards philosophy as well as guidance from authorities such as FEMA, the CDC, DHH, the American Red Cross, as well as years of company experience supported by historical customer demand data.

Grainger's online emergency preparedness landing page if filed with resources and information on products and services which directly addresses many of the needs for emergency preparedness

In the event disaster strikes or is deemed imminent, Grainger's Corporate Response Team

collaborates to identify priorities, assess our inventory position, provide large order support & expedite customer deliveries. Our emergency planning efforts and state of the art order fulfillment systems allow us to provide customers with real-time product availability information that can be counted on.

Ultimately, Grainger's greatest resource is our people, especially those directly supporting the affected communities. During a large-scale disaster Grainger's highly trained and experience employees provide direct support to State, City or County emergency operations centers (EOCs). These employees often work directly with local first responders and responding agency's to quickly field information requests related to product selection, availability, quotes, delivery, invoicing and more. These team members also assist with in the execution of Grainger's prioritization protocol which prioritizes inventory to those agencies directly involved with response efforts.

Grainger offers the following during emergency situation:

- Branch Operational Hours Extended up to 24 Hours a day as required
- Experienced Customer Service Agents available 24-7 at 1-800-CALL-WWG
- Emergency preparedness catalogs, capabilities guides, and emergency checklists
- Internet landing page on grainger.com dedicated to threat-specific solutions, products and resources.
- In any emergency, large or small, our pricing and services remain as provided in the contract.

Recent examples of Grainger's Emergency Response capabilities:

California Camp & Other Fires | October-November 2018 and October 2017: The Grainger corporate response team activated daily briefings and updates to maintain situational awareness and work collaboratively with all emergency response agencies, public and private. Throughout the Camp and other fires, Grainger provided a consolidated source for critical supplies required to keep facilities, fire crews and shelters operating. Requirements included carbon filters, air purifiers, N95 respirator masks, gloves, cots,

tents, cleaning supplies and more. Affected areas were served via same day deliveries from Grainger's Patterson, CA distribution center. Grainger's transportation team assisted with expedited deliveries to emergency staging areas and shelters. Grainger field representatives were present or remained on alert status 24 hours a day over a 2 week period to support agency needs. Grainger's supply chain team monitored demand and directed product to Northern California from Grainger distribution centers and direct from its manufacturers and suppliers. Grainger teams were committed from initial support throughout response into recovery and cleanup, support is continuing.

Hurricane Michael Florida Panhandle and Surrounding Areas | October 2018: Grainger's corporate response team was activated prior to the Category 4 hurricane making landfall near Mexico Beach Florida on October 10, 2018. Product was positioned and trailers readied. Grainger employees and resources made way to the areas beginning the weekend of October 6 to assist State of Florida and all private/public entities with

preparation. Grainger employees were present at the State of Florida Emergency Operations Center (EOC) in Tallahassee and local government EOC's throughout the hurricane and recovery. With several thousand residents' homes damaged or destroyed, shelters were made available. Grainger met daily needs for water, MREs, cots, blankets, toiletries, first aid equipment, medicine, sanitary and other shelter items. Grainger expedited distribution of chainsaws, insect repellent, generators, sand bags, gas cans, and related

supplies. First responders throughout the area used Grainger for supplies including flashlights, batteries, reflective vests, signs, shovels, water, personal protective equipment, generators and sanitary equipment. Product was redirected from other Grainger facilities and its manufacturers and suppliers to the Florida Panhandle.

4. Ordering & Invoices

4. Ordering and Invoices

- c. Describe your ordering capacity (retail locations, telephone, fax, internet, etc.). Provide details of the capabilities of your E Commerce website including ability to display contract pricing, on-line ordering, order tracking, search options, order history, technical assistance, lists, technical data and documentation, identification of alternate green products, etc.

Grainger's web-based ordering system (eCommerce purchasing system) has a proven record as the largest e-Retailer in the MRO industry. Grainger has the most comprehensive website platform with user friendly and customer-focused flexible web portals, mobile apps, and eProcurement offerings in the industry. The solutions deliver "Easy to Find," "Easy to Use," and "Easy to Connect" procurement solutions that help the City of Tucson and OMNIA members save time and money.

With our eCommerce capabilities, customers may choose to order over the Internet through Grainger.com, place mobile app order, or order through a procurement solution such as Ariba, Workday, or Jaggaer. Below are the Grainger capabilities for ordering and invoicing.

Ordering Capacity: Grainger's multichannel sales approach lets customers choose how they want to do business with us. It also gives them the flexibility of ordering in ways that best suit their needs. These sales channels include:

- **Internet / ecommerce**
- **Email**
- **Toll Free Telephone**
- **Retail / branch locations**
- **Fax**
- **Inside and outside sales representatives**
- **Grainger's KeepStock® inventory management systems**
- **Mobile App**

Display Contract Pricing: Once logged on to Grainger.com or if accessing Grainger product via a Grainger punch-out, all City of Tucson contract pricing will be clearly displayed on item detail pages, within search results and in the shopping cart. Furthermore, the City of Tucson / Omnia market basket products will be clearly identified with the red "K" on the item detail page, search results and in the shopping cart.

The City of Tucson and OMNIA will be able to easily determine market basket items by finding the red “K”.

Online Ordering 24/7: The City of Tucson and OMNIA Members can submit orders 24 hours per day, 7 days a week, and 365 days per year on Grainger.com and mobile applications. This allows for quick and easy ordering for each Member anytime, anywhere.

Order Status & Tracking: The City of Tucson and OMNIA Members can use Grainger.com to track the status of any pending order, regardless of ordering channel (online, phone, fax, e-mail). Members can determine shipment status, backorder status, and partial order shipments, will call order pick-ups and order cancellations for orders placed within the past 36 months by clicking on the Order History link at the top of any Grainger.com page.

The City of Tucson and OMNIA Members will receive a shipment notification with carrier tracking information once an order has shipped.

Tracking information can easily be accessed from the shipment notification

Search Options: Grainger.com allows the City of Tucson and OMNIA Members to search and filter by the following attributes:

- Keyword(s)
- The City's Market Basket items
- Manufacturer/brand
- Manufacturer model number
- National Stock Number (NSN)
- Grainger item number
- The City's part number
- Supplier Diversity products
- Green products (Logo for green)
- Categories or product index

Grainger's extensive investment in technology, specifically "search capability", is further represented by the following Search functionality:

WILDCARD SEARCH: By using an asterisk (*), end users may perform a wildcard search. If a Member is looking for a model number but doesn't remember the full number, the end user may type in the first three characters followed by an asterisk (*). Grainger's site will search all of the model numbers that start with those three characters.

REFINED SEARCH: End users may further refine their search results by clicking "Search Within these Results". This feature filters the search results by an additional keyword or description. In addition, Members may further refine their search term by "Product Categories", "Brand" or "Price". As refinements are made, detailed technical specifications are shown to allow Members to narrow down to the exact product, quickly procure it, and resume work.

Once a search result is presented, Members may:

- ✓ Add or remove refinements to their search without leaving the results page
- ✓ Refine their results by product specifications
- ✓ Sort by price, availability, model number, brand name and more
- ✓ See additional product information without leaving the results page
- ✓ View items in table format for easier comparison
- ✓ View a Mini-Item Detail Page for quick reference
- ✓ Find Green and Supplier Diversity products quickly
- ✓ Use Search results to compare up to eight products at a time
- ✓ See product availability in real time during checkout

SEARCH SUGGESTIONS (TYPE AHEAD): This functionality provides suggested terms, item numbers, product categories, and brands as the user inputs a search term or item number as presented below. Additionally, it retains a search term history and recommends products.

VIEW PREVIOUSLY PURCHASED: Grainger has a feature allowing users to narrow their search results to those products they have purchased in the past. This makes it easier to find the products you need.

MINI ITEM DETAIL PAGE (IDP): When viewing like products in table format, users can click on any of the individual items to view a mini-IDP containing basic information on the product, and an ability to add that item to the cart.

TABLE VIEW: Organizes like products into logical groupings and provides additional product information. The table format facilitates easier comparisons between products.

Visual Attributes: Visual attributes help users by displaying imagery in addition to text and technical language. Users can click on an image to refine the search results by the selected value. Supplemental content is also available as banners to further help members with their purchase decision.

Order History: The innovative **Home Page** on Grainger.com includes relevant user information such as order history, invoices, and other useful information in support of efficient procurement management. Order history can be accessed for 36 months.

Users have the option of accessing order history on Grainger.com and reordering, or downloading a file of order history data for further analysis. This file of order history data can be configured to include multiple users, various types of orders, various date ranges, and multiple file formats.

The screenshot shows the 'Download Order History' page on Grainger.com. A red box highlights the 'Request Order History Report' section, specifically the dropdown menus for 'Download My Orders', 'All Types of Orders', and '3 Months'. Blue arrows point from these dropdowns to a table of reports below.

Request Date	Description	Status
05/02/2018	My order history, All Types of Orders, 3 months, CSV file	Download

The City of Tucson and OMNIA Members can select search criteria to search order history. Order history information is available online for the previous 36 months.

Technical Assistance: Grainger offers multiple forms of technical assistance on Grainger.com.

CLICK-TO-CHAT: Grainger offers Click-to-Chat Assistance for Members on Grainger.com and punch-out integrations. Agents are available from 7 am to 5 pm, Monday – Friday, in all time zones to assist Members with their product questions or anything related to the purchasing process. Agents in the click-to-chat function can access technical product experts to answer detailed questions on product application or specifications affording OMNIA Members a prompt means to get answers to their questions.

Members can chat live with a Customer Service Representative (CSR) on Grainger.com. Once “Chat Now” is clicked, a message box opens up allowing members to communicate with the CSA

HELP BUTTON: Grainger.com offers a “help” button featured on the top right of every page of Grainger.com to access additional information.

The City of Tucson and OMNIA Members can quickly and easily find answers to the most commonly asked questions and received guidance while shopping on Grainger.com.

Personal Lists and Profiles: The City of Tucson and OMNIA Members can create “Personal Lists” on Grainger.com and punch-out integrations for frequently purchased items. Multiple personal lists can be created and shared among Members using the same Grainger account to streamline the acquisition process. This functionality allows Members to:

- Create lists by product category, service location, usage, or specifications and then organize those lists in folders
- Order directly from their list by clicking "Add to Order" next to any item
- Assign a location to a list allowing for easy access of that list from the Grainger Mobile app
- Add min/max quantities, bin locations, and print labels of the items in your list for easy inventory tracking
- Share lists with other people on the same account, so they can view and order from other Members' Personal Lists
- Add or delete products on the list, combine lists or organize lists in multiple folders
- Shared usage of these easy-to-access lists can assist the City of Tucson and OMNIA Members in consolidating product orders, avoiding duplication and driving product standardization to reduce costs
- To keep a record of previous purchases

Technical Data and Documentation: Grainger's General Catalog is available in its entirety on Grainger.com and includes technical data and illustrations.

SAFETY DATA SHEETS (FORMERLY MSDS): The City of Tucson and OMNIA Members may view and print SDS online at Grainger.com.

VIDEOS, CAD DRAWINGS, 360° SPINS: Users have the ability to see a complete view from various angles of many products from the Item Details page.

Identification of alternate green products: The City of Tucson and OMNIA Members can easily identify environmentally preferable products on Grainger.com. When searching for products simply look for our Green Leaf icon. This indicates that the select product has a UL validated certification and/or attribute. On Grainger.com members can filter any product search results to view environmentally preferable options.

Grainger provides the City of Tucson and OMNIA Members with the ability to shop for all certified products by clicking the certification logo provided on the grainger.com/green website. In addition, end users have the ability to narrow search results in order to identify environmentally preferable certifications and attributes that meet their specific requirements. All EPP products on Grainger's shelves will have EPP product labels.

Product Availability by Location: The City of Tucson and OMNIA Members are able to determine real-time product availability by Grainger location.

Grainger.com enables the City of Tucson & OMNIA Members to check the real-time product availability and expected arrival date of shipped orders.

End users can designate a default branch within their account profile or allow Grainger.com to provide availability based on the branch closest to their location.

By selecting "Pick Up" members can see which branch location has the item in stock

Mobile Apps: The Grainger mobile app includes most of the same great capabilities as mentioned above on Grainger.com as well as a few unique features for a mobile workforce. Omnia members can use the Grainger app to find product, view and share product details, purchase product, approve requisitions, check order status and history, chat with an agent for help and much more. Grainger has apps for iPhone, iPad and Android devices as well as a mobile optimized web page.

In addition to the same great search features found on Grainger.com, the Grainger mobile app includes barcode scanning, item number scanning, voice search and location based lists to streamline purchasing of commonly used items. Users can also establish KeepStock CMI programs and scan KS barcodes with the Grainger app. The Grainger mobile apps make it easy for you to get the supplies you need while you are on the go.

Workflow Management Controls: The City of Tucson and OMNIA Members are able to control and manage their workflow and spend management when registered and logged into Grainger.com. Grainger's order management system allows the member greater purchasing control and visibility through customizable and flexible spend management authorizations. The workflow controls described here are administered by the individual Purchasing Entity.

Grainger's online Order Management System allows Members to:

- Establish an approval process for orders that exceed Member-specified dollar limits
- Set a budget for individual users on a per week, month or year and then track their spend with reporting
- Designate a specific users as default approvals
- Apply spend limits & default approvers across multiple users or groups of users
- Add notes to the order as it is sent for approval
- Modify delivery and payment information on orders submitted for approval

- Add, remove or change item quantities on orders submitted for approval
- Apply a payment method from your profile to a pending order
- Set order approval rules based on Market Basket items

Work Order Integration: Grainger also offers the ability to integrate Computerized Maintenance Management Systems (CMMS)/ Work Order systems with the purchasing process to allow for reconciliation of purchases to work orders. This type of integration aligns work order data to product orders and packing slips for streamlined receiving, and assigns product cost to the work order for a full view of project costs.

Grainger has established full integrations with some CMMS/work order systems, which allow users to click out to a Grainger site for shopping. Other integrations have been established enabling flat file transfers to automate the reconciliation of work orders and purchases. Grainger's eCommerce Solutions Managers can assess current work order and purchasing processes and streamline this process with the solutions mentioned above.

- b. Describe your invoicing process. Is electronic invoicing available? Is summary invoicing available? Are there other options on how an agency receives an invoice? Submit sample invoices.

Yes, electronic invoicing is available as is summary invoicing. Grainger has multiple ways to receive an invoice including electronic invoicing:

- Individual invoices per shipment
- EDI invoicing
- P-Card invoicing
- Email invoicing
- Summary Billing

Please see ***Exhibit 2 Sample Invoice***

Invoicing Process: Grainger uses our enterprise system (SAP) that allows us to select the type of billing the City of Tucson and OMNIA Members require. After the order is placed into our system and the delivery process completed (picked up or shipped out), the invoicing process begins.

- Member is sent an invoice according to the method required (email, electronic, other)
 - ✓ **Email:** Invoice is sent to the Member automatically to the identified email addresses in the system
 - ✓ **Electronic:** Invoice is sent to the Member electronically in cXML, EDI, xCBL of flat file format. Grainger has a team of analysts to work with you through implementation and testing of these electronic invoicing formats and build in certain customizations to meet your needs. Electronic invoicing allows your users to easily access invoice data within your system for easier reconciliation and payment.

Invoice and Packing Slips on Grainger.com

Omnia members have the ability to search order history and review invoices and packing slips of all Grainger orders on Grainger.com. This makes the reconciliation of pcard purchases much easier.

Summary Invoicing: Summary Invoicing (**Summary Billing**) is available for the City of Tucson and OMNIA Members. Grainger's summary billing is an invoicing system that simplifies Members' procurement process while reducing internal costs. We will provide a single bill containing a periodic summary of purchasing activity (monthly, semi-monthly, or weekly). By receiving a summary bill rather than individual invoices for each transaction, Members will have fewer pages to approve and fewer checks to write. This reduction in procurement process steps will save you both time and money.

If Members meets the requirements for Grainger's Summary Billing program and chooses to participate in this cost savings program, Members will decide:

1. Manner in which bill is sorted
2. Cycle ending day

Summary billing sorts and subtotals individual invoices over a specified time. Members may select from more than twenty sorting options. Each month, Members will receive a bill approximately one week after the selected cycle-end date.

- c. Describe how problems – such as a customer ordering a wrong product; a customer receiving a defective or wrong product; etc. – are resolved.

Each 2,000 Customer Service Associate (CSA) has use of state-of-the-art technology tools needed to address inquiries and ensure the City of Tucson and OMNIA Member's expectations are met.

Grainger's online system and network gives its government sellers and customer service representatives immediate online access to real time Member account information to help Members and provide information including, but not limited to: Status of orders (shipped or pending) as well as:

- Backorder status
- Contract pricing
- Category discounts
- Product availability
- Product information
- Account and billing questions
- Contract compliance
- Technical product support
- Cross referencing

Specifically for product returns for the following reasons:

- ✓ Wrong item shipped from Grainger
- ✓ Item damaged when received
- ✓ Faulty defective item that has warranties

1. The Member should call Grainger Customer Care at 1-800-GRAINGER (472-4643)
2. Indicate if they would like a replacement product or a credit
3. Grainger takes responsibility for the return and will send a return label to the customer
4. At their convenience, the customer carefully packages the item(s) and includes the packing slip
5. Pre-paid shipping label is placed on return package
6. Member notifies UPS to pick up the return.
7. New product is sent to the customer or their account is credited

Steps for a Standard Return originally shipped to a customer for the following reasons:

- ✓ Incorrect item ordered
- ✓ Ordered too many items
- ✓ No longer need or want

The product may be shipped back to Grainger or dropped off at any Grainger branch location.

For a product shipment:

1. The Member should call Grainger Customer Care at 1-800-GRAINGER (472-4643)
 2. Package the item(s) and include the packing slip
 3. Write the reason for returning the product on your packing slip; if the packing slip is not available, please provide the purchase date, the original invoice number and the item number for the product
 4. Indicate whether you would like a replacement product or a credit
 5. Ship the package to the nearest Grainger branch location
- d. Describe how your firm measures performance including identification, calculation, tracking and reporting of measurements. What is your stock fill percentage rate, by line item, of the orders filled without backorders?

Grainger measures performance in several ways:

1. On-time Delivery
2. Product Accuracy
3. Fill Rate
4. Complete Shipment Rate
5. Invoice Accuracy

Please note: percentages presented below are actual City of Tucson metrics.

On-Time Delivery | 95.52% On-time delivery is measured by the percent of “trackable” lines delivered by the customer’s expected delivery date.

The State of AZ is positioned in proximity to Grainger’s Los Angeles, CA distribution center (DC) that has the ability to provide next day delivery on most orders to most destination points within the state along with the city of Tucson. In addition to the Los Angeles, CA DC, Grainger operates a Dallas, TX DC that has the ability to provide 2

service day delivery on most orders to most destination points in AZ.

Product Accuracy | 99.23% Product accuracy is measured by the percent of lines Grainger fulfilled without post order correction

Fill Rate | 95.97% Grainger's annual average fill rate is in range of 95-97%. Grainger measures Fill Rate by tracking the percent of lines Grainger fulfilled "in full" from available stock at time of order.

EXAMPLE – A customer places an order for 10 distinct items; one each. Grainger fulfills all 10 items from our Chicago DC and the customer receives all 10 items the next business day. customer Fill Rate = 100%.

Invoice Accuracy 99.23% | Invoice accuracy is measured by the percent of lines Grainger correctly invoiced without post order correction

- e. If providing for retail location purchases, describe how agencies choosing to pick up products at a retail location will receive the correct contract pricing.

The starting point for correct contract pricing is the Member's account number to which pricing is linked. Pricing is linked at the inception of the City of Tucson and OMNIA contract for previously aligned Members and for any new Member requesting to participate on the City of Tucson and OMNIA contract.

Grainger's pricing team will apply coding to all account numbers (locations) for each City of Tucson or OMNIA member within our company wide SAP Business Enterprise System. This coding will include pricing and freight terms, as well as all contract terms and conditions unique to the City of Tucson and OMNIA agreement.

- f. Describe your process for identifying out of stock items and the options available to ordering agencies, such as: request a back ordered item, requesting a substitute item and cancelling the item from the order.

For items back ordered, Grainger utilizes several methods to notify the City of Tucson and OMNIA Members if an item is out of stock, depending on order method. For online orders, Members will have **real time** visibility to out of stock or discontinued items.

The City of Tucson & OMNIA Members can view real-time product availability on Grainger.com

Once products have been selected for comparison to an out-of-stock item, details can be immediately viewed to determine a substitute product. The City of Tucson or OMNIA Members can choose a substitute product or wait for the out of stock product to arrive.

If the Member places an order either via a branch or phone, the Member is immediately notified by a Customer Service Associate (CSA) who will inform them of options for substitute or alternate items. Grainger’s ERP system easily allows the CSA to search for available alternates for the member to consider. Product information can also be emailed or faxed to the City of Tucson or OMNIA Member to review.

For faxed or emailed orders, a CSA will notify the Member and inform them of options for substitute or alternate items. Product information can be emailed or faxed to the Member.

For cancelling an item on an order the City can utilize grainger.com click to chat, call our customer service agents/branch/Sales representatives, email, or fax.

5. Other / Value Add

**5. Other/Value Add**

- a. Describe any government rebate or government incentive programs applicable

Grainger Incentive Program

Grainger is committed to offering incentives and rebates to all aspects of Public Agency use. Below are the newly enhanced incentive programs being offered through this contract.

Grainger provides incentives to City of Tucson/OMNIA Members that:

- 1) Affiliate to this contract
- 2) Purchase more than \$250,000 annually under the Agreement from Grainger,
- 3) Grow purchases under the Agreement and/or
- 4) Purchase more than 50% of spend via a Grainger approved ecommerce channel

These incentives are explained below:

Administrative Fee on Spend of More than \$250,000: Grainger will provide the City of Tucson/OMNIA members that purchase more than \$250,000 from Grainger in a contract year with a Direct Sales Administrative Fee ("DSAF") of Two Percent (2%). The 2% fee shall be on all net annual spend by a Member.

Incentive Growth: Grainger will provide the City of Tucson/OMNIA Members an incentive fee tied to annual incremental purchase growth. If the Member increases its net annual spend from Grainger, as compared to the previous contract year, Grainger will pay a 5% fee on the incremental growth.

eCommerce Incentive: Grainger will provide the City of Tucson/OMNIA members that purchase more than a 50% of spend from Grainger through a Grainger approved ecommerce channel with a 2% ecommerce incentive fee (ecommerce Incentive Fee) paid annually on all ecommerce spend for the contract year.

Reporting and Payment: Payment of the rebate, along with a supporting report, will be issued to Public Participating Agencies within 90 days of the close of the current contract year. Grainger will work with OMNIA Partners on the distribution of the funds.

Net Annual Spend Defined: Net Annual Spend is calculated for the contract year and is defined as the total invoice price of all contract year purchases less:

1. Refunds
2. Credits on returns
3. Discounts
4. The monies paid on any purchases pursuant to the Grainger Distributor Alliance Program

- b. Describe how your firm will meet the monthly usage reporting criteria. Submit a sample report.

Grainger is capable of meeting all requirements for the monthly usage reporting. We will provide an electronic copy of a usage report upon request to the Agency Department of Procurement. The report will provide complete information on the items purchased under this Contract. At a minimum for each item sold, the report will list the manufacturer name, model number, part number, item description, quantity sold and total spend by department, division and ordering entity.

Please see ***Exhibit 3 Grainger Sample Item Purchase Report***

- c. Please include any value-added services that have not been listed in the scope of work. Services could include, but not limited to, safety shoe program, additional inventory management, emergency preparedness services, safety glove programs etc.

Grainger will support the City of Tucson and OMNIA Members in achieving additional cost savings and efficiencies over the duration of the Contract by leveraging our years of experience in saving customers time and money. Grainger's core value proposition is centered on helping customers identify ways to "take costs out of their business," specifically in the areas of time, space and dollar savings.

For ease of reviewing all services Grainger offers the City of Tucson and OMNIA Members, Grainger has included all value-added services with the services in section 3.Services.

Core Lists

**B. Price Proposal**

1. Provide a price proposal as requested on the Attachment B – Price Page.

Grainger has completed Attachment B – Price Page.

Core Lists

- a. Market Basket – Provides for the deepest discounts, as listed on the category discount sheet, on a variety of products to agencies nationwide. Products in this list represent the largest annual spend in terms of dollars and/or highest volume in terms of quantity. Pricing for Market Basket items shall be provided to all Participating Agencies.

Pricing for the Market Basket will be provided to all Participating Agencies.

- b. Functional Alternatives – Provide items which can be substitutes for the corresponding items on the Market Basket which might provide better value but meet the same need. Items in the Functional Alternatives section of the price page will be evaluated as value-add items for the National Program. Pricing for Functional Alternatives shall be provided to all participating agencies.

All functional alternates will be provided to all Participating Agencies.

- i. Using Attachment B, Price Page, complete the columns specified resulting in the proposed discount and net contract price for items offered nationally.

Grainger has completed Attachment B, proposed discount and net contract price for items offered nationally.

- ii. Using Attachment B, Price Page, complete the Category Discount page listing the percentage off discount price for each category provided.

Grainger has completed Attachment B category discount page.

- iii. How often does the Offeror propose to update this list? Are there certain products that should be updated more frequently than others?

Grainger proposes to update the market basket on an annual basis per contract year. Upon mutual approval of both parties, this market basket will be active for the full 12 months of the next contract year, and Grainger will not increase the Market Basket pricing for these items during the contract year. In the event a Member Core List Item is discontinued, the parties will find a mutually agreeable replacement product and add such replacement item to the Member Core List.

- b. Customized Core List by Agency, individual local and state departments, and regional core lists– In addition to the National Core List, Offerors may provide customized core lists to agencies.

- i. Describe Offeror's ability to provide customized core lists to agencies;

In addition to the Grainger Market Basket (Attachment B), we offer the ability for each

agency to create a custom market basket. To drive additional cost savings while enhancing procurement stability, agencies can select a custom market basket consisting of products the individual agency most frequently procures. The Grainger Sales team will work with Agencies seeking to consolidate, standardize and to identify a product list and price.

- ii. The number of items Offeror proposes to provide on a customized core list;

Grainger offers the ability for each agency to create a custom market basket unique to individual agency's needs which cannot be specific to a number of items.

- iii. How often does the Offeror propose to update customized core lists;

Grainger proposes to update the custom list on an annual basis per contract year. Upon mutual approval of both parties this custom list will be active for the full 12 months of the next contract year. Grainger reserves the right to adjust pricing to reflect market conditions. These adjustments may include unforeseen significant increases in supplier's costs resulting from changes in laws or regulations, impositions of tariffs, currency fluctuations, increases in commodity prices, or other changes in conditions not reasonably foreseeable to Grainger.

- iv. Describe any agency size or volume limitations.

There are no agency size or volume limitations to receive a customized core list.

- c. Catalog Pricing: Provide pricing for products not included in items 1.a. and 1.b. above,

- i. Describe how you will price catalog items that are not listed on the Market Basked list. That is, by product category, sub-product category, manufacturer, etc.

Category Discounts: Our offer encompasses significant discounting across 32 MRO categories. These category discounts are applied to Grainger's Contract Reference Price (CRP). Introduced in 2017, CRP is the product pricing basis for contract customers. CRP is market-based and lower than our historic List Price and thus makes more products attractively priced and simplifies the purchasing process. CRP is stable and only subject to change three times per year. Because CRP is lower than Grainger's prior List Price, contract category discounts are also lower. It is therefore important to compare the "final" product prices, as a larger discount percentage offered by a competitor may not yield a lower final product price.

For City of Tucson and OMNIA Members, CRP is found on Grainger.com when Members log into their account. The CRP at the time of purchase will be the price to which any contract discounts will be applied. The offered category discounts are fixed through the life of the contract across 32 MRO categories.

Grainger Product Sourcing: The City of Tucson and Participating Public Agencies are able to purchase through Grainger's Sourcing arm, which reaches out to Grainger's network of non-catalog suppliers to provide access to over five million additional products and services. The pricing and discounts set forth above do not apply to items

purchased through Grainger's Sourcing arm. Pricing will be quoted on a case-by-case basis. Grainger Sourcing Terms and Conditions apply to any Sourced purchases. The pricing model for Sourced Products is based on current market conditions and is competitive for spot buy situations on a per order basis.

Please see **Exhibit 10 Grainger's Sourced Product Terms and Conditions**.

- ii. Disclose the number of items in each product category and in the catalog

- d. Seasonal or Special Pricing: Describe any programs offered to promote special pricing to Participating Agencies.

Grainger is offering, at a minimum, a custom core list per Participating Public Agency. This list will allow our dedicated sales staff to work directly with each Participating Public Agency to determine special pricing on specific items which may include seasonal products.

2. Describe how services proposed will be priced.

Grainger will price services at 5% off the Contract Reference Price (CRP) as reflected on www.grainger.com at time of transaction ("CRP"). As Grainger adds new services to www.grainger.com and that service has a (CRP), Grainger will offer those services at 5% off the CRP. Grainger will advise the City of Tucson of any new services to be made available under the Master Agreement by providing an email to the Contract Administrator and describing the new service(s). These services will be included as part of the Master Agreement and no written amendment is necessary to include them under the Master Agreement.

3. The City's expectation is that the proposed pricing shall include delivery to Tucson and Participating Public Agencies. Based on your distribution network, explain the impact of such pricing to the City, Participating Public Agencies residing in large metropolitan areas and Participating Public Agencies residing in rural areas. Propose an optimal solution(s) that would provide Participating Public Agencies with the best pricing including freight costs.

Grainger's offer for the City of Tucson and OMNIA includes standard pre-paid freight for all catalog orders to all Agencies residing in large metropolitan areas and residing in rural areas.

4. Propose a plan to adjust pricing as market conditions change. The plan must be verifiable and auditable. Identify calculation, formula, components, index, etc.

As stated above in the Price Proposal Section the National Core List net prices will be held firm for 12 months from the contract award date ("Contract Year"). In the event a Core List item is discontinued, the parties will find a mutually agreeable replacement item and add such replacement item to the Core List. Grainger will review the Core List items on an annual basis to assure continued customization and relevance. This data will be based on the information accumulated throughout the term of the contract. A review of this data is critical to ensure that the City of Tucson and Participating Public Agencies continue to receive the most significant savings on the items they purchase the most.

As stated above in the Price Proposal Section Member Core List individual net prices will be held firm from the date of the Member Core List implementation through the balance of the applicable Contract Year. As purchasing tendencies, market conditions or OMNIA Member habits change over the contract term Grainger will work with the OMNIA Member to update the Member Core List items to reflect those changes. Thereafter, the updated Member Core List items' net prices will be held firm through the applicable Contract Year.

As stated above in the Price Proposal Section products not in the National Core List or in the Customized Core List, Category Discounts will apply to the www.grainger.com Contract Reference Price (CRP) at time of transaction ("CRP"). The CRP may change three times annually, generally on January 1, May 1 and August 1 ("Adjustment Dates") and prices for

products priced with a Category Discount may increase or decrease as a result. Due to the wide variety of products and the number of products available in Grainger's catalog and Web site, and the raw materials used in those products, Grainger does not utilize the Consumer Price Index (CPI) as it does not perform with the specificity needed to address price increases.

5. State if pricing is most favorable offered to government agencies. Describe how your firm will ensure this contract will continually offer the best pricing available to Participating Public Agencies.

Grainger's prices for items sold to Buyer will not exceed the price for the same or similar items sold to other government customers for the same or similar quantities of product in a similar product mix, under the same or similar terms and conditions. Buyer acknowledges, however, that due to the vast numbers of items sold by Seller and Seller's extensive customer base, as well as the different ways customer's structure requests for proposals and bids, Grainger cannot assure Buyer that items sold to other customers for products won't be sold at a better price or discount. Even within the Master Agreement, since Grainger will provide Customized Market Baskets as noted in 1.b. above, OMNIA Participating Agencies will receive different pricing and discounts on products. This is also true for other customers.

6. Provide details of and propose additional discounts for volume orders, special manufacturer's offers, minimum order quantity, free goods program, total annual spend, etc.

Customer Specific Pricing (CSP) – In addition to the Core List Program, Grainger will offer additional competitive discounts and pricing in those cases where the City of Tucson and/or Participating Public Agencies make high volume and/or repetitive product purchases.

7. Provide information on any ordering methods – such as electronic ordering or payment via pCard or EFT – or other criteria which entitle the using agency to additional discounts off of a manufacturer's price list. If so, please provide the percentage discount.

There is no further product discount than the National Core list, customized core list, category discount off of published CRP price or base CRP discount.

8. Provide your payment terms.

Grainger's payment terms are NET 30.

9. As stated in the Instructions to Offerors, 7. Discounts, the price(s) herein can be discounted by NA %, if payment is made within _____ days. These payment terms shall apply to all purchases and to all payment methods.

10. Will payment be accepted via commercial credit card? ✓ Yes _____ No _____
- a. If yes, can commercial payment(s) be made online? ✓ Yes _____ No _____
- b. Will a third party be processing the commercial credit card payment(s)? _____ Yes ✓ No _____
- c. If yes, indicate the flat fee per transaction \$ NA (as allowable, per Section 4.9 of the MasterCard Transaction Processing Rules).
- d. If "no" to above, will consideration be given to accept the card? ✓ Yes _____ No _____

C. Qualifications & Experience

C. Qualifications and Experience

1. Provide a brief history and description of your company.

W.W. Grainger, Inc., founded in 1927, was incorporated in the State of Illinois in 1928. Grainger is a publicly held Fortune 500 company with shares traded on the New York Stock Exchange (NYSE). Grainger is the leading North American provider of maintenance, repair and operating (MRO) supplies. Grainger's capabilities include:

- A strategic US distribution network of 250 branches and 14 distribution centers.
- An extensive product line of more than 1.7 million products and over \$1.3 billion of on-hand inventory
- 95% of customers receive next day product delivery; 99.6% of in-stock orders are shipped within 24 hours.
- Proven experience in negotiating and implementing multi-state, complex, nationwide contracts.

Grainger's investment in exceptional service, value-added programs, eProcurement solutions, KeepStock® inventory management solutions, a technology driven supply chain and physical presence throughout the US enables commercial, government and institutional customers to keep their people safe and facilities well-maintained.

