Board Report

Legistar File Number: 15-0866

August 25, 2015

Introduced: 7/29/2015

Version: 1

Current Status: Agenda Ready

Matter Type: General Agenda Item

- A. Approve and Authorize the Monterey County Assessor to continue participation in the Statewide Standard Data Records Network Group Joint Powers Agreement (JPA-SDR), to execute amendments that do not adversely affect the County liability and/or extend the term of the JPA beyond July 1, 2020, and to make maintenance payments pursuant to the terms of the JPA amounts not to exceed \$5,000 per year; and
- B. Approve and Authorize the Monterey County Assessor to continue participation in the Statewide Joint Powers Agreement to execute amendments that do not adversely affect the County liability and/or extend the term of the JPA beyond July 1, 2020, and to make maintenance payments pursuant to the terms of the JPA amounts not to exceed \$5,000 per year.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- A. Approve and Authorize the Monterey County Assessor to continue participation in the Statewide Standard Data Records Network Group Joint Powers Agreement (JPA-SDR), to execute amendments that do not adversely affect the County liability and/or extend the term of the JPA beyond July 1, 2020, and to make maintenance payments pursuant to the terms of the JPA amounts not to exceed \$5,000 per year; and
- B. Approve and Authorize the Monterey County Assessor to continue participation in the Statewide Joint Powers Agreement to execute amendments that do not adversely affect the County liability and/or extend the term of the JPA beyond July 1, 2020, and to make maintenance payments pursuant to the terms of the JPA amounts not to exceed \$5,000 per year.

SUMMARY/DISCUSSION:

In 2004, the Board authorized the Monterey County Assessor to enter into a Joint Powers Agreement (JPA-SDR) for the purposes of the creation of Standard Data Records for the filing of annual Business Property Statements. The JPA SDR was and continues to be a positive and productive activity for the County and results in greater efficiencies and cost savings. The JPA-SDR also distributes the associated costs and liabilities directly related to this purpose proportionate to each participating County's share of statewide taxes generated. All participating counties share in the costs so that the services and benefits provided by the system are available to all California taxpayers and County entities statewide.

The administration of the JPA SDR is transitioning at this time to the County Assessor's Association, a non-profit organization comprised of all state Assessors, who will be managing

the program as the Coordinating entity. Participation by the County may be terminated early if the cost exceeds the benefits.

At this time, the Assessor is asking the Board to authorize him to continue participating in the JPA SDR, be authorized to make Monterey County's share of annual payments for the JPA SDR in an amount not to exceed \$5,000 a year for a combined total of \$25,000, through July 2020, and, further, to execute all appropriate amendments and extensions of the JPA's through 2020 that do not increase the dollar amount or substantially change the terms and liabilities of the County's participation in the JPA's. The County has and will continue to benefit from the services performed pursuant to this JPA, a greater cost savings than would be possible if the County would have to obtain these services, either in-house or by outsourcing the work as a stand-alone County activity.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved the current amendments to the JPA SDR and has approved them as to form.

FINANCING:

Each County is sharing only a portion of the costs, proportionate to that County's share of the statewide receipt of tax revenue. There is no additional cost to the County General Fund, as there are sufficient appropriations in the Assessor's FY 2015-2016 Adopted Budget (1180-ACR001-8003) for the current recommended action. The estimated future annual maintenance costs are less than \$5,000 for JPA SDR per year through July 1, 2020 (combined total of \$25,000 through that date). At any time, if funding is not approved the County can withdraw from the JPA pursuant to the terms of the JPA SDR agreement.