Grainger is the incumbent provider of MRO products and services to the City of Tucson / OMNIA Partners. We remain committed to providing a contract of scope and scale meeting every MRO requirement at a competitive value to government agencies across the US.

2. Provide a statement of your annual sales for the past 3 years.

W.W. Grainger Annual sales: 2018: \$11, 200,000 | **2017:** \$10,424,858,000 | **2016:** \$10,137,204,000

3. Highlight experience and strong national presence in the MRO industry.

Grainger holds an advantaged position with its supply chain infrastructure, broad in-stock product offering and deep customer relationships. Grainger helps government agencies, businesses, and institutions across the US to keep their operations running and their people safe. Customers across these sectors want highly tailored solutions with real-time access to information and just-in-time delivery of products and services. Demands for transparency are also increasing as access to information expands. These changes are reflected in how US customers carry out responsibilities in the US and how Grainger directs its investment throughout the US.

US customers continue to migrate to web and electronic platforms such as EDI, eProcurement and KeepStock®. Grainger.com provides real-time price and product availability, detailed product information and features such as product search and compare capabilities. For customers with sophisticated electronic purchasing platforms, Grainger's US business utilizes technology that allows these systems to communicate directly with Grainger.com. The US business has an outside and inside sales force to help customers select the right products for their needs and reduce costs by utilizing Grainger as a consistent source of supply. Inventory

management is another area where the US business helps customers be more productive.

Through its technology driven distribution centers, Grainger ships most orders complete with next-day delivery and replenish branches that provide same-day availability. Branches in the US serve the immediate needs of customers in their local markets by allowing them to directly pick up items. Branches also allow customers to leverage branch staff for their technical product expertise and search-and-select support. Grainger's US contact center network handles about 73,000 customer interactions per day including approximately 20,000 orders via phone, e-mail and chat.

In the government sector, Grainger understands the values and processes associated with public procurement. Grainger's Sales Team is specifically dedicated to and focused on government agencies. We understand the budgetary processes that agencies rely on and the competitive and transparency requirements related to acquiring goods and services. We align the compliance strictures of the sector with delivering MRO products and services across the wide span of governmental responsibilities to agencies small and large. With Grainger's experience and relationship with suppliers, we remain a steadfast partner in delivering expeditious response and proven reliability in emergencies. In any emergency, large or small, our pricing and services remain as provided in the contract

Grainger's history with the City of Tucson and OMNIA reflects a relationship of devoted partnership. Our experience under the current agreement shapes much of how we structure offers in the public sector. We embrace the opportunity to continue to serve City of Tucson and OMNIA members while expanding the customer base.

4. Provide the total number and location of sales persons employed by your firm.

Grainger's total sales persons in the US are 3,800. Of those, 564 are Grainger's dedicated Government inside and outside sales staff. The table below presents Grainger's Government sellers by state.

At Grainger, we are citizens of the communities where we work and live. Within the City of Tucson metropolitan area, we assisted the American Red Cross in installing home fire alarms, supported training initiatives of the Tucson Fire Foundation, provided scholarship opportunities for the Sunnyside School District Foundation and Pima Community College. Through the Grainger Tools for Tomorrow program, we support individual students in their technical training. Grainger employees assist the Boys and Girls Club - Jim and Vicki Club House, the Special Olympics of Tucson, the Community Food Band, Meals for Wheels and Jobpath programs addressing child care and transportation for those in need. Grainger employees volunteer to Treasure for Teachers. We retain Tucson area businesses to meet the current agreement's requirements and to assist us in maintaining Grainger facilities and running our business. Our commitment in Tucson is replicated in communities nationwide.

In presenting our most comprehensive competitive offer to date, Grainger aims to maintain the City of Tucson's and OMNIA's trust by fulfilling effectively the evolving requirements of the public sector while expanding the customer base of those who can benefit by it. Grainger values the opportunities the City of Tucson and OMNIA have afforded us. We will work to maintain and grow the trust by working each day to remain a faithful partner in all circumstances, the ordinary or emergent.

INTRODUCTION

The City of Tucson is requesting proposals from qualified and experienced firms to provide **MAINTENANCE, REPAIR AND OPERATIONS (MRO) SUPPLIES, PARTS, EQUIPMENT, MATERIALS AND RELATED SERVICES**. The City of Tucson requires a contractor who provides a diverse and extensive supply of MRO products for delivery to various locations in the Tucson metropolitan area and for pickup at local storefronts.

Requirements and qualifications are defined in detail in the Scope of Services Section of this Request for Proposal (RFP). The City seeks a firm that can supply the specified services, supplies, parts, equipment and materials and related services.

National Contract

The City of Tucson, as the Principal Procurement Agency, defined in Attachment A, has partnered with OMNIA Partners to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The City of Tucson is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency"). Attachment A contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over \$100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the Contractor, OMNIA Partners provides marketing and administrative support for the Contractor that directly promotes the Contractor's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Contractor benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Contractor's need to respond to additional competitive solicitations. As such, the Contractor must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Contractor and respond to the OMNIA Partners documents (Attachment A).

The City of Tucson anticipates spending approximately \$4 million over the full potential Master Agreement term for MRO Supplies and Related Services. While no minimum volume is guaranteed to the Contractor, the estimated annual volume of MRO Supplies and Related Services purchased under the Master Agreement through OMNIA Partners Public Sector is approximately \$100 million. This projection is based on the current annual volumes among the City of Tucson, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Contractor and OMNIA Partners.

SCOPE OF SERVICES

A. GENERAL REQUIREMENTS

1. **QUALIFIED FIRMS:** Offerors should meet the minimum qualifications:
 - a. Have a strong national presence in the MRO supply industry.
 - b. Have a distribution model capable of delivering products nationwide.
 - c. Have a demonstrated sales presence.
 - d. Be able to meet the minimum requirements of the cooperative purchasing program detailed herein.
 - e. Be able to provide the full range of products, equipment, parts, materials and services to meet the demands of the City and all agencies that opt to participate in the cooperative purchasing program with the City.
2. **USAGE REPORT:** The Contractor shall provide an electronic copy of a usage report upon request to the Agency Department of Procurement. The report shall provide complete information on the items purchased under this Contract. The Contractor should be able to provide a usage report by department. At a minimum for each item sold, the report should list the manufacturer name, model number, part number, item description, quantity sold, and total spend by department, division, ordering entity, etc.
3. **EQUIPMENT/RECALL NOTICES:** In the event of any recall notice, technical service bulletin, or other important notification affecting equipment purchased from this contract, a notice shall be sent to the Contract Representative. It shall be the responsibility of the contractors to assure that all recall notices are sent directly to the agencies Contract Representative.
4. **WAREHOUSING, DISTRIBUTION AND SALES FACILITIES:** The product specified in this solicitation is dependent upon an extensive manufacturer-to-customer supply chain distribution system. To be considered for award, each potential contractor is required to provide proof of an extensive distribution system.
5. **DELIVERY:** For City of Tucson purchases, MRO supplies shall be delivered to various City of Tucson stores locations and non-stores locations. All deliveries shall be made Monday through Friday from 8:00 a.m. to 3:00 p.m., Arizona Standard Time.
6. **CATALOGS:** Within 10 days after contract award, Contractor must submit complete price lists and catalogs of their product line in hard copy or on CD. Upon request from a using agency, Contractor shall provide, at no cost, these catalogs and price lists. An accessible public website that contains a downloadable catalog and price list or an interactive web catalog and price list maybe provided in lieu of the above hard copy requirement.
7. **WARRANTY:** Offeror shall warrant that all equipment and parts furnished in their offer are newly manufactured and free from defects in material and workmanship for no less than one (1) year from the date the equipment is delivered or installed. Warranty shall also guarantee accepted trade standards of quality, fitness for the intended uses, and conformance to promises or specified specifications. No other express or implied warranty shall eliminate the vendor's liability as stated herein.

B. PRODUCT REQUIREMENTS:

1. **PRODUCTS:** A complete and comprehensive line of quality made MRO supplies to support the daily maintenance, repair and operations functions of the agency. The categories include but are not limited to the following.

8. **Customer Support Services:** The policies on replacements, returns, restocking charges, after hours service, after sales support, out of stock, order tracing, technical feedback, quality assurance for orders and drop shipments.
9. **Other Services:** Other value-add services not included in above categories.

INSTRUCTIONS TO OFFERORS

1. DEFINITION OF KEY WORDS USED IN THE SOLICITATION:

For purposes of this solicitation and subsequent contract, the following definitions shall apply:

City: The City of Tucson, Arizona

Contract: The legal agreement executed between the City and the Contractor/Consultant. The Contract shall include this RFP document incorporated herein by reference, all terms, conditions, specifications, scope of work, Amendments, the Contractor's offer and negotiated items as accepted by the City.

Contractor/Consultant: The individual, partnership, or corporation who, as a result of the competitive solicitation process, is awarded a contract by the City.

Contract Representative: The City employee or employees who have specifically been designated to act as a contact person or persons to the Contractor, and is responsible for monitoring and overseeing the Contractor's performance under this Contract.

Director of Procurement: The contracting authority for the City, authorized to sign contracts and amendments thereto on behalf of the City.

May: Indicates something that is not mandatory but permissible.

Offeror: The individual, partnership, or corporation who submits a proposal in response to a solicitation.

Shall, Will, Must: Indicates a mandatory requirement. Failure to meet these mandatory requirements, if they constitute a substantive requirement, may, at the City's sole discretion, result in the rejection of a proposal as non-responsive.

Should: Indicates something that is recommended but not mandatory. If the Offeror fails to provide recommended information, the City may, at its sole option, ask the Offeror to provide the information or evaluate the proposal without the information.

2. PRE-PROPOSAL CONFERENCE: If scheduled, the date and time of a Pre-Proposal conference is indicated on the cover page of this document. Attendance at this conference is not mandatory. Written minutes and/or notes will not be available, therefore attendance is encouraged. If an Offeror is unable to attend the Pre-Proposal Conference questions may be submitted in writing. Offerors are encouraged to submit written questions, via electronic mail at least nine days prior to the Request for Proposal due date to the Contract Officer listed above. The purpose of this conference will be to clarify the contents of this Request for Proposal in order to prevent any misunderstanding of the City's position. Any doubt as to the requirements of this Request for Proposal or any apparent omission or discrepancy should be presented to the City at this conference. The City will then determine the appropriate action necessary, if any, and may issue a written amendment to the Request for Proposal. Oral statements or instructions will not constitute an amendment to this Request for Proposal.

3. INQUIRIES: Any question related to the Request for Proposal shall be directed to the Contract Officer whose name appears above. An offeror shall not contact or ask questions of the department for whom the requirement is being procured. The Contract Officer may require any and all questions be submitted in writing. Offerors are encouraged to submit written questions via electronic mail at least nine days prior to the proposal due date. Any correspondence related to a solicitation should refer to the appropriate Request for Proposal number, page and paragraph number. An envelope containing questions should be identified as such, otherwise it may not be opened until after the official proposal due date and time. Oral interpretations or clarifications will be without legal effect. Only questions answered by a formal written amendment to the Request for Proposal will be binding.

4. AMENDMENT OF REQUEST FOR PROPOSAL: The Offeror shall acknowledge receipt of a Request for Proposal Amendment by signing and returning the document by the specified due date and time.

5. FAMILIARIZATION OF SCOPE OF WORK: Before submitting a proposal, each offeror shall familiarize itself with the Scope of Work, laws, regulations and other factors affecting contract performance. The Offeror shall be responsible for fully understanding the requirements of the subsequent Contract and otherwise satisfy itself as to the expense and difficulties accompanying the fulfillment of contract requirements. The submission of a proposal will constitute a representation of compliance by the Offeror. There will be no subsequent financial adjustment, other than that provided by the subsequent Contract, for lack of such familiarization.

6. PREPARATION OF PROPOSAL:

A. All proposals shall be on the forms provided in this Request for Proposal package. It is permissible to copy these forms as required. Facsimiles or electronic mail proposals shall not be considered.

B. At a minimum, your proposal should include the signed Offer and Acceptance form, signed copies of any solicitation amendments, completed Price Page and your response to all evaluation criteria.

C. The Offer and Acceptance page shall be signed by a person authorized to submit an offer. An authorized signature on the Offer and Acceptance page, Proposal Amendment(s), or cover letter accompanying the proposal documents shall constitute an irrevocable offer to sell the good and/or service specified herein. Offeror shall submit any additional requested documentation, signifying intent to be bound by the terms of the agreement.

D. The authorized person signing the proposal shall initial erasure, interlineations or other modifications on the proposal.

- E. In case of error in the extension of prices in the proposal, unit price shall govern when applicable.
 - F. Periods of time, stated as a number of days, shall be in calendar days.
 - G. It is the responsibility of all offerors to examine the entire Request for Proposal package and seek clarification of any requirement that may not be clear and to check all responses for accuracy before submitting a proposal. Negligence in preparing a proposal confers no right of withdrawal after due date and time.
 - H. The City shall not reimburse the cost of developing, presenting, submitting or providing any response to this solicitation.
 - I. Offeror must list any subcontractors to be utilized in the performance of the services specified herein. For each subcontractor, details on respective qualifications must be included.
- 7. PAYMENT DISCOUNTS:** Payment discount periods shall be computed from the date of receipt of the material/service or correct invoice, whichever is later, to the date City's payment warrant is mailed. Unless freight and other charges are itemized, any discount provided shall be taken on full amount of invoice. Payment discounts of twenty-one calendar days or more shall be deducted from the proposed price in determining the price points. However, the City shall be entitled to take advantage of any payment discount offered by a vendor provided payment is made within the discount period. The payment discount shall apply to all purchases and to all payment methods.
- 8. TAXES:** The City of Tucson is exempt from federal excise tax, including the federal transportation tax.
- 9. PROPOSAL/SUBMITTAL FORMAT:** An original and 9 copies (10 total) of each proposal should be submitted on the forms and in the format specified in the RFP. Offerors shall also submit one electronic copy of the proposal on cd, disc or zip disc in MS Office 2010 or .pdf format. Any confidential information shall be submitted on a separate cd, disc or zip disc. The original copy of the proposal should be clearly labeled "Original" and shall be single-sided, three hole punched and in a binder. The material should be in sequence and related to the RFP. **The sections of the submittal should be tabbed, clearly identifiable and should include a minimum of the following sections: the completed Offer and Acceptance Form, all signed Amendments, a copy of this RFP document and the Offeror's response to the Evaluation Criteria including the completed Price Page.** Failure to include the requested information may have a negative impact on the evaluation of the offeror's proposal.
- 10. EXCEPTIONS TO CONTRACT PROVISIONS:** A response to any Request for Proposal is an offer to contract with the City based upon the contract provisions contained in the City's Request for Proposal, including but not limited to, the specifications, scope of work and any terms and conditions. Offerors who wish to propose modifications to the contract provisions must clearly identify the proposed deviations and any proposed substitute language. The provisions of the Request for Proposal cannot be modified without the express written approval of the Director or his designee. If a proposal or offer is returned with modifications to the contract provisions that are not expressly approved in writing by the Director or his designee, the contract provisions contained in the City's Request for Proposal shall prevail.
- 11. PUBLIC RECORD:** All proposals submitted in response to this Request for Proposal shall become the property of the City and shall become a matter of public record available for review subsequent to the award notification.
- 12. CONFIDENTIAL INFORMATION:** The City of Tucson is obligated to abide by all public information laws. If an Offeror believes that any portion of a proposal, offer, specification, protest or correspondence contains information that should be withheld, a statement advising the Contract Officer of this fact should accompany the submission and the information shall be so identified wherever it appears. The City shall review all requests for confidentiality and may provide a written determination to designate specified documents confidential or the request may be denied. Price is not confidential and will not be withheld. If the confidential request is denied, such information shall be disclosed as public information, unless the offeror submits a formal written objection.
- 13. CERTIFICATION:** By signature on the Offer and Acceptance page, solicitation Amendment(s), or cover letter accompanying the submittal documents, Offeror certifies:
- A. The submission of the offer did not involve collusion or other anti-competitive practices.
 - B. The Offeror shall not discriminate against any employee or applicant for employment in violation of Federal or State law.
 - C. The Offeror has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, meal or service to a public servant in connection with the submitted offer.
 - D. The Offeror hereby certifies that the individual signing the submittal is an authorized agent for the Offeror and has the authority to bind the Offeror to the Contract.

- 14. WHERE TO SUBMIT PROPOSALS:** In order to be considered, the Offeror must complete and submit its proposal to the City of Tucson Department of Procurement at the location indicated, prior to or at the exact date and time indicated on the Notice of Request for Proposal page. The Offeror's proposal shall be submitted in a sealed envelope. The words "SEALED PROPOSAL" with the REQUEST FOR PROPOSAL TITLE, REQUEST FOR PROPOSAL NUMBER, PROPOSAL DUE DATE AND TIME and OFFEROR'S NAME AND ADDRESS shall be written on the envelope.
- 15. LATE PROPOSALS:** Late proposals will be rejected.
- 16. OFFER AND ACCEPTANCE PERIOD:** In order to allow for an adequate evaluation, the City requires an offer in response to this solicitation to be valid and irrevocable for ninety (90) days after the proposal due date and time.
- 17. WITHDRAWAL OF PROPOSAL:** At any time prior to the specified solicitation due date and time, an offeror may formally withdraw the proposal by a written letter or electronic mail from the Offeror or a designated representative. Telephonic or oral withdrawals shall not be considered.
- 18. DISCUSSIONS:** The City reserves the right to conduct discussions with offerors for the purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal in order to clarify an offer and assure full understanding of, and responsiveness to, solicitation requirements.
- 19. TAX OFFSET POLICY:** If applicable, in evaluating price proposals, the City shall include the amount of applicable business privilege tax, except that the amount of the City of Tucson business privilege tax shall not be included in the evaluation.
- 20. CONTRACT NEGOTIATIONS:** Exclusive or concurrent negotiations may be conducted with responsible offeror(s) for the purpose of altering or otherwise changing the conditions, terms and price of the proposed contract unless prohibited. Offerors shall be accorded fair and equal treatment in conducting negotiations and there shall be no disclosure of any information derived from proposals submitted by competing offerors. Exclusive or concurrent negotiations shall not constitute a contract award nor shall it confer any property rights to the successful offeror. In the event the City deems that negotiations are not progressing, the City may formally terminate these negotiations and may enter into subsequent concurrent or exclusive negotiations with the next most qualified firm(s).
- 21. VENDOR APPLICATION:** Prior to the award of a Contract, the successful offeror shall register with the City's Department of Procurement. Registration can be completed at <http://www.tucsonprocurement.com/> by clicking on Vendor Services. Please note that email notifications of newly published solicitations and amendments will be provided to those vendors that select email as their preferred delivery method in their vendor record.
- 22. CITY OF TUCSON BUSINESS LICENSE:** It is the responsibility of the Contractor to have a City of Tucson Business License throughout the life of this contract or a written determination from the City's Business License Section that a license is not required. At any time during the contract, the City may request the Contractor to provide a valid copy of the business license or a written determination that a business license is not required. Application for a City Business License can be completed at <http://www.tucsonaz.gov/etax>. For questions contact the City's Business License Section at (520) 791-4566 or email at tax-license@tucsonaz.gov.
- 23. UPON NOTICE OF INTENT TO AWARD:** The apparent successful offeror shall sign and file with the City, within five (5) days after Notice of Intent to Award, all documents necessary to the successful execution of the Contract.
- 24. AWARD OF CONTRACT:** Notwithstanding any other provision of the Request for Proposal, the City reserves the right to:
- (1) waive any immaterial defect or informality; or
 - (2) reject any or all proposals, or portions thereof; or
 - (3) reissue the Request for Proposal.
- A response to this Request for Proposal is an offer to contract with the City based upon the terms, conditions and Scope of Work contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City's Director of Procurement and the City Attorney. A contract has its inception in the award, eliminating a formal signing of a separate contract. All of the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a Contract Amendment, or by mutually agreed terms and conditions in the Contract documents.
- 25. PROPOSAL RESULTS:** The name(s) of the successful offeror(s) will be posted(s) on the Procurement Department's Internet site at <http://www.tucsonprocurement.com/> upon issuance of a Notice of Intent to Award or upon final contract execution.

4. Provide the total number and location of sales persons employed by your firm.
5. Number and location of support centers (if applicable).
6. Describe the qualifications of your sales personnel and technicians.
7. Provide a listing of key personnel who may be assigned to the City's contract. Include their title within your organization and the description of the type of work they may perform. Please identify an executive corporate sponsor who will be responsible for the overall management of the awarded Master Agreement.
8. Summarize your experience in providing product and services similar to that outlined in the Scope of Work. Provide a minimum of three references for which you have provided similar products and services. References from other public agencies, particularly municipal governments, are preferred. Please include company name, address, phone, email, and contact person.
9. Please submit any additional information that you feel is applicable to your qualifications and experience.

III. GENERAL

A. Shortlist:

The City reserves the right to shortlist the offerors on the stated criteria. However, the City may determine that shortlisting is not necessary.

B. Interviews:

The City reserves the right to conduct interviews with some or all of the offerors at any point during the evaluation process. However, the City may determine that interviews are not necessary. In the event interviews are conducted, information provided during the interview process shall be taken into consideration when evaluating the stated criteria. The City shall not reimburse the offeror for the costs associated with the interview process.

C. Additional Investigations:

The City reserves the right to make such additional investigations as it deems necessary to establish the competence and financial stability of any offeror submitting a proposal.

D. Prior Experience:

Experiences with the City and entities that evaluation committee members represent and that are not specifically mentioned in the solicitation response may be taken into consideration when evaluating offers.

E. Multiple Awards:

To provide adequate contract coverage, at the City's sole discretion, multiple awards may be made.

SPECIAL TERMS AND CONDITIONS

- 1. COOPERATIVE PURCHASING:** Any Contract resulting from this solicitation shall be for the use of the City of Tucson. In addition, public and nonprofit agencies that have registered with OMNIA Partners or entered into a Cooperative Purchasing Agreement with the City of Tucson's Department of Procurement are eligible to participate in any subsequent Contract. See http://www.tucsonprocurement.com/coop_partners.aspx and click on Cooperatives for a list of the public and nonprofit agencies that have currently entered into Cooperative Purchasing Agreements with the City of Tucson. Additionally, this contract is eligible for use by the Strategic Alliance for Volume Expenditures (SAVE) cooperative. See <http://www.mesaaz.gov/home/showdocument?id=23638> for a listing of participating agencies. The parties agree that these lists are subject to change.

Any orders placed to, or services required from, the successful Contractor(s) will be requested by each participating agency. Payment for purchases made under this agreement will be the sole responsibility of each participating agency. The Contractor may negotiate additional expenses incurred as a result of participating agencies' usage of this contract (i.e., freight charges, travel related expenses, etc.). The City shall not be responsible for any disputes arising out of transactions made by others.

The Contractor(s) will provide an electronic copy of the complete Contract to the City of Tucson Department of Procurement upon receipt of the Notice of Intent to Award. At the City's request, the successful Contractor(s) may also be requested to provide an electronic copy of the complete Contract to a participating agency.

- 2. FEDERAL, STATE AND LOCAL TAXES, LICENSES AND PERMITS:** The Supplier shall comply with all Federal, State, and local licenses and permits required for the operation of the business conducted by the Supplier as applicable to this Contract. The Supplier shall, at no expense to the City, OMNIA Partners, or other Participating Public Agencies, procure and keep in force during the entire period of the Agreement all such permits and licenses.
- 3. SUBCONTRACTORS:** No subcontract shall be made by the contractor with any other party for furnishing any of the services herein contracted for without the advance written approval of the Department of Procurement. All subcontractors shall comply with Federal and State laws and regulations that are applicable to the services covered by the subcontractor and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. Contractor is responsible for contract performance whether or not subcontractors are used.
- 4. FOB DESTINATION FREIGHT PREPAID:** Prices shall be FOB Destination Freight Prepaid to the delivery location designated. Contractor shall retain title and control of all goods until they are delivered and the Contract of coverage has been completed. All risk of transportation and all related charges shall be the responsibility of the Contractor. All claims for visible or concealed damage shall be filed by the Contractor. The City will assist the Contractor in arranging for inspection.
- 5. PAYMENTS:** All payments made by the City of Tucson for goods or services will be made to the vendor named on the Offer and Acceptance form. If you do not wish payment to be made to that address, you must submit an attached sheet indicating the proper mailing address with this bid.
- 6. RIGHT TO TERMINATE FOR CHANGE IN OWNERSHIP OR MATERIAL RESTRUCTURE OF THE CONTRACTOR:** In addition to the Termination of Contract clause in the Standard Terms and Conditions section of this solicitation and resulting contract, the City reserves the right to cancel the whole or part of this contract within 60 days written notice of the completion of any material change of ownership in the Contractor's company, including its sale, merger, consolidation or dissolution.

- 7. TERM AND RENEWAL:** The term of the Contract shall commence upon award and shall remain in effect for a period of three (3) years, unless terminated, canceled or extended as otherwise provided herein. The Contractor agrees that the City of Tucson shall have the right, at its sole option, to renew the Contract for two (2) additional one-year periods or portions thereof. In the event that the City exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the possible exception of price and minor scope additions and/or deletions.
- 8. PRICE ADJUSTMENT:** The City will review fully documented requests for price adjustment at the end of the Contract's first year. Subsequent fully documented requests for price adjustment may be made at the end of each Contract year that the Contract is in effect. Price adjustments may be a consideration in the continuance and/or renewal of the contract. The City will determine whether the requested price adjustment or an alternate option, is in the best interest of the City.
- 9. INSURANCE:** The Contractor agrees to:
- A.** Obtain insurance coverage of the types and amount required in this section and keep such insurance coverage in force throughout the life of this contract. All policies will contain an endorsement providing that written notice be given to the City at least 30 days prior to termination or cancellation in coverage in any policy, and 10 days notice for cancellation due to non-payment in premium.
- B.** The Commercial General Liability Insurance and Commercial Automobile Liability Insurance policies will include the City as an additional insured with respect to liability arising out of the performance of this contract. Such additional insured shall be covered to the full limits of liability purchased by the Contractor, even if those limits of liability are in excess of those required by this Contract. The insurance hereunder will be primary and that any insurance carried by the City will be excess and not contributing.
- C.** Provide and maintain minimum insurance limits as applicable:

D. ADDITIONAL INSURANCE REQUIREMENTS: Policies shall be endorsed to include the following provisions:

1. A waiver of subrogation endorsement in favor of the City of Tucson, for losses arising from work performed by or on behalf of the Contractor (including Worker's Compensation).
2. The insurance afforded the contractor shall be primary insurance and that any insurance carried by the City of Tucson and its agents, officials or employees shall be excess and not contributory.
3. Coverage provided by the Contractor shall not be limited to the liability assumed under the indemnification provisions of this Contract.

E. NOTICE OF COVERAGE MODIFICATIONS: Any changes material to compliance with this contract in the insurance policies above shall require 10 days written notice from the Contractor to the City of Tucson. Such notice shall be sent directly to the Department of Procurement.

F. ACCEPTABILITY OF INSURERS: Contractors insurance shall have an "A.M. Best" rating of not less than A:VII. The City of Tucson in no way warrants that the required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

G. VERIFICATION OF COVERAGE: Contractor shall furnish the City of Tucson with certificates of insurance (ACORD form or equivalent approved by the City of Tucson) as required by this Contract. The certificates for each insurance policy are to be signed by an authorized representative.

All certificates and endorsements are to be received and approved by the City of Tucson before work commences. Each insurance policy required by this Contract must be in effect at or prior to commencement of work and remain in effect for the duration of the contract and two (2) years after completion. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal upon the City's request, is a material breach of contract.

All certificates required by this Contract shall be sent directly to the Department of Procurement.

The City of Tucson project/contract number and project description shall be noted on the certificate of insurance. The City of Tucson reserves the right to require complete copies of all insurance policies required by this Contract at any time.

H. SUBCONTRACTORS: Contractors' certificate(s) shall include all subcontractors as insureds under its policies **or** Contractor shall furnish to the City of Tucson separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum requirements identified above.

I. EXCEPTIONS: In the event the Contractor or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of Self-Insurance

STANDARD TERMS AND CONDITIONS

1. **ADVERTISING:** Contractor shall not advertise or publish information concerning this Contract without prior written consent of the City's Director of Procurement.
2. **AFFIRMATIVE ACTION:** Contractor shall abide by the provisions of the Tucson Procurement Code Chapter 28, Article XII.
3. **AMERICANS WITH DISABILITIES ACT:** The Contractor shall comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101, et seq.) and applicable Federal regulations under the Act.
4. **APPLICABLE LAW:** This Contract shall be governed, and the City and Contractor shall have all remedies afforded to each, by the Tucson Procurement Code and the law of the State of Arizona. State law claims shall be brought only in Pima County Superior Court.
5. **ASSIGNMENT-DELEGATION:** No right or interest in this Contract shall be assigned by the Contractor without prior written permission of the City, and no delegation of any duty of the Contractor shall be made without prior written permission of the City's Director of Procurement. The City shall not unreasonably withhold approval and shall notify the Contractor of the City's position by written notice.
6. **CHILD/SWEAT-FREE LABOR POLICY:** The Contractor shall comply with all applicable provisions of the United States Federal and State Child Labor and Worker's Right laws and agrees if called upon to affirm in writing, that they, and any subcontractor involved in the provision of goods to the City, are in compliance.
7. **CLEAN UP:** The Contractor shall at all times keep the contract area, including storage areas used by the Contractor, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of the City. Upon completion of the repair, the Contractor shall leave the work and premises in clean, neat and workmanlike condition.
8. **COMMENCEMENT OF WORK:** The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives purchase order or is otherwise directed to do so, in writing, by the City.
9. **CONFIDENTIALITY OF RECORDS:** The Contractor shall establish and maintain procedures and controls that are acceptable to the City for the purpose of assuring that no information contained in its records or obtained from the City or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under the Contract. Persons requesting such information should be referred to the City. Information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by the City.
10. **CONTRACT AMENDMENTS:** The Procurement Department has the sole authority to:
 - A. Amend the contract or enter into supplemental verbal or written agreements;
 - B. Grant time extensions or contract renewals;
 - C. Otherwise modify the scope or terms and provisions of the contract.

This Contract shall only be modified with the approval of the Department of Procurement. Except in the case of a documented emergency, approval must be granted prior to performance. Any contract modification not explicitly approved by the Procurement Department through a written contract amendment or change order is performed at the sole risk of the Contractor and may not be eligible for payment by the City.

11. **CONTRACT:** The Contract shall be based upon the Request for Proposal issued by the City and the Offer submitted by the Contractor in response to the Request for Proposal. The offer shall substantially conform to the terms, conditions, specifications and other requirements set forth within the text of the Request for Proposal. The City reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by the City's Director of Procurement, shall be deemed non-responsive and the offer rejected. The Contract shall contain the entire agreement between the City of Tucson and the Contractor relating to this requirement and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders, or master agreements in any form.

- 12. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH:** Contractor shall deliver conforming materials in each installment or lot of this Contract and may not substitute nonconforming materials. Delivery of nonconforming materials, or default of any nature, may constitute breach of the Contract. Noncompliance may be deemed a cause for possible Contract termination.
- 13. DUPLEXED/RECYCLED PAPER:** In accordance with efficient resource procurement and utilization policies adopted by the City of Tucson, the Contractor shall ensure that, whenever practicable, all printed materials produced by the Contractor in the performance of this Contract are duplexed (two-sided copies), printed on recycled paper and labeled as such.
- 14. EQUAL PAY:** The Contractor shall comply with the applicable provisions of the Equal Pay Act of 1963 (Pub.L. 88-38, 29 U.S.C. section 206(d)); Title VII of the Civil Rights Act of 1964 (Pub.L. 88-352, 42 U.S.C. 2000e *et seq.*; and, the Lily Ledbetter Fair Pay Act of 2009 (Pub.L. 111-2).
- 15. EXCLUSIVE POSSESSION:** All services, information, computer program elements, reports and other deliverables created under this Contract are the sole property of the City of Tucson and shall not be used or released by the Contractor or any other person except with prior written permission by the City.
- 16. FEDERAL IMMIGRATION LAWS AND REGULATIONS:** Contractor warrants that it complies with all Federal Immigration laws and regulations that relate to its employees and complies with A.R.S. § 23-214(A) and that it requires the same compliance of all subcontractors under this Contract. Contractor acknowledges that pursuant to A.R.S. § 41-4401 and effective September 30, 2008, a breach of this warranty is a material breach of this Contract subject to penalties up to and including termination of this Contract. The City retains the legal right to audit the records of the Contractor and inspect the papers of any employee who works for the Contractor to ensure compliance with this warranty and the Contractor shall assist in any such audit. The Contractor shall include the requirements of this paragraph in each contract with subcontractors under this Contract.

If the Contractor or subcontractor warrants that it has complied with the employment verification provisions prescribed by sections 274(a) and 274(b) of the Federal Immigration and Nationality Act and the E-verify requirements prescribed by A.R.S. § 23-214(A), the Contractor or subcontractor shall be deemed to be in compliance with this provision. The City may request proof of such compliance at any time during the term of this Contract by the Contractor and any subcontractor.

- 17. FORCE MAJEURE:** Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. The term "Force Majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force Majeure shall not include late performance by a subcontractor unless the delay arises out of a Force Majeure occurrence in accordance with this Force Majeure term and condition.

If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand-delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

- 18. GRATUITIES:** The City may, by written notice to the Contractor, terminate this Contract if it is found that gratuities, in the form of entertainment, gifts, meals or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the City amending, or the making of any determinations with respect to the performing of such Contract. In the event this Contract is terminated by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.
- 19. HUMAN RELATIONS:** Contractor shall abide by the provisions of the Tucson City Code Chapter 28, Article XII.
- 20. INDEMNIFICATION:** To the fullest extent permitted by law, Contractor, its successors, assigns and guarantors, shall pay, defend, indemnify and hold harmless City of Tucson, its agents, representatives, officers, directors, officials and employees from and against all allegations, demands, proceedings, suits, actions, claims, including claims of patent

or copyright infringement, damages, losses, expenses, including but not limited to, attorney fees, court costs, and the cost of appellate proceedings, and all claim adjusting and handling expense, related to, arising from or out of or resulting from any actions, acts, errors, mistakes or omissions caused in whole or part by Contractor relating to work, services and/or products provided in the performance of this Contract, including but not limited to, any Subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable and any injury or damages claimed by any of Contractor's and Subcontractor's employees. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. The Contractor agrees to waive all rights of subrogation against the City of Tucson, its agents, representatives, officers, directors, officials, employees and volunteers for losses arising from the work performed by the Contractor for the City of Tucson.

Contractor is responsible for compliance with the Patient Protection and Affordable Care Act (ACA), for its employees in accordance with 26 CFR §54. 4980H. Additionally, Contractor is responsible for all applicable IRS reporting requirements related to ACA. If Contractor or any of Contractor's employees is certified to the City as having received a premium tax credit or cost sharing reduction which contributes to or triggers an assessed penalty against the City, or Contractor fails to meet reporting requirements pursuant to section 6056 resulting in a penalty to City, Contractor indemnifies City from and shall pay any assessed tax penalty.

- 21. INDEPENDENT CONTRACTOR:** It is understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose.

The Contractor shall not be entitled to compensation in the form of salaries, holidays, paid vacation, sick days, or pension contributions by the City. The City of Tucson will not provide any insurance coverage to the Contractor, including Worker's Compensation coverage. The Contractor is advised that taxes, social security payments, and other withholdings shall not be withheld from a City payment issued under this Contract and that Contractor should make arrangements to directly pay such expenses. Contractor is responsible for compliance with the Affordable Care Act for Contractor and any of Contractor's employees.

- 22. INSPECTION AND ACCEPTANCE:** All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this Contract shall be held at the Contractor's risk and may be returned to the Contractor. If returned, all costs are the responsibility of the Contractor. Noncompliance may be deemed a cause for possible Contract termination.

- 23. INTERPRETATION-PAROL EVIDENCE:** This Contract is intended by the parties to be a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in the Contract. Acceptance or consent in the course of performance under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or consenting party has knowledge of the nature of the performance and the opportunity to object.

- 24. ISRAEL BOYCOTT DIVESTMENTS:** Acceptance of the contract warrants that the vendor is in compliance with A.R.S. § 35-393 and does not participate in a boycott of Israel as that term is defined within A.R.S. § 35-393.

- 25. LICENSES:** Contractor shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this Contract.

- 26. LIENS:** All materials, services, and other deliverables supplied to the City under this Contract shall be free of all liens other than the security interest. Security interest shall extinguish upon full payment made by the City. Upon the City's request, the Contractor shall provide a formal release of all liens.

- 27. NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender of materials must fully comply with all provisions of this Contract. If a tender is made which does not fully comply, this shall conform to the termination clause set forth within this document.

- 28. NON-EXCLUSIVE CONTRACT:** Any contract resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience of the City of Tucson. The City reserves the right to obtain like goods or services from another source when necessary.

PRINCIPAL CONTRACT OFFICER: JENN MYERS, CPPB
PH: (520) 837-4137 / FAX: (520) 791-4735

29. OVERCHARGES BY ANTITRUST VIOLATIONS: The City maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the City any and all claims for such overcharges as to the materials or services used to fulfill the Contract.

30. PAYMENT: The City's preferred method of payment is via credit card. The City will issue a Purchase Order and, in some cases, either provide a credit card for payment at the time of ordering or pay subsequent invoices by credit card upon receipt of goods or services in good order. However, not all City employees will possess a credit card and, therefore, the City reserves the right to make payment by check as it deems necessary.

Unless payment is made by credit card at time of order or point of sale, a separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material or service and correct invoice. The invoice shall not be dated prior to the receipt of goods or completion of services.

The City shall make every effort to process payment for the purchase of materials or services within twenty-one (21) calendar days after receipt of materials or services and a correct invoice.

The Contractor's payment terms shall apply to all purchases and to all payment methods.

31. PROTECTION OF GOVERNMENT PROPERTY: The Contractor shall use reasonable care to avoid damaging existing buildings, equipment, and vegetation (such as trees, shrubs, and grass) on City property. If the Contractor fails to do so and damages such property, the Contractor shall replace or repair the damage at no expense to the City, as determined and approved by the City's Director of Procurement. If the Contractor fails or refuses to make such repair or replacement, the City will determine a cost and the Contractor shall be liable for the cost thereof, which may be deducted from the Contract price.

32. PROVISIONS REQUIRED BY LAW: Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall be amended to make such insertion or correction.

33. RECORDS: Internal control over all financial transactions related to this Contract shall be in accordance with sound fiscal policies. The City may, at reasonable times and places, audit the books and records of the Contractor and/or any subcontractors. Said audit shall be limited to this Contract.

34. RIGHT TO ASSURANCE: Whenever one party to this Contract has reason to question, in good faith, the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as the other party's intent not to perform and as a cause for possible Contract termination.

35. RIGHT TO INSPECT: The City may, at reasonable times, and at the City's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any Contract as awarded or to be awarded.

36. RIGHTS AND REMEDIES: No provision in this document or in the Contractor's proposal shall be construed, expressly or by implication, as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim, default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract, to exercise or delay the exercise of any right or remedy provided in the Contract or by law, or to accept materials or services required by this Contract or by law shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.

37. SEVERABILITY: The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract which may remain in effect without the valid provision or application.

38. SHIPMENT UNDER RESERVATION PROHIBITED: No tender of a bill of lading shall operate as a tender of the materials. Non-compliance shall conform to the termination clause set forth within this document.

39. SUBCONTRACTS: No subcontract shall be entered into by the Contractor with any other party to furnish any of the material/service specified herein without the advance written approval of the City's Director of Procurement. All subcontracts shall comply with Federal and State laws and regulations which are applicable to the services covered

by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not subcontractors are used.

40. SUBSEQUENT EMPLOYMENT: The City may terminate this Contract without penalty or further obligation pursuant to A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract, on behalf of the City, is or becomes, at any time while the Contract or any extension of the Contract is in effect, an employee of, or a contractor to, any other party to this Contract with respect to the subject matter of the Contract. Termination shall be effective when written notice from the City's Director of Procurement is received by the parties to this Contract, unless the notice specifies a later time.

41. TERMINATION OF CONTRACT: This Contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty (30) days written notice. The City, at its convenience, by written notice, may terminate this Contract, in whole or in part. If this Contract is terminated, the City shall be liable only for payment under the payment provisions of this Contract for services rendered and accepted material received by the City before the effective date of termination.

The City reserves the right to terminate the whole or any part of this Contract due to the failure of the Contractor to carry out any term or condition of the Contract. The City will issue a written ten (10) day notice of default to the Contractor for acting or failing to act as specified in any of the following:

In the opinion of the City, the Contractor provides personnel that do not meet the requirements of the Contract;

In the opinion of the City, the Contractor fails to perform adequately the stipulations, conditions or services/specifications required in this Contract;

In the opinion of the City, the Contractor attempts to impose personnel, materials, products or workmanship of an unacceptable quality;

The Contractor fails to furnish the required service and/or product within the time stipulated in the Contract;

In the opinion of the City, the Contractor fails to make progress in the performance of the requirements of the Contract;

The Contractor gives the City a positive indication that the Contractor will not or cannot perform to the requirements of the Contract.

Each payment obligation of the City created by this Contract is conditioned upon the availability of City, State and Federal funds that are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the City and available for the continued purchase of the services and/or materials provided under this Contract, this Contract may be terminated by the City at the end of the period for which funds are available. The City will endeavor to notify the Contractor in the event that continued service will or may be affected by non-appropriation. No penalty shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

42. TITLE AND RISK OF LOSS: The title and risk of loss of material or service shall not pass to the City until the City actually receives the material or service at the point of delivery, unless otherwise provided within this Contract.

43. WARRANTIES: Contractor warrants that all material or service delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by the City shall not alter or affect the obligations of the Contractor or the rights of the City under the foregoing warranties. Additional warranty requirements may be set forth in this document.

Driving efficiency in Procure-to-Pay (P2P) with eProcurement Technology

You've made the decision to integrate your MRO spend with Grainger's eProcurement Solution – Now what's next?

- 1** A Grainger Sales Representative will gather initial information including both business and technical contacts along with the type of platform you are looking to integrate.
- 2** This information will then be entered into the Grainger ePro Request system and within 2-3 business days an eCommerce Solutions Manager (ESM) will be assigned to your project.
- 3** The ESM will then work with you to understand your eProcurement goals and objectives, and gather additional technical information.

Here is a list of the standard project types we currently support:

- 

Shopping:

 - Punchout Catalogs
 - Hosted Catalogs

Ordering:

 - Purchase Order Integration
 - Integrated KeepStock
 - Integrated Sourcing Quotes

Invoicing:

 - Electronic Invoice
 - Electronic Payment – EFT/ACHv

Your specific project may include one or more of the above project types and this will help determine the amount of time and resources required to complete the project.

Depending on the type of project requested, Grainger will either provide or request one or more of the following: →

Solution	Required Task
Punchout Catalog	Grainger Provides Punchout URL & Credentials
Purchase Order Integration	Customer Submits Test Orders to Grainger
	Customer Submits Location List
Electronic Invoice	Customer Completes Invoice Questionnaire
Integrated KeepStock	Customer Completes Test Scans
Hosted Catalog	Grainger Seller Submits Content Requests

- 4** In order to keep things moving and on track, it's important that all tasks be completed in a timely manner. Once these tasks are completed, your project can be assigned to a Grainger Programmer and we will begin building your integrated solution. This will occur after all required tasks and preliminary testing is completed.
- 5** Once all programming is complete, Grainger may require additional testing prior to moving your project to production. In order to ensure your project is completed on schedule it is necessary that all requests for testing be completed as soon as possible. Any delays in fully testing your integration may delay the anticipated go-live.
- 6** After all testing is complete your project will move to production. Once this occurs, the Grainger eCommerce Solution Manger will work with you to develop a strategy to ensure you are achieving your procurement goals and objectives.

A Managed Inventory Solution

WHY INVENTORY MANAGEMENT

Why worry about inventory? Your day-to-day management of building operations is challenging enough. Now add on the responsibilities of purchasing, managing and controlling your inventory needs. Supporting all aspects of your maintenance activities isn't a big job, it's a huge job.

Inventory management is the process of keeping track of items and maintaining the balance of supply and demand. You want to avoid having excess stock but also can't risk not having enough to meet immediate needs.

Ideal inventory management means having the right products, in the right place, at the right time—all with minimal effort and expense.

Not having properly managed inventory can result in significant and unnecessary costs, including cash spent on items, employee labor and storage space.

MARKET NEED FOR INVENTORY MANAGEMENT

As organizations continue to look for more ways to reduce costs and operate more efficiently, maintenance, repair and operations (MRO) inventory has come under scrutiny.

Left unchecked, poorly managed MRO inventory creates an imbalance between product supply and demand; which can quickly lead to excess expense.

IF YOU STOCK TOO MUCH

Overstocking certain items to make sure they're always available can result in expensive carrying costs—estimated to be 18–25% per year of the average on-hand value maintained.

IF YOU STOCK TOO LITTLE

Ineffective inventory management can cause stockouts, unorganized tool cribs and inefficient (often manual) ordering processes. By eroding productivity, these situations increase costs.

STOP THE RESOURCE DRAIN

Organizations need to take a two-pronged approach to optimize financial and staff resources.

DEPLOY MRO INVENTORY MANAGEMENT

Align stocking levels based on the characteristics of your MRO inventory mix.

LEVERAGE A PROVEN SOLUTION

Cost-effectively enhance and simplify functions from tracking and monitoring to ordering and fulfillment.

EXCESS INVENTORY ON AVERAGE

Inactive inventory consumes resources that could be reinvested in the facility.

YOUR KEEPSTOCK SOLUTIONS

INVENTORY MANAGEMENT IS NOT A "ONE SIZE FITS ALL" SOLUTION

That's why Grainger offers a variety of options customized to work the way you need it to.

Grainger KeepStock solutions help take costs out of your operations by making it easier to organize, track and order any size inventory. The portfolio provides Customer-Managed Inventory (CMI), Grainger-Managed Inventory (GMI) and Grainger Vending (GV) options to help you achieve the right level of management based on your unique business needs.

THE RIGHT SOLUTION

You choose what works best for your operations.

- > **Manage it yourself:** A smartphone app and online reporting tools make it a snap
- > **Dedicated Grainger resource:** Onsite support for more complex inventory needs
- > **Vending solutions:** 24/7 controlled consumption of fast-moving items

We'll work together to identify your inventory challenges, discuss where and how your inventory is used, and develop a solution that best fits your needs. You can be sure only the right solution to support your inventory management goals will be implemented.

KeepStock inventory management provides easy-to-use solutions that will help you:

- > KNOW WHAT YOU HAVE IN STOCK
- > STREAMLINE PURCHASING
- > ORDER FASTER AND EASIER
- > GENERATE BETTER REPORTING
- > REDUCE PRODUCT LOSS

CUSTOMER-MANAGED INVENTORY (CMI)

It's inventory your way and the good news is, getting your inventory under control doesn't have to be complicated. With help from Grainger, you can set up a system that's tailored to work for you.

THE POWER OF TECHNOLOGY IN THE PALM OF YOUR HAND

THE SITUATION

You want complete control of your inventory—on your terms, your schedule, and handled by your employees. You want it fast, easy, accurate, and with reporting to back it up. You want the power of technology in the palm of your hand.

THE ANSWER

Customer-Managed Inventory (CMI) helps give you the level of functionality you need at no additional cost.

HOW IT WORKS

Order: Scan the barcoded labels with your Android or iOS smartphone and send the order. Need approvals? No problem! We can set up your program to have approvals based on your needs.

Find: The CMI app does more than just help you replenish items in your KeepStock installation. You can also search Grainger.com® and select products to add to your order—all from one source.

Track: We can help set up your app to help manage the movement of Grainger products that you need to track through your system. Allocate product usage and track to the appropriate user, cost center or customer account number.

Update: Add or change items and users to your inventory program. Managing your CMI solution based on your needs gives you more time to invest back into your business.

MORE CONTROL IN YOUR HANDS—YOUR WAY

Are your business needs changing? Simply add items to your inventory program, adjust reorder points and quantities, change item addresses, or add/delete/change users.

Need to track items throughout the job, process, or facility? This app can be enabled to help manage the movement of those Grainger products from receipt through consumption.

Looking to save more time? Integrate your current system with Grainger's Order Management System on Grainger.com.®

GRAINGER-MANAGED INVENTORY (GMI)

This solution helps you and your people spend less time finding and ordering products, and more time on business-critical tasks and generating revenue.

ONSITE RESOURCE HELPS YOU MANAGE ALL YOUR GRAINGER INVENTORY

THE SITUATION

You have a significant number of items in a single storeroom, or maybe even multiple storage areas across your facility. These items are used in varying quantities at varying times. You and your staff often need help finding and placing special order items in addition to your frequently used products. And, you may have supplies that you need controlled access to, or 24/7 availability to certain products but don't have the 24/7 staff to manage a locked storage area.

THE ANSWER

The more complex your needs, the more a Grainger-Managed Inventory

(GMI) solution is a right fit for your organization. With your inventory now balanced and managed, you can focus on business-critical tasks that have significant impacts on your bottom line.

HOW IT WORKS

Your Grainger Rep works with you and our KeepStock solutions team to determine the products and levels needing to be managed, as well as setting approvals for orders if required. With or without approvals, you have the visibility, control and insight to all Grainger orders—so you don't have to worry about overstocking or unauthorized purchases.

On a pre-determined schedule, your dedicated rep will work at your facility to put Grainger products away, place replenishment orders, help with inquiries, source hard-to-find items, and help with special orders. Your rep can also cross-reference Grainger products to add to the program to further consolidate, simplify and save.

We can manage your Grainger inventory in your storeroom, warehouse, or various stocking locations throughout your facility. Have short-term storage needs? We can arrange a trailer to store your Grainger items. It's that easy.

GRAINGER VENDING (GV)

The ideal choice when you require controlled access to consumable inventory, as well as durable items that can be used and returned.

GET 24/7 CONTROLLED CONSUMPTION OF FAST-MOVING ITEMS

THE SITUATION

You need 24/7 access to key products—when and where you need them. And, you’re looking to increase productivity through improved efficiencies, including placing products at point-of-use.

THE ANSWER

Spend less time searching, more time working with Grainger Vending (GV) solutions. Our machines can help you reduce costs by setting limits on quantities, shifts, jobs,

or total dollar value spent. It’s a great way to control product consumption, too. Plus, you get detailed inventory reporting to help you better manage your budget.

HOW IT WORKS

Grainger works with you to identify items to be managed, and select the right machine(s) to do the job.

We deliver and set up the filled machines so they’re ready to use as soon as they’re plugged in.

Employees can scan their ID badge or enter their employee code, use the touchscreen to select the item, remove the product from the machine and log out. It’s easy, reliable, secure and controlled.

Items and quantities removed are automatically uploaded so you can rest easy knowing replenishment orders are processed accurately and in real time. Now you know you’ll have the right products, in the right quantities, at the right time.

Your Grainger Inventory Management Specialist will refill the machines as needed to meet your usage patterns.

REDUCE WASTE, LOSS AND COSTS

GRAINGER'S CONSULTATIVE APPROACH

KeepStock[®]
A Managed Inventory Solution

WORKING TOGETHER EVERY STEP OF THE WAY

- We will work with you to understand your inventory management goals and challenges
- Based on our collaborative work, we determine the best solution (or solutions) to meet your specific needs
- We will collect data for the products you want managed and cross-reference items as needed, then load them into our system
- We then launch your KeepStock inventory program, assuring that we integrate with your systems and your employees
- We will stay in close contact with you and your employees to make sure you're getting the best value for your program

CUSTOMIZED FOR YOUR BUSINESS

- Turn-key replenishment on your schedule
- Adjustable minimum/maximum reorder points
- Order control points to align with your operational needs

THE BENEFITS

- Reduce your procurement costs for indirect supply purchases
- Keep your team focused on the work to be done rather than looking for supplies
- Optimize inventory levels—no overstocking or stockouts

YOUR KEEPSTOCK SOLUTIONS SUPPORT TEAM

ONGOING SUPPORT

Great customer care doesn't end after your KeepStock solution is installed or implemented. You receive reliable, ongoing support for the solution or solutions you have, just like always. There's no cost to you for support after the solution — no unexpected fees or hidden costs. Simply the support you need for the inventory you have.

Get Great Customer Care from Knowledgeable Grainger Reps

Your Grainger Rep will help you through the process of managing your MRO inventory. They work with you to set up your KeepStock solution and provide continued support during and after the installation. As your inventory management needs evolve, they help you add and change items, update program users, run reports, perform general program maintenance, and more.

Dedicated Onsite Service Representatives

With more than 1000 Onsite Service Representatives servicing Grainger-Managed Inventory (GMI) programs, you get customized knowledgeable support for your program. They make sure you have the MRO supplies on your shelves, at the inventory levels you select. Plus, they check your inventory levels on a schedule you both set, help put away reordered products, and help you find the products you may not stock but need from time to time to keep your operation running.

Helpful Customer Service

Providing exceptional customer service continues to be the hallmark of our business. As always, you can count on our Grainger customer service reps to help answer your account and invoice questions, order products, process returns, source hard-to-find items and more!

KEEPSTOCK SOLUTIONS HELP YOU BETTER IDENTIFY, ORGANIZE AND MANAGE YOUR INVENTORY

GET ORGANIZED

Up to 22% of the time, maintenance employees leave a stockroom without the proper material or quantity.* Plus, if products are inventoried in multiple locations, your employees are spending a lot of time putting inventory away. By consolidating orders to one supplier, you can more effectively manage your inventory—helping your employees get what they need, the first time and every time.

ORDER FASTER

Replenishing inventory may involve up to 30 steps, 5 people, 5 hand-offs and 1 approval.* Then there's the issue of ordering more product than you need—60% of on-hand MRO inventory levels exceed a 1-year supply.* How much time, money and space are you wasting?

REDUCE EFFORT

Ordering, finding, tracking and replenishing products takes time . . . costs money . . . and takes up a lot of space. Having multiple suppliers just compounds the confusion, so finding a way to consolidate and simplify each step of procuring and managing your inventory should be a priority. Think about how much easier your day would go if you could procure products from 1 supplier. And, that 1 supplier could help you manage and organize your inventory with the best Grainger KeepStock inventory management solution for your needs.

WHAT YOU NEED, WHEN YOU NEED IT, MADE EASY.

DETAILED REPORTING HELPS YOU KEEP YOUR INVENTORY IN CHECK

KeepStock reporting provides detailed information on the activity of the items being managed. Get usage specifics and track purchasing history, quantities, and total spend. Sort by transactions, cost centers, employees and more. Get the information you need so you can better monitor product consumption and receiving activities.

KNOW THE VALUE OF THE PROGRAM TO YOUR ORGANIZATION

You know the value of your efforts goes beyond the day-to-day activities. KeepStock reporting can also help you measure the total value of the installation — how we are helping your bottom line. We can generate detailed reports for you; showing how you have helped take costs out of managing your inventory with your KeepStock install by reducing expenses and waste.

SAVE TIME, MONEY AND SPACE

GRAINGER KEEPSTOCK SOLUTIONS

24/7 availability of key products at point-of-use or where needed.

CONTROL ACCESS without requiring a staffed supply area.

INCREASE PRODUCTIVITY by reducing the time it takes to walk to the supply room.

EMPLOYEE ACCOUNTABILITY for their product transactions.

WHAT'S IN IT FOR YOU!

IMPROVE COST ACCURACY by job, department, employee, or other defined parameters.

RELIABLE DATA INTELLIGENCE with accurate reporting and tracking for better forecasting and planning.

REDUCE INVENTORY SPEND through controlled access, resulting in reduced loss.

AUTOMATE ORDERING to help reduce stockouts and obsolete inventory.

GRAINGER VENDING (GV)

The ideal choice when you require controlled access to consumable inventory, as well as durable items that can be used and returned.

**SECURITY.
CONVENIENCE.
CONTROL.**

THE SITUATION

You need 24/7 access to key products—when and where you need them. And, you're looking to increase productivity through improved efficiencies, including placing products at point-of-use.

THE ANSWER

Spend less time searching, more time working with Grainger Vending (GV) solutions. Our machines can help you reduce costs by setting limits on quantities, shifts, jobs, or total dollar value spent. It's a great way to control product consumption, too. Plus, you get detailed inventory reporting to help you better manage your budget.

HOW IT WORKS

Grainger works with you to identify items to be managed, and select the right machine(s) to do the job.

We deliver and set up the filled machines so they're ready to use as soon as they're plugged in.

Employees can scan their ID badge or enter their employee code, use the touchscreen to select the item, remove the product from the machine and log out. It's easy, reliable, secure and controlled.

Items and quantities removed are automatically uploaded so you can rest easy knowing replenishment orders are processed accurately

and in real time. Now you know you'll have the right products, in the right quantities, at the right time.

Your Grainger Inventory Management Specialist will refill the machines as needed to meet your usage patterns.

LABOR SAVINGS

Case Study

GRAINGER CONSULTING SERVICES

KeepStock Onsite[®] Creates a \$355,000 Annual Savings Opportunity

OVERVIEW

A prestigious University had decentralized their maintenance services department to better serve their students, faculty and visitors on the 28-acre campus. By distributing the forty maintenance technicians and tradespeople to four districts, they became closer to the end customer, more familiar with the buildings and assets, and significantly reduced travel time. The challenge, however, was that there was still just one central stockroom and all of the parts and supplies were requisitioned from that location. Because of this, the gains that were realized from being close to the customer were lost on waiting, searching, requisitioning and receiving parts delivered from the central stockroom.

PROCESS

Working with Grainger Consulting Services, the first activity was to identify the current state processes and associated costs. This baseline gave a reference point to model recommendations against. Grainger Consulting Services modeled different stocking levels, price thresholds and district-based stockrooms. The analysis was used to bring all of the stakeholders together, including: Maintenance, Procurement, Finance and Suppliers. Before a single piece of inventory was moved out of the stockroom, there was widespread buy-in for the change.

KEY OBSERVATIONS & FINDINGS

There were several findings, but two of them stood out to all of the decision makers.

1. The cost of paying the technicians and tradespeople to do the requisitioning and receiving of the parts needed to complete their work was higher than the total spend of the products they were in need of (see Diagram 1).

2. Just 8% of the dollars spent by the University accounted for more than 50% of the parts needed repeatedly by the technicians and tradespeople (see Diagram 2).

It was also realized that a majority of work orders were extending over two days while they waited for low cost parts to be delivered. This waiting time negatively impacted work order completion rates—a metric important to the maintenance department and their customers alike.

Diagram 1

Parts Spend vs. Process (Labor) Cost

RECOMMENDATIONS & IMPACTS

TIME SAVINGS was equivalent to hiring **3** new people

After careful data analytics and the real-world input from the maintenance technicians and tradespeople, Grainger Consulting Services recommended KeepStock Onsite (Grainger’s unique vendor-managed inventory solution) to stock four local stockrooms at each of the districts with frequently needed, low-dollar parts and suppliers. With less than 300 unique SKUs stocked, stocking levels were set by evaluating historical usage and factoring in anticipated seasonal fluctuations.

- **Impact:** This inventory solution was nicknamed “Grab and Go” capturing the change from laborious requisition which was replaced by free issuing low-dollar parts.
- **Impact:** The University estimates it saves \$355,000 annually in labor costs—time which was wasted was now reallocated to revenue producing activities. This time savings for technicians was equivalent to hiring three new people.
- **Impact:** The same day fixes for work orders has improved by 20%, which reduces the time to fix and increases customer satisfaction.

This solution did not change the amount of money that the University spent on parts and supplies year over year. It simply put the parts closer to the assets and the people. By using Grainger’s KeepStock Onsite offering, the customer is also relieved of any replenishment activities and yet they retain complete oversight through Grainger’s electronic approval process and detailed reporting.

Diagram 2

8% of the spend is creating over 50% of the transactions

A Letter From Our Executive Sponsor

This letter marks my second year as executive sponsor of Grainger's CSR working group.

We made great strides in 2017, including:

- Tracking on target to reduce emissions intensity 33% by 2020
- Celebrating Grainger's 90th anniversary with 2,000 of our team members serving their communities nationwide
- Continuing to outpace the industry average by 60 percent in team member safety in our operations
- Achieving 21 basis points reduction in simple returns in our private label products – signaling an increase in product quality and successful initiatives from our two global testing and engineering facilities.
- Being recognized as a 2017 Best Places to Work for Disability Inclusion on the Disability Equality Index (DEI), which measures how effective companies are with respect to disability inclusion

Our primary objective for 2017 was to examine how CSR delivers value to our stakeholders. With that in mind, perhaps the most important part of our journey in 2017 was engaging in a materiality assessment to define the economic, social and environmental topics that matter most to Grainger and its stakeholders. Through this assessment, we conducted desktop research, competitive intelligence, surveys, focus groups and one-on-one conversations with our customers, suppliers, team members and investors.

We also examined the link between sustainability and the challenges our customers face in keeping their operations running and their people safe. This link isn't always apparent because of differences in customer size and complexity, industry type and our primary customer contact. For example, sustainability leaders discuss efficiency, procurement officers may look for cost reduction, engineers may ask about product quality and plant managers may target productivity. Regardless of the focus of a given customer, Grainger can provide the best solutions to the distinct challenges each customer faces, while educating them about how that solution can also improve their organization's sustainability.

While this materiality assessment was a significant step forward, it is just one part of our 2017 effort. This year's report also includes new metrics designed to provide more meaningful program measurement for Grainger's stakeholders. Most notably, we are now including a breakdown of gender and ethnic diversity of our United States (U.S.) workforce both overall and by leadership; providing a view of our revenue (by percent) derived from environmentally preferable products; and further details around our packaging efficiency. I hope you agree that these points demonstrate a meaningful connection between our CSR efforts and the operations of our business.

To assist us in meeting the needs of our stakeholders, deepening the meaningful measurement of our program and ensuring the correct strategic direction of Grainger's CSR initiatives, we created a CSR Advisory Council. The Council is a group of senior-level team members who frequently interact with our stakeholders. They provide strategic awareness to the program and encourage developments in transparency throughout the organization. The Council, along with myself and the CSR working group, will leverage the findings of our materiality assessment to set new targets and enhance our strategy in the coming months.

I hope you enjoy reading about our progress this year.

G Grainger At A Glance

Grainger works to create value for customers, regardless of size, and ensure an effortless experience along the way. The result: customers get what they need when they need it, which means less time spent looking for and ordering products, and more time spent on the task at hand. After 90 years of serving customers, Grainger has seen its fair share of challenges right along with them, and the company has the experience and knowhow of a superior team to serve them best. When a customer comes to Grainger, they know we have them covered, regardless of the challenge.

Our Strategy

In the large and fragmented Maintenance, Repair and Operations (MRO) industry, Grainger holds an advantaged position with its supply chain infrastructure, broad in-stock product offering and deep customer relationships. The global MRO market is approximately \$570 billion. The most attractive geographies for Grainger are those with high GDP per capita and a developed infrastructure. Consequently, Grainger's strategy is concentrated on growth in North America, Europe and Asia. Each of these core markets has strong growth characteristics: the market is large and the competition is highly fragmented.

Over the past few years, Grainger has seen a shift in market dynamics across the MRO landscape. As digital solutions are becoming omnipresent, value-added relationships and services drive customer loyalty and analytics are required to prove value. There are a number of ways to go to market in this environment. Grainger competes with two models, the high-touch multichannel model and the endless assortment, or single channel, model (see graphic). Competing with these two models allows Grainger to leverage its scale and advantaged supply chain to meet the changing needs of its customers. For more detail on Grainger's strategy visit our [FactBook](#).

About This Report (Scope)

While Grainger's Corporate Social Responsibility (CSR) commitments apply throughout the world, this report is primarily focused on the company's major operations in the U.S. and Canada. These operations currently represent more than 80 percent of Grainger's business based on percentage of revenue, scope of operations and number of team members. Where applicable, the specific geography is noted in the relevant footnotes to that data. Since 2011, Grainger has sought third-party validation of its greenhouse gas emissions, energy consumption, waste generation and water consumption data from Bureau Veritas, an independent third party. In addition, Grainger's Environmental Health and Safety team received validation since 2014 from Environ International Corporation for its safety reporting process. Finally, Grainger receives ongoing verification of its environmentally preferable SKU designation from UL, Inc. (formerly Underwriter's Labs).

PORTFOLIO PERFORMANCE AND STRATEGIC IMPERATIVES (As of December 31, 2017)

Grainger's high-touch, multichannel model includes its U.S., Canada and International businesses. The single channel online model includes Zoro in the United States and MonotaRO in Japan. Each business has a specific set of strategic imperatives focused on creating unique value for customers.

MATERIALITY AT GRAINGER

Our Approach

Our 2018 CSR report details our progress across each of the four pillars of our program: Operating Responsibly, Valuing Our People, Sustaining Our Environment and Serving Our Communities. We have completed a materiality assessment with critical stakeholders to identify which areas of our CSR program provide value to our customers, team members, investors, suppliers and community partners. Through research, competitive intelligence, surveys, focus groups and one-on-one conversations with these stakeholders, we confirmed many of our current areas of focus and gained insight into new ones. We are excited to share our findings below, and are already hard at work integrating these insights into our operations.

The Global Reporting Initiative’s (GRI) GRI Standards are the foundation for our annual reporting approach and our materiality assessment. The GRI is an independent international organization that has pioneered sustainability reporting since 1997. They help businesses and governments worldwide understand and communicate their effect on critical sustainability issues such as

climate change, human rights, governance and social well-being. Through this framework, we are able to describe the effect of our operations along the GRI Standard’s Core elements of economic, environmental, social and governance.

MATERIALITY ASSESSMENT PROCESS

Identification of Issues The first step in preparing a report with the GRI Standards in mind is identifying material topics. Material topics are those issues reflecting an organization’s significant economic, environmental and social challenges or issues that have some substantive influence on the assessments and decisions of stakeholders.

We compiled a list of nearly 100 issues specific to industrial distribution from a number of external resources. We categorized environmental, social and governance issues into four themes: Governance and Ethics, Solutions and Stewardship, Supply Chain and People and Purpose. These themes define the scope of our assessment and will guide future conversations with stakeholders.

MATERIALITY MATRIX

GRAINGER CSR PILLARS: ● Governance and Ethics ● Solutions and Stewardship ● Supply Chain ● People and Purpose

This represents a combination of both internal and external perspectives, and takes into consideration factors such as program maturity and the growing requirements of stakeholders in a rapidly evolving environment. All programs are important, though some more mature than others, which influence the results shown here.

Internal Assessment of Business Importance

Once we identified the themes relevant to Grainger, we considered our customers' needs, the scope and breadth of an issue, probability of risk and magnitude of effect, brand reputation, regulatory concerns, and affect to the communities where we live and work.

Stakeholder Engagement After identifying the topics we considered most material to Grainger, we engaged with internal and external stakeholders including team members, customers and suppliers to confirm the subset of material topics and to determine the relative significance of each topic within the subset. Our objectives were to ensure representation from every part of our value chain, to accurately reflect stakeholder interests and priorities and to prioritize issues important to

stakeholders. In addition, we had one-on-one discussions with analysts and investors and distributed surveys among stakeholder groups we couldn't reach individually. We have already incorporated the feedback into our operations.

Materiality Matrix and Value Chain Map We used the findings of our materiality assessment to map the prioritized topics in a matrix. Understanding the impact of our business throughout the life cycle of the solutions we offer is critical to developing a comprehensive approach to CSR. This view offers insight into where issues matter most, while also helping to prioritize where we need to influence performance. This view creates a shared understanding of how we are improving supply chain efficiency, while providing greater value to our customers.

Our materiality process identifies the sustainability topics most relevant to our company, from the view of our internal and external stakeholders. In accordance with GRI Standard 103 - Explanation of the material topic and its Boundary, we've highlighted our most material topics and indicated where and how they affect our value chain.

Value chain maps display the primary activities and stakeholders associated with sourcing, selling and consuming a company's services and products. This form of mapping allows us to see where our material topics affect our value chain. While many of these material topics are related to activities that occur within Grainger's direct operations, some have implications throughout our entire value chain. The graphic above shows the boundary of each of our material topics.

KEY FINDINGS FROM OUR MATERIALITY ASSESSMENT PROCESS

Continuing Engagement The interest in Grainger's Environmental, Social and Governance (ESG) profile suggests a need for greater communications on sustainability objectives and deeper engagement with stakeholders to address sustainability challenges and opportunities.

Customer Data Privacy As technology evolves, the customer experience may be enhanced through the use of personal data. With that enhancement, new considerations arise for organizations like Grainger in processing that data and in operating in observance of applicable regulatory requirements and meeting customer expectations.

MRO Solutions Stewardship Differences in customer size and complexity, industry type and our primary customer contact can make the link between the evolution of sustainability and the challenges our customers face a moving target. Our customers believe we have an opportunity to strengthen that link and create a distinct positive global sustainability effect with our products and services.

Inclusive and Diverse Culture Our customers span the globe and represent every demographic group, and we best serve them when our workforce reflects their diversity. Diversity helps us better understand the different needs of our customers and deliver products and services that improve their daily lives. To give our stakeholders greater visibility to the diversity of our workforce, we learned there was value in releasing the demographic data for our workforce.

Thought Leadership As suppliers continue to innovate environmentally preferable product, Grainger is uniquely positioned to use its expertise and leadership to engage with suppliers to help identify and scale policies and solutions that help reduce greenhouse gas emissions and further the circular economy.

Business Conduct Guidelines

Our Business Conduct Guidelines apply to all areas of Grainger's business, both domestic and international. These guidelines define a common understanding of ethical principles that guide the way Grainger works with customers, suppliers and colleagues. In addition, guidelines specific to customer segments (such as our healthcare and public sector segments) and geography may be required for operations.

Ethics Training

All Grainger team members are expected to demonstrate their personal commitment to the company's high operating standards by certifying to their compliance with the Business Conduct Guidelines annually. In addition, each new U.S. team member joining Grainger is required to complete training and certification within five days of hire. New international team members are required to complete training and certification within 35 days. Team members also complete training every three years to fully understand the expectation of legal and ethical behaviors defined by the Business Conduct Guidelines.

Anti-Bribery and Corruption

Grainger places the highest value on integrity in its business dealings and the ethical conduct of its directors, officers, team members, agents, shareholders, customers and suppliers. As set forth in our Business Conduct Guidelines, Grainger is committed to business practices that are consistent with the highest ethical and legal standards. Grainger expects the same ethical and legal commitment from all third parties (business partners, brokers, consultants and agents) acting on Grainger's behalf, and others with whom Grainger conducts business. Grainger team members in certain roles are required to complete biannual Anti-Corruption and Anti-Bribery training and certification to reinforce the requirements of this policy.

Encouraging Reporting Practices Grainger engages a third party to maintain a helpline for anyone (inside or outside the company) to report ethical concerns or complaints regarding company practices. Those within North America can call a secure, 24-hour hotline at 888-873-3731. A global website is also available at www.tnwgrc.com/grainger. The company takes all reports seriously and does not tolerate retaliation against team members or others for asking questions or voicing legal or ethical concerns in good faith.

STEWARDSHIP IN THE SUPPLY CHAIN

Supplier Code of Ethics

Grainger works with thousands of suppliers to offer more than 1.7 million products used by customers to maintain, repair and operate their facilities. To help ensure the products we distribute are manufactured and delivered with high ethical standards, our Supplier Code of Ethics focuses on four main areas of ethical sourcing: human rights, labor, environment and anti-corruption. All Grainger suppliers and their sub-suppliers with dealings in the U.S., Canada and Mexico are expected to comply with the Supplier Code of Ethics. These suppliers must acknowledge our Code of Ethics and agree to the expectations within as a condition of doing business with Grainger. Prior to onboarding, a new supplier must agree to abide by the Supplier Handbook, which includes applicable Grainger policies, transportation requirements and the Supplier Code of Ethics. All suppliers must agree to abide by these rules and confirm this by signing a Supplier Agreement Letter.

Supplier Diversity

Grainger has more than 20 years of successful experience offering small and diverse companies opportunities through two core programs.

Small and Diverse Suppliers Grainger started its Supplier Diversity Program in 1999 to assist in growing this sector of the economy while helping customers get their jobs done with quality products made by small, women, minority, disabled, veteran and LGBT-owned businesses. Grainger offers thousands of items from Certified Supplier Diversity businesses to more than a million of Grainger's U.S. customers through its catalog and distribution channels.

In 2017, our supplier contracts team implemented a comprehensive indirect & direct source-to-pay solutions database, which will provide us enhanced technological and data capabilities for managing our supplier base.

This database is a win-win: it provides our team members powerful capabilities around our supplier reporting process providing the most updated information available and retrieving the supplier small and diverse designation more easily. Also, it provides our small and diverse suppliers with compliance-based reminders, like when to update their small and diverse certifications.

Distributor Alliance Program Since 2006, the Distributor Alliance (DA) Program has helped customers support Diverse Business Enterprises while consolidating maintenance, repair and operating purchases. More than 50 DA members resell the full 1.7 million products offered by Grainger and provide services to customers with mandated procurement goals to support small businesses and provide employment opportunities to women, minority and veteran-owned businesses. The DA member is one of the many points of contact for the customer, including regional business managers who mentor the diverse DA members and act as a liaison between Grainger, the end customer and the DA.

Supplier Performance Management plays an integral role in Grainger's strategic objectives by driving suppliers' operational performance to deliver flawless orders to our customers. Each day, the team works with our supplier base of approximately 5,200 suppliers to improve operational performance, educate on Grainger's shipping requirements, and drive compliance on replenishment purchase orders heading into our network and drop ship orders delivered directly to our customers.

We monitor each partner's performance with a monthly balanced scorecard and provide feedback and offer assistance in performance areas where improvement is needed. We seek to provide meaningful focus in pragmatic areas where efficiency can be gained and effectiveness can be improved.

Partners in Performance Partners In Performance is an annual Grainger event sponsored by our Vice President and President, Merchandising and Supplier Management, designed to recognize and celebrate top performing suppliers, as well as to educate and inform the supplier community about Grainger's key initiatives and strategy. The 2017 event was a great success and built upon the foundation of value suppliers provide to Grainger and our customers.

Human Rights At Grainger, the way we conduct business is as important as the products and services we provide. Grainger's **Human Rights Principles** reflect our philosophy on how we will conduct business on a global basis, including the company's commitment to providing a safe and fair workplace that upholds and respects international human rights standards. These principles are applicable to all Grainger team members, and are approved and monitored regularly by Grainger's senior leadership.

Our Human Rights Principles create the foundation upon which we build a respectful, inclusive and ethically sound workplace. Harassment, exclusion, discrimination, child or forced labor, and violation of any applicable laws or regulations are explicitly prohibited and excluded from Grainger's workforce as part of these principles.

Conflict Minerals As a distributor of hundreds of thousands of branded and private label products manufactured by companies located around the world, we are invariably many levels removed from the beginning of our supply chain. Even so, Grainger is committed to acting in a socially and environmentally responsible manner and we take our responsibility within the supply chain seriously. Grainger supports the goal of the Dodd-Frank Act of preventing armed groups in the Democratic Republic of the Congo and adjoining countries from benefiting from the sourcing of certain minerals from that region.

Maximizing Product Quality in our Private Label Brands

Our multinational sourcing business includes two global testing and engineering facilities. The teams in these facilities focus on maintaining the high quality of our private label brand products. Our Return Rate performance, over the past four years, reflects the effectiveness of the testing and engineering teams' focus on driving improvements in Total Returns of private label brand products.

Return Rate Performance We measure private label brand quality through the return rate of those products. Product return rate is calculated as a percent of total return dollars over cost of goods sold (COGS). In 2016, overall performance was 3.20 percent. Our 2017 performance, at 2.99 percent, was favorable by 21 basis points over 2016, with COGS remaining flat from 2016 to 2017.

21 basis points
Percentage reduction in total returns in GGS Products

TOTAL RETURNS AS A PERCENT OF PRIVATE LABEL COGS

INITIATIVE >> In August, we began communicating with a top five customer to better allocate and forecast orders as an effort to reduce their Traffic Safety Vest and I-Beam/Column Protector simple returns. At the time, 2017 YTD simple return dollars were up 80% compared to 2016.

EFFECT >> Since this communication, the sales team has worked with this customer to create a listing of building types and a recommended Bill of Materials forecast to create a consistent, standard ordering schedule. This leads to less excess material being ordered, hence less returns requested and processed.

QUALITY RETURNS AS A PERCENT OF PRIVATE LABEL COGS

INITIATIVE >> In the summer of 2017, our team identified an error in a customer's Electronic Data Interchange (EDI). A discrepancy in the pack quantity of knit gloves ordered resulted in over orders, a spike in return dollars and overall waste in their supply chain. By working directly with their purchasing team, we identified the discrepancy, corrected their ordering system, and mitigated the downstream impact.

EFFECT >> Since this correction, return dollars in this category are down 91%.

Governance at Grainger

Our commitment to Corporate Social Responsibility begins with our Board of Directors. Our board, guided by the [Operating Principles for the Board of Directors](#), is responsible for the overall stewardship, governance and performance of Grainger. The board oversees the company's business affairs and integrity, works with management to determine the company's mission and long-term strategy, establishes internal control over financial reporting and assesses company risks and strategies for risk mitigation.

In accordance with the Operating Principles for the Board of Directors, the board maintains three committees: [Audit Committee](#), [Compensation Committee](#) and [Board Affairs and Nominating Committee](#). The board has delegated authority to each committee through individual charters that establish the roles and responsibilities of the committees in accordance with the Operating Principles. Only independent directors serve on these committees.

Among the responsibilities of the [Board Affairs and Nominating Committee](#) is reviewing and providing guidance to management on our Corporate Social Responsibility policies and programs, including environmental sustainability and community engagement.

Board Qualifications, Attributes and Background

Grainger is committed to a diverse, experienced and vibrant Board. Our Board is currently comprised of 11 directors of varying experience and background, including two new directors appointed in 2017. As a result of the Board's ongoing refreshment efforts, we added directors with expertise in the technology and digital space, as well as in leading corporate social responsibility initiatives for a global business. Our two newest directors, Beatriz Perez and Lucas Watson, have enhanced the diversity of our Board in addition to bringing their valuable perspectives and experiences.

Corporate Social Responsibility Governance

Grainger strives to serve others responsibly. To do so, we harness the power of our sound business principles, strong policies, sustainable facilities and engaged workforce to drive the investment and strategic alignment of our CSR program.

Structure and Strategy The CSR Working Group, established in 2014, is led by our Vice President, President Merchandising and Supplier Management and is composed of leaders and subject matter experts in targeted functional areas. These individuals lead programs that support initiatives within our four pillars (Operating Responsibly, Valuing our People, Sustaining our Environment and Serving our Communities) and are responsible for implementing programs to drive progress toward our CSR goals. In 2017, we added two new members to the working group bringing expertise in data privacy, disaster relief and response, and environmentally preferable product procurement.

The Charter for the Board Affairs and Nominating Committee of our Board of Directors includes the responsibility to review and provide guidance to management about our policies and programs that relate to our CSR program including environmental sustainability and community engagement. It conducts this review on an annual basis, with information provided by the CSR Working Group.

The executive sponsor of the CSR Working Group provides guidance on the implementation of our CSR initiatives and ensures that program development is designed with our business objectives in mind.

In 2017, we launched the CSR Advisory Council, a small group of senior-level team members who frequently interact with customers, investors, suppliers, or have direct line-of-sight to the revenue-generating parts of the business. The group's primary objectives are to provide strategic awareness to the program and to encourage developments in transparency throughout the organization. Adding team members in the areas of risk management, data privacy, corporate governance, and large contract sales and marketing strategy, the Council will work to enhance our unique value for customers, while supporting Grainger as responsible stewards of our business. The Advisory Council represents a meaningful step forward in our CSR and corporate citizenship efforts in a way that is authentic to our organization.

Grainger's Environmental, Health and Safety Program (EHS) is designed to integrate EHS initiatives into all aspects of business operations. The program encompasses five key components:

- Leadership provided through partnership with Operations and EHS Teams;
- Policy Guidelines outlining company and regulatory requirements;
- Education and Awareness which is disseminated throughout Grainger's Operations;
- Goals and Measurements defined as Key Performance Indicators; and
- Monitoring and Recognition to evaluate progress throughout the year and recognize achievements.

That is why we ask all team members involved in shipping our products to complete extensive training so they can confidently perform their duties. We provide very clear parameters to our safety leaders to ensure every team member has the knowledge they need. During 2017, our managers conducted nearly 17,000 behavior-based observations and our team members spent nearly 20,000 hours training on safety policies and procedures.

All operational team members continue to demonstrate their personal commitment to safety by completing the required certifications. In addition, team members re-certify at least every three years and, in some cases, annually. Team members also complete training to fully understand the expectation of behaviors defined by the Global Environmental Health and Safety Policy.

Safety Assessments In 2017, to further differentiate Grainger as a leader for safety solutions, we completed comprehensive self-assessments in 36 branches. The assessments covered topics such as basic hazards, material handling, emergency preparedness, waste disposal, risk and risk management. Results of these assessments are communicated to branches leaders and Environmental Health and Safety executives, with follow-up, accountability and closure of actions are delineated in a corrective action plan for each branch.

Safety Culture

Our EHS program is driven by engaged team members who are committed to maintaining a strong culture of safety. Each Grainger U.S. distribution center has a dedicated Area EHS Manager who helps ensure operations are safe and effective. The company's Global EHS Policy requires team members to understand and comply with EHS regulations related to facility safety, personal protection and emergency response.

To support this culture, we have key initiatives that provide team members with opportunities to be active participants in safety processes. These include:

- Conducting safety audits and inspections and
- Leading safety training and safety reminder discussions during pre-shift huddle meetings.

Safety Committees Our team members assist in safety stewardship and injury prevention through their leadership and participation in our safety committees. These committees were created to align safety-related solutions across DC operations. Safety committee meetings are held monthly, foster observational and data-driven decision-making, and ensure common resolution and consistent execution within our DC operations. Leadership of these committees rotates, providing development and recognition opportunities for improvement. "On-the-Floor" meetings enable team members to walk through a facility and identify opportunities to create a safer working environment. "Off-the-Floor" meetings encourage team members to share safety trends and the chance to review safety videos. These committees create greater engagement among our team members and foster a more team member-led safety culture.

In 2017, 178 team members participated in safety committees across 10 DCs and 3 master branches, representing approximately 5% of the operational team member population.

Watch my Back, Please! Studies by the [National Safety Council](#) suggest that engaged business units have significantly fewer safety incidents than units with lower team member engagement. With this in mind, we rolled the campaign out in our U.S. DCs in Q1 2018. The program, designed to increase team member awareness and engagement around safety initiatives and ergonomic procedures, provides a fun and approachable framework for mutual accountability. Team leaders facilitate conversation in stand-up meetings with team member suggestions for watching each other's backs for safety throughout the workday.

Aligned with OSHA voluntary protection programs, which promote effective worksite safety and health through cooperative relationships, our campaign satisfies a critical part of any safety culture: encouraging team members to own their safety and the safety of their fellow team members.

Contractor Safety Program From time to time, contractors enter our facilities to assist in the maintenance of our facilities or systems. Although these contractors are not Grainger team members, they are expected to work in the same safe manner. Contractors provide important services to the company but may be unfamiliar with their surroundings. Through this contractor safety program, which includes training and audits, we can create a safe environment for all individuals on-site. Since the implementation of this program, we have on-boarded 147 contractors onto our EHS Management System.

Systems and Partnerships

Partnerships Grainger remains as the National Founding Sponsor of the National Safety Council's Journey to Safety Excellence.® This initiative mainly targets small-and medium-sized organizations, offering measurement tools and easy-to-access resources to help keep team members safe and healthy.

Acklands-Grainger is the National Founding Sponsor of Canada's Safest Employers Award, a nationwide competition to raise awareness about the importance of safety in the workplace.

A PLACE TO THRIVE

We work hard to cultivate a great work environment for our team members because they are critical to the success of our business. We know that a great customer experience starts with a great team member experience and those experiences are driven by engaged and effective leaders. We provide our team members with training and development designed to help them succeed and grow their careers. We focus our efforts in three areas: talent management, team member well-being and creating an inclusive and diverse workplace.

Team Member Experience

Grainger is continuously improving our team member experience. We support each team member through talent management and team member learning programs, and we encourage career and leadership development at each stage of a team member's tenure.

Talent Management We offer a comprehensive talent program that begins at orientation and continues throughout a team member's career. This is aligned to our business strategy; our company succeeds when we equip and energize team members to excel. Our talent program is comprised of career management, team member learning, performance management, and leadership development offerings to help grow and mobilize our team members to grow and succeed.

Streamlining talent management activities within Grainger has been a focus since launching the Global Talent Excellence Suite (GTES) in 2013. Providing team members and leaders with one, easy-to-use tool for all talent related activities drives productivity and creates efficiencies across the business. In 2017, two additional modules were added to the GTES: annual compensation planning and learning management. Annual compensation planning is now managed through the tool, creating an enhanced pay-for-performance process and ensuring top talent is recognized and rewarded.

Rudy Juarez has been honored as a 2017 Business Leader of Color by Chicago United, an organization that helps advance multiracial leadership in corporate governance, executive level management and business diversity in Chicago. Rudy, along with 49 other honorees, was recognized for the effect made at Grainger and the broader business community.

Rudy has been Vice President of Latin America & Export since October 2016 and is part of the Grainger International Leadership Team. He has helped prioritize profitable growth and high standards of ethics and integrity in key geographies and has direct responsibility for Mexico, Caribe and Export. Rudy's leadership has helped us increase the effectiveness of sales teams, focus on the right metrics and invest in what customers' value the most in these markets with high-growth potential.

Team Member Learning Our team members continue to learn and develop as the needs of our business change. Whether a team member requires role-specific training, foundational skills training or leadership training, Grainger offers more than 1,300 courses through our Learning Management System and more than 800 courses through our mobile learning platform for sales, formal mentoring opportunities and on-the-job development. Through these resources, team members can grow in their current roles while developing skills for the future. In total, Grainger team members completed more than 279,520 non-operational training hours in 2017. The average number of training hours per team member was 11.3.

In 2017, Grainger transitioned to a new Learning Management System (LMS) within GTES. This enhancement links learning to other talent excellence systems to drive an integrated and simplified team member experience. The LMS module was implemented in Canada in the first half of 2017, with the remainder of North American and parts of Asia to go live in early 2018.

TEAM MEMBER PARTICIPATION IN LEADERSHIP TRAINING PROGRAMS

This new LMS integration will provide our team members with an enhanced experience and capabilities, including a refreshed look and feel, convenient access through a cloud-based system and broader opportunities to grow and develop through just-in-time learning solutions. The new GTES module will increase collaborative learning across the business, expand the total learning repository and enable all countries to leverage and localize content.

Leadership Development We create a sustainable workforce through the development of strong leaders from all parts of the business. Our leadership development process succeeds by:

- Creating a strong bench of well-prepared leaders and
- Enhancing organizational effectiveness and team member engagement through strong leadership

Grainger's commitment to the growth of its team members is exhibited through its leadership development programs. These multi-week, cross-functional sessions are targeted toward key team members world-wide. Offerings include Grainger's Global Emerging Leader Program, First Time Manager Program and Global Experienced Manager, a program added in 2014 for frontline and mid-level managers. Each program is designed to provide guidance to leaders wherever they are on their leadership journey.

Grainger continues to be committed to leadership effectiveness as part of its people strategy. This includes our people leader effectiveness goal, the upward feedback survey and accelerating participation in leadership programs. Of the 2,276 leaders eligible to participate in 2017, 87 percent received a report, based on the requisite number of respondents to ensure confidentiality. Increasing the investment in leader effectiveness enables strong people leaders at every level of the company, which in turn has a significant effect on Team Member Experience and, ultimately, customer experience and business results.

100%

of team members participate in performance reviews

Performance Management Performance Management is a continuous process that helps team members focus on the right priorities. Team members receive regular feedback and coaching to improve their performance and are provided with opportunities to help them grow and develop. Each team member develops three to five clear, meaningful goals that are aligned to company strategy and receive biannual performance assessments based on progress against goals and demonstrated behaviors.

DEVELOPMENT PLANNING AND CAREER MANAGEMENT

Team members are encouraged to have a robust Individual Development Plan (IDP). An IDP is a documented plan shared between a team member and their leader that outlines a team member's plan to grow and develop in their current role and prepare for future roles at Grainger. Additionally, we offer career planning tools for team members to explore new roles in different parts of Grainger's business. A role library provides real life stories from team members who work in different functions, and self-assessments allow team members to discern opportunities that might be a strong fit.

Grainger recognizes the value of diverse talent and provides opportunities for individuals to attend external programs to continue their growth and development. High potential women had the opportunity to take part in a multi-dimensional Leading Women Executives Program, as well as a number of programs through the Executive Leadership Council.

Leading Women Executives is a leadership program for high-potential female professionals that focuses on three critical elements for success: organizational support, leadership skill building, and ongoing networking. This year, Grainger sent 3 team members to this program. Erin Ptacek, Director of Internal Communications, shared her experience.

ERIN PTACEK

“Participating in the Leading Women Executives program provided me a meaningful opportunity to advance and extend my leadership development both internally and externally. Having the ability to network with and learn from other women professionals while also gaining valuable insight from the program curriculum and speakers created a very enriching experience.”

At Grainger, our long-term success is the direct result of team member collaboration and individual contribution. In return for everything our team members do, we deliver an above-market Total Rewards programs that offers flexibility and choice, and the opportunity for our team members to actively participate in the benefits that are most important to them and their families.

Our Total Rewards programs are designed to meet the diverse needs of our team members and support their health and well-being, financial future and work-life balance. We encourage our team members to take charge of their health and create their own wellness journey. Team members are given access to health plan resources which include disease management, tobacco cessation, maternity support, stress management and weight loss programs with access to online support communities, 24-hour virtual health services and many other resources so they can get timely health-related advice.

In addition, we provide retirement savings, paid holiday and time off, educational assistance and income protection benefits as well as a variety of other programs to U.S. team members.

We regularly seek team member feedback and conduct external compensation and benefits-related benchmarking to remain competitive in each of the markets in which we operate.

Grainger Creates a Great Team Member Experience

In 2017, we traveled to 20 of our largest facilities to conduct the Total Rewards Roadshow, an expansion of our health and benefits fair, with representatives from many of our core programs. The Total Rewards team and our program partners were on-site to engage in personalized dialogue with team members. Our approach is innovative and builds awareness and accountability for our team members around the services available to them as a member of Grainger's team. Our team's purpose during the roadshow was to:

- Reinforce the value of Grainger's Total Rewards offerings
- Increase awareness, engagement, utilization and program and plan participation
- Create a closer, personal connection between team members and the Total Rewards program; and
- Help team members understand the tools and resources available.

An Inclusive and Diverse Culture

At Grainger, focusing on our common purpose and leveraging our differences makes us extraordinary.

We are deeply committed to a culture of inclusion that is meaningful to our team members, allowing us to attract, develop, engage and retain the best talent available. We serve the business needs of an increasingly global and diverse customer base

and we strive to ensure our team reflects this rapidly changing world. Inclusion and diversity is integral to Grainger's business success, and the company is committed to fostering an inclusive environment where all team members feel safe, valued and encouraged to voice their opinions regardless of age, gender, race, ethnicity, sexual orientation, veteran status, disabilities or backgrounds.

Training The company reinforces its commitment to inclusion and diversity by offering instructor-led and e-learning courses such as Inclusion and Diversity: A Business Imperative and The Inclusive Team Member, which help team members understand the business case for diversity, explore the enabling mindset and behaviors that facilitate inclusion in the workplace, respond effectively to differences and increase the level of inclusion in their work area. Another offering, The Inclusive Leader, equips people leaders with inclusive behaviors, skills and best practices around attracting, developing, engaging and retaining the best and brightest people at Grainger.

The Asian Pacific Islander BRG

The mission of the Asian Pacific Islander Business Resource Group (API BRG) is twofold:

- >> To unlock the full potential of API team member talent, drive cultural awareness within Grainger and drive business results.
- >> Market Grainger to the API community (internal and external) as a great place to work, where API team members thrive and add significant value to the business and the community.

A Commitment to Advance Diversity In 2017, a group of more than 150 CEOs, including Grainger's DG Macpherson, signed the CEO Action for Diversity & Inclusion, the largest CEO-driven business commitment to advance diversity and inclusion in the workplace. By signing on to this commitment, CEOs are pledging to take action to cultivate a workplace where diverse perspectives and experiences are welcomed and respected.

With that commitment in mind, our 2017 report marks an important milestone in our CSR story. This year's report provides additional insight into the diversity and inclusiveness of our organization by delivering insights on our diversity performance. We believe that the development of an inclusive workforce is essential to our success. To better serve those stakeholders, we are working to improve our performance every year.

Global Workforce In 2017, Grainger employed approximately 25,000 people worldwide: 77 percent of our team members are based in North America, 12 percent in Europe, 6 percent in Asia Pacific and 4 percent in Central and South America.

U.S. Workforce Demographics In 2017, Grainger's workforce was 37.4 percent women overall and 29.6 percent women in leadership positions. Also, Grainger's workforce was 31.8 percent racial and ethnically diverse team members overall and 23.3 percent racial and ethnically diverse leaders. According to the *2015 Job Patterns for Minorities and Women in Private Industry EEO-1 National Aggregate Report*, our current performance outpaces the NAICS Industry Composite for both digital and industrial distributors.

US BLN Going for the Gold

Since 2014, Grainger has partnered with the U.S. Business Leadership Network (USBLN) as part of their Going for the Gold Initiative. Going for Gold connects participating corporate partners with USBLN subject matter experts and unites them around disability inclusion through leading practices and tools. Since the partnership began, we've hired 277 team members with disabilities, an increase of 857 percent. Earning a score of 80 percent, we have been recognized as a 2017 Best Places to Work for Disability Inclusion on the Disability Equality Index, which measures how effective companies are with respect to disability inclusion. We are proud of this recognition and look forward to further strengthening Grainger as a Great Place to Work for everyone.

Sustaining Our Environment

At Grainger, we are committed to conducting business in an environmentally responsible manner while working to reduce energy use and minimize waste in our operations. To do so most effectively, we focus on the environmental challenges within the material parts of our business: our operations, our products and our supply chain.

IN THIS SECTION

OUR APPROACH

We work to continuously improve our environmental performance across our value chain from our suppliers through our operations and to our customers. We encourage stewardship in our operations and seek to share the lessons we have learned with others. We partner with several third party sustainability organizations, such as the CDP (formally known as the Carbon Disclosure Project), the GreenBiz Executive Network, the U.S. Environmental Protection Agency Smartway program, UL Inc. (formerly Underwriter's Laboratories, Inc.) and the U.S. Green Building Council to help us align our environmental investments with our stakeholders' expectations.

We help our customers with their sustainability journey by offering the right products and lending our expertise around services and solutions that are more sustainable. In addition to helping our customers, we are identifying new opportunities for Grainger to integrate and sustain sound environmental practices in our own operations and the operations of our customers.

Our Operations

We primarily focus our efforts where we can have the most influence. Grainger's distribution centers (DCs) account for roughly 34 percent of our operational square footage and will proportionally increase as we expand our service offering. Inherent to this footprint is an opportunity for energy management. We closely monitor our energy consumption and improve our green energy mix by researching sustainable solutions to increase efficiency and utilize renewable energy. When possible, we invest in onsite renewable energy, purchase renewable energy credits and green tariffs.

[>>Learn More About Our Operations](#)

Our Products

Grainger provides customers with the products they need to keep their businesses running over the long term. As part of this, we work to understand how these products affect the environment. Our customers have increasingly requested environmentally preferable products and we stock them to meet this need. We currently offer more than 72,000 environmentally preferable items that help customers maintain sustainable facilities through efficient energy management, water conservation, waste reduction and air-quality improvement.

[>>Learn More About Our Products](#)

Our Supply Chain

We view our suppliers and vendors as our allies in improving our emissions and materials management. We rely on a network of third-party carriers to meet our transportation needs. We work with our largest suppliers to innovate and improve our distribution packaging. We collect data and share best practices in sustainability across our value chain by engaging our suppliers through the CDP Supply Chain Program.

Grainger maintained the A- CDP score for three years in a row

Climate Change Disclosure

We recognize that climate change is a significant global issue. The company is taking steps to reduce its energy use and greenhouse gas (GHG) emissions. Grainger has participated in the CDP since 2009, providing detail on business risks and

opportunities related to climate change. In 2012, we became the first industrial distributor to publicly disclose its carbon footprint.

Dow Jones Sustainability Index Grainger, recognized for its corporate sustainability leadership, debuted in 2017 on the North American Dow Jones Sustainability Index. The Dow Jones Sustainability Indices are a family of global benchmarks for corporate sustainability, tracking companies based on investment firm RobecoSAM's analysis of financially relevant environmental social and governance factors. Currently, Grainger is the only industrial distributor in the North American Index.

ENERGY EFFICIENCY

Greenhouse Gas Emissions (GHG)

We are committed to the global effort to reduce GHG. We focus our reduction strategy around two specific areas: reducing GHG intensity and waste in our own operations and supporting emissions reduction strategies in our supply chain through collaboration and increased transparency. Scope 1 emissions are direct emissions from owned or controlled sources. Scope 2 emissions are indirect emissions from the generation of purchased energy.

Scope 1 and 2 We chose 2011 as our baseline year, in which emissions totaled 142,306 metric tons. Since 2011, we have reduced Scope 1 and Scope 2 emissions by nearly 22 percent. In 2017, our Scope 1 and 2 GHG emissions were 110,654 metric tons. To help offset these emissions we generate renewable, zero emissions energy and participate in green energy procurement.

Intensity Target In 2013, Grainger became the first industrial distributor to set a GHG reduction goal. Our target is to reduce our North American Scope 1 and Scope 2 GHG emissions intensity per unit revenue 33 percent by 2020. The goal was

SCOPE 1 AND SCOPE 2 EMISSIONS WITH INTENSITY

*For 2017 data, Grainger updated the Scope 2 eGRID Emissions Factors for the United States from eGRID2014 (Year 2014 Data) to eGRID2016 (Year 2016 Data). Based on the previous year's usage this resulted in a reduction of approximately 5,596 MT of CO_{2e}, or 4% of Grainger's GHG emissions in 2016. (5,596 MT CO_{2e}/128,572 MT CO_{2e})*100 = 4 (Grainger's 2016 scope 1 and scope 2 emissions equals 128,572)

Grainger's intensity metric includes the GHG emissions from operations that were under direct operational control as of 2014, the year our goal was set. This includes W.W. Grainger, Inc. in the U.S., Grainger Mexico and Acklands- Grainger in Canada. Starting in 2015, Grainger improved its calculations to include all North American business within operational control after 2014. We verified only our U.S. data through a third party in 2011. Therefore our baseline year calculations include estimates for Acklands-Grainger and Grainger Mexico. We calculated these estimates using the average of 2012 and 2013.

Intensity Target Goal
33%
GHG Reduction by 2020

designed to be achievable, yet challenge our operations to identify innovative ways to operate more efficiently. We are right on our target, and have reduced MTCO_{2e}/Revenue intensity to 12.5, a 33 percent reduction since 2011. Our 2020 goal focused Grainger on doing business the right way by investing in 5.3 MW of renewable energy and energy efficiency through the installation of Building Management Systems (BMS). To drive progress toward this goal, our GHG target is included in the performance appraisals for our corporate sustainability team. In addition, energy reduction projects reduce utility expenses and improve operating expenses, indirectly affecting profit sharing for U.S. team members.

Energy Use We continue to invest in key facility enhancements, engage employees, and incorporate sustainability principles and continuous improvement into our real estate footprint. Grainger's facilities account for about 90 percent of our annual energy use in North America. We focus our efforts to improve energy efficiency in our largest buildings, including corporate offices and DCs.

Renewable Energy We are committed to doing business the right way and embed sustainability into our operations wherever feasible. In total, Grainger currently has 5.3 MW of solar panels installed on the rooftops of its DCs. These systems have met all energy generation and financial expectations, have minimal maintenance requirements, provide a reliable monthly financial benefit and offer a significant percentage of energy independence, lowering operational risks.

Facility Performance Optimization

In 2017, in order to help benchmark and standardize opportunities across our network, we conducted deep dive energy audits on 4 of our 10 major DCs in North America. We discovered commonalities among energy loads and batteries, HVAC systems, lighting, conveyor systems and air compressors, to name a few. All of these areas offered strategic opportunities for long-term efficiency gains. We then rolled out our discoveries to our branch network and corporate and administrative facilities, with similar success. Additionally, we found it to be very effective to implement comprehensive building management systems in key locations, update to LED lighting and other turn-key solutions with great return on investment timeframes, and various other initiatives.

This graphic represents one month of energy usage at our Jacksonville DC. The red represents the highest kW energy usage peak, or demand peak, for a given day. Heat maps like this one help us discover outliers in DC energy use and optimize our facilities to conserve resources and reduce cost.

5.5M square feet

LEED-certified space through 17 North American Grainger facilities

In 2017, Grainger celebrated the grand opening of its new DC in Bordentown Township, N.J. (NEDC) The 1.4 million-square-foot facility stocks more than 300,000 items and allows the company to deliver more products by the next day to customers in the Northeast. The DC runs on state-of-the-art distribution technology enabling real-time order processing. A 4.3 megawatt solar panel system was installed on the facility's roof. This system included 13,000 high efficiency SunPower solar panels that generate on average about 40 percent of the DC's annual electricity requirements, which is equivalent to 1.6 percent of Grainger's North American carbon footprint. In early 2018, the U.S. Green Building Council (USGBC) approved LEED GOLD certification for the NEDC. This project will not only reduce annual operational expenditures significantly, but it will also play a key role in helping us meet our GHG reduction goals. This project will not only reduce annual operational expenditures significantly, but it will also play a key role in helping us meet our GHG reduction goals.

We consider investments in renewable energy on a case-by-case basis as part of new project plans. Our decisions to invest often occur in locations where we can offset energy use, improve operational efficiency and create a return on investment.

Building Management Systems Our BMS are the primary means through which Grainger achieves its energy efficiency goals. When operating optimally, they allow facility managers to provide the proper working environment while minimizing Grainger's energy costs. Effective utilization allows us to extend the operational life of equipment and systems through reduced energy consumption and operating hours. As a result, maintenance and capital costs are reduced, and less embedded energy is consumed through equipment replacement and upgrades.

Currently, 14 of our largest facilities have either been built with or retrofitted with BMS. On average, Grainger has realized a 10 to 15 percent reduction in energy use and expenses at its facilities after installing BMS.

Reduction in energy use and expenses at Grainger facilities after installing BMS

LEED Certification Grainger has been a member of the U.S. Green Building Council (USGBC) since 2007, and remains committed to building Leadership in Energy and Environmental Design (LEED) certified facilities. We use the USGBC's LEED certification programs to guide best practices for the design, construction and operation of our facilities. Since 2008, we have made a commitment to build all new corporate projects to meet LEED standards, and seek certification under rigorous third party reviews. It's proven that LEED-certified buildings use 25 percent less energy with a 19 percent reduction in aggregate operational costs in comparison to non-certified buildings. Grainger currently maintains 5.5 million square feet of LEED certified space through 17 North American facilities, representing 24 percent of Grainger's total square feet in North America. This includes the first LEED certified building in the MRO industry, the first LEED certified DC in Monterrey, Mexico, the largest LEED-CI Platinum project of 2015, and the world's first LEED V4 data center.

PACKAGING PERFORMANCE

Ship Complete Given our 90 years of experience and more than 100,000 transactions a day, we understand the purchasing habits and buying behaviors of our customers. We know how they purchase online at home is different than at work. While a general consumer shopping for personal products at home may be fine with a staggered approach to completing a multi-product order, that same person has a completely different mindset at work when all of the products need to be there together to complete a critical project.

Grainger strives to ship all items in an order in one box and on the same or next day, depending on customer needs. Internally, we refer to this practice as “ship complete.” This approach and commitment to serving customers in the most efficient way possible also has positive implications on the environment. Ship complete reduces the amount of boxes we need overall, thereby increasing energy efficiency and producing fewer emissions through our transportation partners.

Grainger boxes are fully recyclable, made from 43% post-consumer content

Sustainable Packaging As part of Grainger’s commitment to ethical sourcing, we work closely with suppliers to identify potential opportunities to minimize unnecessary packaging while reducing the risk of damage to the products we offer. In 2015, we introduced Supplier Packaging Guidelines to our U.S. and GGS suppliers to encourage them to take sustainability into account when making packaging decisions. The guidelines

include best practices to help reduce damage and waste while maximizing recyclable materials. For example, the iconic Grainger boxes are fully recyclable, made from 43% post-consumer content and certified by the Sustainable Forestry Initiative.

In 2016, all U.S. Grainger DCs transitioned packaging materials for light bulbs from foam to kraft paper made with 100 percent recycled raw materials. The paper is produced at a paper mill certified by the Sustainable Forestry Initiative with a closed-loop

water system that produces no municipal wastewater. The transition was a win-win-win: a cost saving for Grainger, easy to recycle for our customers and better at protecting our product.

In select DCs, we have transitioned to a custom wrapping solution that employs automated technology to provide right-sized packaging for oversized items, reducing the overall amount of packaging required. We continue to expand our use of plastic air pillows as dunnage for small parcel shipments, of which most are bio-degradable (non-oxo-salt containing material), and, in 2016, we transitioned to a high-efficiency film air pillow, which helps reduce overall plastic use.

Packaging Performance Grainger’s DCs are dedicated to reducing corrugate usage and packaging and freight expenses. We measure packaging and corrugate efficiency by tracking the number of boxes we send over the number of orders we receive. This data point, called carton-to-order ratio (CTO), helps us understand the positive effect that shipping orders containing multiple items in one box can have on our environment.

Company initiatives, such as pricing changes and adjustments to order routing logic, favor shipping orders in one box. Nevertheless, slight increases in CTO are expected, given the effect these initiatives may have on the way DCs experience volume. An increase in customer orders and products per order may require additional cartons. However, when mapped against increases in volume, CTO has remained relatively flat YoY.

Recycling and Waste

By standardizing recycling practices and sharing best practices across our network, we are continually improving the recycling rate in our U.S. DCs. Teams are trained to use a color-coded system to separate and bale materials such as cardboard, plastic wrap and metal and are encouraged to share and test ideas for ongoing improvements. As a result of these efforts, our U.S. DCs routinely recycle upwards of 84 percent of what would otherwise be waste streams. To that end, in 2017 we began to lay out a longer-term strategy and framework for how to achieve landfill-free operations in our DCs.

To maintain a high level of accountability in our materials management process, the sustainability team shares monthly reporting with the DC teams and members of the operations leadership team. Local DC facility managers also have recycling rate as part of their annual performance goals.

Resource Efficiency

Grainger does not directly manufacture the products it sells so our water consumption is minimal. However, we do measure our water footprint and look for opportunities to reduce usage, such as installing water-efficient fixtures and landscaping irrigation at our largest facilities. Grainger's total water consumption in the U.S. in 2017 was 467,840 cubic meters.

DC NETWORK RECYCLING RATE

(Amount of waste diverted from a landfill)

Since our sustainability team began to partner with our DCs to focus on recycling, we have improved our overall recycling rate by more than 14%.

DC RECYCLING RATE

HIGHLIGHTS

- The DC network recycling rate finished 2017 at 84.8 percent.
- Memphis DC saw the highest improvement with a 5 percent increase in their 2017 recycling rate.
- The recycling rates at Cleveland, Los Angeles, Dallas, and Greenville also improved in 2017 vs. 2016.
- Cleveland DC finished at 90.6 percent for best in class, with Los Angeles DC and Jacksonville DC close behind.

OUR PRODUCTS

Helping Customers Reach their Sustainability Goals

We work to create a more sustainable workplace for our customers and our communities through our Environmentally Preferable Product (EPP) Portfolio. We offer our customers one of the largest green SKU counts in the industrial distribution market, providing more ways to reduce energy consumption, conserve water, reduce waste and improve indoor air quality. In addition the company offers data-driven EPP analytics to our customers helping them track, report and grow their green spend. Similarly, we equip our customer-facing team members with training, sales tools and marketing support so that they can help customers achieve meaningful progress towards their sustainability goals and initiatives.

In 2017, we launched a cross-functional CSR Working Group sustainability sub-team with representatives from product management, external affairs and sales that focuses on assisting customers with their EPP procurement goals and promoting EPP solutions. This sustainability service and operations team brings collective experience in managing environmentally preferable product certifications and attributes, reporting, measurement, regulatory compliance and marketing of EPP solutions.

Environmentally Preferable Products (EPP) and Services

Each product in our EPP is designated by a green leaf on Grainger.com®, and comes with its own specific set of attributes or certifications highlighted in the technical spec section on the website. The green leaf icon guides customers toward more environmentally preferable solutions. Products identified with this leaf fall into two categories—those that are certified by independent organizations and those that have “green environmental attributes.” A certification acts as a stamp of approval and indicates that a product has met certain environmental standards around attributes such as “energy efficient” (ENERGY STAR) or “low toxicity” (Green Seal). Attributes are environmental qualities or features tied to a specific product. We ask our suppliers to provide these attributes or certifications, and our external partner, UL Environmental Inc., verifies the viability of the attribute to the product.

Sales of Green Product (2017)

In January of 2015, Grainger established a new portfolio of sustainability related services. In 2017 we expanded this portfolio of value-added services, which largely leverages the experience and expertise of our Grainger Energy Services Team. We also work with our network of partners in some instances to help our customers achieve

their sustainability goals. The range of services includes site audits, payback analysis, utility rebate assistance, and recycling of replaced product. For example, Grainger can help facilitate a free lighting audit for customers considering a large interior or exterior lighting project. The audit consists of a site walk-through, fixture count, energy audit, return on investment, payback analysis, utility rebate assistance and applications (photo metrics), if applicable.

We continuously review our EPP for opportunities to provide tailored solutions to customers with sustainability and EPP procurement goals. Our EPP Portfolio offers more than 72,000 SKUs, including 33 certifications and 45 attributes. In 2017, sales of environmentally preferable products totaled more than \$532 million, which represents approximately five percent of our revenue.

Sustainability Training

In 2017, we launched a new module in our First Time Manager leadership development program. Our objectives were to drive engagement and understanding in our sustainability initiatives across the business, bring awareness to the effect CSR has on our operations and gain insight from our team members on how they plan to tailor the CSR message to meet their daily business needs. 434 team members learned about our value chain, environmental performance and the ways we serve our community.

434

Team members who received some form of training on sustainability at Grainger (2017)

In addition to our leadership development program, we are taking steps to improve the level of sustainability expertise in customer-facing roles. Grainger released a Sustainability Sales Guide for our account managers and customer service professionals in October 2017 to improve offer awareness by outlining our sustainability value-proposition. In addition, we developed a formal sustainability training program for all new account manager learning paths. Our objective is to bring greater value to sustainability-related customer engagements, assist customers in meeting their sustainable procurement goals, and take costs out of their business.

In 2017, we launched recycling training in our DCs as a part of new member onboard and orientation.

Lastly, through a variety of online tools and resources, we provide our team members with a vast array of learning opportunities they can explore at their own pace.

Supply Chain Stewardship

We are proud to have received an A- rating for our supply chain survey.

Addressing emissions across our value chain is as significant as addressing them in our own operations. For the second year, we are engaging with our suppliers through the CDP Supply Chain survey to create more change than would be possible on our own. In 2016, this partnership helped us engage with our suppliers to learn more about their emissions reduction strategies.

In 2017, we received responses from 126 of our largest vendors, an increase of

more than 50 percent of suppliers from our pilot year. In total, our suppliers' efforts reduced 85 million metric tons of CO₂ resulting in more than \$11 million in average savings for their respective businesses.

Transportation

Grainger relies on a network of third-party carriers for its transportation needs. The company works closely with these providers to continuously identify opportunities to maximize

efficiency and minimize fuel use. Grainger continues to be the only industrial supplier to be recognized by the U.S. Environmental Protection Agency (USEPA) as a SmartWay® partner. The program provides a forum for the USEPA and businesses to collaborate in order to improve the environmental efficiency of their supply chains' transport by reducing GHG emissions and other air pollution.

OUR APPROACH

Grainger works to support long-term resilient communities. Our community affairs efforts focus on disaster preparedness and response, education and workforce development and local and community engagement. We leverage the thought leadership of our executives, the at-the-ready spirit of volunteerism of our Business Resource Groups, our team members' depth of knowledge in supply chain operations and our 90 years of experience with the communities where we live and work to help drive social benefits across North America. We work collaboratively with our community partners through a combination of resources including in-kind donations, team member volunteerism and our 3:1 matching gifts program.

Disaster Preparedness and Response

As the threat of disaster intensifies, disaster philanthropy must evolve radically in order for communities and economies to thrive. Organizations well-versed in supply chain and logistics, like Grainger, have a unique obligation to provide support when disasters occur. We combine years of experience, the knowledge and capabilities of our Corporate Emergency Response Team and the partnership of the Red Cross to deliver products and financial support before, during and after natural disasters.

Education and Workforce Development

We believe at the heart of opportunity lies education. As the world evolves, the need for education becomes increasingly important. Grainger is dedicated to helping those who desire an education, so they can better themselves, their families and those around them. We are proud of the education and workforce development progress we support, but we are most proud and inspired by those who endeavor to achieve more and strive for a better tomorrow.

DISASTER PREPAREDNESS AND RESPONSE

As most agree, disasters around the world are increasing in frequency and severity, predominantly due to climate change. The economic and social effect of these events is predicted to reach unprecedented levels within the next four decades. Overwhelmingly, corporate gifts are directed to immediate disaster relief, as opposed to risk reduction before disasters or recovery efforts after. Despite the fact that the number of natural disasters continue to rise, disaster relief accounts for only two percent of overall corporate giving. In fact, more than five times as much relief is spent on immediate disaster response versus reduction or recovery globally.

Grainger provides service and support to communities affected by regional, national and global emergencies. Through these disasters, we have acted as trusted partners to restore the resilience of our communities. Grainger has been there, time and time again, to provide our customers and communities with a consolidated source for critical supplies and equipment needed to prepare, respond and recover. We assist first responders, first receivers, private sector organizations and non-profit partners with a wide range of emergencies. We seek to continually improve our response capabilities based upon lessons learned from each recovery effort.

Grainger has given more than \$18 million to the American Red Cross since the partnership launched

American Red Cross

Pride in service, our products and our supply chain expertise make us a natural leader in disaster preparedness and response. For that reason, we have been a long-time partner of the Red Cross. In fact, Grainger has donated more than \$18 million in cash and product to the American Red Cross since 2001, and the Canadian Red Cross since 2009. Grainger offers

the broadest product portfolio in the preparedness market. The product categories presented are based upon recommendations from authorities including FEMA, the Centers for Disease Control, the U.S. Department of Health & Human Services, the Department of Homeland Security and the American Red Cross.

Each year, the American Red Cross responds to disasters across the country—from home fires to tornadoes and severe winter weather, hurricanes and floods to transportation accidents and explosions. The Red Cross not only provides food, shelter and clothing, but also offers comfort and care to those affected by disasters during their time of greatest need. Through our partnership with the American Red Cross, we continue to leverage our resources, best practices in logistics, team member engagement and technology to assist in the accomplishment of their mission.

Donation to the **American Red Cross Annual Disaster Giving Program®** for Hurricane Harvey, Maria and Irma

Hurricane Harvey made landfall as a category-4 hurricane near Rockport, TX. As the storm tracked toward landfall, Grainger activated the Corporate Emergency Response Team for briefings every morning and afternoon including weekends. Supply chain teams quickly repositioned critical supplies within the Grainger distribution network of branches and regional DCs. Grainger's Roanoke DC, located near Fort Worth, played a central role in the distribution of supplies throughout response and recovery operations. Grainger transportation managers expedited deliveries in coordination with state, county and local emergency offices. Grainger supplied 10 truckloads of Meals Ready to Eat and bottled water to support evacuation shelters.

The Future of Disaster Philanthropy The United Nations has said that every dollar invested into disaster preparedness saves \$7 in disaster aftermath. As a supporter of the American Red Cross Annual Disaster Giving Program® (ADGP), Grainger invests in disaster relief before the disaster occurs, ensuring the Red Cross can pre-position supplies, secure shelters, maintain vehicles and train volunteers nationwide.

In 2017, we committed to the \$1 million level of ADGP support for the American Red Cross. These funds were used to provide for activities like smoke detector distributions and installations, increased volunteer engagement opportunities and the sponsorship of local emergency response vehicles.

Through our partnership with the American Red Cross, we delivered \$250,000 worth of in-kind donations to the affected areas in Texas, Florida, California and Puerto Rico. Also, our team members rallied, packing 2,500 comfort kits benefiting those living in shelters in Texas, Florida and California. The kits included basic necessities such as toiletries, wash cloths and more.

Grainger is the National Founding Sponsor of the Red Cross Ready When the Time Comes® (RWTC) corporate volunteer program in the U.S. and Canada. More than 1,700 Grainger team members have been trained as RWTC volunteers.

Home fires are the most common disaster in the U.S., and the Red Cross responds to one every eight minutes. In 2014, the Red Cross launched a nationwide campaign aimed at reducing home fire deaths and injuries by 25 percent in the U.S. by 2020. Grainger supports the campaign with an annual donation of smoke detectors, which are installed by volunteers and fire departments in at-risk communities. The campaign makes a huge difference, as more than 656,000 smoke detectors have been installed since the beginning of the program, including more than 68,000 donated by Grainger thus far, and more than 332 lives have been saved, including 97 in 2017 alone.

Grainger Around the Globe

Disasters around the world kill nearly 100,000 and affect or displace 200 million people each year. Many of the places where these disasters occur are “missing” from any map and first responders lack the information to make valuable decisions regarding relief efforts. Missing Maps is an open, collaborative project in which our team members help to map areas where humanitarian organizations are trying to meet the needs of vulnerable people.

In 2017, Grainger partnered with the American Red Cross on its Missing Maps Project. During Grainger’s inaugural “map-a-thons”, team members used their computers to identify buildings and infrastructure in “unmapped” areas across the world to provide the Red Cross and emergency responders with better access in times of disaster. After the mapping session, volunteers were equipped to continue mapping on their own to provide additional support. Through our efforts this year, 41 team members provided 1,980 edits to disaster recovery areas and mapped 1,952 buildings, including locations in Puerto Rico, to assist in hurricane recovery efforts.

ROAD THROUGH OUR 90TH YEAR

In honor of the company's 90th anniversary, team members throughout the U.S., rolled up their sleeves to support their local communities. In addition to giving back to their communities individually, many groups incorporated volunteering as part of team meetings and family events. While some team members volunteered in the community, others did so onsite at or around a Grainger facility. In total, more than 2,000 team members contributed about 9,000 hours of volunteer service.

Tree Planting

April

More than 55 Grainger top sales team members from around the world – known as "President's Club" partnered with Jean-Michel Cousteau's Ambassadors of the Environment and volunteered to plant trees in Maui.

March

Nutrition Kits

We kicked off the 90th with our first-ever onsite volunteer activity at the annual Grainger Show, which brings our team members, suppliers, and customers together over a few days in Florida. During the Show, 60-plus team members packed 900 nutrition kits to support underserved students in Central Florida. Grainger partnered with A Gift for Teaching to distribute the completed kits to two schools in Central Florida.

Chicago Cares

June

Over 50 team members painted Nicholson Technical Academy, a Chicago Public School, as part of the Chicago Cares Annual Serve-A-Thon.

May

Food Drive

Oklahoma City Food bank gained the help of 12 Grainger volunteers who sorted and loaded 17,160 pounds of food at the local post office as part of the Letter Carrier's Food Drive.

Individual Volunteering

August

Team members also volunteered individually, during the year, serving more than 1,700 hours collectively. One team member volunteered as a guardian for a 94-year-old WWII Army veteran on an Honor Flight to Washington, DC.

July

Teacher Appreciation

Grainger incorporated volunteerism in our annual family picnic in Illinois – 40 team members, family and friends packed 800 teacher's appreciation kits filled with supplies that were distributed to teachers in Illinois serving Lake County and Chicago Public Schools.

Leadership Volunteering

September

Our leaders rolled up their sleeves during the company's annual Grainger Forward meeting convening Grainger executives from around the world in our Lake Forest, IL, HQ campus. 90 leaders packed 900 Red Cross comfort kits to support those survivors of Hurricane Harvey and Irma who were living in shelters. This is the first time the company added a volunteer project to the annual meeting agenda.

September

Homeless Shelter

More than 50 members of the African-American BRG across seven states rallied to support Covenant House, a homeless shelter for youth, by providing job readiness skills development and life coaching.

Map-A-Thons

October

In Chicago and Lake Forest, IL, more than 40 team members participated in Red Cross/Grainger map-a-thons where they plotted 1,952 buildings.

October

Wildfire Disaster Relief

To support survivors of the California wildfires living in shelters, 40 team members packed 600 Red Cross comfort kits during a meeting of the Latino BRG in Ontario, CA.

October

Hurricane Disaster Relief

In Lake Forest, IL, a team of 18 team members in the Communications & Investor Relations group packed 600 comfort kits to benefit survivors of the summer hurricanes that were evacuated to shelters.

November

Red Cross

In Janesville, WI, 60 team members from U.S. and Panama convened in Wisconsin for a meeting and prepared cards for the comfort kit builds for Veterans and volunteer thank you cards for the Red Cross.

November

Veteran Assistance

The Veteran's & Military Partner BRG packed 400 comfort kits to benefit homeless, disabled veterans in honor of Veteran's Day.

December

We invest in the future of the skilled trade workforce through our Grainger Tools for Tomorrow® scholarship program. Each year, Grainger works with the American Association of Community Colleges to offer two scholarships of \$2,000 each at participating community colleges in the U.S. The scholarships are awarded to students in skilled trade, public safety and supply chain programs. Half of the scholarships offered are earmarked for veterans of the U.S. Armed Forces. In addition to the scholarship, Grainger provides tools to students after they graduate to help them launch a successful career. Since 2006, Grainger has donated more than \$4.5 million to support technical education. In 2017, 85 schools participated and we provided 154 scholarships. This represents a 74 percent participation rate, which since 2006 has exceeded the national average of 60 percent.

Grainger Tools for Tomorrow[®]

On October 4, 2017, Grainger celebrated the success of the Grainger Tools for Tomorrow® scholarship program graduates at an event hosted by the Latino Business Resource Group in honor of the close of Hispanic Heritage Month at our Los Angeles DC in Mira Loma, CA. During the event, we presented scholarship recipients with certificates and celebrated our workforce development partnerships with local community colleges. Arcadio Ochoa, Director of the LADC, presented certificates to students from Chaffey College and Saddleback College.

“I would like to extend to you my sincere gratitude to all at Grainger in presenting this award to Kyle Moller from Saddleback College. Your scholarship program is another great reason why our students continue their education. With Grainger’s kind generosity, the journey is made possible. This award has brought motivation and gratification, reminding our students that hard work does pay off. Thank you for recognizing the importance of education and for recognizing our students past and present as recipients of this award.”

Grainger continues to support its local communities through the Business Resource Group Community Fund. Since its inception in 2014, the Fund has aligned our BRGs with nonprofit partners to amplify the efforts of both. In 2017, we increased the effectiveness of this program by aligning BRG resources around one program area: workforce development. By encouraging the BRGs to collaborate, we believe we will strengthen the program and create even more meaningful outcomes.

Total support of Education and Workforce Development programs by the BRG Community Fund

In addition to an aligned program area, we have united the BRG Community Fund with another key initiative, our Executive Board Placement (EBP) Program. The EBP program provides high-potential executives an opportunity to refine and enhance their leadership skills, cultivate strong and strategic partnerships with local non-profits, and engage Grainger in civic activities that foster inclusion and diversity. Our goal with the EBP program is to leverage the valuable skills of our leaders with organizations that provide programs for community engagement, volunteer mobilization and team member development.

Grainger's EBP Program started in 2008, with eight executives serving on non-profit boards. This number has grown to 23 executives; eight of the organizations supported by the BRG Community Fund have a Grainger executive serving on their board.

One Million Degrees Four BRGs collaborated to support One Million Degrees (OMD) in 2017, including the African-American, Equality Alliance, Generational and Latino BRGs. OMD is dedicated to providing comprehensive support to low-income, highly-motivated community college students to help them succeed in school, work and life. From tutors and coaches to financial assistance and leadership development, OMD provides tools and resources that empower scholars to transform their lives. This year, Grainger became one of the largest providers of OMD coaches, with 26 team members serving as coaches to OMD scholars.

In 2017, Grainger sponsored OMD scholars from the College of Lake County (CLC) during a speed-networking event at our Lake Forest, IL, campus. Approximately 40 Grainger team members, some serving as OMD coaches, volunteered to hear and constructively critique the job interview skills of participating CLC students during an evening reception. This was the first such OMD event offered onsite at a corporation. The event was introduced by masters of ceremony Brent Tollison, Vice President of Commercial Sales, and Ben Nichols, Vice President of Government Sales, who serve on the boards of OMD and CLC, respectively.

i.c. stars Foundation This organization, supported by our Generational BRG, provides a rigorous technology-based workforce development and leadership training program for low-income adults, developing Chicagoland's most promising information technology talent with leadership goals and connecting them with career opportunities through partner organizations like Grainger. Historically, Grainger has supported a cohort of "stars" who are given a real business challenge to solve. Grainger then may recruit members of the cohort for roles in our organization. Nkosi White, now one of Grainger's End Point Analysts, participated in an i.c. stars program and has been employed at Grainger for 10 years.

In the spring and fall of this year, the Generational BRG invited "stars" to participate in a career day at Grainger's Chicago, IL, downtown campus. During the event, Grainger team members volunteered to share their career and development paths.

LOCAL CIVIC AND COMMUNITY ENGAGEMENT

Matching Gifts Program

The Grainger Matching Charitable Gifts Program aims to amplify our U.S. team members' personal community support. Through the program, the company offers a 3:1 match of eligible team member contributions (up to \$2,500 annually) to qualifying organizations.

The program places Grainger in an elite group of U.S. companies that match team members' contributions at this rate. Our intention is to encourage our team members to engage with the eligible non-profit organizations that matter most to them in their community.

Community Grant Program

The Company is proud to participate with The Grainger Foundation in the Grainger Community Grant Program (GCGP) to help address local community needs throughout the United States and Puerto Rico. Since its inception in 2007, the GCGP has made more than 6,700 grants, totaling \$54 million dollars.

Under the GCGP, Grainger's Branch/Operations Managers, Contact Center Directors and DC Directors identify charitable organizations in their local communities and make grant recommendations to The Grainger Foundation ranging from \$2,500 up to \$10,000. As a result of recommendations submitted throughout 2017, The Grainger Foundation made nearly 900 grants totaling \$5.8 million to a wide variety of organizations in the areas of health and human services, food banks, civic, disaster relief, and education. Human Service organizations represented the largest share of grants through the GCGP. The second largest was Community Service organizations.

The Grainger Foundation, an independent private foundation, was established in 1949 by William W. Grainger, the Company's founder.

Serving Our Communities Survey

Our team members' commitment to local communities is a key ingredient in the success of our community affairs program. As the program develops and grows with our team, we wanted to better understand how connected our team members are to the partners and programs we offer. In 2016, we surveyed 2,100 U.S. team members within the organization. Nearly 600 team members responded to the survey (approximately 33 percent of recipients). In 2017, we surveyed 2,100 team members to help identify how we could enhance the spirit of volunteerism in 2018. New questions were designed to solicit team member feedback about their experience with Grainger's 90th anniversary celebration activities.

More than half of team members surveyed indicated that volunteering improves their engagement, holding consistently at 61 percent from 2016. In addition, 52 percent of team member indicated that they participated in Grainger's volunteer program, up from 34 percent in 2016.

Mexico Grainger Mexico found its way to give back to the community once again. During 2017, as an initiative of its Women's BRG and through their community affairs program, they called upon their team members to voluntarily support and assist women in need through maintenance services for a rehabilitation center for women with cancer as well as bringing support to a rehabilitation center for women with addictions, causing a positive effect to more than a hundred women and their families.

Team Mexico has also sponsored a local robotics team, TigreRobotics, with product to support their initiatives such as building arm prosthetics for children and taking part in various competitions such as FIRST®, with the goal of inspiring students to be science and technology leaders. During 2017, Grainger Mexico donated \$1.7 million pesos in product to the Red Cross to help during the tragic earthquake that shook the country. The team also donated an overall amount of \$114.8 million pesos to local nonprofit organizations in product; inspired 45 team members to participate in a blood donation program that helped saving 132 lives and continued with internal recycling, waste reduction and energy saving programs.

Working Mother Mexico recognized Grainger Mexico as one of the best companies that support working families in the country and for seeking equality in opportunities for female talent, especially that of working mothers. Also, for the fourth year in a row, the Mexican Center for Philanthropy recognized the company with the 2018 Empresa Socialmente Responsable Award. This group annually recognizes companies that demonstrate excellence in social responsibility and have a commitment to team members, investors, customers and their local communities.

Canada Acklands-Grainger's efforts focus on three pillars of community investment: disaster preparedness, Aboriginal development and skilled trades. Acklands-Grainger is a national founding partner of Ready When the Time Comes®, a disaster preparedness program administered by the Canadian Red Cross. The program prepares employees of organizations to mobilize as a community-based volunteer force when disaster strikes. Acklands-Grainger supports the Canadian Aboriginal community through its support of the Canadian Council on Aboriginal Business, and supplier diversity, with its support of the Canadian Aboriginal and Minority Supplier Council. In 2017, Acklands-Grainger began supporting the skilled trades in Canada through its partnership with Skills Ontario, a Canadian leader in skilled trades development.

United Kingdom During 2017, Cromwell launched its "Charity of Choice Campaign" in which 46 percent of team members voted for Macmillan Cancer Support. The company also kick-started its partnership with the World's Biggest Coffee Morning, a fundraising event for people facing cancer. Team members all over the United Kingdom came together to show support by hosting their own Cromwell on-site Coffee Morning! This fantastic day consisted of raffles, cake bingo and more, raising the equivalent to 122 hours of funding for a Macmillan Nurse. Team Cromwell continued to raise money for great causes such as Comic Relief, Children in Need and Save the Children. In total Cromwell and the UK team raised nearly £5,000, exceeding the 2016 amount of just over £2,500.

China Grainger China focused on drives and donations in their local community in 2017. Team China collected more than 6 boxes of clothing and office supplies, which will be distributed to need-based organizations supporting children and adults. This donation represents the eighth round of donations organized over the past five years.

Europe Disaster struck in June and July of 2017, when wild fires ripped through central Portugal. Fabory team members stepped in to help people in Oliveira de Hospital, Arganil, Tondela, Penacova and Oleiros who had lost homes, belongings and employment as a result of the fires. The team collected food, building materials, furniture, kitchenware, clothing and personal hygiene products. They provided these items in person to families in need so they could begin rebuilding their lives.

Addressing the Energy Dilemma

Energy demand and cost is on the rise. As federal and international regulations continue to develop to help reduce our global carbon footprint, a viable solution is critical for businesses and facilities to remain productive.

For a typical commercial facility, after Lighting/Compressed Air/Steam Systems, HVAC Systems/ Filters and Motors and Drives represent the largest opportunity for energy savings. By addressing these elements, you can help address the energy dilemma and increase your productivity.

Air Filtration—A Case in Point

Life Cycle Cost Components of Filters

Air filtration is a significant opportunity for cost savings as energy accounts for over 80% of the life cycle cost. While the original investment in purchase and ongoing maintenance are important factors, energy is by far the most important component.

Cost of Air Filtration

Don't wait. Start saving energy now with a high efficiency air filtration system. Replacement of cartridge filters with high efficiency filters could result in significant energy savings, and it's also easy to implement. In the example below, replacement with high efficiency filters delivered **annual energy savings of \$125.78 per filter**. Multiply that saving by the number of filters in your facility—and realize significant energy savings.

Assumptions	High Efficiency V-Bank Mini-pleat	Cartridge
CFM: Volume of Air (ft.3/min)	2,000	2,000
Ce: Cost of Power (\$/kWh)	0.128	0.128
T: Time Period (hrs.)	8,760	8,760
Ki: Motor and Blower Efficiency	65.0%	65.0%
ISP: Initial Filter Resistance (w.g.)	.34	.65
Cp: Annual Energy Cost of Operation (\$/yr.)*	\$137.94	\$263.72
Annual Energy Cost Savings	\$125.78/filter

Reduce Load, Reduce Energy Use in Your HVAC System

Reducing your HVAC's system's load is key to energy savings. Reducing HVAC load can help existing systems operate less frequently and allow newer systems to be more efficient. Here are some common strategies to help save energy:

Tighten up your building envelope

- Perform regularly scheduled maintenance
 - Replace air filters
 - Inspect ductwork and piping for leakage or damaged insulation
- Evaluate motor and drive performance to help optimize productivity
 - Consider variable frequency drives on air handling units, cooling tower fans and chilled water pumps
 - Inspect and replace belts
- Inspect and repair leaking or sticking steam traps
- Check door openings and window seals, and plug leaks with weather stripping and caulking

Meter and control

- Choose simple, integrated meters to track energy use
- Upgrade to "smart" thermostats

Simple Energy Savings Solution: High Performing Air Filters

Heating and cooling buildings typically accounts for 40% of the total energy bill. *Source: www.sba.gov*
The less resistance a filter causes, the less work a motor needs to exert in order to maintain the required airflow. This results in a reduction in the motor's energy consumption. Managing filter resistance while maintaining your required efficiency for air quality can save both time and money.

A simple and effective way to ensure your HVAC system is energy efficient is with high performing air filters. Significant energy savings are possible due to low pressure drop. Low pressure drop is achieved through highly refined electrostatically charged media, open filtration media structure, and high surface area design.

Pleated filters are a good choice for applications that require high efficiency with low initial pressure drop. High efficiency pleated filters contain media that is folded like an accordion, which allow for greater surface area and lower resistance to air flow. They are available in standard size pleats or mini-pleats.

In the example below, use of MERV 7 pleated filters generated an annual energy cost savings of \$52.74/filter vs an HC Pleat. The potential energy savings per filter (Cp) used the calculation created by ASHRAE. Variables in the calculation include the volume of air to be filtered (CFM), the initial filter resistance (ISP), the cost of power (Ce), the time period for analysis (T) and the motor and blower efficiency (Ki).

Assumptions	MERV 7 Pleat	HC Pleat
CFM: Volume of Air (ft3/min)	2,000	2,000
Ce: Cost of Power (4/kWh)	.128	.128
T: Time Period (hrs)	8,760	8,760
Ki: Motor and Blower Efficiency	65.0%	65.0%
ISP: Initial Filter Resistance (e.g.)	.17	.30
Cp: Annual Energy Cost of Operation	\$68.97	\$121.72
Annual Energy Cost Savings	\$52.74

Case Study: New HVAC Filtration System Yields \$1.8MM in Annual Energy Savings for Leading University

In an effort to save energy costs, the HVAC team of a leading university conducted a pilot study at a 245K square foot campus facility. The new filtration system eliminated a pre-filter and incorporated 3M™ V-Bank with Gasket (MERV A15) as the exclusive filter. The new system delivered an estimated energy savings of \$29,532, as well as reduced labor and disposal costs with annual filter replacement vs quarterly replacement. Based on the success of this pilot, the HVAC team expanded the filtration system campus-wide (15 MM square feet), generating an annual energy savings of \$1.8MM for the university.

Auditing Steam Traps—Key to Energy Savings

Facilities depend on steam systems to deliver thermal energy that is clean, dry, and in some instances, even sterile. Sterilizers, coils and water heaters are critical components in health care, industrial, and food processing facilities. But since steam traps are open-ended valves, leaks and losses can pass unnoticed, representing significant energy losses. Replacing failed steam traps provides a quick and easy return on investment in energy savings alone. The following example demonstrates a \$16,500 payback on an energy audit and trap replacement for a facility with 100 steam traps; these savings are multiplied over the course of subsequent years.

Input	Value
# of Total Steam Traps	100
Steam Trap Failure Rate	10%
Failed Steam Traps	10
Average Trap Failure Energy Cost/Trap	\$2,500
Total Estimated Lost Energy Cost	\$25,000
Inspection Program	(\$3,500)
Replacement/Installation of New Steam Traps	(\$5,000)
Energy Savings	\$16,500

Thermal Blanket–Quick Return on Investment

For existing steam systems, installation of thermal blankets where insulation has been removed or never existed generates immediate energy savings. With quick installation or quick removal/re-installation, the highly functional thermal blanket systems from Grainger can address problem insulation areas.

In the example below with installation of 53 thermal blankets, energy savings were over \$36K, with a payback less than a year. Over the course of a 15-year life, estimated energy savings are over \$500K.

Assumptions	\$'s

Total Operating Energy Cost – No Thermal Blanket	\$40,483.36
Total Operating Energy Cost – With Thermal Blanket	\$4,284.00
Total Operating Energy Savings with Thermal Blanket	\$36,199.86

Fans and Ventilators— Moving Air, Generating Savings

Keeping the air in your facilities moving can save energy. Upblast, downblast and inline fans can be used to achieve this goal and when paired with a direct-drive electronically commutated (EC) motor, you can decrease ventilation energy costs by up to 40-60%. These units are also fully speed controllable, helping to increase savings even more. Energy-efficient powerpacks are available to easily convert upblast belt drive or direct-ventilators to direct-drive EC.

Side by Side Comparisons EC Motor vs Belt Drive

At 1500 RPM, the EC Motor has a 25% energy savings over the traditional belt drive. If the speed is adjusted to 1000 RPM, there is an impressive 45% energy savings.

Measure	EC Motor	Belt Drive	EC Motor	Belt Drive
RPM	1,500	1,500	1,000	1,000
Watts	480	640	180	330
Energy Savings	25%		45%	

EC Motor vs Direct Drive PSC

At full speed, the EC Motor fan has about 20% energy savings over the Direct Drive PSC Motor. When the speed is turned down 30%, the EC Motor's efficiency remains constant, where the efficiency of the Direct Drive PSC Motor drops significantly. This represents about 70% in energy savings.

Measure	EC Motor	Direct Drive PSC	EC Motor	Direct Drive PSC
RPM	1,720	1,720	1,200	1,200
Watts	220	270	75	260
Energy Savings	20%		70%

Meter, Control and Save

Automatic metering systems provide a snapshot of energy use and demand with dynamic dashboards to display building operation and energy consumption information. For example, an energy dashboard may show that a building's ventilation system is over consuming. An easy solution is to reduce motor speed by only a few Hz to curb consumption with no impact on performance. Automatic metering combined with automation and control systems, variable speed motors, smart thermostats and time-programmable HVAC systems help ensure a building only uses the energy it needs.

Metering, when acted on, helps:

- Reduce energy use by up to 5% to 15%
- Meet sustainability initiatives
- Eliminate or shift energy spikes to off peak hours

Thermostat upgrades

Grainger offers a new generation of “smart” thermostat control equipment, systems and service solutions that make use of the latest technological advances.

Wi-Fi connected thermostats are making their way into buildings of all types and sizes due to their convenience and cost-savings benefits. A Wi-Fi connected thermostat makes it easy to reduce energy costs; just by turning the temperature back a few degrees when a building is empty can result in up to 30% energy savings. With “smart” thermostat control equipment, you have the convenience of controlling the environment in your building from anywhere to reduce wasteful heating and cooling and realize energy savings.

Case Study: Pioneering Energy Efficiency Project Projected to Deliver over \$27MM in Energy Savings

A 700+ bed hospital sought innovative ways to provide facility improvements while realizing energy savings. Following an exhaustive on-site audit, over 180 individual solutions were implemented to reduce energy consumption, including:

- Full overhaul of the HVAC system including installation of variable speed drive and automated monitoring and control of air handling units and pumps
- Improved metering and monitoring of electricity, gas, and steam
- Building management systems upgrade

This project is projected to deliver over \$27MM in energy savings over the next 20 years by reducing energy consumption by more than 40%.

Motor Productivity and Energy Savings

Motors are essential for controlling an HVAC system; 85% of motors help control pumps, fans and compressors. They are also significant consumers of energy, consuming approximately 30% of energy of a building.

Source: Zachary Shahan, Electric Motors Use 45% of Global Electricity, 2011, cleantechnica.com

Variable Frequency Drives for Improved Motor Productivity

A VFD adjusts a motor output for peak demand and low demand so you can get the most out of your motor while saving energy. A VFD can improve energy savings up to 70%; these saving are achieved by operating in conjunction with a Building Automation System (BAS) or independently through its internal Proportional+Integral+Derivative (PID) capabilities. A VFD is ideal for applications where speed control is critical, such as when operating compressors, pumps and fans.

V-Belts for Motors' Energy Efficiency and Life

Adoption of these three steps will help improve your motor's energy efficiency and life:

- Use Raw Edge Cogged V-Belts. Raw edge cogged v-belts grip the sheave sidewalls better than wrapped v-belts, helping to minimize slip and improve efficiency
- Replace Worn Sheaves. Sheaves with as little as 1/32" of wear may cause your v-belts to slip excessively
- Tension V-Belts Properly. The proper tension is the lowest tension at which the v-belts won't slip or squeal under peak load

Lower Energy Costs

Help reduce monthly costs with efficiency solutions.

Update your business operations for maximum efficiency without disrupting your business with Grainger's network of qualified, insured and licensed service providers.*

Facility Upgrade Solutions

The Grainger Energy Services team serves as your resource to help identify and implement a wide range of energy- and water-efficient solutions for your business through its network of qualified, insured and licensed service providers. Working closely with you, our service providers can help identify and facilitate the installation of energy- and water-saving measures to help benefit your bottom line with minimal disruption to your business. Our service providers can also help you secure applicable incentives and rebates for your energy- and water-saving projects.

Potential Benefits to Your Business

- Improved use of energy and water
- Improved payback and ROI targets
- Reduced operating costs
- Upgraded infrastructure
- Warranties on new equipment
- Lowered operational risk
- Avoided maintenance expenses
- Reduced facility carbon footprint

GRAINGER STANDARD TERMS AND CONDITIONS

A. SALES POLICY

1. Wholesale Only.

W.W. Grainger, Inc. ("Grainger") sells products for business use to customers with proper business identification, which is required from all customers prior to purchase.

2. Prices.

Prices listed are wholesale, do not include freight, handling fees, taxes, and/or duties, and are subject to correction or change without notice. Market sensitive commodity products will be priced according to current market conditions. Customer should contact the local Grainger branch or check online at www.grainger.com for current pricing. Export orders may be subject to other special pricing. Grainger reserves the right to accept or reject any order.

3. Sales Tax.

Customers are responsible for payment of all applicable state and local taxes, or for providing a valid sales tax exemption certificate. When placing an order, customer shall indicate which products are tax exempt.

4. Payment and Credit Terms.

Grainger accepts cash, checks, money orders, Visa, MasterCard, and American Express. For customers with established Grainger credit, payment terms are net thirty (30) days from the date of shipment or pick-up. All credit extended by Grainger to customer, and the limits of such credit, is at Grainger's sole discretion, and may be reduced or revoked by Grainger at any time, for any reason. Grainger reserves the right to charge a convenience fee for late payments. Grainger further reserves the right to charge customer a late payment fee at the rate of one and one-half percent (1-1/2%) of the amount due for each month or portion thereof that the amount due remains unpaid, or such amount as may be permitted under applicable law. Anticipation and cash discounts are not allowed. Export orders are subject to special export payment terms and conditions. All payments must be made in U.S. dollars. Grainger shall have the right of set-off and deduction for any sums owed by customer to Grainger.

If customer fails to make payment within thirty (30) days of shipment or pick-up, or fails to comply with Grainger's credit terms, or fails to supply adequate assurance of full performance to Grainger within a reasonable time after requested by Grainger (such time as specified in Grainger's request), Grainger may defer shipments until such payment or compliance is made, require cash in advance for any further shipments, demand immediate payment of all amounts then owed, elect to pursue collection action (including without limitation, attorneys' fees and any and all other associated costs of collection), and/or may, at its option, cancel all or any part of an unshipped order.

Customer agrees to assume responsibility for, and customer hereby unconditionally guarantees payment of, as provided herein, all purchases made by customer, its subsidiaries and affiliates. Each of customer's subsidiaries and affiliates purchasing from Grainger will be jointly and severally liable for purchases with customer, and customer is also acting as agent for such subsidiaries and affiliates.

5. Credit Balance.

Customer agrees that any credit balance(s) issued by Grainger will be applied to customer's account within one (1) year of its issuance. **IF CUSTOMER HAS NOT REQUESTED THE CREDIT BALANCE WITHIN ONE (1) YEAR, ANY REMAINING CREDIT BALANCE WILL BE CANCELLED, AND GRAINGER SHALL HAVE NO FURTHER LIABILITY.**

B. FREIGHT POLICY

Products are shipped F.O.B. shipping point, with freight costs and handling fees paid by Grainger and charged to customer. Orders over U.S. \$1500 before tax and freight (including any backorders) are shipped freight free. C.O.D. shipments are not permitted. Other terms and conditions may apply for additional freight services ("Additional Freight Services"), including without limitation, expedited same day delivery, air freight, freight collect, export orders, hazardous materials, customer's carrier, shipments outside the contiguous U.S., or other special handling by the carrier. Any extra charges incurred for Additional Freight Services must be paid by customer. Fuel surcharges may be applied. Title and risk of loss pass to customer upon tender of shipment to the carrier. If the product is damaged in transit, customer's only recourse is to file a claim with the carrier.

C. WARRANTY POLICY

1. LIMITED WARRANTY.

ALL PRODUCTS SOLD ARE WARRANTED BY GRAINGER ONLY TO CUSTOMERS FOR: (i) RESALE; OR (ii) USE IN BUSINESS, GOVERNMENT OR ORIGINAL EQUIPMENT MANUFACTURE. GRAINGER WARRANTS PRODUCTS AGAINST DEFECTS IN MATERIALS AND WORKMANSHIP UNDER NORMAL USE FOR A PERIOD OF ONE (1) YEAR AFTER THE DATE OF PURCHASE FROM GRAINGER, UNLESS OTHERWISE STATED. PROVIDED THAT GRAINGER ACCEPTS THE PRODUCT FOR RETURN DURING THE LIMITED WARRANTY PERIOD, GRAINGER MAY, AT ITS OPTION: (i) REPAIR; (ii) REPLACE; OR (iii) REFUND THE AMOUNT PAID BY CUSTOMER. CUSTOMER MUST RETURN THE PRODUCT TO THE APPROPRIATE GRAINGER BRANCH OR AUTHORIZED SERVICE LOCATION, AS DESIGNATED BY GRAINGER, SHIPPING COSTS PREPAID. GRAINGER'S REPAIR, REPLACEMENT, OR REFUND OF AMOUNTS PAID BY CUSTOMER FOR THE PRODUCT, SHALL BE CUSTOMER'S SOLE AND EXCLUSIVE REMEDY.

2. WARRANTY DISCLAIMER.

a. NO WARRANTY OR AFFIRMATION OF FACT, EXPRESS OR IMPLIED, OTHER THAN AS SET FORTH IN THE LIMITED WARRANTY STATEMENT ABOVE, IS MADE OR AUTHORIZED BY GRAINGER. GRAINGER DISCLAIMS ANY LIABILITY FOR CLAIMS ARISING OUT OF PRODUCT MISUSE, IMPROPER PRODUCT SELECTION, IMPROPER INSTALLATION, PRODUCT MODIFICATION, MISREPAIR OR MISAPPLICATION. GRAINGER EXPRESSLY DISCLAIMS ANY WARRANTY THAT THE PRODUCTS: (i) ARE MERCHANTABILITY; (ii) FIT FOR A PARTICULAR PURPOSE; OR (iii) DO NOT AND WILL NOT INFRINGE UPON OTHER'S INTELLECTUAL PROPERTY RIGHTS.

b. GRAINGER MAKES NO WARRANTIES TO THOSE DEFINED AS CONSUMERS IN THE MAGNUSON-MOSS WARRANTY-FEDERAL TRADE COMMISSION IMPROVEMENT ACT.

3. Warranty Product Return.

Before returning any product, customer shall: (i) write or call the local Grainger branch from which the product was purchased; (ii) in the case of an internet order, contact www.grainger.com and provide the date, the original invoice number, the stock number, and a description of the defect; or (iii) call Customer Care at 1-888-361-8649, and provide the date, the original invoice number, the stock number, and a description of the defect. Proof of purchase is required in all cases.

4. Manufacturer's Warranty.

For information on a specific manufacturer's warranty, please contact the local Grainger branch or call Customer Care at 1-888-361-8649.

5. Product Compliance and Suitability.

Jurisdictions have varying laws, codes and regulations governing construction, installation, and/or use of products for a particular purpose. Certain products may not be available for sale in all areas. Grainger does not guarantee compliance or suitability of the products it sells with any laws, codes or regulations, nor does Grainger accept responsibility for construction, installation and/or use of a product. It is customer's responsibility to review the product application and all applicable laws, codes and regulations for each relevant jurisdiction to be sure that the construction, installation, and/or use involving the products are compliant.

D. PRODUCT INFORMATION

1. Catalog/Website Information.

Grainger reserves the right to correct publishing errors in its catalogs or any of its websites. Product depictions in the catalog or websites are for illustrative purposes only. Possession of, or access to, any Grainger catalog, literature or websites does not constitute the right to purchase products.

2. Product Substitution.

Products (and country of origin) may be substituted and may not be identical to catalog or website published descriptions and/or images.

3. Occupational Safety and Health Administration ("OSHA") Hazardous Substance.

Material Safety Data Sheets ("MSDS") for OSHA defined hazardous substances are prepared and supplied by the manufacturers. **GRAINGER MAKES NO WARRANTIES AND EXPRESSLY DISCLAIMS ALL LIABILITY TO ANY CUSTOMER OR USER WITH RESPECT TO THE ACCURACY OF THE INFORMATION OR THE SUITABILITY OF THE RECOMMENDATIONS IN ANY MSDS. CUSTOMER IS SOLELY RESPONSIBLE FOR ANY RELIANCE ON OR USE OF ANY INFORMATION, AND FOR USE OR APPLICATION OF ANY PRODUCT.**

4. MSDS and Proposition 65 Product Requests.

MSDS and a list of Proposition 65 products are available: (i) at the local Grainger branch; (ii) by contacting Grainger, Dept. B1.L57, Attn: Environmental Health and Safety Dept., 100 Grainger Parkway, Lake Forest, IL 60045-5201 U.S.; (iii) by calling Grainger's MSDS Request Line at 1-877-286-9860; or (iv) by logging on to www.grainger.com and clicking on the "Resources" tab at the top of the page.

5. Important Notice to Federal Customers Re: Country of Origin.

While all products listed on GSA Advantage!® meet the requirements of the Trade Agreements Act ("TAA"), as implemented by Federal Acquisition Regulations Part 25, other products sold by Grainger may not meet the requirements. At the time of purchase, Grainger will advise customers with proper identification as an authorized schedule customer whether or not a product is "TAA-compliant." Any federal customer purchasing a non-TAA item will be making an "open market" purchase that is not covered by any contract. Federal customers are advised that the open market purchases are NOT GSA schedule purchases. By purchasing any product on the open market, the customer represents that it has authority to make such purchase and has complied with all applicable procurement regulations.

6. ARRA Orders.

It is the customer's responsibility to advise Grainger whether this order is funded in any part by funds from or related to the American Reinvestment and Recovery Act ("ARRA") (Pub. L. No. 111-5) (i.e., Stimulus Funds). Upon request, Grainger will provide country of origin information so that customer may determine compliance with any applicable requirements under ARRA Section 1605 or any other applicable regulations.

E. GENERAL TERMS

1. LIMITATION OF LIABILITY.

GRAINGER EXPRESSLY DISCLAIMS ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES. GRAINGER'S LIABILITY IN ALL CIRCUMSTANCES IS LIMITED TO, AND SHALL NOT EXCEED, THE PURCHASE PRICE PAID FOR THE PRODUCT THAT GIVES RISE TO ANY LIABILITY.

2. Force Majeure.

Grainger shall not be liable for any delay in, or impairment of, performance resulting in whole or in part from any force majeure event, including but not limited to acts of God, labor disruptions, acts of war, acts of terrorism (whether actual or threatened), governmental decrees or controls, insurrections, epidemics, quarantines, shortages, communication or power failures, fire, accident, explosion, inability to procure or ship product or obtain permits and licenses, inability to procure supplies or raw materials, severe weather conditions, catastrophic events, or any other circumstance or cause beyond the reasonable control of Grainger in the conduct of its business.

3. Grainger's Performance of Services.

Customer will hold harmless and indemnify Grainger, its officers, directors, employees, agents, subcontractors or representatives from and against any and all claims, including bodily injury, death, or damage to personal property, and all other losses, liabilities, obligations, demands, actions and expenses, whether direct or indirect, known or unknown, absolute or contingent, incurred by Grainger related to the performance of services for customer (including without limitation, settlement costs, attorneys' fees, and any and all other expenses for defending any actions or threatened actions) arising out of, in whole or in part, any act or omission of customer, its employees, agents, subcontractors or representatives.

4. Cancellation.

All product order cancellations must be approved by Grainger, and may be subject to restocking fees and other charges.

5. Product Return.

Product returns must be made within one (1) year from date of purchase, unless otherwise indicated. Customer should call the local Grainger branch, or go to www.grainger.com, for instructions. Returned product must be in original packaging, unused, undamaged, and in saleable condition. Proof of purchase is required in all cases.

F. EXPORT SALES

Orders for export sales are subject to the terms conditions found at www.grainger.com and can be accessed by clicking on the "Terms of Sale" link.

GRAINGER'S SAFETY ASSESSMENT PROCESS

Grainger's safety assessment process utilizes specialists with specific qualifications to work with you to determine your safety needs. Our Safety Specialists use the **Grainger Site Assessment Tool**SM to conduct detailed and personalized safety assessments to help improve your safety program*.

Intuitive forms are designed to take the hassle out of compliance checks. Our Safety Specialists utilize a mobile app that allows the right questions to get asked. Simply answer compliance questions with the Grainger Safety Specialist and the Grainger Site Assessment Tool compiles them immediately.

When the inspection is finished, you'll get an instant look at facility strengths, weaknesses and high-priority issues through reports generated by the Grainger Site Assessment Tool. The reports will help you identify actions to be taken to address specific safety program needs within your facility.

PERSONALIZED: Interactive form allows the Grainger Safety Specialist to add comments and take photos on site, providing a quick and comprehensive reference of the inspection findings.

DYNAMIC: Questions change based on your specific answers, allowing our Grainger Safety Specialist to quickly recommend and deliver an appropriate Grainger safety solution.

ORGANIZED: Forms are customized for all locations within your facility. Easy-to-read results help you quickly identify safety issues/ immediate needs and work with the Grainger Safety Specialist to resolve them.

FACT SHEET

Safety Walk-Arounds for Managers

This fact sheet provides guidance to help managers and business owners conduct safety walk-arounds to identify hazards in the workplace and communicate with workers about hazards in their jobs.

There are at least two reasons why managers and owners should periodically conduct workplace inspections themselves. First, inspections demonstrate management's commitment to improving safety and health by finding and fixing hazards. Second, walk-arounds let managers see for themselves how the safety and health program is working and whether it is effective in identifying and eliminating hazards. Safety walk-arounds can also help managers and owners assess how key elements of the safety program are working. For example, how engaged are workers in the program? Do workers feel they have received appropriate training? Do they know how to report a safety or health incident or concern?

PRE-INSPECTION ACTIVITIES

Preparation is important prior to starting an inspection. Take the time to familiarize yourself with the workplace and operations and the hazards that have been previously identified. Pre-inspection activities might include:

- Identify the most hazardous areas by examining past inspection reports, injury and workers compensation records, incident investigation reports, and recent near-miss incidents. Plan to focus your inspections on areas where hazards have been identified and check to see if previously-identified hazards have been abated or if further action is needed.
- Talk to workplace safety representatives and other managers or supervisors about their safety observations and concerns.

- If the workplace has a safety committee, meet with the committee prior to the inspection to get their perspective on the most important safety issues.
- Determine what safety equipment you will need to conduct the inspection.
- It is important to lead by example, and wearing the right personal protective equipment (PPE) sets a good example. Practice wearing the PPE to make sure you know how to put it on properly, and that it fits.
- Consider taking the same hazard identification safety training taken by workers, managers, or the safety committee.

ONSITE INSPECTION ACTIVITIES

When onsite, make sure you are wearing the right PPE for each area you enter. Nothing takes away credibility faster than having the wrong PPE or not wearing it properly. Be safe; don't expose yourself to hazards during an inspection.

Limit the size of the inspection group. Large groups tend to stifle open communication with workers.

Look for easily observable hazards first, such as:

- Tripping hazards
- Blocked exits
- Frayed/exposed electrical wires

- Missing machine guards
- Poor housekeeping
- Poorly maintained equipment

Look for property damage, such as walls or doors damaged by equipment or forklift traffic. Such damage may indicate a potential for future worker injuries.

Talk to workers at their work stations. Workers are likely to know the most about the hazards and safety issues in their jobs. Tap into that knowledge. Make them comfortable talking with you. Assure them that you are interested in finding problems and fixing them, i.e., improving safety, not blaming anyone for your findings. Avoid yes/no questions. Encourage conversation. Ask open-ended questions such as:

- What is the most hazardous task in your job? What makes it hazardous?
- If you have been injured in your job, what was the injury and how did it happen? What was done to make your job safer?
- How would you report an injury, hazard, or near-miss?

Seek out and talk to the most recently-hired workers to get their perspective on safety. These “fresh eyes” could have valuable insights.

Observe workers as they perform their job. For example, do they lift heavy objects? Do they stand/sit in awkward postures? Are they performing repetitive motions? If so, take notes and photos. If their job involves handling chemicals or exposure to excessive noise and/or heat, a more detailed evaluation by a safety professional may be in order.

Try to find solutions for hazards while you are conducting the inspection by applying your own creativity and inspiring the creativity of workers. Finding solutions “on the spot” demonstrates your commitment to making the workplace safer.

Prior to completing the inspection, make a list of hazards that need to be addressed and prioritize them according to the severity of the potential injuries that might occur as a result of workers being exposed to the hazards.

POST-INSPECTION ACTIVITIES

Post-inspection follow-up is important to establishing your credibility as a manager who is committed to improving safety. Failure to follow up can often stifle worker participation and enthusiasm, which can be hard to regain.

Very soon after your inspection, prepare an abatement plan containing a list of the hazards found, corrective actions needed, and a reasonable timeline for implementation. Some complex hazards may require further evaluation, study, or engineering work to design and implement appropriate controls. Describe briefly how the hazards will be addressed and identify interim controls that will be used while more permanent measures are developed.

Share the abatement plan with managers, supervisors, and workers as a way of showing your commitment to fixing the safety issues found during your inspection. Track progress by sharing or posting periodic updates to the plan. Ensure all corrective actions are implemented in a timely fashion.

GRAINGER SAFETY SERVICES NETWORK

Grainger's network of health and safety service providers is committed to providing you with quality, cost-effective on-site and online services.

Consisting of a highly trained network of Certified Industrial Hygienists (CIH) and Certified Safety Professionals (CSP), as well as other safety and health professionals, Grainger possesses the expertise and resources to provide training, on-site testing and auditing, and web-based tools designed to aid in your occupational safety and health programs on a national scale.

INVENTORY BASELINE

OVERVIEW - The purpose of the Inventory Baseline is to streamline the process of replenishing and issuing MRO inventory to improve maintenance productivity and plant performance. The objective is to cost effectively manage parts and supplies, maximize "wrench time" and maintain appropriate inventory controls. While carrying MRO inventory is a requirement for most companies, there are significant opportunities to eliminate waste, improve productivity and achieve a lower Total Cost of Ownership (TCO).

METHODOLOGY - We use a LEAN, Six Sigma approach for the project to gain a robust understanding of your company's current MRO operations and processes. Our experience and your data drive our recommendations.

KEY METRICS - We identify the key performance indicators for cost savings, productivity and quality. We capture the current state data and model it against an optimum future state to identify improvement opportunities.

DELIVERABLES - The Inventory Baseline delivers the results from our analysis while identifying "bite-size" continuous improvement (CI) projects to attain and sustain the recommended changes.

Sourced Products & Related Services

The following additional terms and conditions apply to Grainger's sourcing offering:

TERMS AND CONDITIONS FOR SOURCED PRODUCTS AND PRODUCT RELATED SERVICES: Grainger will source products and product related services not available through the Grainger General Catalog ("Sourced Products"). Grainger does not source the following products or product related services: weapons, ammunition, explosives, aircraft products, products containing asbestos, nuclear-related products, products with restricted distribution, product judged to be too great a liability risk by W.W. Grainger, Inc., or product related services which Grainger by law or regulation is prohibited from sourcing.

The pricing model for Sourced Products is based on current market conditions and is competitive for spot buy situations on a per order basis.

GRAINGER'S STANDARD WARRANTY DOES NOT APPLY TO SOURCED PRODUCTS AND RELATED SERVICES. GRAINGER, TO THE FULLEST EXTENT PERMITTED, PASSES THROUGH TO MEMBER ANY AND ALL MANUFACTURER AND SUPPLIER PRODUCT WARRANTIES.

GRAINGER'S STANDARD WARRANTY DISCLAIMER AND LIMITATION OF LIABILITY APPLY TO SOURCED PRODUCTS AND RELATED SERVICES.

WARRANTY DISCLAIMER. GRAINGER SHALL HAVE NO LIABILITY FOR, AND EXPRESSLY DISCLAIMS ANY WARRANTY OR AFFIRMATION OF FACT, EXPRESS OR IMPLIED, OTHER THAN AS SET FORTH IN THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION (I) THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE; (II) ANY WARRANTY OR AFFIRMATION OF FACT RELATED TO MISUSE, IMPROPER SELECTION, RECOMMENDATION, OR MISAPPLICATION OF ANY PRODUCT; AND (III) ANY WARRANTY OR AFFIRMATION OF FACT THAT THE CATALOGS, LITERATURE AND WEBSITES IT PROVIDES ACCURATELY ILLUSTRATE AND DESCRIBE PRODUCTS.

LIMITATION OF LIABILITY. ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES IS EXPRESSLY DISCLAIMED. GRAINGER'S LIABILITY IN ALL EVENTS SHALL NOT EXCEED THE PURCHASE PRICE PAID FOR THE PRODUCT OR RELATED SERVICE THAT GIVES RISE TO ANY LIABILITY. GRAINGER'S PAYMENT OF SUCH AMOUNT SHALL BE THE FINAL AND EXCLUSIVE REMEDY IN THE EXHAUSTION OR UNAVAILABILITY OF ANY OTHER REMEDY SPECIFIED HEREIN AND SHALL NOT BE CONSTRUED OR ALLEGED BY CUSTOMER TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.

In the event that Grainger agrees to stock an agreed upon quantity of Sourced Products for Member, upon expiration, cancellation or termination of this Agreement, Member agrees to purchase all remaining stocked Sourced Product. Grainger will invoice Member for such Sourced Product within thirty (30) days of expiration, cancellation or termination of this Agreement.

RE: W.W. Grainger, Inc., Letter of Exceptions to the City of Tucson Request for Proposal No. 192163

Dear Ms. Myers:

W.W. Grainger, Inc. ("Grainger" or "Contractor") appreciates the opportunity to respond to the City of Tucson ("City") Request for Proposal No. 192163 Maintenance, Repair and Operations ("MRO") Supplies, Parts, Equipment, Materials and Related Services. As you know, Grainger's focus on contract compliance and customer satisfaction is second to none. To that end, Grainger respectfully requests the opportunity to incorporate, should we be awarded this contract, our agreed upon clarifications and exceptions into the terms of the contract. Our objective is to earn the privilege of working with both the City of Tucson and OMNIA Partners on this vitally important co-operative opportunity and doing so with an understanding that our collective expectations with respect to operationalization of this contract and its terms are aligned. In accordance with Section 10 of Instruction to Offer of this RFP, your favorable consideration of the following exceptions and clarifications to the proposal is requested:

REQUEST FOR PROPOSAL NO. 192163

Page 5 of 25, Section B. Product Requirements, Section 3.

Original Language: DEFECTIVE PRODUCT: All defective products shall be replaced and exchanged by the Contractor. The cost of transportation, unpacking, inspection, re-packing, re-shipping or other like expenses shall be paid by the Contractor. All replacement products must be received by the City within seven (7) days of initial notification.

Modified Language: DEFECTIVE PRODUCT: All defective products shall be replaced and exchanged by the Contractor. The cost of transportation, unpacking, inspection, re-packing, re-shipping or other like expenses shall be paid by the Contractor. All replacement products must be received by the City within seven (7) days of initial notification or a mutually agreed upon timeframe.

Page 5 of 25, Section B. Product Requirements, Section 3.

Original Language: PRICING: Prices/discounts shall remain firm and will include all charges that may be incurred in fulfilling requirement(s) for the twelve-month period following contract award. Where applicable, pricing shall be determined by applying Offerors discounts to the prices

listed on their manufacturer's price lists, retail price sheets, catalogs or by utilizing the reduced net pricing schedule.

Modified Language: PRICING: Market Basket product Prices and base category contract /discounts shall remain firm and will include all charges that may be incurred in fulfilling requirement(s) for the twelve-month period following contract award. For Catalog Product, Contractor will no longer compute percentage-off discounts from the Contractor "list" price previously set forth on Contractor's Website, Contractor's Catalog or any other electronic or published media. All percentage-off discounts for Catalog Products shall be deducted from the Contract Reference Price ("CRP") in effect at the time the Catalog Product is purchased by Citymember from Contractor. Current Contract Reference Prices for Catalog Products shall be available when Citythe member logs into its account on Contractor's Website. Where applicable, pricing shall be determined by applying Offerors discounts to the prices listed on their manufacturer's price lists, retail price sheets, catalogs or by utilizing the reduced net pricing schedule.

CITY OF TUCSON ATTACHMENT A, REQUIREMENTS FOR NATIONAL COOPERATIVE CONTRACT TO BE ADMINISTERED BY OMNIA PARTNERS

2.1 Corporate Commitment Page 5 of 44

Original Language: Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master

Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and

Modified Language: Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is one of Supplier's primary "go to market" strategies for Public Agencies, (3) the Master Agreement will be promoted as one of Supplier's "go to market" strategies to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and

2.2 Pricing Commitment Page 5 of 44

Original Language: Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

Modified Language: ~~Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.~~ Supplier's prices for items sold to the City and Participating Public Agencies will not exceed the price for the same or similar items sold to other government customers for the same or similar quantities of product in a similar product mix, under the same or similar terms and conditions. The City acknowledges, that due to the vast numbers of items sold by Supplier and Supplier's extensive customer base, as well as the different ways customers structure requests for proposals and bids, Supplier cannot assure the City or Participating Public Agencies that items sold to other customers for products will not be sold at a better price or discount. For example, within the Master Agreement Supplier provides customized Market Baskets to Participating Public Agencies, wherein these Agencies may receive different pricing and discounts on products. This scenario is also true for other Supplier customers.

2.3 Sales Commitment Page 5 of 44

Original Language: Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

Original Language: Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
- ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
- iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
- iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

INTRODUCTION

The City of Tucson is requesting proposals from qualified and experienced firms to provide **MAINTENANCE, REPAIR AND OPERATIONS (MRO) SUPPLIES, PARTS, EQUIPMENT, MATERIALS AND RELATED SERVICES**. The City of Tucson requires a contractor who provides a diverse and extensive supply of MRO products for delivery to various locations in the Tucson metropolitan area and for pickup at local storefronts.

Requirements and qualifications are defined in detail in the Scope of Services Section of this Request for Proposal (RFP). The City seeks a firm that can supply the specified services, supplies, parts, equipment and materials and related services.

National Contract

The City of Tucson, as the Principal Procurement Agency, defined in Attachment A, has partnered with OMNIA Partners to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The City of Tucson is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency"). Attachment A contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over \$100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the Contractor, OMNIA Partners provides marketing and administrative support for the Contractor that directly promotes the Contractor's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Contractor benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Contractor's need to respond to additional competitive solicitations. As such, the Contractor must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Contractor and respond to the OMNIA Partners documents (Attachment A).

The City of Tucson anticipates spending approximately \$4 million over the full potential Master Agreement term for MRO Supplies and Related Services. While no minimum volume is guaranteed to the Contractor, the estimated annual volume of MRO Supplies and Related Services purchased under the Master Agreement through OMNIA Partners Public Sector is approximately \$100 million. This projection is based on the current annual volumes among the City of Tucson, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Contractor and OMNIA Partners.

SCOPE OF SERVICES

A. GENERAL REQUIREMENTS

1. **QUALIFIED FIRMS:** Offerors should meet the minimum qualifications:
 - a. Have a strong national presence in the MRO supply industry.
 - b. Have a distribution model capable of delivering products nationwide.
 - c. Have a demonstrated sales presence.
 - d. Be able to meet the minimum requirements of the cooperative purchasing program detailed herein.
 - e. Be able to provide the full range of products, equipment, parts, materials and services to meet the demands of the City and all agencies that opt to participate in the cooperative purchasing program with the City.
2. **USAGE REPORT:** The Contractor shall provide an electronic copy of a usage report upon request to the Agency Department of Procurement. The report shall provide complete information on the items purchased under this Contract. The Contractor should be able to provide a usage report by department. At a minimum for each item sold, the report should list the manufacturer name, model number, part number, item description, quantity sold, and total spend by department, division, ordering entity, etc.
3. **EQUIPMENT/RECALL NOTICES:** In the event of any recall notice, technical service bulletin, or other important notification affecting equipment purchased from this contract, a notice shall be sent to the Contract Representative. It shall be the responsibility of the contractors to assure that all recall notices are sent directly to the agencies Contract Representative.
4. **WAREHOUSING, DISTRIBUTION AND SALES FACILITIES:** The product specified in this solicitation is dependent upon an extensive manufacturer-to-customer supply chain distribution system. To be considered for award, each potential contractor is required to provide proof of an extensive distribution system.
5. **DELIVERY:** For City of Tucson purchases, MRO supplies shall be delivered to various City of Tucson stores locations and non-stores locations. All deliveries shall be made Monday through Friday from 8:00 a.m. to 3:00 p.m., Arizona Standard Time.
6. **CATALOGS:** Within 10 days after contract award, Contractor must submit complete price lists and catalogs of their product line in hard copy or on CD. Upon request from a using agency, Contractor shall provide, at no cost, these catalogs and price lists. An accessible public website that contains a downloadable catalog and price list or an interactive web catalog and price list maybe provided in lieu of the above hard copy requirement.
7. **WARRANTY:** Offeror shall warrant that all equipment and parts furnished in their offer are newly manufactured and free from defects in material and workmanship for no less than one (1) year from the date the equipment is delivered or installed. Warranty shall also guarantee accepted trade standards of quality, fitness for the intended uses, and conformance to promises or specified specifications. No other express or implied warranty shall eliminate the vendor's liability as stated herein.

B. PRODUCT REQUIREMENTS:

1. **PRODUCTS:** A complete and comprehensive line of quality made MRO supplies to support the daily maintenance, repair and operations functions of the agency. The categories include but are not limited to the following.
 - a. **Motors and Power Transmission-** General, Definite Purpose and HVAC motors, gear motors, bearings, V-belts and accessories.

 - d. **Recycling of Lamps:** The ability to recycle lighting and electronic products.
 - e. **Lighting and Energy Audits:** The ability to perform lighting and energy audits.
 - f. **Certifications:** The industry recognized certifications and standards obtained.
7. **Training & Education:** The ability to provide on-site and/or online training and educational programs/seminars.
8. **Customer Support Services:** The policies on replacements, returns, restocking charges, after hours service, after sales support, out of stock, order tracing, technical feedback, quality assurance for orders and drop shipments.
9. **Other Services:** Other value-add services not included in above categories.

INSTRUCTIONS TO OFFERORS

1. DEFINITION OF KEY WORDS USED IN THE SOLICITATION:

For purposes of this solicitation and subsequent contract, the following definitions shall apply:

City: The City of Tucson, Arizona

Contract: The legal agreement executed between the City and the Contractor/Consultant. The Contract shall include this RFP document incorporated herein by reference, all terms, conditions, specifications, scope of work, Amendments, the Contractor's offer and negotiated items as accepted by the City.

Contractor/Consultant: The individual, partnership, or corporation who, as a result of the competitive solicitation process, is awarded a contract by the City.

Contract Representative: The City employee or employees who have specifically been designated to act as a contact person or persons to the Contractor, and is responsible for monitoring and overseeing the Contractor's performance under this Contract.

Director of Procurement: The contracting authority for the City, authorized to sign contracts and amendments thereto on behalf of the City.

May: Indicates something that is not mandatory but permissible.

Offeror: The individual, partnership, or corporation who submits a proposal in response to a solicitation.

Shall, Will, Must: Indicates a mandatory requirement. Failure to meet these mandatory requirements, if they constitute a substantive requirement, may, at the City's sole discretion, result in the rejection of a proposal as non-responsive.

Should: Indicates something that is recommended but not mandatory. If the Offeror fails to provide recommended information, the City may, at its sole option, ask the Offeror to provide the information or evaluate the proposal without the information.

2. PRE-PROPOSAL CONFERENCE: If scheduled, the date and time of a Pre-Proposal conference is indicated on the cover page of this document. Attendance at this conference is not mandatory. Written minutes and/or notes will not be available, therefore attendance is encouraged. If an Offeror is unable to attend the Pre-Proposal Conference questions may be submitted in writing. Offerors are encouraged to submit written questions, via electronic mail at least nine days prior to the Request for Proposal due date to the Contract Officer listed above. The purpose of this conference will be to clarify the contents of this Request for Proposal in order to prevent any misunderstanding of the City's position. Any doubt as to the requirements of this Request for Proposal or any apparent omission or discrepancy should be presented to the City at this conference. The City will then determine the appropriate action necessary, if any, and may issue a written amendment to the Request for Proposal. Oral statements or instructions will not constitute an amendment to this Request for Proposal.

3. INQUIRIES: Any question related to the Request for Proposal shall be directed to the Contract Officer whose name appears above. An offeror shall not contact or ask questions of the department for whom the requirement is being procured. The Contract Officer may require any and all questions be submitted in writing. Offerors are encouraged to submit written questions via electronic mail at least nine days prior to the proposal due date. Any correspondence related to a solicitation should refer to the appropriate Request for Proposal number, page and paragraph number. An envelope containing questions should be identified as such, otherwise it may not be opened until after the official proposal due date and time. Oral interpretations or clarifications will be without legal effect. Only questions answered by a formal written amendment to the Request for Proposal will be binding.

4. AMENDMENT OF REQUEST FOR PROPOSAL: The Offeror shall acknowledge receipt of a Request for Proposal Amendment by signing and returning the document by the specified due date and time.

5. FAMILIARIZATION OF SCOPE OF WORK: Before submitting a proposal, each offeror shall familiarize itself with the Scope of Work, laws, regulations and other factors affecting contract performance. The Offeror shall be responsible for fully understanding the requirements of the subsequent Contract and otherwise satisfy itself as to the expense and difficulties accompanying the fulfillment of contract requirements. The submission of a proposal will constitute a representation of compliance by the Offeror. There will be no subsequent financial adjustment, other than that provided by the subsequent Contract, for lack of such familiarization.

6. PREPARATION OF PROPOSAL:

A. All proposals shall be on the forms provided in this Request for Proposal package. It is permissible to copy these forms as required. Facsimiles or electronic mail proposals shall not be considered.

B. At a minimum, your proposal should include the signed Offer and Acceptance form, signed copies of any solicitation amendments, completed Price Page and your response to all evaluation criteria.

C. The Offer and Acceptance page shall be signed by a person authorized to submit an offer. An authorized signature on the Offer and Acceptance page, Proposal Amendment(s), or cover letter accompanying the proposal documents shall constitute an irrevocable offer to sell the good and/or service specified herein. Offeror shall submit any additional requested documentation, signifying intent to be bound by the terms of the agreement.

D. The authorized person signing the proposal shall initial erasure, interlineations or other modifications on the proposal.

- E. In case of error in the extension of prices in the proposal, unit price shall govern when applicable.
 - F. Periods of time, stated as a number of days, shall be in calendar days.
 - G. It is the responsibility of all offerors to examine the entire Request for Proposal package and seek clarification of any requirement that may not be clear and to check all responses for accuracy before submitting a proposal. Negligence in preparing a proposal confers no right of withdrawal after due date and time.
 - H. The City shall not reimburse the cost of developing, presenting, submitting or providing any response to this solicitation.
 - I. Offeror must list any subcontractors to be utilized in the performance of the services specified herein. For each subcontractor, details on respective qualifications must be included.
- 7. PAYMENT DISCOUNTS:** Payment discount periods shall be computed from the date of receipt of the material/service or correct invoice, whichever is later, to the date City's payment warrant is mailed. Unless freight and other charges are itemized, any discount provided shall be taken on full amount of invoice. Payment discounts of twenty-one calendar days or more shall be deducted from the proposed price in determining the price points. However, the City shall be entitled to take advantage of any payment discount offered by a vendor provided payment is made within the discount period. The payment discount shall apply to all purchases and to all payment methods.
- 8. TAXES:** The City of Tucson is exempt from federal excise tax, including the federal transportation tax.
- 9. PROPOSAL/SUBMITTAL FORMAT:** An original and 9 copies (10 total) of each proposal should be submitted on the forms and in the format specified in the RFP. Offerors shall also submit one electronic copy of the proposal on cd, disc or zip disc in MS Office 2010 or .pdf format. Any confidential information shall be submitted on a separate cd, disc or zip disc. The original copy of the proposal should be clearly labeled "Original" and shall be single-sided, three hole punched and in a binder. The material should be in sequence and related to the RFP. **The sections of the submittal should be tabbed, clearly identifiable and should include a minimum of the following sections: the completed Offer and Acceptance Form, all signed Amendments, a copy of this RFP document and the Offeror's response to the Evaluation Criteria including the completed Price Page.** Failure to include the requested information may have a negative impact on the evaluation of the offeror's proposal.
- 10. EXCEPTIONS TO CONTRACT PROVISIONS:** A response to any Request for Proposal is an offer to contract with the City based upon the contract provisions contained in the City's Request for Proposal, including but not limited to, the specifications, scope of work and any terms and conditions. Offerors who wish to propose modifications to the contract provisions must clearly identify the proposed deviations and any proposed substitute language. The provisions of the Request for Proposal cannot be modified without the express written approval of the Director or his designee. If a proposal or offer is returned with modifications to the contract provisions that are not expressly approved in writing by the Director or his designee, the contract provisions contained in the City's Request for Proposal shall prevail.
- 11. PUBLIC RECORD:** All proposals submitted in response to this Request for Proposal shall become the property of the City and shall become a matter of public record available for review subsequent to the award notification.
- 12. CONFIDENTIAL INFORMATION:** The City of Tucson is obligated to abide by all public information laws. If an Offeror believes that any portion of a proposal, offer, specification, protest or correspondence contains information that should be withheld, a statement advising the Contract Officer of this fact should accompany the submission and the information shall be so identified wherever it appears. The City shall review all requests for confidentiality and may provide a written determination to designate specified documents confidential or the request may be denied. Price is not confidential and will not be withheld. If the confidential request is denied, such information shall be disclosed as public information, unless the offeror submits a formal written objection.
- 13. CERTIFICATION:** By signature on the Offer and Acceptance page, solicitation Amendment(s), or cover letter accompanying the submittal documents, Offeror certifies:
- A. The submission of the offer did not involve collusion or other anti-competitive practices.
 - B. The Offeror shall not discriminate against any employee or applicant for employment in violation of Federal or State law.
 - C. The Offeror has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, meal or service to a public servant in connection with the submitted offer.
 - D. The Offeror hereby certifies that the individual signing the submittal is an authorized agent for the Offeror and has the authority to bind the Offeror to the Contract.

WHERE TO SUBMIT PROPOSALS:** In order to be considered, the Offeror must complete and submit its proposal to the City of Tucson Department of Procurement at the location indicated, prior to or at the exact date and time indicated on the Notice of Request for Proposal page. The Offeror's proposal shall be submitted in a sealed envelope. The words "SEALED PROPOSAL" with the REQUEST FOR PROPOSAL TITLE, REQUEST FOR PROPOSAL NUMBER, PROPOSAL DUE DATE AND TIME and OFFEROR'S NAME AND ADDRESS shall be written on the envelope.
- 15. LATE PROPOSALS:** Late proposals will be rejected.
- 16. OFFER AND ACCEPTANCE PERIOD:** In order to allow for an adequate evaluation, the City requires an offer in response to this solicitation to be valid and irrevocable for ninety (90) days after the proposal due date and time.
- 17. WITHDRAWAL OF PROPOSAL:** At any time prior to the specified solicitation due date and time, an offeror may formally withdraw the proposal by a written letter or electronic mail from the Offeror or a designated representative. Telephonic or oral withdrawals shall not be considered.
- 18. DISCUSSIONS:** The City reserves the right to conduct discussions with offerors for the purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal in order to clarify an offer and assure full understanding of, and responsiveness to, solicitation requirements.
- 19. TAX OFFSET POLICY:** If applicable, in evaluating price proposals, the City shall include the amount of applicable business privilege tax, except that the amount of the City of Tucson business privilege tax shall not be included in the evaluation.
- 20. CONTRACT NEGOTIATIONS:** Exclusive or concurrent negotiations may be conducted with responsible offeror(s) for the purpose of altering or otherwise changing the conditions, terms and price of the proposed contract unless prohibited. Offerors shall be accorded fair and equal treatment in conducting negotiations and there shall be no disclosure of any information derived from proposals submitted by competing offerors. Exclusive or concurrent negotiations shall not constitute a contract award nor shall it confer any property rights to the successful offeror. In the event the City deems that negotiations are not progressing, the City may formally terminate these negotiations and may enter into subsequent concurrent or exclusive negotiations with the next most qualified firm(s).
- 21. VENDOR APPLICATION:** Prior to the award of a Contract, the successful offeror shall register with the City's Department of Procurement. Registration can be completed at <http://www.tucsonprocurement.com/> by clicking on Vendor Services. Please note that email notifications of newly published solicitations and amendments will be provided to those vendors that select email as their preferred delivery method in their vendor record.
- 22. CITY OF TUCSON BUSINESS LICENSE:** It is the responsibility of the Contractor to have a City of Tucson Business License throughout the life of this contract or a written determination from the City's Business License Section that a license is not required. At any time during the contract, the City may request the Contractor to provide a valid copy of the business license or a written determination that a business license is not required. Application for a City Business License can be completed at <http://www.tucsonaz.gov/etax>. For questions contact the City's Business License Section at (520) 791-4566 or email at tax-license@tucsonaz.gov.
- 23. UPON NOTICE OF INTENT TO AWARD:** The apparent successful offeror shall sign and file with the City, within five (5) days after Notice of Intent to Award, all documents necessary to the successful execution of the Contract.
- 24. AWARD OF CONTRACT:** Notwithstanding any other provision of the Request for Proposal, the City reserves the right to:
- (1) waive any immaterial defect or informality; or
 - (2) reject any or all proposals, or portions thereof; or
 - (3) reissue the Request for Proposal.
- A response to this Request for Proposal is an offer to contract with the City based upon the terms, conditions and Scope of Work contained in the City's Request for Proposal. Proposals do not become contracts unless and until they are executed by the City's Director of Procurement and the City Attorney. A contract has its inception in the award, eliminating a formal signing of a separate contract. All of the terms and conditions of the contract are contained in the Request for Proposal, unless any of the terms and conditions are modified by a Request for Proposal amendment, a Contract Amendment, or by mutually agreed terms and conditions in the Contract documents.
- 25. PROPOSAL RESULTS:** The name(s) of the successful offeror(s) will be posted(s) on the Procurement Department's Internet site at <http://www.tucsonprocurement.com/> upon issuance of a Notice of Intent to Award or upon final contract execution.

3. Highlight experience and strong national presence in the MRO industry.
4. Provide the total number and location of sales persons employed by your firm.
5. Number and location of support centers (if applicable).
6. Describe the qualifications of your sales personnel and technicians.
7. Provide a listing of key personnel who may be assigned to the City's contract. Include their title within your organization and the description of the type of work they may perform. Please identify an executive corporate sponsor who will be responsible for the overall management of the awarded Master Agreement.
8. Summarize your experience in providing product and services similar to that outlined in the Scope of Work. Provide a minimum of three references for which you have provided similar products and services. References from other public agencies, particularly municipal governments, are preferred. Please include company name, address, phone, email, and contact person.
9. Please submit any additional information that you feel is applicable to your qualifications and experience.

III. GENERAL

A. Shortlist:

The City reserves the right to shortlist the offerors on the stated criteria. However, the City may determine that shortlisting is not necessary.

B. Interviews:

The City reserves the right to conduct interviews with some or all of the offerors at any point during the evaluation process. However, the City may determine that interviews are not necessary. In the event interviews are conducted, information provided during the interview process shall be taken into consideration when evaluating the stated criteria. The City shall not reimburse the offeror for the costs associated with the interview process.

C. Additional Investigations:

The City reserves the right to make such additional investigations as it deems necessary to establish the competence and financial stability of any offeror submitting a proposal.

D. Prior Experience:

Experiences with the City and entities that evaluation committee members represent and that are not specifically mentioned in the solicitation response may be taken into consideration when evaluating offers.

E. Multiple Awards:

To provide adequate contract coverage, at the City's sole discretion, multiple awards may be made.

SPECIAL TERMS AND CONDITIONS

- 1. COOPERATIVE PURCHASING:** Any Contract resulting from this solicitation shall be for the use of the City of Tucson. In addition, public and nonprofit agencies that have registered with OMNIA Partners or entered into a Cooperative Purchasing Agreement with the City of Tucson's Department of Procurement are eligible to participate in any subsequent Contract. See http://www.tucsonprocurement.com/coop_partners.aspx and click on Cooperatives for a list of the public and nonprofit agencies that have currently entered into Cooperative Purchasing Agreements with the City of Tucson. Additionally, this contract is eligible for use by the Strategic Alliance for Volume Expenditures (SAVE) cooperative. See <http://www.mesaaz.gov/home/showdocument?id=23638> for a listing of participating agencies. The parties agree that these lists are subject to change.

Any orders placed to, or services required from, the successful Contractor(s) will be requested by each participating agency. Payment for purchases made under this agreement will be the sole responsibility of each participating agency. The Contractor may negotiate additional expenses incurred as a result of participating agencies' usage of this contract (i.e., freight charges, travel related expenses, etc.). The City shall not be responsible for any disputes arising out of transactions made by others.

The Contractor(s) will provide an electronic copy of the complete Contract to the City of Tucson Department of Procurement upon receipt of the Notice of Intent to Award. At the City's request, the successful Contractor(s) may also be requested to provide an electronic copy of the complete Contract to a participating agency.

- 2. FEDERAL, STATE AND LOCAL TAXES, LICENSES AND PERMITS:** The Supplier shall comply with all Federal, State, and local licenses and permits required for the operation of the business conducted by the Supplier as applicable to this Contract. The Supplier shall, at no expense to the City, OMNIA Partners, or other Participating Public Agencies, procure and keep in force during the entire period of the Agreement all such permits and licenses.
- 3. SUBCONTRACTORS:** No subcontract shall be made by the contractor with any other party for furnishing any of the services herein contracted for without the advance written approval of the Department of Procurement. All subcontractors shall comply with Federal and State laws and regulations that are applicable to the services covered by the subcontractor and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. Contractor is responsible for contract performance whether or not subcontractors are used.
- 4. FOB DESTINATION FREIGHT PREPAID:** Prices shall be FOB Destination Freight Prepaid to the delivery location designated. Contractor shall retain title and control of all goods until they are delivered and the Contract of coverage has been completed. All risk of transportation and all related charges shall be the responsibility of the Contractor. All claims for visible or concealed damage shall be filed by the Contractor. The City will assist the Contractor in arranging for inspection.
- 5. PAYMENTS:** All payments made by the City of Tucson for goods or services will be made to the vendor named on the Offer and Acceptance form. If you do not wish payment to be made to that address, you must submit an attached sheet indicating the proper mailing address with this bid.
- 6. RIGHT TO TERMINATE FOR CHANGE IN OWNERSHIP OR MATERIAL RESTRUCTURE OF THE CONTRACTOR:** In addition to the Termination of Contract clause in the Standard Terms and Conditions section of this solicitation and resulting contract, the City reserves the right to cancel the whole or part of this contract within 60 days written notice of the completion of any material change of ownership in the Contractor's company, including its sale, merger, consolidation or dissolution.

- 7. TERM AND RENEWAL:** The term of the Contract shall commence upon award and shall remain in effect for a period of three (3) years, unless terminated, canceled or extended as otherwise provided herein. The Contractor agrees that the City of Tucson shall have the right, at its sole option, to renew the Contract for two (2) additional one-year periods or portions thereof. In the event that the City exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the possible exception of price and minor scope additions and/or deletions.
- 8. PRICE ADJUSTMENT:** The City will review fully documented requests for price adjustment at the end of the Contract's first year. Subsequent fully documented requests for price adjustment may be made at the end of each Contract year that the Contract is in effect. Price adjustments may be a consideration in the continuance and/or renewal of the contract. The City will determine whether the requested price adjustment or an alternate option, is in the best interest of the City.
- 9. INSURANCE:** The Contractor agrees to:
- A.** Obtain insurance coverage of the types and amount required in this section and keep such insurance coverage in force throughout the life of this contract. All policies will contain an endorsement providing that written notice be given to the City at least 30 days prior to termination or cancellation in coverage in any policy, and 10 days notice for cancellation due to non-payment in premium.
- B.** The Commercial General Liability Insurance and Commercial Automobile Liability Insurance policies will include the City as an additional insured with respect to liability arising out of the performance of this contract. Such additional insured shall be covered to the full limits of liability purchased by the Contractor, even if those limits of liability are in excess of those required by this Contract. The insurance hereunder will be primary and that any insurance carried by the City will be excess and not contributing.
- C.** Provide and maintain minimum insurance limits as applicable:

If applicable, please request the Sole Proprietor/Independent Contractor form from the Contract Officer listed in the solicitation.

D. ADDITIONAL INSURANCE REQUIREMENTS: Policies shall be endorsed to include the following provisions:

1. A waiver of subrogation endorsement in favor of the City of Tucson, for losses arising from work performed by or on behalf of the Contractor (including Worker's Compensation).
2. The insurance afforded the contractor shall be primary insurance and that any insurance carried by the City of Tucson and its agents, officials or employees shall be excess and not contributory.
3. Coverage provided by the Contractor shall not be limited to the liability assumed under the indemnification provisions of this Contract.

E. NOTICE OF COVERAGE MODIFICATIONS: Any changes material to compliance with this contract in the insurance policies above shall require 10 days written notice from the Contractor to the City of Tucson. Such notice shall be sent directly to the Department of Procurement.

F. ACCEPTABILITY OF INSURERS: Contractors insurance shall have an "A.M. Best" rating of not less than A:VII. The City of Tucson in no way warrants that the required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

G. VERIFICATION OF COVERAGE: Contractor shall furnish the City of Tucson with certificates of insurance (ACORD form or equivalent approved by the City of Tucson) as required by this Contract. The certificates for each insurance policy are to be signed by an authorized representative.

All certificates and endorsements are to be received and approved by the City of Tucson before work commences. Each insurance policy required by this Contract must be in effect at or prior to commencement of work and remain in effect for the duration of the contract and two (2) years after completion. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal upon the City's request, is a material breach of contract.

All certificates required by this Contract shall be sent directly to the Department of Procurement.

The City of Tucson project/contract number and project description shall be noted on the certificate of insurance. The City of Tucson reserves the right to require complete copies of all insurance policies required by this Contract at any time.

H. SUBCONTRACTORS: Contractors' certificate(s) shall include all subcontractors as insureds under its policies **or** Contractor shall furnish to the City of Tucson separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum requirements identified above.

I. EXCEPTIONS: In the event the Contractor or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of Self-Insurance

STANDARD TERMS AND CONDITIONS

1. **ADVERTISING:** Contractor shall not advertise or publish information concerning this Contract without prior written consent of the City's Director of Procurement.
2. **AFFIRMATIVE ACTION:** Contractor shall abide by the provisions of the Tucson Procurement Code Chapter 28, Article XII.
3. **AMERICANS WITH DISABILITIES ACT:** The Contractor shall comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101, et seq.) and applicable Federal regulations under the Act.
4. **APPLICABLE LAW:** This Contract shall be governed, and the City and Contractor shall have all remedies afforded to each, by the Tucson Procurement Code and the law of the State of Arizona. State law claims shall be brought only in Pima County Superior Court.
5. **ASSIGNMENT-DELEGATION:** No right or interest in this Contract shall be assigned by the Contractor without prior written permission of the City, and no delegation of any duty of the Contractor shall be made without prior written permission of the City's Director of Procurement. The City shall not unreasonably withhold approval and shall notify the Contractor of the City's position by written notice.
6. **CHILD/SWEAT-FREE LABOR POLICY:** The Contractor shall comply with all applicable provisions of the United States Federal and State Child Labor and Worker's Right laws and agrees if called upon to affirm in writing, that they, and any subcontractor involved in the provision of goods to the City, are in compliance.
7. **CLEAN UP:** The Contractor shall at all times keep the contract area, including storage areas used by the Contractor, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of the City. Upon completion of the repair, the Contractor shall leave the work and premises in clean, neat and workmanlike condition.
8. **COMMENCEMENT OF WORK:** The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives purchase order or is otherwise directed to do so, in writing, by the City.
9. **CONFIDENTIALITY OF RECORDS:** The Contractor shall establish and maintain procedures and controls that are acceptable to the City for the purpose of assuring that no information contained in its records or obtained from the City or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under the Contract. Persons requesting such information should be referred to the City. Information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by the City.
10. **CONTRACT AMENDMENTS:** The Procurement Department has the sole authority to:
 - A. Amend the contract or enter into supplemental verbal or written agreements;
 - B. Grant time extensions or contract renewals;
 - C. Otherwise modify the scope or terms and provisions of the contract.

This Contract shall only be modified with the approval of the Department of Procurement. Except in the case of a documented emergency, approval must be granted prior to performance. Any contract modification not explicitly approved by the Procurement Department through a written contract amendment or change order is performed at the sole risk of the Contractor and may not be eligible for payment by the City.

11. **CONTRACT:** The Contract shall be based upon the Request for Proposal issued by the City and the Offer submitted by the Contractor in response to the Request for Proposal. The offer shall substantially conform to the terms, conditions, specifications and other requirements set forth within the text of the Request for Proposal. The City reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by the City's Director of Procurement, shall be deemed non-responsive and the offer rejected. The Contract shall contain the entire agreement between the City of Tucson and the Contractor relating to this requirement and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders, or master agreements in any form.

- 12. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH:** Contractor shall deliver conforming materials in each installment or lot of this Contract and may not substitute nonconforming materials. Delivery of nonconforming materials, or default of any nature, may constitute breach of the Contract. Noncompliance may be deemed a cause for possible Contract termination.
- 13. DUPLEXED/RECYCLED PAPER:** In accordance with efficient resource procurement and utilization policies adopted by the City of Tucson, the Contractor shall ensure that, whenever practicable, all printed materials produced by the Contractor in the performance of this Contract are duplexed (two-sided copies), printed on recycled paper and labeled as such.
- 14. EQUAL PAY:** The Contractor shall comply with the applicable provisions of the Equal Pay Act of 1963 (Pub.L. 88-38, 29 U.S.C. section 206(d)); Title VII of the Civil Rights Act of 1964 (Pub.L. 88-352, 42 U.S.C. 2000e *et seq.*; and, the Lily Ledbetter Fair Pay Act of 2009 (Pub.L. 111-2).
- 15. EXCLUSIVE POSSESSION:** All services, information, computer program elements, reports and other deliverables created under this Contract are the sole property of the City of Tucson and shall not be used or released by the Contractor or any other person except with prior written permission by the City.
- 16. FEDERAL IMMIGRATION LAWS AND REGULATIONS:** Contractor warrants that it complies with all Federal Immigration laws and regulations that relate to its employees and complies with A.R.S. § 23-214(A) and that it requires the same compliance of all subcontractors under this Contract. Contractor acknowledges that pursuant to A.R.S. § 41-4401 and effective September 30, 2008, a breach of this warranty is a material breach of this Contract subject to penalties up to and including termination of this Contract. The City retains the legal right to audit the records of the Contractor and inspect the papers of any employee who works for the Contractor to ensure compliance with this warranty and the Contractor shall assist in any such audit. The Contractor shall include the requirements of this paragraph in each contract with subcontractors under this Contract.

If the Contractor or subcontractor warrants that it has complied with the employment verification provisions prescribed by sections 274(a) and 274(b) of the Federal Immigration and Nationality Act and the E-verify requirements prescribed by A.R.S. § 23-214(A), the Contractor or subcontractor shall be deemed to be in compliance with this provision. The City may request proof of such compliance at any time during the term of this Contract by the Contractor and any subcontractor.

- 17. FORCE MAJEURE:** Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. The term "Force Majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force Majeure shall not include late performance by a subcontractor unless the delay arises out of a Force Majeure occurrence in accordance with this Force Majeure term and condition.

If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand-delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

- 18. GRATUITIES:** The City may, by written notice to the Contractor, terminate this Contract if it is found that gratuities, in the form of entertainment, gifts, meals or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the City amending, or the making of any determinations with respect to the performing of such Contract. In the event this Contract is terminated by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.
- 19. HUMAN RELATIONS:** Contractor shall abide by the provisions of the Tucson City Code Chapter 28, Article XII.
- 20. INDEMNIFICATION:** To the fullest extent permitted by law, Contractor, its successors, assigns and guarantors, shall pay, defend, indemnify and hold harmless City of Tucson, its agents, representatives, officers, directors, officials and employees from and against all allegations, demands, proceedings, suits, actions, claims, including claims of patent

or copyright infringement, damages, losses, expenses, including but not limited to, attorney fees, court costs, and the cost of appellate proceedings, and all claim adjusting and handling expense, related to, arising from or out of or resulting from any actions, acts, errors, mistakes or omissions caused in whole or part by Contractor relating to work, services and/or products provided in the performance of this Contract, including but not limited to, any Subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable and any injury or damages claimed by any of Contractor's and Subcontractor's employees. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. The Contractor agrees to waive all rights of subrogation against the City of Tucson, its agents, representatives, officers, directors, officials, employees and volunteers for losses arising from the work performed by the Contractor for the City of Tucson.

Contractor is responsible for compliance with the Patient Protection and Affordable Care Act (ACA), for its employees in accordance with 26 CFR §54. 4980H. Additionally, Contractor is responsible for all applicable IRS reporting requirements related to ACA. If Contractor or any of Contractor's employees is certified to the City as having received a premium tax credit or cost sharing reduction which contributes to or triggers an assessed penalty against the City, or Contractor fails to meet reporting requirements pursuant to section 6056 resulting in a penalty to City, Contractor indemnifies City from and shall pay any assessed tax penalty.

- 21. INDEPENDENT CONTRACTOR:** It is understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose.

The Contractor shall not be entitled to compensation in the form of salaries, holidays, paid vacation, sick days, or pension contributions by the City. The City of Tucson will not provide any insurance coverage to the Contractor, including Worker's Compensation coverage. The Contractor is advised that taxes, social security payments, and other withholdings shall not be withheld from a City payment issued under this Contract and that Contractor should make arrangements to directly pay such expenses. Contractor is responsible for compliance with the Affordable Care Act for Contractor and any of Contractor's employees.

- 22. INSPECTION AND ACCEPTANCE:** All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this Contract shall be held at the Contractor's risk and may be returned to the Contractor. If returned, all costs are the responsibility of the Contractor. Noncompliance may be deemed a cause for possible Contract termination.

- 23. INTERPRETATION-PAROL EVIDENCE:** This Contract is intended by the parties to be a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in the Contract. Acceptance or consent in the course of performance under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or consenting party has knowledge of the nature of the performance and the opportunity to object.

- 24. ISRAEL BOYCOTT DIVESTMENTS:** Acceptance of the contract warrants that the vendor is in compliance with A.R.S. § 35-393 and does not participate in a boycott of Israel as that term is defined within A.R.S. § 35-393.

- 25. LICENSES:** Contractor shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this Contract.

- 26. LIENS:** All materials, services, and other deliverables supplied to the City under this Contract shall be free of all liens other than the security interest. Security interest shall extinguish upon full payment made by the City. Upon the City's request, the Contractor shall provide a formal release of all liens.

- 27. NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender of materials must fully comply with all provisions of this Contract. If a tender is made which does not fully comply, this shall conform to the termination clause set forth within this document.

- 28. NON-EXCLUSIVE CONTRACT:** Any contract resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience of the City of Tucson. The City reserves the right to obtain like goods or services from another source when necessary.

29. OVERCHARGES BY ANTITRUST VIOLATIONS: The City maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the City any and all claims for such overcharges as to the materials or services used to fulfill the Contract.

30. PAYMENT: The City's preferred method of payment is via credit card. The City will issue a Purchase Order and, in some cases, either provide a credit card for payment at the time of ordering or pay subsequent invoices by credit card upon receipt of goods or services in good order. However, not all City employees will possess a credit card and, therefore, the City reserves the right to make payment by check as it deems necessary.

Unless payment is made by credit card at time of order or point of sale, a separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material or service and correct invoice. The invoice shall not be dated prior to the receipt of goods or completion of services.

The City shall make every effort to process payment for the purchase of materials or services within twenty-one (21) calendar days after receipt of materials or services and a correct invoice.

The Contractor's payment terms shall apply to all purchases and to all payment methods.

31. PROTECTION OF GOVERNMENT PROPERTY: The Contractor shall use reasonable care to avoid damaging existing buildings, equipment, and vegetation (such as trees, shrubs, and grass) on City property. If the Contractor fails to do so and damages such property, the Contractor shall replace or repair the damage at no expense to the City, as determined and approved by the City's Director of Procurement. If the Contractor fails or refuses to make such repair or replacement, the City will determine a cost and the Contractor shall be liable for the cost thereof, which may be deducted from the Contract price.

32. PROVISIONS REQUIRED BY LAW: Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall be amended to make such insertion or correction.

33. RECORDS: Internal control over all financial transactions related to this Contract shall be in accordance with sound fiscal policies. The City may, at reasonable times and places, audit the books and records of the Contractor and/or any subcontractors. Said audit shall be limited to this Contract.

34. RIGHT TO ASSURANCE: Whenever one party to this Contract has reason to question, in good faith, the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as the other party's intent not to perform and as a cause for possible Contract termination.

35. RIGHT TO INSPECT: The City may, at reasonable times, and at the City's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any Contract as awarded or to be awarded.

36. RIGHTS AND REMEDIES: No provision in this document or in the Contractor's proposal shall be construed, expressly or by implication, as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim, default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract, to exercise or delay the exercise of any right or remedy provided in the Contract or by law, or to accept materials or services required by this Contract or by law shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.

37. SEVERABILITY: The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract which may remain in effect without the valid provision or application.

38. SHIPMENT UNDER RESERVATION PROHIBITED: No tender of a bill of lading shall operate as a tender of the materials. Non-compliance shall conform to the termination clause set forth within this document.

39. SUBCONTRACTS: No subcontract shall be entered into by the Contractor with any other party to furnish any of the material/service specified herein without the advance written approval of the City's Director of Procurement. All subcontracts shall comply with Federal and State laws and regulations which are applicable to the services covered

by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not subcontractors are used.

40. SUBSEQUENT EMPLOYMENT: The City may terminate this Contract without penalty or further obligation pursuant to A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract, on behalf of the City, is or becomes, at any time while the Contract or any extension of the Contract is in effect, an employee of, or a contractor to, any other party to this Contract with respect to the subject matter of the Contract. Termination shall be effective when written notice from the City's Director of Procurement is received by the parties to this Contract, unless the notice specifies a later time.

41. TERMINATION OF CONTRACT: This Contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty (30) days written notice. The City, at its convenience, by written notice, may terminate this Contract, in whole or in part. If this Contract is terminated, the City shall be liable only for payment under the payment provisions of this Contract for services rendered and accepted material received by the City before the effective date of termination.

The City reserves the right to terminate the whole or any part of this Contract due to the failure of the Contractor to carry out any term or condition of the Contract. The City will issue a written ten (10) day notice of default to the Contractor for acting or failing to act as specified in any of the following:

In the opinion of the City, the Contractor provides personnel that do not meet the requirements of the Contract;

In the opinion of the City, the Contractor fails to perform adequately the stipulations, conditions or services/specifications required in this Contract;

In the opinion of the City, the Contractor attempts to impose personnel, materials, products or workmanship of an unacceptable quality;

The Contractor fails to furnish the required service and/or product within the time stipulated in the Contract;

In the opinion of the City, the Contractor fails to make progress in the performance of the requirements of the Contract;

The Contractor gives the City a positive indication that the Contractor will not or cannot perform to the requirements of the Contract.

Each payment obligation of the City created by this Contract is conditioned upon the availability of City, State and Federal funds that are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the City and available for the continued purchase of the services and/or materials provided under this Contract, this Contract may be terminated by the City at the end of the period for which funds are available. The City will endeavor to notify the Contractor in the event that continued service will or may be affected by non-appropriation. No penalty shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

42. TITLE AND RISK OF LOSS: The title and risk of loss of material or service shall not pass to the City until the City actually receives the material or service at the point of delivery, unless otherwise provided within this Contract.

43. WARRANTIES: Contractor warrants that all material or service delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by the City shall not alter or affect the obligations of the Contractor or the rights of the City under the foregoing warranties. Additional warranty requirements may be set forth in this document.

EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The City of Tucson (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector (“OMNIA Partners”), is requesting proposals for Maintenance, Repair, and Operations (MRO) Supplies, Parts, Equipment, Materials, and Related Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (“Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners’ requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

OMNIA PARTNERS EXHIBITS

EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an administrative fee of 3.0% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

OMNIA PARTNERS EXHIBITS**EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT****1.3 Estimated Volume**

The dollar volume purchased under the Master Agreement is estimated to be approximately \$100 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

OMNIA PARTNERS EXHIBITS
EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

OMNIA PARTNERS EXHIBITS**EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT****3.1 Company**

- J. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.
- K. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.
- L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.
- M. Does the Supplier propose to guarantee sales? If so, provide the Contract Sales (as defined in Section 10 of the National Intergovernmental Purchasing Alliance Company Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

- N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.
- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
 - ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
 - iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
 - iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

ADMINISTRATION AGREEMENT

THIS ADMINISTRATION AGREEMENT (this “Agreement”) is made this ___ day of _____ 20___, between National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector (“OMNIA Partners”), and _____ (“Supplier”).

RECITALS

WHEREAS, the _____ (the “Principal Procurement Agency”) has entered into a Master Agreement dated _____, Agreement No _____, by and between the Principal Procurement Agency and Supplier, (as may be amended from time to time in accordance with the terms thereof, the “Master Agreement”), as attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, for the purchase of _____ (the “Product”);

WHEREAS, said Master Agreement provides that any or all public agencies, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (collectively, “Public Agencies”), that register (either via registration on the OMNIA Partners website or execution of a Master Intergovernmental Cooperative Purchasing Agreement, attached hereto as Exhibit B) (each, hereinafter referred to as a “Participating Public Agency”) may purchase Product at prices stated in the Master Agreement;

WHEREAS, Participating Public Agencies may access the Master Agreement which is offered through OMNIA Partners to Public Agencies;

WHEREAS, OMNIA Partners serves as the contract administrator of the Master Agreement on behalf of Principal Procurement Agency;

WHEREAS, Principal Procurement Agency desires OMNIA Partners to proceed with administration of the Master Agreement; and

WHEREAS, OMNIA Partners and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies and to set forth certain terms and conditions governing the relationship between OMNIA Partners and Supplier.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, OMNIA Partners and Supplier hereby agree as follows:

DEFINITIONS

1. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings given to them in the Master Agreement.

TERMS AND CONDITIONS

2. The Master Agreement and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation and Supplier's response thereto resulting in the Master Agreement are incorporated herein and are an integral part hereof.

3. OMNIA Partners shall be afforded all of the rights, privileges and indemnifications afforded to Principal Procurement Agency by or from Supplier under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to OMNIA Partners, its agents, employees, directors, and representatives under this Agreement including, but not limited to, Supplier's obligation to obtain appropriate insurance.

4. OMNIA Partners shall perform all of its duties, responsibilities and obligations as contract administrator of the Master Agreement on behalf of Principal Procurement Agency as set forth herein, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by OMNIA Partners solely in its capacity as the contract administrator under the Master Agreement.

5. With respect to any purchases by Principal Procurement Agency or any Participating Public Agency pursuant to the Master Agreement, OMNIA Partners shall not be: (i) construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, Principal Procurement Agency or any Participating Public Agency; (ii) obligated, liable or responsible for any order for Product made by Principal Procurement Agency or any Participating Public Agency or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Product; and (iii) obligated, liable or responsible for any failure by Principal Procurement Agency or any Participating Public Agency to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase under the Master Agreement. OMNIA Partners makes no representation or guaranty with respect to any minimum purchases by Principal Procurement Agency or any Participating Public Agency or any employee thereof under this Agreement or the Master Agreement.

6. OMNIA Partners shall not be responsible for Supplier's performance under the Master Agreement, and Supplier shall hold OMNIA Partners harmless from any liability that may arise from the acts or omissions of Supplier in connection with the Master Agreement.

7. **WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, OMNIA PARTNERS EXPRESSLY DISCLAIMS ALL EXPRESS OR IMPLIED REPRESENTATIONS**

Requirements for National Cooperative Contract

AND WARRANTIES REGARDING OMNIA PARTNERS' PERFORMANCE AS A CONTRACT ADMINISTRATOR OF THE MASTER AGREEMENT. OMNIA PARTNERS SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF OMNIA PARTNERS IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM OF AGREEMENT; TERMINATION

8. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of Sections 3 – 8 and 12 – 23, hereof and the indemnifications afforded by the Supplier to OMNIA Partners in the Master Agreement, to the extent such provisions survive any expiration or termination of the Master Agreement, shall survive the expiration or termination of this Agreement.

9. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement. If such breach is not cured within thirty (30) days of written notice to Supplier, in addition to any and all remedies available at law or equity, OMNIA Partners shall have the right to terminate this Agreement, at OMNIA Partners' sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.

NATIONAL PROMOTION

10. OMNIA Partners and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. Supplier shall require each Public Agency to register its participation in the OMNIA Partners program by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector), or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases.

11. Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and OMNIA Partners. Supplier shall be responsible for obtaining permission or license of use and payment of any license fees for all content and images Supplier provides to OMNIA Partners or posts on the OMNIA Partners website. Supplier shall indemnify, defend and hold harmless OMNIA Partners for use of all such content and images including copyright infringement claims. Supplier and OMNIA Partners each hereby grant to the other party a limited, revocable, non-transferable, non-sublicensable right to use such party's logo (each, the "Logo") solely for use in marketing the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's Logo, and such party shall comply with such terms in all material respects. Both parties shall obtain approval from the other party prior to use of such party's Logo. Notwithstanding the foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or

interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

ADMINISTRATIVE FEE, REPORTING & PAYMENT

12. An "Administrative Fee" shall be defined and due to OMNIA Partners from Supplier in the amount of ___ percent (___%) ("Administrative Fee Percentage") multiplied by the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) ("Contract Sales"). From time to time the parties may mutually agree in writing to a lower Administrative Fee Percentage for a specifically identified Participating Public Agency's Contract Sales.

13. Supplier shall provide OMNIA Partners with an electronic accounting report monthly, in the format prescribed by OMNIA Partners, summarizing all Contract Sales for each calendar month. The Contract Sales reporting format is provided as Exhibit C ("Contract Sales Report"), attached hereto and incorporated herein by reference. Contract Sales Reports for each calendar month shall be provided by Supplier to OMNIA Partners by the 10th day of the following month. Failure to provide a Contract Sales Report within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion.

14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners at the frequency and on the due date stated in Section 13, above, for Supplier's submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners designated financial institution identified in Exhibit D. Failure to provide a payment of the Administrative Fee within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, or its designee, in OMNIA Partners' sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners receives such report. In addition, OMNIA Partners may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners' reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners' costs and expenses related to such audit.

GENERAL PROVISIONS

16. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between OMNIA Partners and Supplier, the provisions of this Agreement shall prevail.

17. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any Administrative Fee and accrued interest, the prevailing party shall be entitled to reasonable attorney’s fees and costs in addition to any other relief to which it may be entitled.

18. This Agreement and OMNIA Partners’ rights and obligations hereunder may be assigned at OMNIA Partners’ sole discretion to an affiliate of OMNIA Partners, any purchaser of any or all or substantially all of the assets of OMNIA Partners, or the successor entity as a result of a merger, reorganization, consolidation, conversion or change of control, whether by operation of law or otherwise. Supplier may not assign its obligations hereunder without the prior written consent of OMNIA Partners.

19. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below.

20. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

21. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be

deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

22. This Agreement shall inure to the benefit of and shall be binding upon OMNIA Partners, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.

23. This Agreement will be construed under and governed by the laws of the State of Delaware, excluding its conflicts of law provisions and any action arising out of or related to this Agreement shall be commenced solely and exclusively in the state or federal courts in Williamson County Tennessee.

24. This Agreement may be executed in counterparts, each of which is an original but all of which, together, shall constitute but one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile, or by .pdf or similar electronic transmission, will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile, or by .pdf or similar electronic transmission, will be deemed to be their original signatures for any purpose whatsoever.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (this “Agreement”) is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate (“Principal Procurement Agencies”) with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector (“OMNIA Partners”) to be appended and made a part hereof and such other public agencies (“Participating Public Agencies”) who register to participate in the cooperative purchasing programs administered by OMNIA Partners and its affiliates and subsidiaries (collectively, the “OMNIA Partners Parties”) by either registering on a OMNIA Partners Party website (such as www.omniapartners.com/publicsector or www.nationalipa.org or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into “Master Agreements” (herein so called) to provide a variety of goods, products and services (“Products”) to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.
2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency’s procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies’ participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(h), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable

“safe harbor” regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization (“GPO”) agreements directly or indirectly by enrolling the Participating Public Agency in another GPO’s purchasing program, including but not limited to Vizient Source, LLC, Provista, Inc. and other OMNIA Partners affiliates and subsidiaries; provided the purchase of Products through a OMNIA Partners Party or any other GPO shall be at the Participating Public Agency’s sole discretion.

7. The Participating Public Agencies (each a “Procuring Party”) that procure Products through any Master Agreement or GPO Product supply agreement (each a “GPO Contract”) will make timely payments to the distributor, manufacturer or other vendor (collectively, “Supplier”) for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE NATIONAL IPA PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE NATIONAL IPA PARTIES SHALL NOT BE

LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE NATIONAL IPA PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE NATIONAL IPA PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

12. This Agreement shall take effect upon (i) execution of the Principal Procurement Agency Certificate, or (ii) the registration on a OMNIA Partners Party website or the execution of this Agreement by a Participating Public Agency, as applicable.

**FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT**

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned with proposal.

The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror in the event Offeror fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. Participating Agency also reserves the right to terminate the contract immediately, with written notice to offeror, for convenience, if Participating Agency believes, in its sole discretion that it is in the best interest of Participating Agency to do so. Offeror will be compensated for work performed and accepted and goods accepted by Participating Agency as of the termination date if the contract is terminated for convenience of Participating Agency. Any award under this procurement process is not exclusive and Participating Agency reserves the right to purchase goods and services from other offerors when it is in Participating Agency's best interest.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

MAINTENANCE, REPAIR AND OPERATIONS (MRO) SUPPLIES, PARTS, EQUIPMENT, MATERIALS AND RELATED SERVICES

THIS CONTRACT IS AMENDED AS FOLLOWS:

ITEM ONE (1): SCOPE OF SERVICES – OTHER/VALUE ADD - ITEM 5. Other/Value Add is hereby replaced with the following:

a. Describe any government rebate or government incentive programs applicable

1. Grainger Incentive Program

Grainger will offer the following incentives to City of Tucson/OMNIA affiliated Members.

Grainger provides incentives to City of Tucson/OMNIA Members that:

- 1) Affiliate to this contract
- 2) Net purchase of more than \$25,000 annually under the Agreement from Grainger

Grainger Incentives include:

Incentive Growth: Grainger will provide the City of Tucson/OMNIA Members an incentive fee tied to annual incremental purchase growth with Grainger. If the Member increases its net annual spend from Grainger, as compared to the previous contract year, Grainger will pay a five percent (5%) fee on the incremental growth.

eCommerce Incentive: Grainger will provide the City of Tucson/OMNIA Members that purchase more than a fifty percent (50%) of spend from Grainger through a Grainger approved ecommerce channel with a two percent (2%) eCommerce Incentive fee paid annually on all eCommerce spend with Grainger for the contract year.

Direct Sales Administrative Fee ("DSAF"): Grainger will provide Participating Public Agencies, that purchase more than \$250,000 of this Master Agreement from Grainger, in a contract year with a DSAF of two percent (2%). The two percent (2%) fee shall be calculated based on a Participating Public Agency's net annual spend with Grainger from this Master Agreement.

Reporting and Payment: Payment of Fees and Incentives, along with a supporting report, will be issued to Participating Public Agencies within ninety (90) days of the close of the current contract year. Grainger will work with OMNIA Partners on the distribution of these funds.

Net Annual Spend Defined: Net Annual Spend is calculated for the contract year and is defined as the total invoice price of all contract year purchases from Grainger from this Master Agreement less:

1. Refunds
2. Credits on returns
3. Discounts
4. The monies paid on any purchases from Grainger Distributor Alliance Program contractual resellers.

MAINTENANCE, REPAIR AND OPERATIONS (MRO) SUPPLIES, PARTS, EQUIPMENT, MATERIALS AND RELATED SERVICES

THIS CONTRACT IS AMENDED AS FOLLOWS:

1. The following document is incorporated into the Master Agreement:
 - a. Attachment 1 – FEMA Special Conditions (13 pages)

2. ITEM ONE (1): OTHER/VALUE ADD

Remove ITEM 5. Other/Value Add and replace with the following:

- a. Describe any government rebate or government incentive programs applicable

1. Grainger Incentive Program

Grainger will offer the following incentives to City of Tucson/OMNIA affiliated Members.

Grainger provides incentives to City of Tucson/OMNIA Members that:

- 1) Affiliate to this contract
- 2) Net purchase of more than \$25,000 annually under the Agreement from Grainger
- 3) Notify Grainger of Member's preference to receive incentive checks utilizing the Incentive Program Form attached hereto.

Grainger Incentives include:

Incentive Growth: Grainger will provide the City of Tucson/OMNIA Members an incentive fee tied to annual incremental purchase growth with Grainger. If the Member increases its net annual spend for Grainger, products and/or services as compared to the Member's previous contract year spend, Grainger will pay the Member a five percent (5%) fee on the incremental growth.

eCommerce Incentive: Grainger will provide the City of Tucson/OMNIA Members that purchase more than a fifty percent (50%) of their products and/or service from Grainger through a Grainger approved ecommerce channel with a two percent (2%) eCommerce Incentive fee paid annually on all Member's eCommerce spend with Grainger for the respective contract year.

Direct Sales Administrative Fee ("DSAF"): Grainger will provide the City of Tucson/OMNIA Members, that purchase more than \$250,000 of Contract product and/or services from Grainger, in a contract year with a DSAF of two percent (2%). The two percent (2%) fee shall be calculated based on a Member's net annual Contract spend with Grainger.

Reporting and Payment: Payment of Fees and Incentives, along with a supporting report, will be issued to the City of Tucson/OMNIA Members within ninety (90) days following the close of the current contract year. Grainger will work with OMNIA Partners on the distribution of these funds.

CITY OF TUCSON:

THE ABOVE REFERENCED CONTRACT AMENDMENT
IS HEREBY EXECUTED THIS 20th DAY
OF April, 2020, AT TUCSON, ARIZONA.

for Director of Business Services and not personally

FEMA SPECIAL CONDITIONS

Awarded Supplier(s) may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Supplier is accepted these FEMA Special Conditions required by the Federal Emergency Management Agency (FEMA).

"Contract" in the below pages under FEMA SPECIAL CONDITIONS is also referred to and defined as the "Master Agreement".

"Contractor" in the below pages under FEMA SPECIAL CONDITIONS is also referred to and defined as "Supplier" or "Awarded Supplier".

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended as described in Chapter III, ¶ 6.d must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:

- a. Equal opportunity and nondiscrimination laws
- b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
- c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Prevailing Wage Requirements

When applicable, the awarded Contractor (s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this FEMA Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. Termination for Convenience:

The right to terminate this Contract for the convenience of the Participating Public Agency is retained by the Participating Public Agency. In the event of a termination for convenience by the Participating Public Agency, the Participating Public Agency shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by the Participating Public Agency, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by the Participating Public Agency but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by the Participating Public Agency in connection with the Scope of Work in place which is completed as of the date of termination by the Participating Public Agency and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Work not performed or for consequential damages of any kind.

2. Equal Employment Opportunity:

The Participating Public Agency highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees

and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided*, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. "During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.
- (3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

4. Davis Bacon Act and Copeland Anti-Kickback Act.

- a. Applicability of Davis-Bacon Act. The Davis-Bacon Act only applies to the emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program.**
- b. All prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction)). See 2 C.F.R. Part 200, Appendix II, ¶ D.

- c. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.
- d. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- e. In contracts subject to the Davis-Bacon Act, the contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.
- f. The regulation at 29 C.F.R. § 5.5(a) does provide the required contract clause that applies to compliance with both the Davis-Bacon and Copeland Acts. However, as discussed in the previous subsection, the Davis-Bacon Act does not apply to Public Assistance recipients and subrecipients. **In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback Act."** However, for purposes of grant programs where both clauses do apply, FEMA requires the following contract clause:

"Compliance with the Copeland "Anti-Kickback" Act.

- (1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.
- (2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses
- (3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12."

5. Contract Work Hours and Safety Standards Act.

- a. **Applicability:** This requirement applies to all FEMA grant and cooperative agreement programs.
- b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, ¶ E.
- c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every

mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek.

- d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

- (1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
- (3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
- (4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

6. Rights to Inventions Made Under a Contract or Agreement.

- a. **Stafford Act Disaster Grants**. This requirement **does not apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as**

FEMA awards under these programs do not meet the definition of “funding agreement.”

- b. If the FEMA award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II, ¶ F.
- c. The regulation at 37 C.F.R. § 401.2(a) currently defines “funding agreement” as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

- 7. **Clean Air Act and the Federal Water Pollution Control Act**. Contracts of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II, ¶ G.

- a. The following provides a sample contract clause concerning compliance for contracts of amounts in excess of \$150,000:

“Clean Air Act

- (1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
- (2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- (3) The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

- (1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
- (2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state

agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

- (3) The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.”

8. Debarment and Suspension.

- a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.
- b. Non-federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security’s regulations at 2 C.F.R. Part 3000 (Non procurement Debarment and Suspension).
- c. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II, ¶ H; and *Procurement Guidance for Recipients and Subrecipients Under 2 C.F.R. Part 200 (Uniform Rules): Supplement to the Public Assistance Procurement Disaster Assistance Team (PDAT) Field Manual Chapter IV, ¶ 6.d, and Appendix C, ¶ 2 [hereinafter PDAT Supplement]*. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530; *PDAT Supplement*, Chapter IV, ¶ 6.d and Appendix C, ¶ 2.
- d. In general, an “excluded” party cannot receive a Federal grant award or a contract within the meaning of a “covered transaction,” to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a “covered transaction,” which is any non-procurement transaction (unless excepted) at either a “primary” or “secondary” tier. Although “covered transactions” do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS’s implementing regulations, it does include some contracts awarded by recipients and subrecipient.
- e. Specifically, a covered transaction includes the following contracts for goods or services:
- (1) The contract is awarded by a recipient or subrecipient in the amount of at least \$25,000.
 - (2) The contract requires the approval of FEMA, regardless of amount.
 - (3) The contract is for federally required audit services.
 - (4) A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of \$25,000.
- d. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified:

"Suspension and Debarment"

- (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions."

9. **Byrd Anti-Lobbying Amendment.**

- a. **Applicability:** This requirement applies to all FEMA grant and cooperative agreement programs.
- b. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. See 2 C.F.R. Part 200, Appendix II, ¶ I; 44 C.F.R. Part 18; *PDAT Supplement*, Chapter IV, 6.c; Appendix C, ¶ 4.
- c. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See *PDAT Supplement*, Chapter IV, ¶ 6.c and Appendix C, ¶ 4.
- d. **The following provides a Byrd Anti-Lobbying contract clause:**

"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements (To be submitted with each bid or offer exceeding \$100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, W.W. Gruniger, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

- a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.
- b. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962). See 2 C.F.R. Part 200, Appendix II, ¶ J; 2 C.F.R. § 200.322; PDAT Supplement, Chapter V, ¶ 7.
- c. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- d. The following provides the clause that a state agency or agency of a political subdivision of a state and its contractors can include in contracts meeting the above contract thresholds:

“(1) In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA- designated items unless the product cannot be acquired—

(i) Competitively within a timeframe providing for compliance with the contract performance schedule;

(ii) Meeting contract performance requirements; or

(iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA- designate items, is available at EPA’s Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.”

11. Additional FEMA Requirements.

- a. The Uniform Rules authorize FEMA to require additional provisions for non- Federal entity contracts. FEMA, pursuant to this authority, requires or recommends the following:
- b. Changes.

To be eligible for FEMA assistance under the non-Federal entity’s FEMA grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

c. Access to Records.

All non-Federal entities must place into their contracts a provision that all contractors and their successors, transferees, assignees, and subcontractors acknowledge and agree to comply with applicable provisions governing Department and FEMA access to records, accounts, documents, information, facilities, and staff. See DHS Standard Terms and Conditions, v 3.0, ¶ XXVI (2013).

d. The following provides a contract clause regarding access to records:

"Access to Records. The following access to records requirements apply to this contract:

(1) The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract."

12. DHS Seal, Logo, and Flags.

- a. All non-Federal entities must place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. See DHS Standard Terms and Conditions, v 3.0, ¶ XXV (2013).
- b. The following provides a contract clause regarding DHS Seal, Logo, and Flags: "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval."

13. Compliance with Federal Law, Regulations, and Executive Orders.

- a. All non-Federal entities must place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable federal law, regulations, executive orders, and FEMA policies, procedures, and directives.
- b. The following provides a contract clause regarding Compliance with Federal Law, Regulations, and Executive Orders: "This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

14. No Obligation by Federal Government.

- a. The non-Federal entity must include a provision in its contract that states that the Federal

Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

- b. The following provides a contract clause regarding no obligation by the Federal Government: "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

15. Program Fraud and False or Fraudulent Statements or Related Acts.

- a. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.
- b. The following provides a contract clause regarding Fraud and False or Fraudulent or Related Acts: "The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract."

Additional contract clauses per 2 C.F.R. § 200.325

For applicable construction/reconstruction/renovation and related services: A payment and performance bond are both required for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the contract.

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

1. The following paragraph is added to the Other Insurance Condition of Section **IV – Commercial General Liability Conditions:**

This insurance is primary insurance to and will not seek contribution from any other insurance available to an additional insured under this policy provided that:

- The additional insured is a Named Insured under such other insurance; and
- You are required by a written contract or written agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

2. The following paragraph is added to Paragraph **4.b.** of the Other Insurance Condition of Section **IV – Commercial General Liability Conditions:**

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

All other terms and conditions of this policy remain unchanged.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

Business Auto Coverage Form
Motor Carrier Coverage Form

A. Amended Who Is An Insured

1. The following is added to the **Who Is An Insured** Provision in **Section II – Covered Autos Liability Coverage**:

The following are also "insureds":

- Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow for acts performed within the scope of employment by you. Any "employee" of yours is also an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.
- Anyone volunteering services to you is an "insured" while using a covered "auto" you don't own, hire or borrow to transport your clients or other persons in activities necessary to your business.
- Anyone else who furnishes an "auto" referenced in Paragraphs **A.1.a.** and **A.1.b.** in this endorsement.
- Where and to the extent permitted by law, any person(s) or organization(s) where required by written contract or written agreement with you executed prior to any "accident", including those person(s) or organization(s) directing your work pursuant to such written contract or written agreement with you, provided the "accident" arises out of operations governed by such contract or agreement and only up to the limits required in the written contract or written agreement, or the Limits of Insurance shown in the Declarations, whichever is less.

2. The following is added to the **Other Insurance** Condition in the Business Auto Coverage Form and the **Other Insurance – Primary and Excess Insurance Provisions Condition** in the Motor Carrier Coverage Form:

Coverage for any person(s) or organization(s), where required by written contract or written agreement with you executed prior to any "accident", will apply on a primary and non-contributory basis and any insurance maintained by the additional "insured" will apply on an excess basis. However, in no event will this coverage extend beyond the terms and conditions of the Coverage Form.

B. Amendment – Supplementary Payments

Paragraphs **a.(2)** and **a.(4)** of the **Coverage Extensions** Provision in **Section II – Covered Autos Liability Coverage** are replaced by the following:

- Up to \$5,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

C. Fellow Employee Coverage

The **Fellow Employee** Exclusion contained in **Section II – Covered Autos Liability Coverage** does not apply.

D. Driver Safety Program Liability and Physical Damage Coverage

1. The following is added to the **Racing** Exclusion in **Section II – Covered Autos Liability Coverage**:

This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

2. The following is added to Paragraph 2. in the **Exclusions** of **Section III – Physical Damage Coverage** of the Business Auto Coverage Form and Paragraph 2.b. in the **Exclusions** of **Section IV – Physical Damage Coverage** of the Motor Carrier Coverage Form:

This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

E. Lease or Loan Gap Coverage

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Lease Or Loan Gap Coverage

In the event of a total "loss" to a covered "auto", we will pay any unpaid amount due on the lease or loan for a covered "auto", less:

a. Any amount paid under the **Physical Damage Coverage** Section of the Coverage Form; and

b. Any:

(1) Overdue lease or loan payments at the time of the "loss";

(2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;

(3) Security deposits not returned by the lessor;

(4) Costs for extended warranties, credit life insurance, health, accident or disability insurance purchased with the loan or lease; and

(5) Carry-over balances from previous leases or loans.

F. Towing and Labor

Paragraph **A.2.** of the **Physical Damage Coverage** Section is replaced by the following:

We will pay up to \$75 for towing and labor costs incurred each time a covered "auto" of the private passenger type is disabled. However, the labor must be performed at the place of disablement.

G. Extended Glass Coverage

The following is added to Paragraph **A.3.a.** of the **Physical Damage Coverage** Section:

If glass must be replaced, the deductible shown in the Declarations will apply. However, if glass can be repaired and is actually repaired rather than replaced, the deductible will be waived. You have the option of having the glass repaired rather than replaced.

H. Hired Auto Physical Damage – Increased Loss of Use Expenses

The **Coverage Extension** for **Loss Of Use Expenses** in the **Physical Damage Coverage** Section is replaced by the following:

Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver under a written rental contract or written rental agreement. We will pay for loss of use expenses if caused by:

- (1) Other than collision only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";
- (2) Specified Causes Of Loss only if the Declarations indicate that Specified Causes Of Loss Coverage is provided for any covered "auto"; or
- (3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto".

However, the most we will pay for any expenses for loss of use is \$100 per day, to a maximum of \$3000.

I. Personal Effects Coverage

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Personal Effects Coverage

- a. We will pay up to \$750 for "loss" to personal effects which are:
 - (1) Personal property owned by an "insured"; and
 - (2) In or on a covered "auto".
- b. Subject to Paragraph a. above, the amount to be paid for "loss" to personal effects will be based on the lesser of:
 - (1) The reasonable cost to replace; or
 - (2) The actual cash value.
- c. The coverage provided in Paragraphs a. and b. above, only applies in the event of a total theft of a covered "auto". No deductible applies to this coverage. However, we will not pay for "loss" to personal effects of any of the following:
 - (1) Accounts, bills, currency, deeds, evidence of debt, money, notes, securities, or commercial paper or other documents of value.
 - (2) Bullion, gold, silver, platinum, or other precious alloys or metals; furs or fur garments; jewelry, watches, precious or semi-precious stones.
 - (3) Paintings, statuary and other works of art.
 - (4) Contraband or property in the course of illegal transportation or trade.
 - (5) Tapes, records, discs or other similar devices used with audio, visual or data electronic equipment.

Any coverage provided by this Provision is excess over any other insurance coverage available for the same "loss".

J. Tapes, Records and Discs Coverage

- 1. The Exclusion in Paragraph **B.4.a.** of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph **B.2.c.** of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form does not apply.
- 2. The following is added to Paragraph **1.a. Comprehensive Coverage** under the **Coverage** Provision of the **Physical Damage Coverage** Section:

We will pay for "loss" to tapes, records, discs or other similar devices used with audio, visual or data electronic equipment. We will pay only if the tapes, records, discs or other similar audio, visual or data electronic devices:

- (a) Are the property of an "insured"; and
- (b) Are in a covered "auto" at the time of "loss".

The most we will pay for such "loss" to tapes, records, discs or other similar devices is \$500. The **Physical Damage Coverage Deductible** Provision does not apply to such "loss".

K. Airbag Coverage

The Exclusion in Paragraph **B.3.a.** of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph **B.4.a.** of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form does not apply to the accidental discharge of an airbag.

L. Two or More Deductibles

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

If an accident is covered both by this policy or Coverage Form and by another policy or Coverage Form issued to you by us, the following applies for each covered "auto" on a per vehicle basis:

1. If the deductible on this policy or Coverage Form is the smaller (or smallest) deductible, it will be waived; or
2. If the deductible on this policy or Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

M. Physical Damage – Comprehensive Coverage – Deductible

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

Regardless of the number of covered "autos" damaged or stolen, the maximum deductible that will be applied to Comprehensive Coverage for all "loss" from any one cause is \$5,000 or the deductible shown in the Declarations, whichever is greater.

N. Temporary Substitute Autos – Physical Damage

1. The following is added to **Section I – Covered Autos**:

Temporary Substitute Autos – Physical Damage

If Physical Damage Coverage is provided by this Coverage Form on your owned covered "autos", the following types of vehicles are also covered "autos" for Physical Damage Coverage:

Any "auto" you do not own when used with the permission of its owner as a temporary substitute for a covered "auto" you do own but is out of service because of its:

1. Breakdown;
 2. Repair;
 3. Servicing;
 4. "Loss"; or
 5. Destruction.
2. The following is added to the Paragraph **A. Coverage** Provision of the **Physical Damage Coverage** Section:

Temporary Substitute Autos – Physical Damage

We will pay the owner for "loss" to the temporary substitute "auto" unless the "loss" results from fraudulent acts or omissions on your part. If we make any payment to the owner, we will obtain the owner's rights against any other party.

The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

O. Amended Duties In The Event Of Accident, Claim, Suit Or Loss

Paragraph **a.** of the **Duties In The Event Of Accident, Claim, Suit Or Loss** Condition is replaced by the following:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". However, these duties only apply when the "accident", claim, "suit" or "loss" is known to you (if you are an individual), a partner (if you are a partnership), a member (if you are a limited liability company) or an executive officer or insurance manager (if you are a corporation). The failure of any

agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

- (1) How, when and where the "accident" or "loss" occurred and if a claim is made or "suit" is brought, written notice of the claim or "suit" including, but not limited to, the date and details of such claim or "suit";
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

P. Waiver of Transfer Of Rights Of Recovery Against Others To Us

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** Condition:

This Condition does not apply to the extent required of you by a written contract, executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. This waiver only applies to the person or organization designated in the contract.

Q. Employee Hired Autos – Physical Damage

Paragraph **b.** of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph **f.** of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented under a written contract or written agreement entered into by an "employee" or elected or appointed official with your permission while being operated within the course and scope of that "employee's" employment by you or that elected or appointed official's duties as respect their obligations to you.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

R. Unintentional Failure to Disclose Hazards

The following is added to the **Concealment, Misrepresentation Or Fraud** Condition:

However, we will not deny coverage under this Coverage Form if you unintentionally:

- (1) Fail to disclose any hazards existing at the inception date of this Coverage Form; or
- (2) Make an error, omission, improper description of "autos" or other misstatement of information.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to the acceptance of this policy.

S. Hired Auto – World Wide Coverage

Paragraph **7a.(5)** of the **Policy Period, Coverage Territory** Condition is replaced by the following:

- (5) Anywhere in the world if a covered "auto" is leased, hired, rented or borrowed for a period of 60 days or less,

T. Bodily Injury Redefined

The definition of "bodily injury" in the **Definitions** Section is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease, sustained by a person including death or mental anguish, resulting from any of these at any time. Mental anguish means any type of mental or emotional illness or disease.

U. Expected Or Intended Injury

The **Expected Or Intended Injury** Exclusion in Paragraph **B. Exclusions** under **Section II -- Covered Auto Liability Coverage** is replaced by the following:

Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured". This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

V. Physical Damage -- Additional Temporary Transportation Expense Coverage

Paragraph **A.4.a.** of **Section III -- Physical Damage Coverage** is replaced by the following:

4. Coverage Extensions

a. Transportation Expenses

We will pay up to \$50 per day to a maximum of \$1,000 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

W. Replacement of a Private Passenger Auto with a Hybrid or Alternative Fuel Source Auto

The following is added to Paragraph **A. Coverage** of the **Physical Damage Coverage** Section:

In the event of a total "loss" to a covered "auto" of the private passenger type that is replaced with a hybrid "auto" or "auto" powered by an alternative fuel source of the private passenger type, we will pay an additional 10% of the cost of the replacement "auto", excluding tax, title, license, other fees and any aftermarket vehicle upgrades, up to a maximum of \$2500. The covered "auto" must be replaced by a hybrid "auto" or an "auto" powered by an alternative fuel source within 60 calendar days of the payment of the "loss" and evidenced by a bill of sale or new vehicle lease agreement.

To qualify as a hybrid "auto", the "auto" must be powered by a conventional gasoline engine and another source of propulsion power. The other source of propulsion power must be electric, hydrogen, propane, solar or natural gas, either compressed or liquefied. To qualify as an "auto" powered by an alternative fuel source, the "auto" must be powered by a source of propulsion power other than a conventional gasoline engine. An "auto" solely propelled by biofuel, gasoline or diesel fuel or any blend thereof is not an "auto" powered by an alternative fuel source.

X. Return of Stolen Automobile

The following is added to the **Coverage Extension** Provision of the **Physical Damage Coverage** Section:

If a covered "auto" is stolen and recovered, we will pay the cost of transport to return the "auto" to you. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.

All other terms, conditions, provisions and exclusions of this policy remain the same.
